Alex drives up the drive way with James sitting on the front porch with his dog. Alex pulls into his spot and runs out of the car.

ALEX

James! Look what I just got!

James just stares at Alex for a moment.

JAMES

Um... Nice. What is it?

ALEX

Well its a 1985 Camaro.

As he is saying this he is walking around the car and taps on his bumper. The bumper falls off.

Alex runs back to the car after putting the bumper near the porch.

ALEX

James, come here and check this out.

James gets out of his chair and goes to the car. He is extremely annoyed.

JAMES

Fine I'm coming.

Alex goes to the driver side seat but keeps the door open. James gets over to the car.

JAMES (cont'd)

What is it?

Alex turns on the car. Its so loud that the dog runs away. James holds his hands over his ears. Alex is yelling over the car.

ALEX

Listen to her purr!

JAMES

Dude turn it off!

ALEX

Huh? I can't hear you!

JAMES

JAMES
Thank you.

Alex looks at him puzzled.

ALEX
Doesn't it sound awesome?

JAMES
(Sarcastically)
Yeah, very cool. All the women are
going to be impressed by this.

Alex looks pleased, not catching the sarcasm at all.

ALEX
You know it. I'm gonna go for a
ride.

JAMES
Count to twenty then go.

Alex starts counting while James runs back up to the porch
and runs inside leaving the dog. He opens the door back
with the lead still attached.

ALEX
TWENTY!

Alex turns on the car, pulls out of his spot and takes
off. He throws gravel in the air then squeals his tires as
