

Katie Larsen
Director

PROFILE

A young up and coming, award winning director. Has vast experience in the film industry, and is seeking more opportunities to direct. A quick learner, conscientious, creative problem solver. Versatile experience in feature films, television, studio and indie productions. Has an aptitude for working in high pressure technically complex environments, weather it's elements or VFX with confidence and a versatile collaborative spirit. Recognized skills in mentoring, and leading projects, with a thriving interest, drive, and passion for directing, producing and writing.
