

KEVIN THE BROTHERHOOD OF IT ALL

EXT. KEVIN-ALTAR-DAY

KEVIN PETERS is at the altar getting ready to marry the love of his life. The name of his soon-to-be-bride is Camille Harper(soon to be Mrs. Camille Peters).

Kevin Peters(Which we will just call Kevin) is an injury attorney. He is about to marry the love of his life Camille Peters (which we will just call her Camille).

CAMILLE HARPER (Camille) is a corporate attorney who is about to marry Kevin. Kevin is the love of her life.

GREG is Kevin's best friend and best man in the wedding and he is so happy to see his best friend Kevin about to get married. Greg is also an injury lawyer.

Kevin looks real handsome in his black tuxedo and Camille looks stunning in her off-white wedding gown.

They are both in tears crying. This is the happiest day of their lives.

The reverend asks Kevin if he will take Camille to be his lawfully wedded wife and he said I do. Then when the reverend asks Camille the same thing about being Kevin's husband , she all of a sudden says this.

I don't understand, what are you doing Camille?

CAMILLE

I don't want to marry you sorry, I'm in love with someone else and this wedding is over.

Camille storms off of the wedding and Kevin has been stood up at the altar. Kevin can't believe this is happening to him and all fo a sudden the guest are baffled and stay for about 30 minutes and they tell Kevin they are sorry about this.

Kevin is still crying and his friend Greg(which is his best friend and best man) starts talking to Kevin and starts consoling him about how great of a guy he is and how sorry that happened and Camille is

sorry and wrong for what she did.

They stay for about 30 minutes and they both end up leaving the wedding.

****INT.KEVIN'S HOUSE LIVING ROOM-DAY****

It's one year later and Kevin is in a much better place. He starts working out, and starts working on his future law firm. Kevin is an injury lawyer. He always wanted to own his own law firm and now he is about to get his dream started.

Kevin's friend Greg comes over to his house. Greg rings the doorbell and he lets Greg in the house. They begin a conversation.

KEVIN

What's up man?

GREG

I am doing well. I see you are in a much better place since the wedding last year.

KEVIN

Man, I sure am. I've been working out, eating healthier, and I am working on my own law firm practice.

GREG

Man, that is what I'm talking about. Look Kevin, it's Camille's loss and not yours. Karma will get her and trust me all those other men she gets with will dog her out.

KEVIN

I don't care about her anymore. That is water under the bridge.

KEVIN

Besides, I have been listening to The Brotherhood Podcast every Saturday night with Terrell Jenkins.

GREG

I listen to him sometimes. He is really good.

KEVIN

He is not good, he is sensational. He helped me get over Camille, I started listening to his podcast three months after I got stood up by Camille.

KEVIN

His podcast help me to be a better man and to stop simping.

GREG

I heard that. Look Kevin, be careful with these podcasters because they can talk a good game online but in reality a lot of them are totally opposite of what they say online.

KEVIN

Oh, I don't care about them personally, I just like hearing the advice. Man I got all Terrell Jenkins' books so far. I became a super member last month.

KEVIN

He is the real deal. I am at a much better place thanks to him.

GREG

Just be careful man, I don't take a lot of podcasters seriously.

GREG

Remember, when Daniel Green had his podcast, he would always talk about stock options? Turns out he was a fraud and he was scamming people.

KEVIN

Look man, I am good. Camille is out of my life and mind.

GREG

Okay, if you say so. Let's go get some drinks this weekend. I've been swamped with work. That is why you have not heard from me lately.

GREG

Don't forget you are not the only lawyer.

KEVIN

Yeah I know, we can go out this Saturday. Time for me to have some fun. Time to do guys night out.

Kevin and Greg talk for about 5 more minutes before Greg leaves Kevin's house. When Kevin leaves, he starts going towards his books he bought from Terrell Jenkins' podcast. There are two books. One called, Avoid The Gold Diggers, and Don't Get Caught up in The Simp Trap.

Kevin starts reading Don't get Caught Up In The Simp Trap.

While Kevin is reading, he starts having flashbacks of Camille standing him up at the altar. This makes him angry.

He stops being angry and continues to read the book

****INT. KEVIN AND GREG-BAR-NIGHT****

It is Saturday night and Kevin and Greg are out having drinks.

They begin a conversation. While they begin a conversation, a tall black male walks into the bar and it turns out to be Camille's new boyfriend. They start talking about Camille's new boyfriend.

Camille's new boyfriend is named RASHAAD GRANDPRAIRIE. He walks into the bar with some of his friends getting ready for drinks and having a good time.

GREG

Well, look who walked in. That is Camille's new boyfriend.

KEVIN

Oh really, That is good news to hear. Man I don't care, let's have these drinks and continue to have some fun.

GREG

You mean to tell me this fool walks into this bar and you're not mad? It's only been a year and you just all of a sudden over her like that?

KEVIN

Look man, I don't care anymore and I just want to be me and do me for now. I don't have the energy to be mad at her anymore. Let her be.

GREG

Man, you are a lot better than me, I would have probably tried to kick his ass and then look for Camille and get her ass too.

KEVIN

Now you sound like a simp right now. Don't get caught up simping.

KEVIN

I was a simp for three years for Camille. I co-signed for that BMW she got now.

GREG

You co-signed, are you serious? You never told me that.

KEVIN

I don't tell everything and besides I knew you were going to say something about that.

GREG

Man, I would have never cosigned a car especially a luxury car for no woman unless she is my wife.

KEVIN

I was head over heels with Camille.

KEVIN

She will get karma coming to her.

GREG

No more talking about Camille, let's get drunk.

KEVIN

Yeah man, let's get lit up.

GREG

I am going to get tore up

Kevin and Greg leave the bar later on that night and they are both drunk. They both end up driving

back to their homes in their drunken state.

When Kevin gets back to the home, he starts remembering Camille's new boyfriend at the bar.

He starts getting angry and goes berserk and starts tearing paper in his house.

When Greg gets home he goes straight to the toilet and throws up and then he goes into his bedroom and goes to sleep.

****INT. KEVIN'S BEDROOM-DAY****

It's the next day and Kevin wakes up about 9AM in the morning.

Kevin starts remembering Camille's new boyfriend at the bar.

Kevin remembers him for about a minute then he just blocks it out of his mind.

He goes on his laptop and decides to get on this dating site called The Hook Up. He goes into the website to search for Camille, his ex fiancée'. Once Kevin sees Camille's profile, he scrolls down and sees her with her new boyfriend.

He sees the name Rashaad , Rashaad GrandPrairie.

Once Kevin sees this, he gets angry again. He hurries up and closes his laptop.

Kevin sees his cell phone and checks his phone and sees that Greg has called him but he missed his call. Kevin calls Greg back and they both begin a conversation. Kevin put his phone on mute by accident. He unmutes his phone.

GREG

Hey, Kevin, I called you earlier. I guess you missed my call.

KEVIN

What's up?

GREG

Man I came home and I threw up. After I threw up, I went to sleep.

GREG

I was torn up and pissy drunk last night. I am surprised we made it home.

KEVIN

I was too drunk. I am going to stay home today and work on my future law firm. I got to get this man started. I am tired of working for these law firms.

GREG

Yeah, I hear you. I am going to stay home today and get some rest.

GREG

I got a hangover. I am going to take some aspirin and get some rest. I was just calling you man. I will call you tomorrow.

KEVIN

Okay, well let me get on this law firm business. I will holla at you tomorrow.

They both hang up the phone and Kevin gets started on his law firm business.

Kevin starts gathering up some papers and he begins to work on his law firm business. He continues on it for about three hours and after that ,he is done. He goes back into his bedroom and goes to a nap . He is still exhausted from last night.

After Kevin wakes up from his nap. He decides to watch TV in his bedroom. While watching TV, he hears his cell phone notification going off. It is a reminder of the missed podcast from last night.

Kevin checks his cellphone, and sees that he missed the Brotherhood podcast. He decides to watch TV instead and listen to the podcast later on that night.

Kevin is watching The Crime Channel. He sees a story about

a man who almost got married and stood up at the altar. Three days later the so called groom went to go look for the so called bride. Once the man found the woman, he killed her.

Kevin starts getting enraged. All of a sudden the TV show starts giving him ideas on how to kill Camille.

Kevin starts thinking of ways to kill Camille and her new boyfriend Rashaad.

After the TV show goes off, he starts getting on his laptop and searches for ways on how to kill your ex fiancée.

Kevin sees some real good ideas and he begins to talk to himself about these ideas.

When Kevin is done, he closes his laptop.

****INT. GYM WORKING OUT*-DAY****

It is the next day and Kevin is at the gym with Greg. They start working out and all of a sudden Camille's best friend YOLANDA walks into the gym. She sees Greg and Kevin and she walks up to them and begins a conversation.

Yolanda is an RN. She is Camille's best friend. She just happens to be in the gym with Kevin and Greg and they begin a conversation.

YOLANDA

Hey what's up guys?

Kevin and Greg look at each other and they begin to speak to her.

KEVIN

What's up Yolanda?

GREG

What's up Yolanda?

YOLANDA

Wow, it's good to see you guys. It's been a year.

YOLANDA

Kevin, may I talk to you in private?

KEVIN

Yeah ,sure.

Kevin and Yolanda go to the back of the gym and talk.

YOLANDA

Look Kevin, I know you feel very upset by seeing me. I just want to say I am sorry about the wedding. Trust me I did not make Camille do that. I had no idea she would stand you up like that.

KEVIN

Well, no need to apologize. I am over it. Look, I was not the man for Camille. I thought she loved me but she didn't. Did she break my heart , hell yeah she did, but I am over it now and I have moved on.

KEVIN

Enough about Camille. How are you doing?

YOLANDA

I am great, Just getting back to my workout. I've gained 20 pounds and I got to lose it.

KEVIN

You were always so insecure about your weight. Look Yolanda, you are beautiful and a real man will accept you for you.

YOLANDA

Man, oh no, this is about a man. I am doing this for me not for no man.

YOLANDA

I don't want a man right now, I just want to go out with men and have some fun. I don't want a commitment now.

KEVIN

Don't tell me you are one of those today's women as they call it.

YOLANDA

Don't tell me you are listening to the Brotherhood podcast with that misogynist ass Terrell Jenkins.

KEVIN

As a matter of fact, I am. The Brotherhood Podcast has helped me out a lot.

KEVIN

All women are not bad but I be damned if I am going to be a simp for any woman.

KEVIN

Look Yolanda, I can't afford to be a woman's ATM anymore. Camille did take some of my money and I got her that BMW that she is currently driving.

YOLANDA

Look Kevin. I know Camille hurt you but listening to that poisonous shit will not help you.

YOLANDA

I do not even entertain that today's woman is nonsense today's woman . Just because I have been hurt or burned by men does not mean all men are the scum of the earth. Come on now. I just want to have fun and date other men without commitment. I will get in a relationship later on in my life.

YOLANDA

You have to be careful listening to these podcasters. They will tell you anything and you can't believe everything they say.

KEVIN

I love Terrell Jenkins. He was the one that helped me get over Camille and helped me realize as a man that I do not have to simp for any women.

KEVIN

I am sorry but women take advantage of men too and that is not cool. I will continue to listen to The Brotherhood Podcast okay.

YOLANDA

Just be careful. Don't let everything he said get to you. I have heard stories about people listening to these podcasts and literally becoming unhinged and start stalking the people who burned them.

KEVIN

This is me. Do you honestly think I will stalk Camille, hell naw. That is not my style. I told you I am over Camille.

YOLANDA

Okay enough of this conversation. What are you and Greg going to do after the gym?

Yolanda and Kevin keep talking and Greg is still working out by himself. They end their conversation and go back into the gym and begin working out.

After they are all done Greg goes home and somehow Kevin and Yolanda are at Kevin's house having sex. After they are done having sex they both begin a conversation about how they cannot have sex anymore.

****INT. KEVIN'S BEDROOM- DAY****

KEVIN

We can't do this anymore. We have to stop this okay. You are Camille's best friend. This is foul.

YOLANDA

No, she lost a good man and
blew it. Now it's my turn to enjoy being a good man.

KEVIN

Look, we are not going to do this anymore. I don't want any drama to start.

YOLANDA

If you want it that way then fine. Let's be friends. You are right. I can't do this to Camille.

Kevin and Yolanda don't have any idea that Camille is outside and she just saw them having sex. She peeped through Kevin's bedroom window and saw them having sex.

When they are through with their conversation, Yolanda leaves Kevin's home. About 10 minutes later Camille goes to Yolanda's home and they begin a conversation.

Camille rings Yolanda's doorbell and Yolanda lets Camille in her house and they both begin a conversation.

YOLANDA

Hey girl what's up?

CAMILLE

(She is in tears crying)

I'm doing fine.

YOLANDA

What's wrong? Why are you crying?

YOLANDA

What happened?

CAMILLE

You know what happened? I saw you at Kevin's house earlier and you guys were having sex. Now I know we are not together anymore but at least don't break the girl code.

CAMILLE

I went to Kevin's house because I wanted to talk to him about what happened at the altar last year, but you two were too busy getting it on!!!!

CAMILLE

I would never have sex with your ex's.

YOLANDA

Okay you got me. Yes, we had sex. Why do you care you stood him up at the altar remember. You got a new man already. Enjoy your man okay.

YOLANDA

Me, and Kevin talked about it before I left his house and we both decided we are not going to have sex with each other and we are not going to be with each other ok.

CAMILLE

You are my best friend. I would never do that to you. I love you like a sister.

YOLANDA

I am not going to sleep with him anymore. Look ,the bro before the ho's ok. You are more important to me than some dude ok.

YOLANDA

I don't want our friendship to fall apart. Your friendship means more to me than being with Kevin.

Camille and Yolanda continue to talk for about an hour.

Camille came by Yolanda's house to return the 50 dollars she owed her. After she returns the money to Yolanda, she goes home.

INT KEVIN'S BEDROOM- DAY

Kevin is at home. He just got out of the shower and he put his clothes on. He gets on his bed and grabs his laptop and begins to listen to the Brotherhood Podcast.

TERRELL JENKINS is the host of the Brotherhood Podcast and Kevin is listening to the podcast. He sees the link to call in. Kevin calls into the Brotherhood Podcast and he begins to talk about how he had sex with his ex-girlfriend's best friend.

The begin a conversation on the podcast to talk about what happened with Kevin and Yolanda

TERRELL

Welcome to the Brotherhood Podcast.

KEVIN

(He calls in with his face covered and his voice altered.) Hello my name is Kevin and I wanted to call in for the first time.

KEVIN

I have been following your podcast for about a year now and I finally got the nerve to call in.

TERRELL

Nice meeting you Kevin , what story do you have to tell to the Brotherhood Podcast?

KEVIN

Well, last year I was about to get married and I got stood up at the altar. I was so devastated to the point I went into a brief depression. I finally decided to work on me and work on my future law firm that I want to start. I also started working out by going to the gym to get fit.

KEVIN

My ex fiancée stood me up at the altar. I was basically her simp and I did just about everything for her. I bought her a BMW in her name . I took her out to fancy restaurants and I bought her fancy clothes.

TERRELL

Wow, you did all that for her and she stood you up at the altar. Man, I think you did the right thing by working on yourself.

TERRELL

You must see the signs of simping because women will use you for your money. Too many men have gotten got, if you know what I mean.

TERRELL

When you see the signs of simping and being used for money, you have to get out of it.

TERRELL

A lot of women out there these days are out for blood and they want to get revenge on men because of their hurt experiences of their past relationships.

TERRELL

These women pick these men because they are easy to manipulate.

KEVIN

Guess what happened, the other day I bumped into my ex's best friend. I went to the gym yesterday. We started talking about what happened at my wedding and one thing led to another and the next thing you know, I am having sex with her at her house.

TERRELL

That's what I'm talking about . Sometimes you gotta get them back. It makes them realize what a good man they lost.

KEVIN

I told her best friend that after this, I don't want to have sex her anymore. I don't have time for any drama. Women can bring drama and I am not going to get caught up in it.

TERRELL

Well, let go of your ex completely and move on with your life. Also please get therapy if you are experiencing any anxiety about taking revenge on her.

TERRELL

Therapy is the best answer. A lot of people have unresolved issues in their past and they don't get help for it and sometimes it turns out deadly for that person.

TERRELL

Look Kevin, please get yourself some therapy before you get into your emotions and do something that you will regret or land you in prison.

KEVIN

I plan on getting therapy in the future. So far, I have been reading your books. Your books have helped me to overcome my ex.

TERRELL

That's really good. Remember, our podcast is about helping men heal. We don't condone any violence towards women, we don't want any women to get hurt or killed.

TERRELL

We believe that men must heal from their wounds.

KEVIN

I am doing a lot better. That is all I got to say now and thanks for having me on your podcast.

Kevin leaves the podcast and goes and gets one of Terrell's books and starts reading it while sitting up on his bed.

An hour has passed and Kevin stops reading Terrell's books and he decides to watch some more TV.

Kevin's cell phone starts ringing and it is Greg and they both begin to have a conversation.

GREG

Man, you were on the Brotherhood Podcast telling all your business? Come on man. I told you not to get caught up with those podcasters.

GREG

Look it is alright to listen to them sometimes but don't make it a habit to watch them everyday.

GREG

People put on acts. You don't know Terrell like that to be telling him your business.

KEVIN

Look Greg, you are blowing things way out of proportion. Terrell has helped me a lot. After the wedding, I was a wreck. I got back up and went back out there. Terrell helped me see the light on my love life.

KEVIN

Us men need to stop simping for these women and tell them to go somewhere with their nonsense. You got to get to know these women first before you start giving them the world.

KEVIN

I have been a simp for too long and now I am so done with that. I am working on my future law firm and going to the gym and working out staying in shape.

GREG

Just be careful. Don't get too caught up with someone else's rhetoric. You have your own mind and you never let anyone run or control your way of thinking.

GREG

Look Kevin, Terrell is a cool dude and yes I listen to him sometimes but reality is most people never meet these podcasters.

KEVIN

Look, I am a grown ass man. I got this okay Greg. You are my best friend for life. I will be alright.

Kevin and Greg keep talking for about another five minutes then they both hang up and Kevin continues to watch TV in his bedroom.

About five minutes into watching TV, there is a commercial advertising a crime channel about an up and coming episode of men who kill out of revenge.

Kevin sees this and starts getting angry. When the program comes on he turns the channel to the crime channel and there is an episode about a man who caught another man in bed with his wife and how he got mad and took a shotgun and blew his wife's brains out.

Kevin sees this and his face is getting hot and starts getting more angry and unhinged. He starts thinking of ways to kill Camille and starts getting on his laptop and searches for ways to kill your ex girlfriend.

INT GREG'S HOUSE LIVING ROOM-DAY

It is the next day and Kevin is at Greg's house. They are drinking beers and watching a basketball game. The New York Knicks vs. The Lakers and they are getting into the game by going off on the TV screen. They begin a conversation.

KEVIN

Man the Lakers are getting their asses whooped.

GREG

Man tell me about it, this is an ass whooping at its finest.

KEVIN

Man, I'm ready to start my law firm. I am almost there.

GREG

Wow man, you really are doing it.

GREG

After this game goes off, I am going out with this honey I met online named Candice, she is fine as hell.

KEVIN

Oh oh man be careful. Don't let her make you her simp.

GREG

You know me better than that man. Besides, I got my condoms ready for just in case it go down, if you know what I mean.

KEVIN

Please use them before she come talking about I'm pregnant and its yours.

GREG

Ain't no way in hell I would have unprotected sex. No, I am not trying to be anyones baby daddy at this time.

KEVIN

Actually, I am happy for you and this date. I was worried about you for a moment. I thought you were going to remain some type of hermit.

GREG

Man, I love the ladies. I am not just going to date just anybody and I am not going to let no woman turn me into her simp. I call out the BS. I can smell it a mile a minute, and when I smell simping ,I cut it off.

KEVIN

Yeah, don't be a simp.

KEVIN

Hey look man, I am going to go home. This basketball game is wack and the Lakers are going to lose this game. Go ahead and get ready for your date.

KEVIN

Since you put the ho before the bro, just kidding. I will holla at you later.

GREG

Alright Kevin, holla at you later.

Kevin leaves Greg's house and goes back home. When he gets home he goes to read Terrell Jenkins' books. He starts reading a book about men stop simp.

As Kevin goes to read the book, he starts remembering about him being stood up at the altar. Kevin starts getting angry and starts thinking about ways to kill Camille.

He starts thinking of ways to kill Yolanda. Even though Yolanda and Kevin decide to be friends, he starts getting unhinged and realizes that Yolanda is Camille's best friend and anyone associated with Camille needs to be killed.

Kevin stops being angry and continues to read the books for an hour.

After an hour has passed, Kevin decides to cook himself something to eat. Kevin is a great cook, so he decided to make some steaks and some mashed potatoes for dinner.

After Kevin is done cooking and eating, he goes back to his bedroom and decides to watch some TV. There is a TV show called The Happy Newlyweds. He sees a couple who just got married and are celebrating their first year of marriage.

The couple is very happy. While watching the TV show, Kevin begins to cry. While crying he starts reminiscing about Camille standing him up at the altar.

This makes Kevin outraged and he quickly turns off the TV and starts throwing things around his bedroom. He starts cursing and saying things like Camille you are a slut and I am going to kill you and your boyfriend Rashaad.

INT KEVIN'S LIVINGROOM-DAY

It's the next day and Kevin and Greg are having a conversation about Greg's date and Kevin's house.

GREG

Man, that date I had last night was great. Man it went down. I mean I put it on her ass last night.

KEVIN

Oh man, did you really. Man was she off the chain last night?

GREG

I put the smack down.

KEVIN

At least someone got some action last night.

GREG

Man, it's been a year now. Man you got to get back out there and meet some women.

KEVIN

I am not ready to meet any women. I am at a good place in my life and meeting a woman will just put a glitch in my life right now.

KEVIN

I am over Camille, I just want to work at my future law firm and enjoy myself now.

GREG

If I were you, I'd get with Yolanda. To hell with Camille, she got a new man. Yolanda needs a man and you need to be her man.

KEVIN

Look man, I don't do drama. Yolanda and Camille are best friends. I don't get down like that. That type of shit leads to mess. I will be damned if someone is going to try and fight me over something that happened last year.

KEVIN

I don't need that type of drama in my life. Yolanda is cool and that is it.

GREG

You're a lot better than me. I'd be all on that. Shit I would not give a damn. I would be all on Yolanda. She's fine as hell.

KEVIN

Well, if you feel that way, how come you never tried to get with Yolanda.

GREG

I ain't her type. She thinks I'm cool. I think she is fine, but I can't see myself with her either.

GREG

I just be talking about being all on that, reality speaking, she ain't for me.

KEVIN

Are you done Mr Love Doctor? Hahahahah. Enough about broads okay. What are we gonna get into today?

GREG

Man, we're gonna shoot some hoop.

KEVIN

I got a better idea, Let's go bowling. I am gonna mop the floor on your ass.

GREG

Man, let's do that. I have not bowled in a minute. You are about to get ya ass whooped.

INT BOWLING ALLEY - DAY

Kevin and Greg go to the bowling alley near Greg's home and they begin to bowl. While they are bowling, Greg sees the woman he went out on a date with. They are hanging out.

All of a sudden they go talk to other men and the woman that Greg went out with begins to kiss another man. Greg could care less and begins to go back and bowl with Kevin.

They begin to have a conversation.

GREG

That's the girl I went on a date with last night. Her name is Shree'. I saw her kiss another man and I don't even care. Hell, I got them panties last night. She ain't my woman, trust me she will see me but her ass will be blowing up my cell phone. That's how they all do.

KEVIN

Man you got a lot of games.

GREG

Hell yeah I got a game. I don't get mad over chicks and too many of them out there. They all go running back.

KEVIN

Well, as long as Camille doesn't come running back, that's fine with me.

GREG

Man she ain't coming back. She got Rashaad remember? Man let's stop talking about broads and let's bowl.

INT KEVIN'S BEDROOM-DAY

Kevin and Greg bowl for about two hours and then they leave the bowling alley. After that they go back home and Kevin starts taking a shower and then he goes to his bed to relax.

Kevin gets a phone call from Yolanda. They begin a conversation and the next thing you know Yolanda is at Kevin's house and they begin to have sex.

They have sex for about an hour and then they finish. They both begin to have a conversation.

YOLANDA

I can't stop thinking about you. I tried Kevin but I couldn't. I know I am Camille's best friend but she got a man already and I deserve happiness.

KEVIN

Maybe we need to be together. The hell with Camille, she does have a new man. We can be together.

They both end their conversation and Yolanda leaves Kevin's home. After Yolanda leaves, he calls Greg and tells Greg that he just had sex with Yolanda and they are going to start going together and be a couple. They continue their conversation.

GREG

Man that's what I'm talking about. Forget Camille, she is history and you now can begin a new chapter with Yolanda.

KEVIN

You are right. Man Camille is history and she has moved on and I am going to move on to her best friend.

KEVIN

I'm over her for real and I gotta get me some loving and some affection myself.

GREG

Don't let no broad hold you back from a love man. After all, she stood you up at the altar.

KEVIN

You're damn right, she stood me up. Now I am going to enjoy my life and have a good time and enjoy myself with Yolanda.

They continue to talk until Kevin gets a call from Yolanda and Kevin tells Greg he has to go and he is going to talk to Yolanda for a moment. Greg says okay. They hang up the phone.

Kevin starts talking to Yolanda. They start talking about getting into a serious relationship and taking it to the next level.

They continue to talk about their future relationship with each other.

KEVIN

I really need you in my life. I need a woman now. I am tired of being single and I think my mind is ready for a relationship.

YOLANDA

I really like you a lot. When Camille stood you up at the altar. I knew it was really over between you guys.

YOLANDA

I have a confession to make. She never really loved you anyway.

YOLANDA

She was messing with her new boyfriend Rashaad. I would see her with him and I would not confront her about it.

YOLANDA

She was literally messing around with him behind your back. She claims that you did not love her and you only wanted her to be a trophy wife.

KEVIN

WTF?!!! I loved that woman. She was my life. I would have gone to hell and back for her!!!!

KEVIN

Look, let's concentrate on our future together okay? Camille is history and you are my future.

YOLANDA

I just want to be with you. I believe we were meant to be together.

KEVIN

I want you so bad.

They continue to talk for about 15 minutes. When they finally hang up the phone, Kevin starts getting back online and researching how to kill your ex fiance'e.

Yolanda has no idea that Kevin is planning on killing her, Camille and Rashaad. He is using Yolanda for bait.

Kevin starts planning on Killing Yolanda first. His plan for her is to pretend that he likes her and starts going out with her and then kill Yolanda in her house and after that make it look a robbery.

Greg out of now where rings Kevin's doorbell. Kevin starts logging off his laptop and goes to the living room to answer the door.

Kevin lets Greg in his house and they begin a conversation .

GREG

What have you been up to?

KEVIN

Nothing at all, just chillin.

GREG

Man, did you hear about the lawyers convention they are going to have?

KEVIN

Man, I've been to those conventions too many times and I don't want to go anymore. They are too stuffy and those criminal lawyers act as if they are better than other lawyers.

KEVIN

Man I almost cussed this criminal lawyer out about three years ago man. He comes talking about injury lawyers ain't real lawyers smdh.

GREG

Man, forget those lawyers. It will be good for networking and you can make connections. You network with lawyers that have their own practices, Kevin thinks.

KEVIN

No thanks man, I will pass.

They continue to talk for about an hour then Greg leaves.

After Greg leaves, Kevin goes back to his laptop in his bedroom and starts looking up ways to kill Yolanda.

Kevin sees a news report on TV about a thief in the area and to look out for this robber. The report is also stating that the robber has broken into 13 houses so far and be careful and watchful of this person.

KEVIN

I can use this to kill Yolanda. If I use this, then people will think it was the robber and not me.

Kevin continues to do research on how to kill your ex fiancée.

INT YOLANDA'S HOME-DAY

Yolanda and Camille are on their cell phones talking about Kevin. Yolanda tells Camille that she is

seeing Kevin and that she should not be angry about it.

CAMILLE

Look, Yolanda, I am so sorry for being selfish. You deserve a good man and Kevin is a good man. He just was not for me.

CAMILLE

Maybe it is meant for you and Kevin to be together.

YOLANDA

I never messed with Kevin. When you guys were together, I never tried to mess with him.

YOLANDA

We are just meant to be. I need to be with a good man. Kevin can do that for me.

YOLANDA

Look Camille, you got your man already. I'm tired of being on the sideline looking in , i'm just saying .

CAMILLE

Look, I was just wrong. I hope it works out between you and Kevin.

Yolanda and Camille continue to talk. After they are done talking. They decide to go out to eat for lunch.

EXT HAMBURGER JOINT-DAY

They are at a fast food place eating hamburgers on the outside patio. All of a sudden Rashaad, Camille's boyfriend comes and they begin a conversation.

RASHAAD

Hey ladies, what's up?

CAMILLE

Hey baby, you must be on a lunch break at work.

RASHAAD

Yeah, I am on a break. Are we still on for tonight? I want to take you to that new restaurant called SHAY'S. I heard the food is good.

CAMILLE

Yes, I am looking forward to it.

Yolanda tells Camille that she is going to let them talk for a moment while she makes a phone call.

RASHAAD

Not trying to get in women's business, but I know your girl is talking to your ex. I know these things.

CAMILLE

Yeah baby, you are a little bit too nosy. But if you want to know the truth, she is. I was a little salty about it but now I don't care. I am with you now and Kevin is my past.

RASHAAD

The only reason why I mentioned it is because women today are very thirsty for a man and when the next man is available, women will jump all over them.

CAMILLE

Stay out of women's business and don't worry about me and Yolanda ok?

RASHAAD

Okay miss attitude. I am going to change the subject.

They continue to have a conversation and Yolanda calls Kevin on the phone and then they begin a conversation.

YOLANDA

Kevin baby how are you?

KEVIN

I'm doing good. Let me guess , you are with Camille and her new boyfriend.

YOLANDA

(She hesitates, and then she answers Kevin's question) yes she is with Rashaad. Why do you even care, me and you are talking remember?

KEVIN

Baby, I know that but I was just asking. Look I am over Camille and I am all about you now.

YOLANDA

Good, how is your day going so far?

KEVIN

Pretty good so far. Still working on my future law firm.

YOLANDA

I can't wait until you start your law firm. I love a man with drive and ambition.

YOLANDA

You're going to be the next Johnny Cochran.

KEVIN

Now, I doubt that. But I will be the Kevin Peters of law.

KEVIN

Hey, come over my house after you're done hanging with Camille okay?

YOLANDA

I'm on my way over there now. She is with Rashaad anyway. I'm coming now.

INT KEVIN'S BEDROOM-DAY

They end their conversation. Yolanda text Camille and tells her that she is going over Kevin's house .

Camille texts back and types okay. They both stop texting each other. Rashaad makes a smart commit about Yolanda going to see her new boo Kevin and Yolanda just rolls her eyes at Rashaad and he begins to laugh.

Yolanda is on her way to see Kevin and Kevin starts thinking about Camille being with her new

boyfriend and starts getting enraged. He begins to cry for about five-seconds and then he stops.

Yolanda rings Kevin's doorbell and Kevin lets Yolanda in. They begin a conversation.

KEVIN

I am so happy to see you.

YOLANDA

I'm happy to see you too. Rashaad arrived and I was like a third wheel and I did not want to be all up in the way.

KEVIN

I heard that.

YOLANDA

I know it still is going to take time to really get over Camille but you must get over her eventually so we can move forward with our relationship.

KEVIN

I keep telling you it's over between me and her, I don't want her. Why would I want a woman who dumped me at the altar?

YOLANDA

Because you still love her and you are still having a hard time letting go and that is perfectly fine I get that.

KEVIN

I only have eyes for you and you only. What she did was messed up, but that was in the past. I want to move on with you. I've let her go already.

YOLANDA

Ok good, forget Camille.

Kevin and Yolanda end up having sex and after they're done they go into the kitchen and begin to eat.

Kevin made a pot roast and mashed potatoes for dinner earlier that day.

Yolanda starts talking about how good the roast is and how Kevin is a good cook. They continue to talk.

YOLANDA

Man you should start a restaurant. I know you would get a lot of business .

KEVIN

At one time I wanted to go to culinary arts school and then open up a five star restaurant. After that I started thinking about a real career that makes a lot of money, so I decided to become a lawyer and eventually get my law firm one day.

YOLANDA

I am just an RN. Im love nursing and I have wanted to be a nurse since I was a little girl.

KEVIN

You got to live your dreams. I put my mind to do it and I did and you did too.

KEVIN

Restaurants are very hard to do and maintain. We need more black owned restaurants that are not Tyrone's fish fry if you know what I mean. But we also need more black owned law firms.

YOLANDA

Who knows , one day you might get to open up that restaurant. It is possible for you to open up more than one business. Rich folks do it all the time.

KEVIN

True but we black folks up in here and you know we must work harder than them.

YOLANDA

Yeah true, But my Bible tells me I can do all things through Christ Jesus.

KEVIN

Lawd, you sound like my parents and my grandparents. They love to say that. It is true because with God you can do anything.

YOLANDA

Always remember that because you can do it .

YOLANDA

Well, I'm done eating. I am going to go home and get some rest. I am really tired.

KEVIN

Okay, well I will talk to you later. I am going to go ahead and get online for the Brotherhood Podcast.

YOLANDA

Are you serious? Kevin man don't let those podcasters get your emotions in a knot.

They keep talking for about one more minute until Yolanda leaves Kevin's house and Kevin goes upstairs and gets on his laptop to get on the Brotherhood Podcast.

Kevin is on the podcast and he sees Terrell and they both begin a conversation. Kevin starts telling Terrell about his relationship with Yolanda.

KEVIN

My relationship with my new girl is going great. She has made me a new man.

TERRELL

That is wonderful. Just remember, take your time with this woman. Don't get in over your head. Don't start buying her cars and fancy clothes and shit like that.

KEVIN

Oh man, nothing like that. She does not want that, she wants to be with me and me only and not for what I got.

TERRELL

They all start off that way, They start off nice and sweet and then they get you where they want you to be and then the next thing you know they use you for your money and you become a simp again.

KEVIN

No simping here. I am not going down that same path ever again .

KEVIN

So far, she has not asked me for anything and I am so glad for that.

TERRELL

Looks like you have been reading my books. It is helping because you have not one time mentioned anything about your ex and you have not done any simping.

KEVIN

Man the simp days are over with. I got a new woman and she makes me feel special. She makes me feel important.

TERRELL

I am happy for you. All right, I need to move on to the next caller okay Kevin. As I always say. Call up anytime and speak with ya boy Terrell.

Kevin gets off the brotherhood podcast and he goes and takes a nap.

EXT. GREG OUT AND ABOUT-DAY

Greg is out and about and he sees Rashaad, Camille's new man. Greg is just in aw and then he keeps on moving.

Greg sees Camille and starts thinking how much of a skank she is. He calls Kevin up and they begin a conversation.

GREG

Man ya girl out with Rashaad and shit like that. Man I'm glad you ain't with her ass anymore. She's a skank for real.

KEVIN

Rashaad is Camille's problem and not mine. I have moved on with my life and with Yolanda. It seems to me that you don't want me to let her go.

GREG

That ain't it, it's just that you guys broke up last year and she stood you up at the altar and now she's just with another man like that.

KEVIN

That is why I am so glad I ain't with her ass. Trust me she is gonna do Rashaad the same way she did me. Just wait and see if he is next!!!!

KEVIN

Well, Greg I am going to take a nap. I will get back with you later okay.

GREG

Alright Kevin, I will holla at you tonight ok.

Kevin and Greg hang up the phone and KEVIN goes back to his nap and Greg goes back home.

Kevin wakes up from his nap. He begins to get on his laptop and looks up ways to kill your ex girlfriend.

Kevin starts getting angry and starts yelling and screaming Camille's name and starts calling her a bitch.

Kevin starts crying and then he starts throwing things in his bedroom.

Greg did not call back so Kevin goes back to taking a nap after throwing a fit.

INT KEVIN'S HOUSE-DAY

It is the next day and Kevin calls up Yolanda and he tells her that he cannot see her today because he is working on a case and after that he will continue to work on his business.

They begin a conversation.

KEVIN

Yolanda, I can't be with you today. I got this case I got to work on. I am working on the Jones and Williams case about the leg injury at the Knighton Restaurant.

KEVIN

I am working on that case and I gotta get back to it because I have been doing other things so I got to

get on this case.

YOLANDA

Okay baby, I understand. Such a hard working man. I will speak with you later.

They hang up the phone and KEVIN starts getting on his laptop to work on the case and then he pauses and starts thinking about Yolanda.

What Yolanda does not know is that Kevin is working on ways to kill her, Camille and Rashaad. He is using Yolanda to get Camille.

Kevin starts devising a plan on how to kill all three of them and how to execute his plan.

Kevin starts getting angry and starts researching online more ways to get rid of Yolanda, then Rashaad and Camille.

It is the next day and Kevin goes on his laptop and checks his email. He notices that he got an email from Yolanda. Yolanda sent him some nude pics of her.

Kevin starts getting excited and then he decides to call Yolanda on the phone to thank her for the pictures. They begin a conversation.

KEVIN

Yolanda, I just love these pictures. You are so sexy.

YOLANDA

Thank you, I decided to email you some sexy pics of me. I wanted to put a smile on your face.

KEVIN

Oh, I have a smile on my face. I love these pics.

YOLANDA

I have to go . I'm at work now and I gotta get back to these patients in the hospital so I will talk to you later.

KEVIN

Okay, see you later.

Kevin and Yolanda hang up the phone. Kevin cuts his TV on in his bedroom and there is a news report about a series of robberies in the area. The news report is saying watch out for this robber and that he is very dangerous and is packing a gun.

Kevin sees and hears this and decides to use this as a means to kill Yolanda. He wants to kill Yolanda first by breaking into her home and making it look like a robbery.

Kevin starts putting his plan into action by typing an outline.

While Kevin is devising his plan, he gets a call from Greg. They both begin a conversation.

KEVIN

Greg, did you hear about this robber that has been breaking into homes and robbing people?

GREG

Man, I saw that shit. You got to be packing some heat man, People are crazy today and they be on those drugs too so you got to be ready just in case they try you.

KEVIN

I got my 25 in my house. I ain't playing with them, I will blast and then don't ask any questions.

GREG

(He starts laughing at Kevin's comment) Man I remember that time we were hanging with our homie Michael that night when we went over to his house to watch the Bulls vs. The Bucks game. We thought we heard a noise and Mike went and got his gun, he was ready.

KEVIN

Man, Mike was not joking, he was going to kill a fool for real. I remember that night.

GREG

I am home for today. I am tired. I got to get some rest today.

KEVIN

Okay I feel you man.

Kevin and Greg hang up the phone and Kevin goes back to working on his case.

Five hours have passed and he decides to take a break and goes online on his laptop and he sees a notification.

The notification is the Brotherhood Podcast. Kevin starts getting ready for the podcast.

When the podcast comes on, Kevin gets online to talk to Terrell. They engage in a conversation. What Terrell does not know is that Kevin has a plan to kill Yolanda and Rashaad and Camille. They continue to engage in a conversation.

TERRELL

What's up Kevin. Nice to hear from you my brother.

KEVIN

How are you? Nice to be back man.

TERRELL

How is your new relationship going? Did you ever take the time to get some therapy for past issues?

TERRELL

Remember, I told you to always arrange a therapy session. It's all right to move on but remember, old feelings can arise and memories can arise too.

TERRELL

What we don't want is for you to get emotional and get vengeful and start plotting ways to get rid of your ex permanently. So, what needs to be done is get therapy and heal from your issues.

KEVIN

I am so good .I am really in a good place. My new woman makes me feel so special and loved.I never felt this way about anyone. I just wish I would have gotten with her instead of my ex.

TERRELL

Don't, please don't start comparing your new woman to your old woman.That is a sign that you are still in love with your ex. Let your ex go gradually.

KEVIN

I have been reading your books and it has helped me a lot. I am free from simping and being a woman's pet or plaything.

KEVIN

I am gradually letting go of my ex. Well, Terrell I was just calling up to keep an update on my progress. I am going to get offline now. Thanks for listening to me.

TERRELL

Okay my brother, we will see you later.

Kevin gets off the podcast and he begins to watch TV.

He begins watching a crime show about a man killing his wife because of cheating. He starts getting angry and unhinged and starts thinking of ways to kill Yolanda and Camille and of course RASHAAD.

Kevin calms down and he starts watching the crime show and when the show goes off he goes to sleep.

It is the next day and Kevin gets a phone call from Greg and they begin a conversation about what they are going to do this weekend.

GREG

Man it is a nice Saturday and we should go hang out at the bar and get some drinks and shoot some pool. Unless you're gonna be with Yolanda.

KEVIN

Man, let's hang out today. I am not going to be with Yolanda today. I need to have a day with the boys.

GREG

That's what's up. I'll meet you at the bar down the street at 2 pm today ok.

KEVIN

Okay cool.

They hang up the phone and Kevin begins to go to the bathroom to take a shower. After he is done taking a shower he puts on his clothes and goes downstairs to fix him something to eat.

He goes into the living room and cuts on his TV. Kevin sees a news report about this thief or robber that has been breaking into people's homes and robbing them.

Kevin starts thinking about Yolanda and his ex and her boyfriend and again he starts thinking about a way to kill them.

INT. BAR-DAY

Kevin and Greg meetup at the bar and they get some drinks.

They begin a conversation.

GREG

Man it is good to be out today. I was waiting on the weekend.

KEVIN

To be honest with you we need to get these drinks and leave. I still have some cases I need to work on.

GREG

Man put your work off. Let's chill today.

KEVIN

Alright

GREG

You sure want to go home. If that were Yolanda you would have wanted to be with her all day.

KEVIN

Man look. It is not about her , I really have a lot of work to do and I don't want to be out all day.

GREG

Are you okay? You don't sound like yourself.

KEVIN

I just got a lot on my mind, I got this case I'm working on man it is very hard.

GREG

I don't think it's the case. I believe you are still upset about Camille. You never got over her and I believe you are angry. You call yourself being with Yolanda , but you are not happy with her.

KEVIN

All right Dr. Phil. Thank you for your advice but I'm a grown ass man and I am fine. I keep telling you I am over her.

GREG

Nigga please, you ain't over her. You keep getting on that Brotherhood Podcast and I told you not get too deep with those podcasters. They fill your head with all that bullshit.

KEVIN

The Brotherhood Podcast has helped me. Sometimes you got to get your emotions out and I'd rather listen to Terrell than to go to some therapist.

GREG

I told you before. Those podcasters are not your friends. They don't care about you at all. It is good to hear them speak but reality speaking, a lot of them live totally different lives in the real world.

GREG

They will fill your head with all this information. Then the next thing you know, you start becoming a fanatic and always talking shit about women. I have seen this type of shit.

KEVIN

I am fine. Don't worry about me, okay. You are my best friend but man, I am good. Could we please get back to these drinks so I can get home to my work.

GREG

If you say so, You my boy. I just don't want you to do anything stupid.

KEVIN

Don't worry. I am not going to get unhinged or do anything stupid.

Kevin and Greg leave the bar. After that, Greg goes somewhere else and Kevin goes home.

Kevin arrives at his home and the next thing you know he gets back on his laptop and he starts researching ways on how to kill Yolanda and the rest of the crew.

Kevin gets unhinged again and realizes that he must calm down and when he calms down he goes back into his research.

Kevin goes to a website and he sees Rashaad has changed his profile. The profile says that he is happy to be with Camille. It also says that she is the love of his life and he is so glad he met her.

INT CAMILLE'S HOUSE BEDROOM-DAY

Rashaad and Camille are at her house and they begin to make love. After they are done, they begin a conversation.

RASHAAD

I just love you baby. I am so glad we met. Forget Kevin. He is a beta male bitch. He was not man enough for you. Come on now.

CAMILLE

Look, I know Kevin is my ex but please don't call him a bitch okay. I am glad I am with you baby.

RASHAAD

You got me now so you don't have to look any further for love.

CAMILLE

You make me feel special. Kevin just did not do it for me.

CAMILLE

He was a nice man but I was just a trophy wife. You make me feel wanted.

RASHAAD

Man, I love you. I am so glad your parents really like me.

CAMILLE

My parents were glad that I did not marry Kevin. They did like him and thought I could do better.

CAMILLE

They thought Kevin wanted me for a trophy wife also. They felt that Kevin wanted to buy me and not fall in love with me.

RASHAAD

Money can't buy you love. Too many men make that mistake of thinking they can buy a woman. You can't buy anybody. You must love someone first.

CAMILLE

Yeah, I needed love not just material things.

Rashaad and Camille continue to talk. They don't know that Kevin is at her house. Somehow Kevin bugged Camille's home and he heard everything they said about him.

Kevin leaves Camille's house and Rashad and Camille get ready to go see Yolanda.

INT YOLANDA's house dinner-day

Camille and Rashad are at Yolanda's house. They have a dinner . While having dinner, Camille's starts a conversation about Kevin.

CAMILLE

So how are you and Kevin getting along?

YOLANDA

Why, look Camille, don't start any shit about me and Kevin.

RASHAAD

Why are you even worried about him or mentioning his name?

CAMILLE

Just asking, Whoa!!! Why are you guys so touchy, in your feelings about this?

CAMILLE

I don't give a damn about Kevin like that anymore okay. I was just asking.

YOLANDA

If you must know, I am doing fine with Kevin. Let's change the conversation.

They continue to have conversations about other stuff. Once the dinner is over Camille and Rashaad Yolanda's house.

EXT. RASHAAD'S CAR TAKING CAMILLE HOME-DAY

Camille and Rashaad continue the conversation about Kevin in Rashaad's car.

RASHAAD

(Driving the car with Camille leaving Yolanda's home)

What in the hell was that about? You asking Yolanda about Kevin in front of me. You must not be over his ass.

CAMILLE

I am over him. I just wanted to see the reaction on Yolanda's face. I call myself being shady.

RASHAAD

I must admit that going with someone's ex is foul indeed. I would never do that to any of my friends.

CAMILLE

That is what I am talking about. Makes me wonder if she was sleeping with him behind my back.

RASHAAD

Like I said before. I don't get into women's business but man what kind of friend gets with their ex fiancée

They continue to talk until Rashaad takes Camille home.

INT YOLANDA'S HOUSE KEVIN-DAY

Kevin is at Yolanda's house. YOLANDA does not know that Kevin is planning on killing her.

Yolanda is in her house washing dishes after Rashaad and Camille came over for dinner. Kevin breaks into Yolanda's home . He has a gun ,(A silencer) a mask on, and gloves on and when he sees Yolanda he PULLS OUT his gun. And then he starts shooting her and eventually killing her.

Kevin leaves Yolanda's home and goes back to his home.

EXT YOLanda's house murder-day

Two days later there is a news report about a woman named Yolanda was found shot dead in her home.

Camille sees the news report and starts crying and she goes to Yolanda's house.

When she arrives at Yolanda's house there are cops at the scene. Camille begins a conversation with the police.

CAMILLE

(crying) what just happened.

COPS

I am afraid that Yolanda is dead. We believe it's that burglar that has been breaking into people's homes lately. We are not sure.

COPS

What is your name?

CAMILLE

My name is Camille.

COPS

Do you have any idea who could have possibly done this?

CAMILLE

No, I don't know anyone who would want to hurt Yolanda. I have been trying to call her for the past two days but I got no answer. I just thought she was really busy.

COPS

Did she have any real enemies like an ex boyfriend, ex-lover?

CAMILLE

No, She hung around me the most. I did not kill her I'll tell you that much.

COPS

We don't believe you did it. We believe it is this thief. We must catch this thief.

CAMILLE

I will go and let you continue this investigation.

COPS

Okay thank you very much.

Camille leaves Yolanda's home crying while driving in her car. Camille just can't believe that Yolanda is dead and can't imagine who would have killed her. She goes back to her home and when she arrives, she calls RAsaad and they begin a conversation.

CAMILLE

Yolanda has been shot and killed in her home. I saw the news report and she is dead. I went to Yolanda's house to talk to the cops and they believe that the murderer is the thief that has been breaking into people's houses.

RASHAAD

What, Yolanda is dead? OMG. I bet Kevin killed her. I think he was using her to get back at you.

RASHAAD

I think he planned on killing her and then eventually killing us. Kevin is not over you Camille.

CAMILLE

Why would he want to kill Yolanda? They started going to together and he really liked her.

RASHAAD

Camille, don't be so nieve. Kevin used her so he can get back at you.

RASHAAD

I smell Kevin written all over it.

CAMILLE

Look, Kevin may be some things but a killer is not that. I know Kevin he would not kill anyone.

RASHAAD

I want you to be careful and watch your back because at this point Kevin is dangerous and he is behind this.

CAMILLE

I still don't believe you, but I will watch my back.

RASHAAD

Well, let me go back to work. I will talk to you later.

They both hang up the phone and Rashaad gets back to work and Camille begins to cry again.

EXT YOLANDA'S FUNERAL DAY

Two weeks later a funeral was held for Yolanda. Kevin, Rashaad, Greg and Camille arrive.

Camille is crying heavily and Rashaad is holding Camille. Rashaad has a sad look on his face but he does not cry.

Kevin is at the funeral crying. Greg is there also.

When the funeral is over, Kevin starts talking to Camille and saying he is sorry about Yolanda.

Rashaad sees Kevin talking to Camille and he hurries up to stop their conversation. A heated argument begins .

RASHAAD

Stay away from my woman. This may be a funeral but I don't want you near Camille. Besides, your ass killed Yolanda.

KEVIN

You don't know me like that. I am here for Yolanda. She was my woman.

RASHAAD

Yeah, the woman that you killed because you could not have the woman you want that I got.

KEVIN

Fuck you. Get the fuck out of my face before I whoop your ass at this funeral.

CAMILLE

Break this shit up. We are at a funeral and my best friend got killed and you want to argue. Rashaad, be quiet and don't mess with Kevin. And you Kevin don't put your hands on my man either!!!!

RASHAAD

I am on to you, you piece of shit!!!!

KEVIN

I am out I don't need this type of BS. I came to pay my respects to my woman and your simp ass mutherfucker want to start shit. Man I am out.

GREG

(He sees them arguing and comes to see if Kevin is all right)

What is going on ? Kevin, are you ok?

GREG

I heard some arguing and I felt that it was going to be on.

KEVIN

Rashaad here is talking shit about killing Yolanda.

GREG

Yo, what's up with that!! Kevin could not hurt a fly you got the wrong one man. You don't even know him and you're making accusations like this.

KEVIN

Man, let's go. If I stay here I am going to catch a case.

INT KEVIN'S HOUSE-DAY

Kevin and Greg leave the funeral. They go to Kevin's house and talk about what happened at the funeral. They begin a conversation.

KEVIN

That punk Rashhad tried to call me out and accuse me of killing Yolanda.

GREG

He is bugging out for real man. You are my best friend.

KEVIN

I was gonna whoop his ass. He doesn't know me, man. Don't let the three piece suit fool you.

GREG

Man, fuck him. He had no business starting any mess at a funeral, you just don't do that.

KEVIN

Tell me about it. Man he doesn't know me and just runs off at the mouth.

GREG

Well, we are gone from that funeral. That Rashaad dude rubs me the wrong way anyway, something about his ass.

KEVIN

Well, he is Camille's problem and not mine!!!

KEVIN

Yolanda was my woman man. That so-called thief did this shit. Man, I want the police to find him.

GREG

Don't worry. They will find the person who killed Yolanda.

KEVIN

(He starts crying) That robber took my woman. She was the only thing I had and that muthafucker took my woman.

GREG

The cops are going to find who killed Yolanda.

They stop having a conversation and Greg goes home. Kevin stays at home.

EXT GREG FUNERAL-DAY

Greg goes back to the funeral to talk to Camille.

He finds CAMILLE and they begin a conversation.

GREG

Man, I am so sorry about the blow up. Why did Rashaad start this shit with Kevin?

CAMILLE

He feels that Kevin killed Yolanda just to get back with me. He feels he killed her to get vengeance. He feels that Kevin never wanted Yolanda and he used her to get back at me.

GREG

Man, Greg does not kill anyone. We are best friends. Why would he kill anyone when he was with Yolanda, He said he was happy with her.

GREG

Your boy got to chill. Man, it ain't my place to talk about Rashaad but also Camille. I be damned if he's gonna jump on my boy like that in front of me, that ain't gonna happen.

CAMILLE

Rashaad is just looking out for me. He thinks Kevin wants to kill me and will eventually try to kill him too.

GREG

Oh, come on man. I've known you for a while. Do you believe Kevin could kill anyone?

RASHAAD

(he comes out of nowhere and he begins to talk to Camille and Greg)

Look Greg, I know you are not the one to blame for that argument. I did start it and I was wrong for doing that.

GREG

I can't believe that you think Kevin killed Yolanda.

RASHAAD

He is still in love with Camille. He was just using Yolanda to get back at Camille. I believe he killed Yolanda because he had on intended to do that from the beginning. Yolanda had no idea she was being used by him.

RASHAAD

I hate to say this but He will eventually try to kill me and Camille. We have to watch our backs.

GREG

Maybe he did kill Yolanda. When Yolanda got killed , Kevin claimed he was at home. I never told him this but when I went to his house around the time Yolanda was killed, Kevin was not there.

CAMILLE

Come on now. Kevin did not kill Yolanda. He liked her too much and wanted to be with her.

RASHAAD

Baby, I know you want to believe that Kevin did not do it but he did.

RASHAAD

I know these things. I am not saying this to be mean or to sound like I hate Kevin. Baby, we are going to have to watch our backs.

GREG

Look, I am going to look into whether Kevin killed Yolanda or not.

RASHAAD

Because We need to know if he is doing this. I am sure Kevin is a nice guy but people get emotional, and after all, I am with Camille now and it really hurts his heart.

CAMILLE

Well, I am done talking about this. If Greg wants to investigate on Kevin about Yolanda then oh well. I am telling you Kevin did not do this.

They all stop talking and Greg leaves the funeral again.

INT GREG'S HOUSE RESEARCHING KEVIN-DAY

Greg goes to his house and he begins to do research on Kevin.

He goes and get online and pays to get Kevin's information.

He gets Kevin's information and he sees that Kevin has been on a site about how to kill your ex fiance'e.

Greg has a shocked look on his face and he gets more and more into the website. It is showing that Kevin has visited this website several times.

Greg starts talking to himself and realizes that Kevin might have been at Yolanda's house the day of Yolanda's murder.

Greg calls up Kevin and they have a conversation. Kevin tells Greg that he is going to go out and get some fresh air because he is still hurt about Yolanda. He tells Greg he will talk to him later.

INT KEVIN'S BEDROOM LAPTOP GREG-DAY

Greg goes over to Kevin's house. Greg has Kevin's spare key and he goes right upstairs to Kevin's bedroom and gets on his laptop. He gets on Kevin's laptop and he goes researching killing your ex fiancée. Greg finds a lot of information about killing your ex fiance'e on Kevin's laptop.

Greg sees a particular article about killing your ex fiancée and making it look like a robbery.

Greg starts talking to himself and starts saying OMG that is what he did, he made the murder look like someone robbed Yolanda's house.

Greg gets on his cell phone and calls Camille immediately.

Camille answers the phone and they begin a conversation.

GREG

Hey, I am at Kevin's house. He told me he was going to get some fresh air from the funeral and clear his head. I have a spare key so I went to his house and I am on his laptop.

GREG

Man, I think he did kill YOLANDA. I see some websites that are about killing your ex fiancée. I saw an article about killing your ex fiancée and making it look like a robbery.

CAMILLE

Are you serious? He really looked up some shit like that?

GREG

Yes, he did. Man I am starting to believe Rashaad, he is right . He killed Yolanda and he is going to kill you and Rashaad. Look you guys better be careful and watch your backs because he is on a rampage.

CAMILLE

This is my fault. I never should have stood him up at the altar.

GREG

It is not your fault and that does not give him the right to kill Yolanda or anyone for that matter over a broken heart.

GREG

I am going to do more research at my house. I am going to leave Kevin's house now before he comes back and catches me on his laptop. I will call you later.

Greg does more research at Kevin's house. He keeps researching for at least two hours. When Greg is done on Kevin's laptop, he leaves Kevin's house immediately.

Greg goes to his house and calls Camille and tells her all what he found out about killing Yolanda.

Greg calls Camille and they begin a conversation.

GREG

This is Greg. Camille, man I found out all this information about Yolanda's death.

GREG

He did kill Yolanda and he just used her to get back at you . His original plan was to kill you, Yolanda and Rashaad.

GREG

I saw on his laptop information about how to murder your fiance'e and how to make it look like a robbery or a home invasion.

CAMILLE

WTF!!! he really did that shit!!!? OMG, he has lost his damn mind. I don't care about his feelings about me anymore. That does not give him the right to kill Yolanda at all. Now he wants to kill me and Rashaad.

GREG

Man, we have to stop Kevin or else he is going to kill You and Rashaad . He has gotten unhinged and he is dead set on getting revenge on you guys.

CAMILLE

Look, let me call Rashaad and let him know that it is Kevin that killed Yolanda and we are next.

Greg and Camille get off the phone and Camille calls Rashaad and tells him to watch out for Kevin.

EXT RASHAAD PARKING LOT - DAY

It is the next day and Rashaad is at work. When his shift is over , he calls Camille and tells her that he is going straight to her house after work.

Rashaad gets into his car to leave work and heads over to Camille's house.

Rashaad starts driving off and he drives off until he gets halfway to Camille's house. While he is driving he looks at his rearview mirror and he sees a car following behind him.

Rashaad drives faster to get the driver off of him. He realizes it's Kevin and he starts talking to himself and saying you are not about to kill me.

They both continue a high speed chase and then out of nowhere Kevin slams his car right into Rashaad's back bumper.

As soon as KEVIN HITS RASHAAD'S BUMPER, he goes right into a ditch and hits a tree . After Rashaad hits the tree , Kevin keeps driving.

Three hours later, the police and they find Rashaad dead in his car. The police search his car and realize that his bumper has been run into. They find Rashaad's cell phone and they begin to look through the phone. They find phone numbers. The first phone number they find is Camille's. They call Camille up and let her know that Rashaad is dead. He got into a hit and run accident.

Camille starts crying hard and she tells the cops that Rashaad is her boyfriend. The cops tell her it looks like a hit and run car accident. They ask Camille does she know anyone that would have possibly had runned into Rashaad's bumper.

INT CAMILLE'S HOUSE-DAY

Camille said she has no idea. The cops go to Camille's house to ask more questions about Rashaad having any enemies.

Camille said she has no idea who would have wanted Rashaad dead or killed.

The cops tell Camille that they will be doing a further investigation and find out if Rashaad's death was an accident or a murder.

The cops leave Camille's house, she calls Greg and tells him to come over. Greg arrives at Camille's house and lets her know that is dead and she believes Kevin killed him.

They both begin a conversation.

CAMILLE

The police came to my house and asked me questions about Rashaad's death. I lied to the cops and told them I had no idea who would want to kill Rashaad.

GREG

Kevin killed Rashaad. Look Camille. Kevin will kill again. He has gotten unhinged and now he wants to get vengeance on you.

GREG

Kevin does not want to kill me. I know that for a fact, but he does want you dead and now we must join forces in order for your survival. I will protect you Camille because I will be damned if Kevin is going to kill you.

CAMILLE

We got to do something now. We got to come up with a plan. He will eventually try to kill me and I am not going to let that happen. He already got away with this twice.

CAMILLE

I am not or we are not going to let this happen.

They finish talking and GREG leaves Camille's house.

INT KEVIN'S HOUSE-DAY

Kevin is at home and he calls up Greg and they both begin a conversation.

KEVIN

Hey Greg what's up?

GREG

Did you know that RASHAAD died in a car accident today?

KEVIN

Oh really(sarcastically) I wonder who killed him.

GREG

I didn't say anything about him getting killed by anyone !!!!

GREG

I know you killed Yolanda and Rashaad.

KEVIN

What makes you think I did this.

GREG

Because you did that shit!!! You never wanted Yolanda and you use Yolanda to get to Rashaad and eventually kill Camille.

KEVIN

(There is a doorbell ring and it is greg. He lets Greg in) Come on in.

GREG

I know you are killing these people over a damned broken heart.

KEVIN

I can't hurt a fly and you know it. I told you before I am over Camille.

GREG

You are not over her. You killed Rashaad and Yolanda and you are dead set on getting vengeance.

KEVIN

OMG, Greg I don't kill people. I am a lawyer, remember.

GREG

I don't care about you being a lawyer. You are a psycho maniac. You are not going to kill Camille and I am damned if I will let that happen !!!

KEVIN

You will never know if I killed Yolanda or Rashaad because I didn't do it.

GREG

You are on thin ice, I am going to catch you and when I do, I will kill you personally.

Greg ends his conversation with Kevin and he leaves his house.

At this point Greg and Kevin's friendship is officially over.

Int camille's house greg-day

It is the next day and Greg is at Camille's house. They are having a conversation about KEVIN.

CAMILLE

He is going to come for me.

GREG

I went to Kevin's house yesterday to threaten him. I told him if he tries to kill you I will kill him personally.

CAMILLE

You told Kevin that? Are you crazy?

GREG

Look, I am done with Kevin. We got all this information on him and all we got to do is trap him.

GREG

I got an idea, after you get off work tomorrow. I will go to your job in the parking garage.

GREG

Trust me Kevin will be there and all we have to do is wait until he shows up. I know Kevin, He will come to your job with a gun and try to kill you.

CAMILLE

I will do that. We got to get Kevin. I don't want to go to the police just yet. We got to set him up. He has to go.

GREG

If we don't do anything about Kevin. He will eventually kill you.

GREG

He does not want to kill me , trust me I am the furthest on his mind.

GREG

I may have threatened him, but he is not going to kill me.

CAMILLE

Let's get Kevin and get him locked up. I should have never stood him up at the altar.

GREG

That does not give Kevin the right to kill Yolanda or Rashaad. Things like that happen in life. If you are not happy with anyone, you have the right to leave them.

CAMILLE

All of this because I stood him up at the altar.

GREG

We must concentrate on getting Kevin not reminiscing on what happened last year.

GREG

I am not going to let Kevin hurt you. Please let me protect you. Rashaad can't help you now so let me help you.

GREG

I blame Kevin for all of this. You are not to blame Camille. Kevin has been listening to that Brotherhood Podcast and I think it was filling Kevin's head full of negative ideas about women.

GREG

I told him to stop listening to that shit but he never stopped listening to it. I told Kevin not to get deep into that stuff.

CAMILLE

He needs to be stopped now.

Greg and Camille continue to talk. After they are done talking, Greg's cell phone begins to ring, it's Kevin.

Kevin calls Greg and they begin a conversation.

GREG

What do you want?

KEVIN

I know you were talking to Camille and you really think I did it. I did not do that shit.

GREG

I know you killed Rashaad and Yolanda. I know you did this.

KEVIN

How do you know it's me? It could be anyone. I Have no idea who Yolanda and Rashaad killed.

GREG

I am going to stop you at all costs. You are sick Kevin. You could not even go to therapy about your issues, you just had to get in your emotions and kill Yolanda and Rashaad. You used Yolanda in your deadly game.

GREG

You are going to get what's coming to you. We are going to get you and when we do, you are going to prison for the rest of your life.

KEVIN

You are not going to catch me, I guarantee That. Know this. I didn't do it !

Greg hangs up on Kevin and now Greg and Camille work on a plan to catch Kevin. They are going to trap Kevin at Camille's job in the parking lot because she knows Kevin will show up there and try to kill Camille.

It is the next day and Camille leaves work and goes to the parking lot to get into her car to go home. Kevin is out in the parking lot lurking around and he sees Camille.

Camille makes a call to Greg telling him that she got a text message from Rashaad's parents and they tell her that they will not be having a funeral for Rashaad. They are going to get him cremated.

Camille also tells Greg that the police contacted her and they are working on finding Rashaad's killer.

Camille also tells Greg she is in her car and Greg can come out now because she knows Kevin is out

there waiting to kill her.

Camille hangs up the phone and Kevin appears out of nowhere and he begins to threaten her. They begin a conversation.

KEVIN

Well, Camille, I see you are leaving work. Yeah I sure did kill Yolanda and Rashaad. They played right into my game.

CAMILLE

You sick ass . You killed my fiance'e and my best friend. Look Kevin you need to turn yourself into the police, you are not going to get away with this.

KEVIN

Oh , you wanna bet, see I don't like being made a fool of. You stood me up at the altar. You made a damned fool of me. You got to pay for that.

KEVIN

I gave you everything, I bought you that brand new BMW a month before we were about to get married.

CAMILLE

You never did love me, all you wanted was a trophy wife. You wanted someone you can say here I am , look how beautiful she is. It was never about me , it was always about you.

KEVIN

That is a lie, I loved you, you meant the world to me and you sold me out for that simp ass nigga Rashaad, hell no.

CAMILLE

Look, Kevin, killing me does not excuse a broken heart. You should have treated me better. Rashaad paid attention to me and you didn't.

CAMILLE

You killed my best friend and she had nothing to do with this.

KEVIN

Oh, that bitch had it coming, She was easy to kill. All I had to do was kill her and make it look like a robbery gone bad.

CAMILLE

Fuck you Kevin, I am going home good bye.

Greg comes out of no where and pulls out his gun on Kevin.

They begin a conversation.

GREG

Put the gun down Kevin, The game is over with. You are going to go to jail forever.

KEVIN

I am not going anywhere. I said it before, I will say it again. I am going to kill you, Goodbye Camille.

Kevin tries to pull the trigger, but as soon as he tries to pull the trigger, the cops come out of nowhere and Kevin is arrested.

The cops read Kevin his rights and then they put Kevin in handcuffs and took him away to the police station.

One of the police officers stays and begins a conversation with Greg and Camille and they tell him they did an investigative search on Kevin and it turns out he was a suspect in Yolanda's and Rashaad's death.

COPS

We did an investigative search on Kevin and it turns out that he was a suspect. His car matched the bumper on Rashaad's car and the gun matched the gun he used to kill Yolanda. Kevin used a silencer to kill Yolanda.

COPS

We will be prosecuting Kevin next month as his trial date will be set for January 11, 2023.

GREG

Ok officer, thank you for this information.

The cops continue to talk to Camille and Greg about Kevin.

After their conversation ends with the cops, they both go home.

It is the next day and Greg goes to the Brotherhood Podcast studio. Greg walks into the studio and he sees Terrell and he starts talking about the news report he hears on TV about Kevin getting arrested for the murders of Yolanda and Rashaad. He begins the Brotherhood Podcast .

TERRELL

Welcome to the Brotherhood Podcast. Today I am going to talk about the arrest of one of my subscribed members of the podcast named Kevin.

TERRELL

He is the brotha that calls in everyday and he was also the one who got stood up at the altar by his ex fiancée. He has been arrested on charges of murdering a lady named Yolanda and a man named Rashaad.

TERRELL

I have always said that we at the Brotherhood Podcast do not condone any violence towards anyone. If you are feeling unhinged or want to seek vengeance please get therapy.

TERRELL

I told Kevin that he should seek therapy. He never got any therapy and what happened was he let his emotions get to him.

TERRELL

Brothas don't let any woman or anyone for that matter push you to the edge. Please get help. I don't want to see anyone go to prison or ending someone else's life over a breakup.

TERRELL

Brothas please read my books and get therapy. Kevin, brotha I still love you, but Kevin, I told you to get the help.

TERRELL

Let's get back to the Brotherhood Podcast but first we are going to take a five minute break. We Will be back in five minutes.

Terrell gets off the podcast and then the next thing you know he sees a gun pointing right in his face. It is Greg and he tells Terrell something about his podcast, Greg said this.

GREG

Welcome to the Brotherhood Podcast my brotha, welcome to the podcast.

Greg pulls out a gun, he pulls the trigger and then he kills Terrell. Greg has gloves on so the cops won't be able to get his finger prints. After he kills Terrell he walks out of the studio and then he says that This is for you Kevin. He also says that if Kevin did not listen to this clown he would have never killed Yolanda and Rashaad.

Greg is walking out of the studio and gets into his car and drives off.
