PROFILE

I am an award winning content producer having worked with some awesome brands and clients over my 10+ year career. I am results driven and demand only the highest quality work from myself and others. I believe in pushing my own limits and am never happy with a project unless it scares me a little.

WORK

2016

Producer

FIRESRING, LINCOLN NE

As a producer at Firespring I was responsible for most of our high end projects. I was in charge of the projects as a producer then the director, and ultimately was the editor of many of the award winning projects.

2011

Production Coordinator

CALKINS MEDIA - WTXL TV, TALLAHASSEE FL

At WTXL I was in charge of producing many production top to bottom. I also played an integral roll in moving production to HD and helping get established in a brand new broadcasting facility.

2006

Creative Services Producer

KGWN-TV, CHEYENNE, WY

In the 18 months I worked a KGWN I worked my way through the ranks starting as production assistant and finding my home as an award winning Creative Services Producer
