OBJECTIVE

Obtain an in-house or regular freelance position writing, directing and editing content that both inspires and generates emotions across all platforms for all types of clients and audiences. Seeking a larger company whose pre-existing needs I can serve while allowing them to take over production and solicitation of my larger commercial and short form efforts.

SUMMARY OF QUALIFICATIONS

I have written and directed 150+ well known and distributed short form works, including commercials, music videos and 2 feature films. 20+ years fulltime directing for theater, film and various media. Filmfare nominated screenwriter. Ridiculously prolific with consistent press in all major outlets. Passionate about creating both heart felt works and inspired commercials. Experienced with closing clients and running large teams of unique creatures. Vast relationships with talent, vendors and a personal artist branding that helps close specific targeted clients.
