

Ariana R. Pannell

Camera Operator

<https://www.ariranaproductions.com/>

I am a contracted camera operator/ videographer. I have experience with low budget films, television series, sports, student films, and recently, online series. I am very observant and if there is something I do not know I can learn it quickly. I have always loved visual storytelling and I would love to be apart of it.

Mobile Contact: (678)806-6087
