PROFILE

After 10 plus years working in the broadcast and agency environment I am looking to transition into the film world. I have several years of Producer and Directing experience on commercial sets in the agency world, and also have experience behind the camera working several cammera systems. As an agency Producer I was know to push the limits of the technology and created some compelling and innovative videos for my clients.

WORK

- **Production Assistant (Nov. 2016)**
THE VOICE (REALITY TV)
FINNMAX PRODUCTIONS
As a production assistant for The Voice I worked closely with the production team to determine what equipment was needed for each shot we set up. Helped the crew set up each individual shot and helped tear down after production. I also acted as a location scout, as I knew the area in which we were shooting.
- **Independent Filmmaker (Nov. 2016 - Current)**
#NODAPL THE STORY BEHIND THE STORY (DOCUMENTARY)
NOETIC CREATIVE
In November I was given the opportunity to go to North Dakota and witness the #NoDapl protests first hand. I am currently working on putting together the story of the protests and the view from both sides of the line.
- **Producer/Director (July-Aug 2016)**
PEPSI - ALL FANS HUSKER CAMPAIGN (COMMERCIAL)
FIRESPRING
I produced and directed a video for Pepsi that played at all the Nebraska Cornhusker homes games. I was in charge of location management, talent, the shoot and the overall look of the finished product.
- **Producer (Mar. 2013 - Current)**
MMA FUTURES (LIVE WEB SPORTS PRODUCTION)
TROUBLESULATE TECHNOLOGIES
As the producer for MMA Futures I have been in charge of all aspects of the show since it's inception. I have produced over 40 live sporting events and worked with our team to produce all of the promotional content for each event.
- **Producer/Director (Oct. 2015 - July 2016)**
NEBRASKA DED - GOOD LIFE. GREAT OPPORTUNITY (COMMERCIAL)
FIRESPRING
I was given the great opportunity to work on the promotional video to help rebrand the state of Nebraska late in 2015. On this project I was in charge of setting up several shoots with a variety of talent all over the state of Nebraska. Plus find several locations that show what Nebraska has to offer. I was in charge of this project all the way to delivery to the governor of Nebraska.
- **Camera Operator (Mar. 2015)**
RADICAL BODY TRANSFORMATION (REALITY WEB SERIES)
JAMES HERGOTT PRODUCTIONS
I worked with James Hergott on his production of the first season of Radical Body Transformation. I shot professional body building and interviews for the show at the upper midwest competition in Fargo, ND.
