KREPT & KONAN - DON'T WASTE MY TIME (STUDIO CREDITS) <1MIN

FADE IN:

EXT. SEASIDE CLIFF - DAY

We see two adults, ACE ENZO in his early thirties and his father MR. ENZO in his mid-fifties/sixties walking on a dirt road on a seaside cliff.

ACE ENZO (V.O.)

GOD'S EYE VIEW

Do you know who wants to be
feared...?

DEVIL'S EYE VIEW

...People that are afraid the most.

LOW ANGLE to EYE LEVEL.

MR. ENZO

You don't even know, how to fuck...!

ACE ENZO

That's right! I tried a few times
on my slightly less innocent youth
but I ended up being fucked or
nearly breaking my fucking cock
indulging on these aggression
wanting bitches, or fucking
myself, so I started having sex
and making love if it came to that
but that's probably too deep for
ya ignorance to acknowledge, so,
fack off!

MR. ENZO

Oh, c'mon you know what I'm like...

ACE ENZO

No c'mon nothing!

I'm fed up with your passive and
not so passive-aggressive
bullshit!

A few seconds go by... (<10 seconds?). Awkward silence...

ACE ENZO (CONT'D)

But you're the great O.G. the
indulging fucker...

We see a half shamed half proud face on MR. ENZO.

Let me see that big tongue...

C'mon I know you like showing off.

MR. ENZO not looking so ashamed now sticks his big tongue out.

HIP LEVEL/DUTCH ANGLE fist clench from ACE.

Out of nowhere ACE strikes him with a rage fueled powerful
uppercut.

The screen goes black and white as if the time stopped on a
photo negative FX. Then proceed to SEVERAL SHOTS of the same
stupid face from several angles (6? double it in case?) and then
back to the initial FX shot and then fade the FX back to
normal(3secs?), meanwhile we see the tongue fly off MR. ENZO's
mouth with a bit of a bloody spill/splash.

We see a half stunned, half in pain face on MR. ENZO and a rage
fueled face on ACE.

They both look down at the tongue and the blood dripping on the
dirt.

Ace kicks his father's tongue towards the horizon... cliff... side...

ACE ENZO

Oh, shit pops! I'm so sorry!

Crap! Fuck! Shit!

Let me call an ambulance.

We see ACE calling an ambulance

CUT TO:

Hanging up the phone.

ACE ENZO

You know... like Bobby Fischer said:

"People think there's all these
options, but there's usually a
right way".

Just cuz we might not know what it
is, don't mean there isn't.

CUT TO:

"MIGRATION FLOWS" DIALOGUE PLAYING MOSTLY/SLIGHTLY PANNED ON RIGHT SIDE SPECTRUM.

"The first world steals from the second and third world, the second world steals from the third world and the third world either bows down and is "humble" in the face of the cultural bullying implemented in this world until it has power to be relevant and change a small fraction, or explode, sometimes on the "superiors" and consequently sacrificed by the media generating racism and xenophobia before the ill-educated "owners of reason", but we are supposed to believe in God even if it is just a disguised social hierarchy liberating us from great responsibilities.

I lived part of these flows when I emigrated to England and felt what many outsiders still feel or felt here in the country and I also felt the reason for some of the anger of my Mozambican mother who is not even black, but still picked up a lot of "trash" from a lot of "trash". I've seen people get married so they can have better conditions, I've also seen people stay married because they've developed their love after the deal was done. I have met and lived amongst a lot of Brazilian, Angolan, Cape Verdean, Venezuelan, Turkish, Kurdish, Russian, Lithuanian, Latvian, Polish, Indian, Chinese, etc. and after some time of adaptation we are all the same and work for a community, but of course for a better life. The truth of human migration is the pursuance of ambition, whatever it may be, aspiration of knowledge, studies, love, but the most recurrent is certainly the search for a better life, because the way this society is structured is to take away from afar to accommodate the close, rather than license intellect, and if that still occurs, then in earlier ages, oh boy...

As political ambition changes, the conformism of the locals and their unfair imports change. We already have most of the books digitized and even audio books but there are many people who have no sex education and continue to procreate unconscious from the environmental state and then we have to take away to accommodate close once again, of course each country has its ideologies and is very complex but at least we already have the internet to spread knowledge (and ignorance...). The rich go to poor territories for a better yield on their capital, the local

goes to the capital to change life, the capitalist goes to a more developed country to be richer and then it's probably going to where the capital yields most, according to their discernment afterwards, it is a vicious cycle that will only slow down when... "

FADE IN (SLOWLY):

INT. INFIRMARY — NIGHT

EXTREME WIDE DUTCH ANGLE, P.O.V. & BLURRY FROM A HOSPITAL BED.

We see (do we?) a blurry, classy, around retirement age couple (MR./MRS. ENZO) shake hands with a man in a suit. Tilts head to right side..

FADE OUT (SLOWLY):

FADE IN (SLOWLY):

INT. INFIRMARY — DAY

JAK VALENTINE

Did you know apples are more effective in waking you up in the morning than coffee?

DUTCH ANGLE, P.O.V. HOSPITAL BED. UNBLURRING THE FOCUS.

A high-status man in a suit speaks to the camera. JAK VALENTINE.

MAX KNIGHT

Wow I am stiff...

How long have I been here?

JAK VALENTINE

About seven months, bud...

MAX KNIGHT

Aren't you supposed to be in the office???

What the fuck are you doing here???

MAX KNIGHT (CONT'D)

What the fuck am I! doing here???

What about my... job...?

JAK VALENTINE

Sorry bud...

I had to get someone to fill in
for you...

We did not know when you were
going to come out of it...

It was so long...

And the doctors cannot really give
assurances when it comes to comas.

But we are at it strong! ...

Soared in the polls. Surely would
have cleared at light speed if you
were with us... but I guess... you
trained me well. ...

Oh, do not worry about expenses, I
got you bro, I have made
arrangements here at the hospital,
as you can see, you're in a upper-
level room, but if you want to go
home we can have it all set up for
you there.

MAX KNIGHT

Nah... I'm good. I'll sort it out
here, don't want my crib to look
like a hospital, at least, ten
years after I retire...

Well... what are you doing here
then?

JAK VALENTINE

Ah! Don't worry, it's not all
selfless I'll admit.

I use this time to think...

JAK VALENTINE (CONT'D)

I come here, play a bit a' ass
grabbing with the nurses... you know
the deal... meditate... you know.

Think things through.

INT. INFIRMARY — SUNSET

P.O.V. HOSPITAL BED. UNBLURRING THE FOCUS FROM CEILING TO
DOORWAY DUTCH ANGLE.

NICE CRISPY POWERFUL SOUNDS PLAYING IN UNUSUAL PATTERNS AROUND
ACE'S HEAD.

ACE sees a middle-aged man looking at him (MILES) close to his
room mate's bed, stares at him, for a few seconds, then said man
closes curtain.

BLINKS. TWICE.

FADE OUT:

FADE IN:

INT. INFIRMARY — DAY

OVER MAX'S SHOULDER A NURSE speaks to a young PATIENT just
outside the doorway A METALIC CLEAR SURFACE STRIP FROM TOP TO
BOTTOM ON THE DOOR allows to see both faces.

FADE IN.

NURSE BELLA

Do like I told you John, go on
"Menu", then "Settings", then
"Your time on Facebook", then "See
tools", and then set a "Daily time
reminder". I'd recommend 15
minutes and if you occasionally
need to snooze it, do it, but that
way it will be occasionally and
don't be annoyed by it that tool,
it's your friend as much as the
people on the app. Just don't
abuse your tools Hun.

Hugs him and waves goodbye as little JOHN skips away.

The NURSE then looks at MAX and walks in the room.

NURSE BELLA

How are we feeling then today Mr.
Knight?

WE SEE MAX'S REFLECTION ON THE ROOMS' DOOR BUT NOT HIS FACE.

MAX KNIGHT

I am feeling great actually, as
you can see BELLA.

How long until I can get out of
here?

NURSE BELLA

The doctor says you are recovering
very well, a few more days should
suffice.

MAX KNIGHT

So, if I were to leave today..
I would be fine...?

NURSE BELLA

Well, the doctor recommended you
stay a few more days, but as long
as you do your exercises you
should be fine Hun.

MAX KNIGHT

Well, I did get the best nurses in
the world, but I am fed up with
this place now... I want to get a
proper meal and your cooks won't
let me in the kitchen! (WIDE GRIN)

NURSE BELLA

Oh, I'm gonna miss you Mr. Knight.

MAX KNIGHT

Please Bella, I've told you
before, call me Max.

NURSE BELLA

Sure thing Mr. Knight. (Hugs him)

NURSE BELA walks away from the room mumbling under her breath.

Two in one day...

Now back to hard work... Time to
earn that paycheck...

As the nurse leaves, a SONG starts playing on the other side of the curtain.

MAX is about to fix his thin SCARF around his neck and for the first time we actually see MAX's face on the door's reflection, then he sees the reflection of a VISITOR WITH BIG STUDS ON BOTH EARS, TATTOOS, early twenties, from his roommate's bedside chair next to comatose ACE ENZO with a HIGH-END PORTABLE SPEAKER.

MAX KNIGHT

Who are you mate?

JAMES JUNIOR

Oh, well, shouldn't I ask that
beforehand...?

Since ya had the initiative to
skip introductions?

MAX KNIGHT

Sorry I'm Max, the soon to be ex-
roommate.

It's just I haven't seen you here
before...

JAMES JUNIOR

Ah! I'm J.J. A good friend a' "E".

MAX KNIGHT

"E"?

JAMES JUNIOR

Wait, wait, wait, wait.

Do you not know who is laying in
this bed right now?

MAX KNIGHT

I'm guessing... "E"...? He... is laying here, right?

JAMES JUNIOR

Yeah! U Dam Right "E" is!

This man is legendary, it's his music you're listening to right now...!

MAX KNIGHT

Sorry I am just not from your "world", I guess...

But I do like the music

JAMES JUNIOR

This, IS, "Ace a' Hearts",

A divine supernova that bonded with anyone with half a brain...

Holy fuck, fucker!

What rock have you been smoking from underneath and just crawled under from?

MAX KNIGHT

Well I... haven't dwelled in the music scene as much as I would have liked too...

JAMES JUNIOR

It's music bitch!

You buy a CD and play it!

In ya car, in ya home sound system or buy a track and play it in ya phone, it is the 21st century...!

MAX KNIGHT

I know, it's just that I normally listen to music without lyrics, like classical or break beats...

MAX KNIGHT (CONT'D)

It allows me to think clearer and without so many distractions.

JAMES JUNIOR

Oh yeah...! Now that's smart! "E" does tha' a lot too...! Pisses me off...! I normally wanna hear his tracks and he's all up in those, thinking of new productions... the selfish prick!

MAX KNIGHT

You really like him, don't you?

JAMES JUNIOR

Yeah, he's my boy...!

But don't gay it up...!

...

"Ace a' Hearts"!

Google it!

MAX KNIGHT

How long has he been like that then?

JAMES JUNIOR

Came in a couple a' days afta you...

Alcoholic bender... Alcoholic coma...

JAMES JUNIOR

Now get outta here n' let me enjoy the soundtrack of our lives, right "E"?

MAX KNIGHT

Sure... Why do you call him "E"?

JAMES JUNIOR

Ace Enzo, ya never even checked ya roommate's name?

Boy you're tightly wrapped ain't ya?

ACE → ACE A' HEARTS

"E" , N , Z , O .

The zorro, with a pen for a sword.

MAX KNIGHT

...Just one more thing...

I got these sounds stuck in my head ever since I got out of my coma, and your friends' songs have a familiar... "texture" ...to it, I guess...

JAMES JUNIOR

Ah...

You heard the song?

MAX KNIGHT

Maybe...

I don't know...

JAMES JUNIOR

Yeah...! Boy wonder here was working on a new album...

I had one of the single's demo...

I used to play it here, but "A.K." made me delete it...

MAX KNIGHT

"A.K."? is it always acronyms with you people?

JAMES JUNIOR

"You people"!?

MAX KNIGHT

Sorry. I meant no disrespect...

JAMES JUNIOR

Gimme ya phone. (CHEEKY SMILE)

MAX hands over phone reluctantly.

Here that's AK's crib.

It might loosen you up a bit,
Maximus.

MAX KNIGHT

It's Max.

JJ

Exactly...

I'm JJ.

MAX looks at his phone and sees the address in google maps.

AK

Can I help you...? (As she peaks
through the gap)

You were the guy in a coma, right?

... (closes the door to unchain the
door and opens again) ...

MAX sees one of the most incredible creatures of this planet a woman/girl in a SEXY URBAN/ALTERNATIVE STYLE -

MAX KNIGHT

Arghhhh... I haven't done that since

The boy sits down for about 5 seconds.

Someone goes to him, he gets up and kisses both her cheeks.

Grabs a jar of vitamins and pour most of the content on the table but takes other colored pills from the end and gives to the girl. She gives him kisses in both his cheeks and disappears. He gets all the vitamins back in the jar.

MAX KNIGHT

...I don't think so...

What are transactions?

AK

MAX KNIGHT

My previous life did not allow for such commodities.

AK

Previous...?

What life do you have now?

MAX KNIGHT

AK

We have followed AK to A WEED PLANTATION.

THE SPARSE SOUNDS THAT MAX HEARS COME IN.

MAX KNIGHT

Well... I have been having these sounds dancing around in my head since I woke up from my coma and James... argh... J.J. made me realize they might be from an unreleased song of "Ace a' Hearts".

AK

Oh, oh... "...Oh my heart,

The art that could teach a class,
Architects to the soul could not reach the calves,

Angels & demons would pact, to have, a taste a' that." ...

I feel your pain hun...

But I don't have that song anymore...

I had to ditch that phone...

You know... the business n' all...

AK

You'll have to go see James again.

CO-WORKER 2

Too much noise?

CO-WORKER 1

Nah I don't think so.

I think it's the... these artificial
lights in this place, I think.

We see JJ beyond a large window from sound blasting right in
front of huge speakers to sound stopping and walking towards us.

CO-WORKER 2

Oh! I assure you it's the lights!

You know if they put one or two

yellower bulbs now, that's how
they would this manage this place

It's more a blend than all

Do you know if they make these

CO-WORKER 1

No... I don't...!

CO-WORKER 2

Sorry dude... I'll shut up.

JJ walks in the door of the lounge.

JJ

What up buddy?!

I had a feeling we'd see each other again...

You really trippin' over the songs' huh homie...?

Yeah! Why did you send me to Anika's' place?

JJ

Anika's place, huh? (GRINS)

MAX KNIGHT

Hey...! I wasn't about to break the promise I made to my boy just before he went under you know, so I deleted the track...

It hurt my soul too...

But it hurts more that fucker's still in a freaking coma...!

I tell you what...

MILES might have it though

MAX KNIGHT

Ah! Who's the non-acronym?!

JJ

Funny motherfucker ain't ya!?

That would be E's manager...

Ain't seen him in a while...

But...

There is this party tonight...

I'm sure he's gonna be there.

MAX KNIGHT

How sure are you really?

JJ

Well for starters it's a Porn Stars' party, so... yeah, I'm pretty sure and not just cuz I am pretty but also cuz I'm like ninety-nine percent sure he's gonna be there.

Who'd wanna miss that?

Yo, bro! I need to go blend and see if I spot Miles.

HEY YO! ANY OF YOU SEEN MILES ABOUT?

FEMALE PORNSTAR

No babe but I've been here for about an hour, and I ain't seen kitty neither, so it's worth a look around.

JJ and the FEMALE PORNSTAR exchange kisses through the air.

JJ

Yo if you're not feeling the groove, have a play n' I'll be back in a jiffy.

MAX KNIGHT

Yeah, I guess I'll warm up a bit here, while you warm up a bit out there. I'll be alright.

MAX sits down on the empty chair further from the door and the dealer gives him a couple a' cards.

MALE PORNSTAR

... I think some parents don't want their kids to dress sexy or slutty cuz they start getting aroused...

MALE PORNSTAR (CONT'D)

The media sells their view on sexy
and then people get scared when
they project that image to someone
they love on a totally different
way from lusty love.

DEALER

Then they start remembering all
the nasty shit they did to
insecure girls and end up raising
the same "typo" ...

This guy says it happened to him
with his mom.

Points at MALE PORNSTAR. A bit of an awkward
feeling from everyone but the MALE PORNSTAR.

MALE PORNSTAR

What...?!

MAX KNIGHT

Porn has been saving billions...
maybe trillions, in prostate
cancer, since the early 1900s.

BRAIN WENT PING - MICHAEL WOODS

TS PORNSTAR

You know, we should have yearly
automated medical check-up systems
in action.

MALE PORNSTAR

Us? The adult film class?

TS PORNSTAR

No silly! We should do it weekly...
but don't get me started...

I meant us, as society, as
civilization, should anticipate
those problems instead of
investing on the aftermath of

TS PORNSTAR (CONT'D)

negligence. Some people are so busy with their way of life and the government should protect their people like an investment...

DEALER

Deep...

FEMALE PORNSTAR

How much is a life, really worth?

How much is a human life, really worth?

GIRL

You know, these people have such opinions... (PHONE WITH FACEBOOK) here, this guy is all distraught here cuz of the dog meat market in China... but he doesn't know that actually, their dog meat consumption is minimal compared to the others we know as food, and nothing compared to the meat industry...

MAX KNIGHT

Answering your second, reformulated question...

How could we calculate that?

In the average sense of the question...

You would have to calculate the average life expectancy, minus the average start working age, times the average worldwide income...

DEALER

What about expenses?

You know recouping the investment?

MAX KNIGHT

Sure, you could also adjust to inflation, but we're just ballparking here...

So, there's been steady, nearly a quarter percent increase every year wanna throw that into the equation too...?

The current life expectancy worldwide these days is a bit over seventy years of age.

GIRL

What if out of all those lives we've only given birth to the 8 billions currently living and we keep reincarnating?

TS PORNSTAR

Valid idea sweetie... what if we reincarnate as a chicken or a cow...

Or a pig!?

...an industrialized pig...!

DEALER

"Bakaw!" (IMITATES CHICKEN).

FEMALE PORNSTAR

"Mooo...!" (IMITATES COW).

MALE PORNSTAR

"Oink oink!" (IMITATES PIG)

MAX KNIGHT

...Or maybe, we divide the whole economy's value by the population...

What about if we divide the potential value of the planet...

That is about four quadrillion by the eight billion people on it...

MAX KNIGHT (CONT'D)

So, that is an average of five
million per capita potential...
think about that before you kill
someone, if you ever do..

Talk about derivatives... ah!

MALE PORNSTAR

Maybe halve it...? to account for
the value of the dead...!?

DEALER

Sure, you can't forget that the
previous generations added their
value in the current economy..

JJ HEADS' UPSTAIRS through the right corridor and enters a ROOM
WITH A SUITE AND SHARED BALCONY with no one about.

JJ switches the light on the bathroom. SOME DRUNK is hugging the
toilet, seems he's been sick, but the toilet is clean.

He pushes SOME DRUNK's head and torso to the side about a foot,
against the wall now, and takes a leak, flushes.

Washes his hands and face feeling his high.

Dries on TOWEL and goes to the BALCONY.

PON ME - ABRA CADABRA/SNEAKBO/M.O.

JJ hears something coming from the next room (sexy moaning).

Opens the door slower than normally and enters barely lit room.

Closes door and sees a boy/men and girl/women having sex.

Crosses the room to exit through main door.

GIRL IN BED

Is this the present you said you
had for me babe? (Looks lustful at
JJ).

MAN IN BED

It... could... be...

JJ

I was just passing by guys don't
mind me...

JJ exits the room to hallway. Opens the door again... slightly,
and peaks. The girl is looking gorgeous, and his own breathing
and heartbeat get MORE VOLUME. Closes door. Walks a few meters
and stops. Goes back...

Next, we see JJ heading downstairs from the left corridor coming
down like he just had great sex.

TS PORNSTAR

Just until we neutralize our

can up it to three.

That way all the Thanos' wannabes,
don't need to manufacture Covid'

stop the human virus... or invent
any more STDs' to make people
afraid of sex...

FEMALE PORNSTAR

Maybe get a temporary snip for teenagers too, so we don't ruin our lives with unplanned pregnancies...

I see your point...

We can't just reproduce like a berserk virus neglectfully...!

And as a dealer I can assure thee,

That will result in hosting environments, hosting hostility.

DEBATE ON THE RADIO.

ROYAL ROD (RADIO HOST)

What is your view on the "NO
ALCOHOL ADS ON SPORTS" then?

RADIO GUEST

I think you're right Royal Rod,
the ban on alcohol by the "NO
ALCOHOL ADS ON SPORTS" team is
surely making some heads spin in
the sports world, and I hope they
can change something with that
since those ads prey a bit on the
weak and wounded...

RADIO GUEST (CONT'D)

I like to have a drink from time
to time as much as the next guy,
but having that right in your face
when you're watching sports is
very... ironic...

ROYAL ROD (RADIO HOST)

Ok... ok... what about their fight
against the split branding between
alcoholic and non-alcoholic
brands, that the same brand
shouldn't host the same type of
ads with a zero percent beer ad.
Do you think it should be "one or
the other" question here?

RADIO GUEST

Yes! Definitely! Having more
familiarity in the attractiveness
of anything will pull the
strongest, the more familiarity it
has... it will be connecting with
your trust and comfort.

ROYAL ROD (RADIO HOST)

Here you have it my peeps, the
third guest in a row that agrees
with our friends out there
"communitaring" for all of us...

Ok Ima take you guys to a broader
end of the spectrum here but...

Can you guys imagine if... Hello
Kitty started making handguns?

Just how chaotic would that be?

I don't know if there's are laws
to at least try to prevent that...

MAX arrives at JJ's HOUSE.

But it should...!

LOWER RADIO SOUND. JJ gets in CAR.

JJ

I followed some breadcrumbs, and the ball just happened to skin that player...

JJ

I'm like ya lingo, gringo.

MAX gives him a mad look.

MAX

Shut the fuck up!

JJ shuts it, aware of his guilt.

INT. ADULT FILMS STUDIO — DAY

JJ

Hey Max! This is my best friend,
Don G. apart from you of course!

MAX

Bless you...! God bless your
patience...! I would need it...!

DON G

Didn't I tell you about you
childishly talking about who your
best friends are?

JJ

You're right, but don't matter
actually... this guy... he's my new
best friend...!

JJ

You have no idea what he just
helped me with...

MAX gives him a look.

I can't even tell you... I don't
want to incriminate you too...

MAX gets a flashback...

AK

Give him the head!

JJ

Yeah Max at least give me the
head...!

DON G

What the hell have you put this
poor soul through...?!

They move on. JJ turns back and ask's DON.

JJ

Yo! Do you know what studio
KITTY's in?

DON G

I think she's in studio 3.

P.O.V. AND OVER THE SHOULDER.

MAX & JJ have a peak in studio 3 and they see THREE GIRLS, ONE
STANDING, THE OTHER TWO ON THEIR KNEES IN FRONT AND BEHIND DOING
A SIMULTANEOUS CUNNILINGUS AND ANALINGUS. STANDING GIRL PUSHES
THEIR HEADS IN. THEY STOP AND ALL THREE SIMULTANEOUSLY LOOK AT
MAX & JJ.

JJ

Max meet Jade, Vanessa & Paris.
(WHISPERS).

JJ points very clearly that his friend was there:

JJ

MAX! (MOUTHED),
(DOING QUITE THE SCENE).

MAX spots a TATTOO OF ACES' LABEL on the lower back of the girl
not facing them.

MAX

Is that...!?

JJ

There's a rumor that Ace will bang
most girls if, they have his
tattoo...

MAX

I can see that happening...

JJ

Oh, no you don't!

One time, we had to host a competition with a top three...

(MANAGES A GRIN OUT OF MAX).

Yep! They were that many...!

They walked to STUDIO 4 and peaked again.

DOWN ON ME - 50 CENT & JEREMIH

THEY SEE A MAN TIED TO A COUPLE OF OTTOMANS BY HIS WRISTS ON ONE AND LEGS ON THE OTHER LIKE A "T", FOUR WOMEN AROUND HIM ON HIS MOUTH, BOTH HANDS AND PENIS.

They close the door.

JJ

Probably something like that at some point too...!

They walked to STUDIO 5 corridor and find MILES HARDY talking to a YOUNG NEWBIE PORN STAR.

MILES

...Sweetie, don't do things that ruin your make up too much like facials, bukkake, golden showers, stuff with poo and period are a no-no. A bit of clean clear squirt with a clean girl is good, but those before, I recommend you strongly not to do them.

MILES

Don't do humiliation or degrading shit, when you get to DPs and gangbangs...

Don't do double anal. And no more than airtight, which with your hands should be about five.

MILES (CONT'D)

And no family shit either... at least direct family, that's disgusting. Chubby is cool fat is not. Domination and bondage are cool, light femdom... Swallow and anal are a must in this biz, for the long run at least. Reverse gangbangs, ass worshiping, role-playing, transsexuals. Practice your deep throat and your anal with toys... Rough can be good...

Toys... if you sign with me, I'll give you all the details on all the "DO's and DONT's" of the business but if you don't, legally allow me to help you, all I'm telling you now won't suffice babe, it's a marathon not a sprint...

Either way if you do, don't let any ignorant cunt make you ashamed for those options... u didn't kill or rape anyone... but if in the moment you feel it's wrong, get out and rethink your options.

And if you don't believe me have a peak in here with these guys and see if I don't know what I'm talking about...

JJ

That sound like some sound advice Mr. Hardy.

MILES

I do know my businesses Mr. Junior.

Here... see what I got for Kitty guys...

MILES opens the door and all three stick their faces in.

time you were at the hospital...

JAK VALENTINE

Where have you been today? What
have you been up to?

MAX

You wouldn't believe me if I told
you...

JAK VALENTINE

I'm a big believer in people Max,
you know that... specially if I know
where you've been...! I'm sure that
if the stories match, I'll believe
you.

MAX

You had me followed...?!

JAK VALENTINE

Of course! You're my friend! I
wasn't gonna let you unchecked
after such an accident Max.

MAX

Still... you have no right!
The doctors cleared me, Valentine.

VALENTINE

So, what you're just gonna pursue
this lifestyle as a midlife
crisis?

MAX

Well, you "can't" give me my job back...

...Yeah, I guess I am...

VALENTINE

What the hell is wrong with you!

Parties and film studios...?!

MAX

Valli... Valli Valentino don't be such a bambino...

Get ya panties, off the bunch...

I'm not in the industry, if that's what you're thinking.

...I did have some good times though...

...A bad one... A very bad one too...

But that had nothing to do with the industry...

...

I'm not even close to pondering being in this industry Valentine, rest assured.

Can't say I won't go to another party... ...

(MUMBLES) ...When I've forgotten enough of that ones' ending...

VALENTINE

What are people going to think?!

Worst! What are people going to say!?

MAX

Who cares?! Relax a bit...

I know you can't relax as much as I've been relaxing, but you could relax much more than you currently do.

VALENTINE

(LOWERS HIS VOLUME) Someone told someone to tell me that you were spotted at a "porn star party"...

MAX

What are people going to say when you have to tell them your mother gave birth to a vagina...?!

To a cunt... I mean...

I might have to rephrase that
though... (CHUCKLES).

SURAIYA

But we haven't even gotten to the
fun part yet babe...

MAX

There's more?!

...

SURAIYA

Yeah... you see... someone hired Misha
to "Trick" him...

SOME INSERT SHOTS OF VALENTINE'S PAST BLEND WITH CURRENT EVENTS
ON MAX'S HEAD. DOLLY FWD / ZOOM OUT.

SURAIYA (V.O.)

And they have the recording...

An old elitist couple...

Some pure breed type...

...

They used the "old" blackmail
trick...

But that's all I know...

I don't know any details...

MAX

No... no problem...

I might just be able... to narrow
that down...

BLEND STOPS. DOLLY BACK / ZOOM IN.

So... you weren't going to give that
info if I didn't bang ya!?

SURAIYA

...I was gonna give it up...

...I just wanted to give it up too...

You're such a cutie, I had to get
me some.

Want some of this?

Passes him a BLUNT.

FADE TO:

INT. INFIRMARY - DAY

DUTCH ANGLE, P.O.V. HOSPITAL BED. UNBLURRING THE FOCUS.

ACE wakes up in a similar fashion to MAX's awakening, but on the
other side of the room.

Gets up slightly, still hazy.

Finds his PHONE at his BEDSIDE (DRAWER?), turns it on, drops it.

Moves quite fast for someone who's been in a coma for the better
part of a year. Like someone that's been poorly sedated.

Goes and uses the BATHROOM. Cleans his hands and FACE. We see it
in the MIRROR's reflection.

STARTS SLAPPING HIMSELF AND CHECKING IF ALL MUSCLES OR MOST, ARE
READY TO GO.

Sits down. Grabs his PHONE and uses it for a bit.

Gets up and goes out the room never stopping as if he knew where
he's going. Realizes it's a wrong way and turns back. Sees the
elevator and keeps at it. Gets in the elevator and as the doors
are about to close NURSE BELLA STUNNED sees ACE in his HOSPITAL
GOWN with a grin. Doors close.

STARBOY - THE WEEKND

Elevator doors open. ACE walks as FAST AS POSSIBLE. SHOWING ASS
THROUGH THE GOWN. A GUST OF WIND BLOWS EXTREMELY HARD AND HE
ENDS UP LOOKING LIKE A SUPERHERO WITH THE GOWN FLYING BEHIND
HIM.

Near the Uber he called, as he's reaching for the door.

NURSE BELLA

Mr. Enzo!

Where you going...!?

You can't...

ACE closes door.

ACE

Shall we...?!

CUT TO:

EXT. AK'S HOUSE — SUNSET

ACE goes in through the back. Tries to open door but it's locked.

Knocks and peaks through the window.

AK

Who the fuck...! is using this entrance...?

Opens the door after taking a peek at the window and not quite believing what she saw.

AK

Welcome sunshine!

Ain't you a sight for sore eyes...

Quite the sight actually...

Love the attire...!

What season is that...?

Ass crack season...!?

ACE

Nice to see your fine ass too...

Even though it still leaves something for the imagination...

AK

Does it now...?!

ACE

Have you got something that I
could wear? I haven't been...
shopping yet...

Might need some cash too...

My accounts are frozen...

AK

They should be... After eight months
resting... What did you expect?

ACE

You takin' the mick...

AK

Oh sweetie, you know I love playin'
with you, but I can see you're not
at your brightest... You should have
stayed with the nurses for physio...

But you just might not need it...

ACE

I thought I just woke up from that
bender...

AK

And you just did...

Eight months later!

You fucking fuck!

What were you thinking?!

Drinking like that!?

YOU KNOW HOW TO HOLD YOU OWN...!

ACE

Sorry babe...

Believe me I have a perfectly good
excuse for that...

But I don't wanna talk about it...

...

ACE (CONT'D)

Do you have a smoke...?

AK

You know the spot...

Or are you asking permission...

cuz a' your state...?

Ima get you those clothes...

AK

Both start laughing like maniacs.

...

...Miles' crib got jacked...

ACE

Ah shit...! I need to call that
fucker...!

ACE gets his phone and starts calling MILES.

Don't tell me...

I wanna hear it firsthand...

AK

What about his new client...?

Wanna hear about that...?!

ACE stops.

ACE

Eight fucking months eh...

I guess you guys just didn't know
when I was gonna wake up...

AK

If...! You were going to wake up...!

You fucking bastard!

ACE calls MILES... but hangs up.

ACE

I should go see him...

In person...

AK

That's probably a good idea...

And JJ...! Oooo you should go see
him tomorrow at work! And take
your latest demos, you know how
much he likes to test drive those
there! Specially since I made him
delete your latest ones... before he
got careless... you know...

And Max...! Ask Miles if Max heard
the demos.

ACE

Who the fuck's Max?!

Why you guys giving freebies to
some fucker I don't even know...?!

AK

Chill ya fucking vagina my heart...!

...

He was your roommate for most of
your stay there...

He wasn't the type to talk... much...

But then again... neither were you...

(CRACKS UP LAUGHING)

ACE

...Funny...

AK

Apparently, he woke up with one of
your demos stuck in his head... he
recognized something from JJ when
he was there playing you music...

ACE

Is that why I feel like I've been
hanging out with that half-wit
last night...?!

Ok, that's self-explanatory...

AK

He's probably "double-wit" right
now...

Rusty...!

ACE

I'll give you that one...

Actually... I ain't even gonna call
Miles... Ima go home, and rest and
call him in the mornin'...

Thanks for the pick me up babe.

ACE sends an air kiss, AK sends him kisses and waves goodbye.

Morning MOTHAFUCKER...!

MILES

Oh my...! Morning sunshine!

Woke up horny...?!

ACE

You know it...!

MILES

Want me to go pick you up at the
hospital...?

ACE

I been out since yesterday...

Seriously... it's like you don't
know me... at all.

MILES

Who's a good manager, that leaves
you your phone in case you wake
up, then?

A great fucking manager that's
who!

Wait... how long you been awake
then?

ACE

Try to receive attention... you
don't have to pay, you should...!
receive this attention I give you!

I, been, out, since, yesterday...!

ACE (CONT'D)

So, like 10 minutes before I was out...!

I had to stretch my legs you know.

...Actually... it's more like invest attention...

Did you know... nurses be fast in that joint...?!

She nearly grabbed my ass...

...

How busy does your new client keep you...?

What you doing for lunch today...?

So, we can catch up... see what's what.

MILES

I'm having lunch with Kitty in a bit... how about tomorrow?

ACE

Kitty! I approve... who's the feline?!

MILES

That, would, be my client, Kitty.

Kitty Coral, ever met her E...?

ACE

I can barely remember my name...

But... most of it today...

I think my body stretched last night... but my brain... it's definitely still stretching...

...

Ok! Tommora' then!

MILES

See you tomorrow, bad boy...!

ACE

Miles, hey Miles... did you miss me?

MILES

Nearly...!

CUT TO:

ACE walks in the joint and goes straight to the testing spot.

So basically, we see ESTABLISHING SHOTS / WIDE SHOTS, EYE SHOTS, CLOSE UPS, TWO SHOTS (3 SHOTS if control booth is in ESTABLISHING SHOT), of them being BLASTED BY THE MUSIC SIDEWAYS. Then CO-WORKER 3/1 LOWERS MUSIC'S VOLUME NEARLY ALL THE WAY. HE SIGNALS ACE TO GET OUT OF THERE WITH WIDE GESTURES.

ACE

JJ HOW THE FUCK YOU BEEN?!

JJ hugs ACE. Proceeds to get him out of the restricted area.

JJ

Fucker! How's NOT being a zombie?!

ACE

C'mon JJ ditch this place, let's get something to eat...

CO-WORKER 2/4

James you can't just...

ACE

Shut the fuck up bitch!

You know who I am?

I could buy this place...

And instead of snitching, fill in for my boy and I'll consider

You look brand new...!

Not long ago you were laying on

ACE

If it wasn't for the news... I'd
think you were fucking with me...

Serious, it's like waking up from
a fucked-up night with a serious
hangover...

Took me ten minutes...! ;HA!

JJ

;HA! Playa, playa...!

ACE

Pimpin' since pimpin' since...

JJ

... since pimpin' since...

...

Yo baby! You're not the only one
who loves his job!

I like this shit too!

ACE

I know...! That's why I brought you

Hands him over a USB STICK WITH "ACE A' HEARTS" LOGO.

JJ DROPS HIS JAW...! Grabs the USB STICK.

JJ

YOU really need to go bro! First
you try to get me fired now ya
bring me that demo back...?!

ACE

Not just that...

Pretty much everything for the
next album is in there... what's
recorded anyway...

JJ

That's it you're gone...!

Gimme your phone...!

ACE reluctantly does...

JJ

This is Max. Knight. Call him.

ACE

Who the fuck's this Max then...

JJ goes in the building, but before closing the door. He holds
it and sticks his face in the gash.

JJ

Call him you must... (YODA VOICE)

Door shuts. ACE texts MAX.

EXT. STREET — DAY

TWO DISTINGUISHED DOGS BARKING/HOWLING ARE HEARD OFF CAMERA,

ACE'S WEARING A PULP FICTION MR. WOLF HOODIE WITH "I'MHERE TO
HELP, IF MY HELP'S NOT APPRECIATED, LOTS LUCK GENTLEMAN." TEXT
ON IT. As if they were chatting. They seem to be friends. They
have pissed off a NEIGHBOR.

NEIGHBOR

WILL YOU STOP LEADING HIM ON?!

ACE

Sorry miss... but he's the one
leading this chorus... I'm just a
follower in this realm... he's too
much a free spirit so much it
ensnares my senses...

THEY START BARKING/HOWLING AT HER.

NEIGHBOR THROWS A VASE AT THEM.

ACE IMMEDIATELY PUSHES THE DOG FORWARDS TO HIM WITH THE SOLE OF
HIS SHOE PUSHING THEM BOTH OUT THE CRASHING VASE SPOT.

NEIGHBOR IS LOOKING MADDY AS HELL.

ACE

OH MY DOG!

Bitches be crazy...!

I'll see you later Boss, she is
maddy we better split...!

A HIGH-END CAR similar to MAX's parks near ACE. Window slides
down.

DRIVER

Hey! You! Are you Ace?

Ace a' Hearts?

ACE

That'll depend on the heart that's
asking good sir.

DRIVER

Talk to the back, cuz the front is
exiting.

Window shuts up. DRIVER exits the HIGH-END CAR and goes for a
coffee nearby. Back door opens and JAK VALENTINE exits the car.

VALENTINE

Mr. Hearts...! Nice to meet you,
I'm...

ACE

I know who you are. Jak Valentine.
Anyone in the surroundings and
half a brain, knows who you are...

VALENTINE

If only...

ACE

My parents are big fans of you too
if I'm not mistaken...
Am I right...?

VALENTINE

Yes, they were big supporters of
my campaign, and still great
counselors...

ACE

You don't say... (HUMPF...)

VALENTINE

But I'm not here for them or on
their behalf...

ACE

Good... cuz the last muscle they
sent... was sent home with their
tail in between their legs...
Plus, I don't think you could
outrun me in all that expensive
attire...

VALENTINE

Looks can be deceiving you know...?

ACE

You should know...!

VALENTINE

Ah! Cheeky...!

Also, my driver used to do very well in the Olympic sports...

...

Anyways... I'm here to talk about Max...

ACE

Ah...! Miss ya bestie...?

Sorry can't have him...

I've grown fond of the nutjob...!

VALENTINE

I really do I'm not gonna deny that... but he was in similar conditions to yours... and for an indefinite amount of time... so I had to replace him, and I could not get him a suitable job for his qualifications without getting rid of someone as qualified...

ACE

That just warms up my heart...

Not only did my beauty sleep allowed me to miss all that...

But I woke up with a new friend...

Ain't life great...?

Sorry...

Back to your dilemma...

VALENTINE

...Just because I could not get him
a suitable job that doesn't mean
he should go to the other end of
the spectrum and hang around
pornographers! That is my
dilemma...!

ACE

Is it though...?!

VALENTINE

Look I'm just trying to reason
with you here... he has not done
anything else other than working
with me so we can better this
community, he does not know
better...!

ACE

And you do, do you...?!

He had a stick up his ass most of
his life... while I smoked, drunk
and banged all these types of
dopes through my body...

Yet we ended up in the same place...

He had a car crash and went into a
coma...

I go on a booze bender... and we
become roommates...

VALENTINE

Why don't you go and sue InBev
then ya fucking junkie!?

ACE

Well, why don't ya go sue the
government for giving shit loads
a' money to sell outs while guys
like you that try to better the
world get raped by both media and
other corporations, since ya can't
step out a' line an inch...?!

ACE (CONT'D)

I too would like to be wearing my
Roger Dubuis and driving my kick-
ass Bentley... With a bunch of
operation centers spread through
the West, after winnin' my
P.E.N.G.O.T.

But here we are...

Cuz... all I really need is an Oulm
watch, my Scirocco on the driveway
of my three-bedroom, three-
bathroom nicely detached house.

Yeah no one's in line to take the
piss now are they...?

Y'all high and might with ya Ivy
League vocab... you know...

I studied too...!

I studied football until I busted
my knee...

And I mean football not that
American rugby that some call
football but barely touch with
their feet in the ball...

Who the fuck came up with that...?!

I've studied Music, Writing,
Society, Life...

And what...? Because I'm not
institutionalized with a pamphlet
and a propeller hat ya think I'm
ignorant?!

Well, guess what, I am!

I have actually studied enough to
know that... unlike most that are
afraid of the word... pussies!

What the fuck do you know...?

Ya probably went from ya parents'
house, to some ivy league school,
to a fucking office building...

ACE (CONT'D)

What do you know of being weak and manipulated by a system that keeps fucking you in the ass and calls it law!?

SHOW SOMETHING OF A PORN SCENE DIRECTING WITH KITTY, MILES AND MAX ON SET. BLEND.

ACE (V.O.)

What do you know of having to get high or drunk just so you can bear to live with the fact that ya kill thousands of vertebrates a day so that all the unaware fucks can abuse the neglectful and reckless consumption of meat?

SHOW SOMETHING OF A MEAT FACTORY SCENE. BLEND.

What the fuck do you know?!

ACE

Hashtag... WHATTHEFUCKDOYOUKNOW
Bitch?!

#W.T.F. DO U. KNOW (SPELLED)

What the fuck do you know of being in industries that consume your soul until you hate the products or services you offer?!

SHOW PEOPLE HATING THEIR JOBS. BLEND.

Actually... ya might know something about that, since you're a politician

PROGRESSION - SYNKRO

I could've been a lawyer or a politician too... but I couldn't bear the bureaucracy...!

So, since ya got elected why don't you try shifting towards less prosecuting and more towards

ACE (CONT'D)

targeting the root of the
problems... try...

VALENTINE

I still don't have that power...

ACE

NEVER...! Stop... an improvising
artist ya fucking cunt...! Or I'll
bend ya over the knee and amber ya
butt, till ya stop being a runt...!

We see VALENTINE reaching in his pocket, take out his PHONE and
start RECORDING THE CONVERSATION.

Here's an idea I developed just by
watching Shark Tank...

Create some legislation to brick
wall the margins of companies,
that way you won't have leeches
that found a gap in an always
changing, always evolving system...
and I'm not talking mom & pop
shops either I'm talking over a
million net profit... so then
they'll have three choices only if
they overdo it...

One - Give it to charity. Always a
good investment...!

Two - Spread it on their
companies' employees since they're
a part of the ensemble...

Three - Let the government do
their job and send them the extras
that were miscalculated...

If you don't trust them to do that
job... you'll have the previous
options to take matters into your
own hands.

Maybe that'll fix the GDP's
balance on a resource basis... and
if it doesn't, have a look into
what could be done there...

ACE (CONT'D)

...the other day I saw a documentary of some American kids that went to live like Guatemalans for a couple a' months...

And do you know whose fault it is that they're hungry and in poverty...?!

The first world and their rapid expansion with no vision or calculation for consequence...

They have extremely rich lands that have been lawfully made to grow sugar and other crap in mass production and they're "Living on One Dollar" a day... it's fucking disgusting...!

Every country... or state in the case of big ass countries like Brazil, China, U.S., etc. should grow, locally as much as they can on foods like corn, oats, wheat, beans, rice, spinach, broccoli, bananas, apples, oranges, and other items as such. This should be available for all of civilization, that, and water...

There shouldn't be any inflation on first world countries at this point... it's not a fucking race... it's an endurance! The inflation should be returned, or diverted into the thirsty and hungry that don't have a chance of dying of Alzheimer's while the greedy wasteful empires hunt for eternal life... especially since the answer they're looking for... might just be in the mind of one of those poor souls...

So, try to structure international trade laws to give back to the real suppliers in form of infrastructure if ya have to.

VALENTINE

You mean deflation...

ACE

Potato... Tamales...

You're the one with a degree in population administration... ya got the point didn't ya...?

Structure proper and fair value on trades instead of using bargaining power to suppress and implement lawful dictatorship for the pre-powerful ones, and this way it won't disturb the current economy.

VALENTINE

Are you done...?

ACE

Nowhere near that... since ya investing attention.

Obviously unless you're a little girl ditching school for the environment you won't get a meeting at the U.N. so here's some more for ya.

If every product has in the front on one of the top corners factual information of its origins, like a flag and if it's made of several things has a few smaller ones...

VALENTINE

Do you really think people care...?

ACE

One - you'll have the aware ones that will see it as an economic turn.

Two - you'll have the chest pounding patriots that'll buy it outta pride or spite...

ACE (CONT'D)

"Would you look at that! It even tastes better than the others!"

Whatever reason floats your boat...

It's viable.

And since we talkin' about logistics now...

How about we narrow down... I mean way down...! On the transportations like commercial airflights and non-intercontinental flights and start diverting funds usage towards more economical long distance transportation modes such as trains n' cargo ships.

At least until we've found more viable ways...

AT THIS POINT WE SEE IMAGES OF A POLITICAL OFFICE AND PEOPLE DISCUSSING IDEAS AND ALSO VALENTINE AND WITH A HAND OVER ACES' SHOULDER AT THE ENTRANCE OF ONE OF THE U.N.'S HEADQUARTERS.
BLEND.

We should be imagining our economic structure as a diamond... you know... the young at the bottom learning and working their way up with a fair division of power on top... It happens in a similar fashion, but it's never a fair game... it's the long tail instead.

If we put all the linguistics, the math's, the chemistries, the physics, the electronics... all working together in their most viable way to work most aspects of our life... I'm sure we can at least envision such progress...

Do you know that the world's average yearly salary is twenty grand...?!

But here's the punchline... no one "in their right mind" should be happy with that... not at least in

ACE (CONT'D)

the "first world countries" where
you have to sell, sell, sell...
where people don't get high on
their own supply... bitch if don't
consume it, I'm not selling it...

That's my motto...!

But this happens for a variety of
aspects such as your money getting
stuck in a tool named "bank" for
weeks instead of getting
transactions and remunerations
done quickly... in England they have
their salaries paid weekly as a
standard procedure... and you know
what... for me that's the main
"secret" of their economy...
specially on lower wages such as
minimum wage where people devote
their money in a faster pace...
Which could be a bigger problem
due to the current environment
instability... or give a fighting
chance to the minions...

Fighting chance...

Fighting chance...

Fighting chance...

Talking about a fighting chance...
why do married people get so many
tax cuts and the singles pay more...
So, not only are we unmarried and
maybe loveless, we also have to
pay more... no wonder there's so
many sham weddings... I understand
green card marriages... If there's
kids involved it's one thing... but
tax cutting weddings...? It's like
your being raped, legally raped...!

...That just might be the title of
my next song...

Yeah...! It's bad ass for the
"Julius Caesar's" of the world to
host orgies, but all the minions

ACE (CONT'D)

are sinners if they ain't
monogamous throughout their life...
otherwise their whores...

Bitch! What the fuck do you know?

CUT TO:

INT. AQUARIUM - DAY

KITTY and MILES are having a nice conversation.

MILES

...Hey if they're not doing it in
the education system, I think
parents should... I'm just saying
that some people know more outside
the system and others know more
within it...

KITTY

Yes, we assume that people have
been educated in some aspects of
life and for numerous reasons they
might not have...

So, what would you like your
children to learn...?

MILES

Okay... lets list these then...

Basics...

Housekeeping... that's something
people are supposed to know from
home right...? What if they didn't
have a home... what if they had
problems at home... this should be
thought at school am telling you,
plus, we might learn something we
didn't knew or some technological
advances from the kids...

KITTY

Ok, what else...?

They start walking.

MILES

Nutrition and cooking should also be thought at school... I don't remember most things I learned in chemistry class cuz I didn't go towards an industry that needed

those, yet I cook most days... where's the chemistry there...?

... (CHUCKLES AT THE IRONY) ...

Law and Taxes too... I mean obviously those are very complex and maybe they could ease off on that aspect, but if we at least learned how to research and tackle the biggest crimes and issues around our law maybe... just maybe life would be easier...

KITTY

I don't know but I think I'm using your babysitter cuz I'm dropping my kids in your crib. (GIGGLES)

MILES

There are others that should also be essential like... self-defense...! How many kids don't like P.E.? There's a fair share to think about remodeling or make them know they don't need to be social to have fit bodies... I think it's fair game on sports, but some kids just aren't like that...

KITTY

I think paramedic lessons should be a good one too you know... you don't need to be a full-on doctor but having a good grasp on medicine is certainly something I'd like to do...

MILES

Yes. Exactly!

Also... cybersecurity... even if you know it, you're not out a dodge... but those that don't... man...! All it takes is a root kit for your hard work to be someone else's...

And there's more... someone could use your own income to keep you "humble".

We learn I.T. in school but unaware of the digital realm...

Universe's more like it...

KITTY

And maybe some field trips, when they're teenagers already, of course, to slaughterhouses...

MILES

What?! Are you crazy...?!

KITTY

Oi! Mind your language Mr.

MILES

I mean... why...? Just... why...?!

KITTY

So they can be aware of how this world really works... the slaughtering behind curtains, out of love, is not healthy... for anyone...

MILES

I understand babe... but that one's not solving anything... maybe in adults it would work but the kids will be learning so many things that at some point their focus

MILES (CONT'D)

will go elsewhere and became as negligent as the rest of us...

...

KITTY

You're so good Miles...

Let me ask you something...

MILES

Go ahead babe, you can ask me anything...

KITTY

If I... were to... let's say... change my profession... would you... like to... take me out to dinner sometime?

MILES

Sure... you're gorgeous...! we get along great... and I bet E would like that too.

KITTY SLAPS MILES IN THE ARM.

KITTY

What do you mean by that!?

MILES

Chill Kitty...! I mean he gets to have his manager full-time...!

KITTY holds MILES' arm now.

KITTY

I'm just teasing... you know I'm kinky right...?

I went into porn cuz I like sex and I've fulfilled my fantasies and the ones I do like... I'd like

KITTY (CONT'D)

to do them from time to time... you know...

MILES

I'm good with that babe. I don't believe in full on blind monogamy neither... as long as there's respect, and hygiene...! If someone you banged is around, I rather you tell me straight way, so I can respond to some cunt that might be thinking he's got one over me.

And if it's a hot story you can tell me in the bedroom...

Even made up one's I'm into that too. (WINKS)

KITTY

Me too... I also like watching myself on video... gets me so hot...

MILES

DING. DING. DING. We have a winner! I'm sure we can find many of your movies that we both like...

...

However... if one of us has been with someone and hasn't had a chance to clean up and we meet... a kiss on the cheek is more than enough. Don't be kissing me with no dick on your lip...!

KITTY

That goes for you too...! Unless we have company... then you can kiss me with pussy on your lips...!

MILES

I must maintain here...

No kiss with dick on your lips.

KITTY giggles.

CUT TO:

EXT. STREET — DAY

Back to ACE and VALENTINE.

VALENTINE

Are you... OK...?

ACE

Sorry if I'm ranting...

Being in a coma I think parts of my brain went into forced labor to account for the lack of movement I guess, I must sound like a raging lunatic...

VALENTINE

Maybe... but I too know enough to know I'm ignorant... and you sound a lot less of that, than most people I deal with... so go ahead...

I'm investing my attention.

ACE

Wanna know how a Nobel prize winner pays pay's fifty percent tax, but Coca-Cola and other big companies only pay twenty percent of the supposed still low in comparison thirty-five...? How fucked up is that...?! We as a civilization have structured it to pay more to fuck ourselves than to get out of the holes, we dig in...

And I don't want to live in a world without Coca-Cola, but the allowance for alluringness, is appalling...

Oh, and just fucking legalize it... Why is weed illegal...? Cuz it relaxes people? Cuz it's one of the most economically viable

ACE (CONT'D)

commodities in this planet? Or should we keep berserking as the working bees we are? Is it that the government beliefs? They need everyone to work harder n' harder? In order to achieve environmental decline... wait... didn't we get there already...?!

Next...!

And some people can't even get a decaff' without Xanax in their sugar, so how are we supposed to grow our own...?

Like everything else it's safer for sanity's sake to just buy fresh produce when needed...

Cuz that don't make people crazy...

People make people crazy...!

...

Change.org

These guys should have advertisement schemes funded by the government as a reminder that we can all pitch in...

And you know how we have TV shows that people can text or call...

How about we do a TV voting system show for governance...? Shit we could do channels of that... that way people won't be able to fill in my hears with what the politicians should or shouldn't do... get a move on then bitch...!

And Ideas Centers...! Like an intellectual property office with a customer service system like with discussion forums and CCTV around the clock so there's on the fly registration of said intellect... I know I'd probably go

ACE (CONT'D)

there a few times. Cuz to me
there's a slight chance that
Einstein took a few ideas under
his name on his job, but that
might be just me...

Do you want a better economy and a
more peaceful country?

Well try these on for size and see
if it fits.

And maybe... if we can change the
nations that rule the media, just
maybe, it'll rub off on the
others.

And all these ideas ya just heard
didn't come from a junkie.

They came from a recreational drug
user, but if ya believe every
piece of information vibrating
through the air or pixelated on ya
screen...

I guess ya must be the junkie
then, addicted to the nectar and
unable to put a break on it.

VALENTINE

...You done?

ACE

No... but I gotta save some for the
next video clip...

VALENTINE

...You're a fucking genius...!

ACE

I'm just a product of this world...

...

Bitch! I'm like kung-fu panda!
Wanna take it?!

...here take it all...!

I hope you can handle the ying-
yang, cuz with the rise comes the
fall... can you? Ima ridin' the flow
on my Dragon Ball...

Supersonic cloud...!

ACE (CONT'D)

...

Do you know why psychopaths become
psychopaths...?

VALENTINE

...

VALENTINE slightly shakes his head side to side.

ACE

Well let's just say I'm borderline
psycho, with a highly functional
self-preservation instinct.

...

Oh yeah...! By the way...

You can put your phone down now...

I happen to have a piece of
information that is of a more
personal matter to ya...

VALENTINE turns off the recording.

Since I had a previous discussion
with my father that left him
speechless and drove me to an
alcoholic coma...

I went to see mommy...

VALENTINE twitches.

Actually their goons tried to
handle me like a package, but I'm
guessing their yelp review went
under...

But then... me and my new producer,
went on to see mommy.

We see MAX stay outside at the reception.

ACE

Yeah flirt a bit with the
receptionist...

But don't forget...

...(WHISPERS)...

She works for the enemy...!

ACE walks into MRS. AND MR. ENZO.

ACE (V.O.)

...And I managed to record her
admitting to some shady shit... but
that's not really useful for me
except a bit a' peace a' mind...

ACE (V.O.) (CONT'D)

However... I did manage to save your
ass and the peoples' whose lives
are inflicted by dictating
legislators.

VALENTINE (V.O.)

...Dictating you mean...

ACE (V.O.)

No. I strongly believe that
separating those is an upgrade on
our communication... Dick...tating
sends a stronger message.

ACE

...N' if ya keep communicating
shit...! Ya gonna lose some fingers
next ya manipulating viper!

TO MR. ENZO.

MRS. ENZO

C'mon now Acy, you know you aren't
going to do that...

ACE

I don't know...

I didn't think I'd relieve him off
his silver devilness... and here we
are...

And I don't feel a least bit
guilty about it...

ACE (V.O.)

Wanna know why the cat lost his tongue...?

Well, it's not totally his fault... it's the civilized system that makes people make certain moves since they're unable to make or

ACE (V.O.) (CONT'D)

even comprehend what the right ones are...

And let's face it, if it weren't my parents, it would have been yours or another cunts' guardians protecting their kin from themselves... such are the ways of the world.

You're welcome...!

CUT TO:

JJ

Arghhhh...

AK

James...! I only sold that for about ten days and all the profits were going up our noses... is that a life stile you want to pursue on a regular basis...? I'm happy doing it a handful a times a year but not

regularly... that's how you fill up
psych wards.

JJ

...

You're probably right... I just
liked the idea of having all my
sweets in one place...

AK

See it this way...

When you come back... you'll be
running bitch! (LAUGHS).

JJ

of your movies last night.

KITTY

Excuse me but I'm on my first date

understands me... so, if you don't
mind, I'd like to keep enjoying
it...

DINER

Ya uptight cunt... you're not so
tight on camera... I was just trying
to be nice...

MILES

By interrupting and being rude...
put yourself in her shoes... if you
were somewhat of a public figure,
whatever industry that might apply
to... would you like to be
interrupted on your first dates by
some perv...?

DINER

Did I talk to you...?

A nearby BUILT LIKE A BRICK MEN GRABS DINER BY THE COLLAR AND
DRAGS HIM OUT THE RESTAURANT MEANWHILE.

BAD ASS DINER

CUT TO:

INT. MUSIC STUDIO — DAY

TWO CHAIRS WITH TWO PEOPLE ARE LOOKING AT A LAPTOP WITH A DAW ON
SCREEN.

ACE

...

Let's take a break here...

...

A while ago, I saw this mentalist doing a street show and he found out the hidden number by adding all the crowds guesses of the number and splitting it by the number of guesses and that average was the exact number... isn't that something...?!

MAX

You know that could have been made up right...?

ACE

Sure... but it also makes perfect sense... I think that applies to many realms... if we can filter the bullshit information and agglomerate knowledge, we just might get the better answers we're looking for...

MAX

Maybe...

I'm a roll a blunt...

ACE puts some music on.

LEAN ON - MAJOR LAZER / DJ SNAKE / MØ

ACE

Aren't you afraid ya just like all this shit cuz your doing dope you're not used to...?

I don't want you going sober and realize you really don't love all this.

MAX

Nah...! I liked it before, during and after I got high...!

I just had a different life...

A life that evolution told society
that to be in said position one
must act a certain way...

Bollocks...!

ACE

AH! Dogs' bollocks!

MAX

Smart ass...!

...How high is your I.Q.?

ACE

Max... Ima tell you something...

I don't trust those I.Q. tests...

First, I don't need a number
defining my value...

Second, I've been having to ignore
about half of what I've been
taught in my youth cuz some be
fucking idiots...

Third, I'm not sure they calculate
all types of intelligence... how's
an I.Q. test gonna calculate the
answer to the question... "How do
you divide an once without
scales...?"

Scale that, mothafucka...!!!

The DOOR LIGHT'S ON, MAX opens the door.

At this point AK, JJ, MILES and KITTY walk in the studio.

MAX passes the BLUNT to JJ.

AK

Who rolled this...?

MAX

I did...!

AK

I'm roll my own then...!

JJ & ACE

Aaahhhh!!! (LOL)

The other three giggle and chuckle.

ACE

Friends...

The project is done...

Wanna hear it?
