You always put people before me!

If it's not Charles, it's alcohol!

I'm sick of it Tyrone!

Tyrone just stands and listens.

She pauses and stares at him.

DIIJAH (cont.)

If you loved me like you say, then  
you would stop breaking my heart  
like this, Tyrone.

IMAANI

Mommy look.

Imaani shows her the apple.

Diijah picks her up.

Diijah enters the bed room and slams the door.

Tyrone follows behind her.

The door is locked. He knocks. No answer.

TYRONE

You can believe me every time  
I apologize because I love you  
and know I love you because  
I don't want to leave you.  
I'm sorry and goodnight.

Tyrone prepared for travel to work in Union City, GA.

He exits the apartment.

**EXT. OUTSIDE TYRONES APT. -NIGHT**

He cranked up the 1976 Coup De Ville.

He has a flash back.

**INT. CHURCH,FLASHBACK- THE PREACHER CONGRADULATING TYRONE**

THE PREACHER

Today we have a special  
Announcement. Could you stand  
Up, Tyrone?

Tyrone stands.

THE PREACHER (cont.)

A few weeks ago, Tyrone  
Announced to us he had a  
Problem finding a job. He told  
Me he found lots of leads but  
They were off the bus line and  
That was his only source of  
Transportation. So, I talked to  
My wife about the '76 Coupe De  
Ville I've had sitting in my  
Garage for...I don't know how long.  
Maybe 5, 10 years. Anyhow, we  
Decided to donate the car to  
Tyrone.

The congregation applause.

THE PREACHER (CONT.)

Not long after that, Tyrone  
Told us about a job he found in  
Union City.

The congregation applause.

THE PREACHER (cont.)  
We want to congratulate, Tyrone  
and thank GOD for providing  
Tyrone with the means to provide  
for his family.

Tyrone has a seat.

**ETX. JOB PARKING LOT - CHURCH FLASHBACK ENDS**

Tyrone sits in the parking lot of his job.

The car door is open. He smokes a cigarette

POPS  
Goodmorning, Tyrone!

TYRONE  
Hey, Pops.

POPS  
What's on ya mind youngblood?  
You look like somebody stole  
ya dog!

TYRONE  
It's just some B.S. with my  
wife, man. Aint nothing.

POPS  
Son, it's better to release  
those negative vibes than  
harbor them within your soul,  
only to lash out at a time  
you really don't want it too.

Tyrone  
Why are you always right?

Pop chuckles and replies.

POPS

No, son I am not always right!  
you can ask *my* wife that! Let's  
walk and talk.

Tyrone

Cool.

Tyrone grabs his book bag of the passenger seat.

He slangs it over his shoulder.

He closes the car door and begins to walk.

Tyrone (cont.)

Ok. So I said "what's up?" to  
a girl on Facebook and my girl  
got all excited, like I said  
"let's go out" or sum! Now she  
don't wanna talk, cook, clean,  
nothing! I'm on the couch...

Tyrone shakes his head.

TYRONE (cont.)

Why did Eve have to bite that  
Apple?

POP

Apple?

TYRONE

Yeah!

POP

Tyrone, are you familiar with  
the scriptures?

Tyrone

Somewhat.

POP

What about 1st Corinthians?

Tyrone

I think it says something like  
Love is patience.

POP

There ya go! It says love is  
patient, love is kind. It does  
not envy, it does not boast,  
it is not proud. It does  
not dishonor others, it...

Tyrone picks up a flyer off the ground.

Psychosomatic Study.

\$100 PER STUDENT.

TYRONE

Ok, Pops.

POPS

Alright, alright. The point  
is, Tyrone. Love never fails.

They enter the building.

**INT. - TYRONE'S JOB**

They begin to separate.

TYRONE

I'll see you after work, Pop.

POPS

I have to get to my station  
too. Remember the scriptures  
and recite them as much as  
possible.

TYRONE

I gotcha Pops!

POPS

And it wasn't a apple.

TYRONE

HUH!

Pops doesn't hear Tyrone

He begins talking to someone else.

Tyrone continues to the locker room.

**INT. TYRONES JOB (LOCKER ROOM) - DAY**

Tyrone puts on his work clothes.

CHARLES

Better not be late to the  
line no mo', Jazzy gone kill  
you.

He walks off.

**INT. TYRONES JOB (THE ASSEMBLY LINE) - DAY**

TYRONE

I wish that bitch wouldn't have  
never bit that apple!

CHARLES

What you say?

TYRONE

I said I wish Eve would have  
never bit that apple.

CHARLES

Man, what you know about Adam  
and Eve? You wasn't there!  
Aint no tellin' what was  
going on in that garden.  
A snake talkin, GOD walkin!  
Sound like a fantasy tale to  
me! I believe there is a  
lot more to that story  
than Eve biting an apple.  
Do you know how many  
scriptures were burned  
by the Romans?

Tyrone cuts him off.

TYRONE

Since you know so much, why  
don't you go to church to get  
what GOD has for you?"

CHARLES

I know the plan, just like you  
Tyrone. We have had this  
conversation a dozen times.  
It's not so much about  
the church anymore, but belief.  
I am not as big as a conspiracy  
theorist as you, but my mind  
wonder too.

TYRONE

I'm just saying! From what  
I've learned! If she would  
not have been deceived we  
would still be living in  
spiritual abundance, with  
animals and wouldn't be  
no wars or none of that.`

CHARLES

True. I believe that. Then,  
wouldn't be no Jesus or  
forgiveness of sins. Come on  
Tyrone, GOD had a plan. You  
know this! The only way to  
whatever is really bothering  
you is *within* you.

TYRONE

What do you mean by that?

CHARLES

You know what I mean.

TYRONE

If I knew what you meant,  
I wouldn't be askin! You  
always drop knowledge and  
leave me in the dark!  
Why you do that?

CHARLES

My bad. It's not intentional.  
Some time The Spirit of GOD  
shows up and informs us on  
things when we least expect it.  
what I mean is, I know you watch  
a lot of youtube videos on time  
travel, different dimensions and  
religion so you have to come to  
the conclusion of your  
understanding. Some people say  
the garden is just a tall tale,  
some it's based on previous  
beliefs and some say it's  
a metaphor that represents  
hidden knowledge. What do you  
believe?

TYRONE

I believe exactly what the bible  
to go a little deeper though,  
I believe GOD only wanted us to  
know what He gave us in His word,  
because there are other concepts  
and beings in the universe that  
manipulate us to consider their  
will versus The Fathers.  
Especially, money; it brings  
you to lean on it and when it's  
gone, without hope, it will  
leave you stranded. People see  
money as power but the lack  
of it, always has a negative  
effect on people.

CHARLES

You got it! Now it's time  
for you to understand Diijah.

TYRONE  
I know, right.

**EXT. OUTSIDE THE JOB/ PARKING LOT- MORNING**

Tyrone heads for his car as Charles heads for his.

CHARLES  
So, you drove today?

TYRONE  
Yeah.

CHARLES  
What you got goin' on?

TYRONE  
Nothing... bar-b quing.  
We off, right?

CHARLES  
Yep, Let's go to church.

TYRONE  
Tommorrow Saturday, though.

CHARLES  
I know. I found a new church  
I want to check out and they  
Meet on Saturdays.

TYRONE  
Cool. What time it start?

CHARLES  
It starts around ten but I'll  
call you like 9. I'll drive.

TYRONE  
Aaight, bet!

Tyrone climbs inside his car.

He connects his phone to the digital dashboard.

TYRONE

Ok, let's see what youtube  
has to say about the Garden  
Of Eden.

Tyrone types, deletes and retypes as he talks to his self.

TYRONE (CONT.)

Were their black people in the  
Garden? Naw! What about...  
Did the snake talk? Naw...  
What was the fruit? Naw...  
I got it! What actually  
happen in the garden of Eden?

Tyrone scrolls to the video he wants to see

He presses play and tosses the phone in the passenger seat.

He takes his eye off the road to fast forward the video.

He's truck from the side by a car eluding the police.

Tires squealing. Loud crash.

**INT. AMBULANCE - DAY**

He fades in and out of consciousness, seeing different  
people from inside an ambulance.

Blurry paramedics assist Tyrone.

PARAMEDIC

Everything is going to be fine,  
Tyrone! Your wife is on her way  
to the hospital.

**INT. HOSPITAL CORRIDOR - DAY**

Doctors rushing frantically.

DOCTOR

We're almost to the surgery  
room, Tyrone! We will have  
you patched up in no time!

DIIJAH

I'll be right here, baby!  
I'm not mad at you, just  
keep your eyes open!

Diijah continues crying.

She watches Tyrone disappear behind the hospital doors.

DOCTOR

He's definitely going to make  
it. Hurry up with the  
IV so we can evaluation  
the type of anesthesia he will  
need! Let's move, people!

**EXT. GARDEN OF EDEN - DAY**

Eve shakes Tyrone.

EVE

Hello. Wake up!

Tyrone jumps up, confused.

TYRONE

Where am I?

EVE

This is the Garden of Eden

TYRONE

Where are the doctors? Where  
is Diijah? Where's my car?  
Where are your clothes?

EVE

Let us touch you so we  
can know everything about  
you and where you come from.

Eve reaches for Tyrone.

Tyrone

WOE, WOE! HOLD ON A MINUTE!  
Hold on a minute! You cannot  
tell me you all do not know  
you are naked?!?

EVE

What does naked mean?

TYRONE

Neither of you have clothes on!  
That is naked!

EVE

What are clothes?

TYRONE

Do you see what I have on?!?  
These are clothes.

EVE

Well, let us enjoy your  
splendor!

He had sweatpants on under his pants.

He gave his jeans and belt to Adam.

He gave his long john shirt to Eve.

EVE

I am Eve and this is my  
husband, Adam. Who are  
these people you're talking  
about?

TYRONE

My name is Tyrone!  
I am from the future!

EVE

Did you say you were from  
the future?

TYRONE

Yeah. A long, long, long  
time from now. Listen, there  
is going to be a walking,  
talking snake approach you,  
Eve!

EVE

All the animals talk! We  
communicate very uniquely.  
By the way, may I touch you  
now to be informed of your  
agendas?

TYRONE

Sure.

Eve touches Tyrone.

A strong surge go through his body like an electric volt.

Tyrone

What was that!?!

Eve  
So, this snake is supposed to  
Manipulate me into eating fruit  
from the sacred tree GOD told  
us was forbidden?

He received information about their creation, visa versa.

He felt his beginning and end transfer from her to him.

TYRONE  
But, how did...?

Eve and Adam looked around for the snake.

Tyrone shakes of his disarray. A bird approaches.

The bird drops a fig in a coffee cup.

He feels it trying to communicate. It flies away.

THE SNAKE  
You surely will not die! For  
God knows that in the day you  
eat from it your eyes will be  
opened, and you will be like  
God, knowing good and evil.

Tyrone notices the snake.

He dives to grab the fruit.

Tyrone  
Nooooo!

The snake violently shoves Tyrone. He hits his head.

EVE  
Whyyyyy?

**INT. HOSPITAL - DAY**

Tyrone awakes baffled. He knocks around the covers.

He is stricken by pain. Diijah consoles him.

TYRONE

Did she bite the apple? Where  
is Imaani?

DIIJAH

She is with Tamika.

TYRONE

Was I in an accident?

DIIJAH

Yes. You don't remember?

TYRONE

Not really. I had a dream  
I was in the Garden of Eden  
and stopped Eve from biting  
the apple. They were our  
complexion.

DIIJAH

Tyrone.

TYRONE

I saw the devil.

DIIJAH

Tyrone.

TYRONE

It looked like a human snake.

DIIJAH

Tyrone!!!

TYRONE

What?!?

DIIJAH

You have been in a coma  
for 3 days!

Tyrone looks confused.

DIIJAH

The doctors thought you would  
come to sooner, but for some  
reason you just wouldn't wake  
up. They said 'We did everything  
we could and he is just fine!'

TYRONE

Was I dead?

DIIJAH

They never said that.

TYRONE

What was it?

DIIJAH

They said something about  
pseudo-psychology or so  
something like that. The  
main thing is that  
your back with us and  
everything is going to be  
fine.

Tyrone nods

DIIJAH (CONT.)

The doctors want to wait 24  
hours before they release you.

TYRONE

Why?

DIIJAH

They feel you may be a little  
delusional.

TYRONE

Delusional?

DIIJAH

Yeah. They don't understand  
why you took so long to wake  
up. They gave you blood,  
patched up your lungs and fed  
you the necessary vitamins.

Diijah shies away a little.

TYRONE

My lungs?

DIIJAH

Here.

Diijah hands Tyrone his charts.

DIIJAH (CONT.)

Take the next 24 hours to  
read over it. I will call  
and visit later.

Diijah prepares her things to leave.

TYRONE

What's wrong?

Diijah grabs his hand. Looks in his eyes.

DIIJAH

Nothing is wrong, Tyrone.  
All that matters is you're  
alive and Aaliyah will grow  
up with her father.

TYRONE

Then, where are you going?

DIIJAH

It's Friday, Tyrone. We  
meditate at the Temple on  
the day before service.  
You don't remember Charles  
inviting you to The Temple?

TYRONE

No.

DIIJAH

Well, tomorrow is Saturday.  
Do you still want to go?

TYRONE

I guess.

DIIJAH

Are you sure? We can just stay  
home if you want.

TYRONE

No. I want to go. I need my  
things. Where's my phone?

Tyrone begins to panic.

TYRONE (CONT.)

Wait! Am I fired?

DIIJAH

No. Charles talked to Jasmine  
for you. You still have your  
job. Here's your phone.

Diijah pulls the phone out her purse.

DIIJAH (CONT.)

Are you planning on calling  
Charles?

TYRONE

Yeah.

DIIJAH

I thought you would. He's  
expecting your call. I told  
him you would be leaving  
tomorrow.

TYRONE

Where is he?

DIIJAH

He finally went back to work.  
He's been off every since the  
accident. Everyone has been  
pulling for you, Tyrone. Even  
your mom came down.

TYRONE

My mom!

DIIJAH

Yeah. She said, 'she'll be back  
when you come to'. You should  
definitely call her too.

Tyrone sits back. He soaks in the moment.

DIIJAH (CONT.)

This accident just has you  
little shaken up. Everything  
will come back to you tomorrow.

TYRONE

I hope your right.

Tyrone reluctantly agrees with her. Diijah comes closer.

She gives him a kiss.

DIIJAH

I'll be back after meditation  
services. Everything is going  
to be fine.

Diijah blows Tyrone a kiss. She exits.

TYRONE

She's right. Everything is  
going to be fine, Tyrone.  
Hopefully the preacher will  
break some things down for me.  
Maybe Charles can. Let me call  
mom first.

Tyrone calls his mom. Ring, ring, ring.

VOICEMAIL

You have reached the voicemail  
of 555-321-0896. At the tone,  
please leave a message.

(BEEP, BEEP)

TYRONE

That women never answers the  
phone! I hope Charles answers.

Tyrone calls Charles. Ring, ring, ring.

CHARLES

Wassup, man? How you feeling?

Tyrone

Just a little tired.  
does today feel different  
to you?

Charles

Just another day, Tyrone.  
Except for the fact you  
almost *died*! I should be  
asking you that!

Tyrone stares at a pyramid above the entrance.

TYRONE

Yea, I mean...Have you  
noticed a lot of pyramids  
around?

Charles

Yes, I have Tyrone.

Charles speaks sarcastically.

Tyrone

What does it represent?

Charles

This accident really did a number on you, huh. Well, the 3 points represent the trinity; Horus, Isis and Osiris. That's unity, strength and togetherness. You already know this, Tyrone. Do you remember the conversation we had at work before the accident?

Tyrone

Not really.

Charles

I told you sometimes The Spirit of GOD shows up and informs us on things when we least expect it. I also invited you to The Temple.

TYRONE

Diijah mentioned that to me.

Charles

You still coming? If you're not feeling it, I would understand.

Tyrone

We'll be ready.

Tyrone rests.

**INT. THE HOSPITAL - NIGHT**

Diijah opens the door to Tyrone's room.

She finds a few doctors over him as he slept.

DIIJAH  
What's the problem?

THE DOCTOR #1  
Tyrone seems to be portraying  
the same psychosomatic signs  
from his coma. Don't worry  
though, as long as  
his heart rate remains steady  
and his breathing is normal  
he'll be released tomorrow.

Diijah  
Ok, well I am just going to  
give him a kiss.

THE DOCTORS  
Nooo!

She is instantly prompted to stop by all three doctors.

THE DOCTOR  
I'm sorry mam, we need him  
resting intensively to finish  
the procedure. Come back in the  
morning.

DIIJAH  
Alright. Is he ok?

THE DOCTOR #1  
Ooh, he's fine, mam! Come back  
in the morning!

A nurse ushers her toward the door.

She blows Tyrone a kiss.

Gives the doctors a vigilant eye. Then exits the room.

**INT. HOSPITAL - MORNING**

Diijah  
Goodmorning, Tyrone!

TYRONE

Hey, baby. Please tell me we  
going home!

DIIJAH

Yes, sir! Imaani is at Charles  
and Tamikas. We have to get her  
first. I wanna take her to  
the park, if that's ok with  
you.

TYRONE

Cool. You bring any clothes?

DIIJAH displays his outfit. He gets excited.

Tyrone (cont.)

Oh, yeah! Thank you baby!

**EXT. CHARLES HOUSE - MORNING**

Tyrone and Diijah pull up to Charles House.

They park. They approach the house.

TYRONE

I hope she remembers me!

DIIJAH

You aint been gone that long!

They enter the house.

**INT. CHARLES HOUSE - MORNING**

CHARLES

Look who's back from the dead!

TAMIKA

Hey, Diijah.

Diijah

Hey, Tamika.

IMAANI

Daddy!

Imaani runs to Tyrone. He picks her up slowly.

TYRONE

Hey, baby! I missed you so much!

IMAANI

You good?

Tyrone laughs.

TYRONE

I'm good. You good?

IMAANI

Yes, I good. Ready to go to the park?

Tyrone looks back at Diijah.

DIIJAH

Hey, it was her idea!

TYRONE

Yea, I'm ready. You ready?

IMAANI

Yes, I ready.

CHARLES

It's like she went from three to 30 in 3 days!

TYRONE

I see! We about to gone get out of here man.

CHARLES

You still coming to the temple, right?

TYRONE

Call me in the morning.

CHARLES

Bet.

Tyrone, Diijah and Imaani head towards the door.

TYRONE

Yall go ahead and get  
in the car. I wanna holla  
at Charles for a minute.

DIIJAH

Ok now. Don't have us  
waiting for ever. You  
know how yall are!

TYRONE

I got you!

**EXT. CHARLES APT. DOORWAY - DAY**

TYRONE

I heard you took some  
days off.

CHARLES

Anything for a brother from  
another mother.

TYRONE

Thanks. That was real cool  
man.

CHARLES

It's all good, no biggie.  
Me and Tamika had fun with  
Imaani while Diijah went to  
her classes.

TYRONE

Classes?

CHARLES

Yea. The Mystery School.

TYRONE

Mystery School?

CHARLES

It'll come back to ya.  
You just gotta take things  
one day at a time, man. How  
you healing? Diijah say they  
had to stitch ya lungs up!

TYRONE

Yeah, man. You said it  
though...One day at a time.

CHARLES

Dat right. I promise the  
Temple will be exactly what  
you need.

TYRONE

About that too, right!  
It's all fuzzy man. It's  
like everybody the same  
but the culture has  
changed. I feel like I'm  
in a alternate reality!

Charles laughs.

CHARLES

Be cool, man. You right  
where you suppose to be.

TYRONE

That's wassup.

Charles gives Tyrone a ruff hand shake.

TYRONE

Woe, man!

CHARLES

Damn, my bad bru! You  
alriht?

TYRONE

I hope so.

Tyrone lifts his shirt.

Charles sees the stitches.

CHARLES

That wreck messed you up  
pretty bad. Glad you  
survived, dog. We need you  
out here.

They give each other pound. Tyrone heads to the car.

TYRONE

That's wassup. Let me get  
these girls to the park  
since they done ran one on  
me.

CHARLES

They been tag teamin yo azz!  
Aint nothing changed!

TYRONE

Shiiit. Everything done  
changed.

He speaks to his self.

**INT. TYRONES CAR - DAY**

TYRONE

So where we going?

DIIJAH

To the park, Tyrone.

TYRONE

The park, duh. What park  
Diijah?

DIIJAH

Imaani been talking  
about going back to  
that park at the school  
every since she left!  
What school?

TYRONE  
Let me guess...The Mystery  
School, right?

DIIJAH  
Yep!

Diijah looks back at Imaani.

DIIJAH  
Yay, daddys getting his  
memory back!

IMAANI  
Good job dada.

DIIJAH  
Thank you, baby.

Tyrone shakes his head.

DIIJAH  
It's right here.

TYRONE  
You mean that gate?

DIIJAH  
Yeah.

TYRONE  
How we suppose to get  
in there?

DIIJAH  
So, it's not coming  
back to you, huh?

TYRONE

Naw...I mean...Kinda, I don't know. I just keep seeing a cross in my head with a man being put to death on it, while people screaming... "YOU ARE NOT THE SON OF GOD! YOU ARE THE SON OF A MAN!" Don't you know who Jesus is?

DIIJAH

Well...

Tyrone phone rings.

TYRONE

Hello?

TEACHER

Can I speak to Yashua?

TYRONE

You got the wrong number.

DIIJAH

Who was that?

TYRONE

Somebody asking for Yashua.

Diijah drops her head.

They pull up to the gate.

DIIJAH

Here.

Diijah hands him the card.

He swipes it.

The gate opens.

TYRONE

I like this.

IMAANI  
Mystery School!

DIIJAH  
Yes, baby!

IMAANI  
See the Unk, dada?

TYRONE  
I see it baby.

DIIJAH  
Is that the cross you  
keep seeing.

TYRONE  
Naw.

DIIJAH  
Well, here's the school I  
go to. Anything coming back  
to you?

TYRONE  
Nothing. This is nice though.

DIIJAH  
Pull around the side.

They approach the park.

IMAANI  
Mystery School park. Wanna  
play mama?

DIIJAH  
Yes, I do! Park anywhere.

They park. Imaani gets excited.

**EXT. THE PARK - DAY**

Imaani takes off to the playground.

A few kids await her arrival.

DIIJAH  
Slow down!

A bench is close by. Tyrone and Diijah have a seat.

They watch Imaani.

DIIJAH  
Well forget mommy then! Ok!

TYRONE  
You'll be alright.

DIIJAH  
I know I will. Will you?

TYRONE  
I hope so. Like I know the whole Egyptian story but it's become a reality now. It's like It's taken over everything. Ya feel me?

DIIJAH  
That's because it has and it always will, baby.

TYRONE  
Naw, bay. It wasn't like this before the accident.

DIIJAH  
Then how was it?

Tyrone phone rings again.

TYRONE  
Hello?!?!?

TEACHER  
Yashua!

TYRONE

Man, I told ya you had the  
wrong number! Stop callig  
phone, please!

Tyrone hangs up.

DIIJAH

Tyrone, that's my teacher!

TYRONE

How you know?

DIIJAH

Because he gave you that  
name after your first  
visit.

TYRONE

What?

DIIJAH

Yep. And he told you never  
tell anyone except your  
wife and kids.

TYRONE

Huh?

DIIJAH

Yep. When he told you that  
the name meant to die for  
GOD you didn't wanna come  
back.

TYRONE

Really?

DIIJAH

Yes, baby. Wow. This situation  
is giving me a headache,  
Tyrone. I am having a hard  
time explaining this to  
you all over again. I don't  
know if I can do it.

TYRONE  
What you mean?

DIIJAH  
I don't know, Tyrone.  
Imaani get off the ground  
or we leaving!

TYRONE  
Stop yellin' at her!

DIIJAH  
I should be yelling at you!

TYRONE  
For what?

DIIJAH  
Nothing! I'm going to play  
with the baby.

TYRONE  
Hell wrong with her?

Diijah heads to the playground.

Tyrone looks at his watch.

5:45

Tyrone smokes a cigarette.

6:30

Tyrone looks at his watch.

7:15

DIIJAH  
Come on Imaani, its getting  
dark. Time to go!

IMAANI  
No time to go! Mystery  
Park.

Diijah picks Imaani up. She cries.

TYRONE  
Want some candy?

DIIJAH  
Spoiled rotten.

TYRONE  
So, that's my baby.

DIIJAH  
Whatever.

**INT. TYRONE'S APT. - NIGHT**

Tyrone is captured by the picture of KING TUT.

TYRONE  
Where did this picture come  
from?

Diijah  
Stop acting like you never  
seen that picture before!

Tyrone  
This picture was not here when  
I went to sleep! So no, I have  
not seen this picture before,  
Diijah!

Diijah  
If you trying to escape the  
fact you were talking to  
females on the internet,  
it's not gone work! You  
always think everything you  
do is ok! I bet you remember  
the conversation you had with  
that lil girl on facebook!

She waves him off and heads for the couch.

He sits down beside her.

Tyrone  
Ok, Diijah I'm sorry! It was  
just a co-worker.

Diijah  
Co-worker, hoe -worker,  
whatever!

Tyrone  
Just listen to what I have  
to say!

Diijah  
Nope!

Diijah heads for the kitchen.

He follows her.

Tyrone  
Well, I'm bout to tell you  
anyway!

Soon as she notices him coming.

She makes a u-turn. He blocks her exit.

Diijah  
Move, Tyrone!

TYRONE  
No. You have  
to hear this dream!

Diijah drops her head sideways. She folds her arms.

He gets the message.

Tyrone

Ok, it's like this. That picture wasn't there when I went to sleep. I woke up in the Garden of Eden with a butt naked, black Adam & Eve; I gave them some of my clothes and tried to warn them about the snake coming. So, I'm warning them right. In the middle of me warning them a human looking snake walks up! I dive to stop her from taking the fruit. Then I wake up!

DIIJAH

I don't believe this.

TYRONE

What? That things done changed or the dream?

DIIJAH

What I don't believe is that I just stood here and listened to anything come out your mouth! Now get out of my way!

She storms out the kitchen.

TYRONE

I thought you was finna cook?

DIIJAH

I changed my mind.

TYRONE

Charles said something to me about Isis and Horus.

Diijah ignores him. Tyrone heads toward the couch.

Diijah carries Aaliyah to the room.

DIIJAH  
You know Charles believes  
everything you say. At least  
he leads you to believe that!  
Goodnight, Tyrone!

Tyrone fixes a sandwich. Then hits the couch

**INT. TYRONE'S APARTMENT - MORNING**

DIIJAH  
So you still dont know where  
you are?

TYRONE  
It's coming back to me slow,  
I guess bay.

DIIJAH  
I said you need to call the  
doctor this morning.

TYRONE  
Need to? You mean definitely  
need to!

DIIJAH  
All you kept talking about was  
some test wanted to take.

TYRONE  
A test? Am I in school too?

DIIJAH  
No. You was telling me about a  
card you found about people  
doing experiments or something.  
Where's the card you showed me?

He is speechless.

DIIJAH (CONT.)  
Let me check in the back.

She leaves the room. She returns.

DIIJAH

Here it is.

She gives him the card.

TYRONE

A hundred dollars! I see why  
I wanted to go! What time is it?

DIIJAH

9:30

TYRONE

The card says 10:30! I need  
to be making a move!

Tyrone searches for the keys.

DIIJAH

There in your jacket, bay.

TYRONE

Thanks.

DIIJAH

You not gone shower?!

TYRONE

I'll take one when I get back.

DIIJAH

What?!? What if they make you  
take your clothes off?

TYRONE

Take my clothes off! You thank  
I'm a prostitute?

They share a smile.

DIIJAH

What ever. Make sure you  
call the doctor, please.

TYRONE

Yes, mam.

DIIJAH

Because that memory thing is really bothering me.

TYRONE

I will.

**EXT. EXPERIMENT OFFICE - DAY**

Tyrone pulls up to the building.

TYRONE

Is this a school?

He speaks to his-self.

TYRONE (CONT.)

It's all good. If they paying,  
I'm staying.

He exits the vehicle.

His phone rings. He answers.

TYRONE

Hello?

CHARLES

Wassup, man? How you feeling  
this morning?

TYRONE

I'm good with the pain, but  
the thing crazy, man. I thought  
we was going to the temple  
today.

CHARLES

Naw, today Friday, lil bruh.  
That's tomorrow.

TYRONE

Yeah, Diijah told me.

CHARLES  
Have you called the doctor?

TYRONE  
Naw, not yet. Imma call him  
soon as I get this money.

CHARLES  
Where you at?

TYRONE  
Remember the card I showed  
you.

CHARLES  
What card?

TYRONE  
Never mind. I probably just  
showed Diijah.

CHARLES  
Probably.

Brief pause in the conversation.

CHARLES (CONT.)  
Well take care of ya business  
man and hit me up a lil later.

TYRONE  
I gotcha, bruh!

CHARLES  
Peace...Aye, let me know  
what the doctor says.

TYRONE  
I will.

CHARLES  
Cool. Peace.

TYRONE  
Later.

They hang up.

TYRONE  
Gone get this ish over with.

He speaks to his self.

He enters the building.

**INT. EXPERIMENT OFFICE - DAY**

Tyrone is immediately greeted.

Nurse #1 sits behind a desk.

Nurse #1  
Come on in. The Doctor will  
be with you shortly. Have a  
seat in the lounge.

Tyrone immediately observes the pictures.

???

NURSE #1  
I see you like our art work.  
It's all done by Sir Makadoo.  
His cards are on the counter.  
Maybe you should contact him  
and purchase one.

Tyrone is dazed by the pictures.

NURSE #1  
Sir?

TYRONE  
Huh?

NURSE #1  
I said the art work is all  
done by Sir Makadoo, His cards  
are on the counter and maybe  
you should contact him and  
purchase one.

Tyrone picks up a card. He observes it.

TYRONE

Maybe I will. He sales  
incentis too?

NURSE #1

Yea, the artwork is just a  
side hobby. We also have  
magazines in the lounge.  
I'll get someone out here  
for you.

TYRONE

Thanks.

Tyrone goes to have a seat.

He picks up a magazine.

Black background. Giant gold unc.

White words read OAH...

OUR ANCESTRAL HERITAGE

Tyrone stares at the magazine.

He approaches the counter.

TYRONE

Have you ever heard of Jesus?

NURSE #1

Sorry, I cant say that I have.  
Who is he?

TYRONE

He was GOD'S son.

NURSE #1

So GOD has a son?

TYRONE

Yea, and he died for the sins  
of the world so we all could  
have everlasting life.

NURSE #1  
I see. Well, I'm a firm  
believer in RA.

TYRONE  
Did you say Ra?

NURSE #1  
Yea. He is the oldest of the  
gods. Even though the first  
references of him date from  
the second dynasty, by the  
fifth dynasty he was a  
powerful god closely related  
to the pharaoh.

Tyrone looks confused.

TYRONE  
Pharaoh?

Nurse #2 comes around the corner.

NURSE #2  
TYRONE

NURSE #2  
The nurse is ready to see you.

NURSE #1  
Just follow me.

They both go around the corner.

He follows her.

NURSE #1  
Look who's making friends  
already!

Tyrone doesn't hear her.

He massages his temple.

NURSE #1 looks back.

NURSE #1  
Are you alright?

TYRONE  
Yea. Everything is just  
coming back to me slow  
after my accident.

NURSE #1 scratches her head.

NURSE #1  
I'm sorry to hear that.  
Maybe you should follow  
up with your doctor.

They continue to walk.

TYRONE  
I'm calling him soon as I get  
up out of here. I just wanted  
to make a couple dollars,  
since I missed a few  
days of work.

NURSE #1  
Well, I will have you out  
of here in no time.

They reach the room.

Nurse #2 sits at her desk.

NURSE #2  
Have a seat right here.

She points to a seat beside her desk.

He has a seat.

She hands him a clipboard.

NURSE #2

I will explain the two papers  
as you go over them. The first  
form is consenting to the EEG.

TYRONE

What's that?

NURSE #2

Electroencephalogram. The  
word is probably longer than  
the process. It's a test that  
measures and records the  
electrical activity of your  
brain.

Tyrone is interested.

He let's her speak.

NURSE #2

You'll sit on the table for a  
few minutes.

She points to the table.

NURSE #2 (CONT.)  
I will hook some special  
sensors up to your temple...

She shows him the sensors.

NURSE #2 (CONT.)  
I'll connect them to the machine...

She shows him the machine.

NURSE #2 (CONT.)  
Then it will take a few  
moments as the machine  
records brain activity on a  
paper as wavy lines.

TYRONE  
What's it for?

NURSE #2  
1 step at a time. That's  
the next page.

Tyrone flips to the next page.

NURSE #1  
The second page is just informing  
you of the study and you giving  
your consent for the data to be  
used at UOI.

TYRONE  
What's UOI?

NURSE #1  
What's UOI? You really do need  
a doctor.

TYRONE  
I'm serious.

NURSE #1

It's the University of Imhotep.  
It was created centuries ago by  
a highly praised architect by the  
name of Imhotep. You should look  
into it. It's a very popular  
school.

TYRONE

I will. Tell me about this part  
that says perfect strangers.

NURSE #1

I was about to get into that.  
Ok, so this is how the test is  
going to go. Two people that  
have never met will be placed  
in different rooms and given an  
EEG at the exact same time. The  
data will be used in a census  
being done by the school.

TYRONE

Cool.

NURSE

Great. Now if you'll just sign  
both sheets, we can get started.

Tyrone signs both pages.

NURSE #1

Now that's taken care of, I need  
you to have a seat on the exam  
table.

He sits on the table

NURSE #1

Now I'm going to place these  
sensors on your temple.

She places the sensors on his temple.

NURSE #1

Let me know if you feel  
uncomfortable at any time.

TYRONE  
I will.

NURSE #1  
You can sit back now.

Tyrone lies back.

NURSE #1  
Give me one second.

She picks up the phone on her desk.

NURSE #1  
Nurse, you can begin the  
study on the other  
participant.

She hangs up.

NURSE #1  
Now I'll just turn on the  
machine...

She turns on the machine.

NURSE # 1  
Record the data and you'll  
be out of here before you  
know it!

She sits at her desk.

TYRONE  
You mind if I ask you a  
question?

NURSE #1  
Go ahead.

TYRONE  
Who do you believe in?

NURSE #1

I believe in myself. I wouldn't  
feel right putting my life into  
the hands of an unknown source  
when I am the one who wakes up,  
brush my teeth, put on my clothes,  
take my kids to school,  
etcetera etcetra.

TYRONE

So you think you wake yourself  
up?

She look back at him.

NURSE #1

On second thought, I'll credit  
that to my alarm clock.

She looks back at her computer.

NURSE #1

What do you believe in?

TYRONE

I was a christian before my  
accident. Now all everybody  
talks about is Egyptology.

NURSE #1

I see. What do Christians  
believe.

TYRONE

Forgiveness. We believe GOD  
sent Christ into our lives  
to be our savior and show us  
his attributes. That's where  
the term Christian comes from.  
To be a Christian is to be  
like Christ. Caring. Loving.

Tyrone sighs.

TYRONE

Just feels like I'm on another  
planet.

NURSE #1  
You should really follow up  
with your doctor.

TYRONE  
I will.

NURSE #1  
Well, your all done!

TYRONE  
That's it!

NURSE #1  
That's it! We have a little  
more data than we needed but  
that's ok.

She hands him the paper.

NURSE #1  
You should show this to your  
doctor when you go see him.  
You might be suffering from  
a mild dementia.

TYRONE  
Really!

NURSE #1  
I said might now, so don't be  
freaking out on me.

TYRONE  
You right.

NURSE #1  
Show the nurse up front and  
she will give you your check.

TYRONE  
Just like that?

NURSE #1  
Just like that!

TYRONE  
Fastest money I ever made!

NURSE #1  
That's what they all say.

He exits the room.

TYRONE  
Nice to meet you.

NURSE #2  
Same here. Have a great weekend.

TYRONE  
Thanks. You too! Hold on.

He turns around.

TYRONE  
How did you know my name?

NURSE #1  
Didn't you leave a message?

He looks confused.

TYRONE  
YEA. YEA. I'm gone. Have a good one.

NURSE #1  
OK. See ya later

He goes around the corner.

He reaches the front desk.

TYRONE  
The nurse told me to show this to you.

She observes the paper.

She sees his name.

NURSE #1  
Alright! Here ya go!

She hands him the check.

TYRONE  
Thanks!

He goes to exit.

NURSE #1  
Be sure to contact Sir  
Mackadoo. The prices on  
his artwork is very  
reasonable.

TYRONE  
I will. Thanks for reminding  
me.

NURSE #1  
No problem.

He exits. Enters his vehicle.

He speaks to his self.

TYRONE  
Let me call this doctor.

Voice mail  
Hello, this is Doctor Johnson.  
Pleas leave a name, number, a  
brief message and I will contact  
you at my earliest convenience.  
Have a blessed day.

BEEP

TYRONE

Hey, doc. This is Tyrone.  
You did surgery on me a  
few days ago. I been ok with  
the pain, but my memory is  
coming back slow and its  
been giving me migraines. I  
think I might be suffering a  
a mild dementia. Please give  
me a call as soon as you get  
this. It's Tyrone...4048083182  
4048083182 Tyrone. Peace.

He hangs up. He calls Diijah.

RING. RING.

DIIJAH

Hey, bay. You called the  
doctor?

TYRONE

He didn't answer.

DIIJAH

You should go by there.

TYRONE

Not going by there, if he not  
answering , Diijah.

DIIJAH

Ok. Well come on back home  
and get some rest.

TYRONE

I'm headed back now.

DIIJAH

Alright. Be careful. And  
don't be watching youtube  
while you driving.

TYRONE

Yes mam.

He pulls off.

**EXT. TYRONES HOUSE - DAY**

Tyrone unlocks the door. He enters.

**INT. TYRONES HOUSE - DAY**

TYRONE

DIIJAH!

She comes from around the corner.

DIIJAH

I'm right here.

She whispers.

DIIJAH (CONT.)

Stop being so loud. Imaani  
is sleep.

TYRONE

I'm sorry. Don't we have some  
pain pills.

He whispers.

DIIJAH

There in the medicine cabinet.

He goes to retrieve the pills.

He pauses after grabbing the pills.

He speaks to the mirror.

TYRONE

GOD, please help me understand  
what's going on.

He takes the pills.

He washes them down with sink water.

He exits the bathroom.

He enters the kitchen.

He leans on the counter.

TYRONE

Bay, I'm bout to lay down for  
a minute.

DIIJAH

Your heads not feeling any  
better?

Tyrone shakes his head no.

TYRONE

When I cant remember something  
I be getting a slight migraine.

He rubs his temple.

DIIJAH

So, you say the doctor didn't  
answer?

TYRONE

Naw.

He continues rubbing his temple.

Diijah is washing dishes.

DIIJAH

Hopefully, after we go to the  
temple tomorrow, everything  
will come back to you.

TYRONE

I hope it will.

Diijah stops washing dishes.

She approaches Tyrone

She looks him in the eye.

She rubs his cheeks.

DIIJAH  
Baby, me, Imaani and your  
friends will help you get  
through this. Ok?

He nods. They hug.

DIIJAH (CONT.)  
Know go get you some sleep  
while the baby sleep.

TYRONE  
Yes, mam.

He goes to the bedroom.

He lies on the bed.

He grabs the remote to turn on the TV.

TYRONE  
Naw, its just gone make my  
head hurt worse.

He relaxes.

**INT. TYRONES HOUSE - MORNING**

Phone rings and rings.

TYRONE  
Hello? Who is this?!

CHARLES  
Good morning to you too!  
This Charles, you still  
coming to the Temple?  
It's Saturday! Service  
starts at 10:30 now.  
I know it's only 9 sum,  
but I wanted you to start  
getting ready. How you  
feeling?

TYRONE

I'm cool. It's just my memory  
is coming back slow, but yeah  
we still coming.

CHARLES

Its official then! Be ready  
'round ten. See you in a  
minute.

Everything was fuzzy as his eyes opened.

A puzzle of just color from a distance.

TYRONE (TO SELF)

Did I really stop her from  
biting the fruit?

DIIJAH

Good morning.

TYRONE

Good morning. Charles  
said he'll be here around  
ten.

DIIJAH

Why are we not driving?

TYRONE

I don't feel like it, plus  
Charles wanted to save me gas  
since he invited us.

DIIJAH

Whatever. Do you feel any  
better?

TYRONE

I'll let you know after the  
shower.

Tyrone showers. Then Diijah. They relax.

DIIJAH

Every since that dream,  
Tyrone, you been acting  
kind of weird.

TYRONE

So you wanna listen to me now,  
huh?

DIIJAH

Please, no sarcasm. Just tell  
me what happen.

TYRONE

I'm sorry. Ok, so this is  
what I knew before I woke  
up. GOD made a man and woman  
name Adam & Eve.  
Then...

DIIJAH

Adam & Eve! They sound like  
white people!

TYRONE

Just let me finish, woman!  
You the one who broke the  
ice! I was just sitting here,  
patiently waiting for Charles  
to see this so called  
"Temple" everybody know  
about except me!

Tyrone starts to lose his mind.

He leaves the couch and his sanity.

TYRONE

Aint no way all of this my  
fault! GOD please tell me  
what's going on! The people  
who listen to me don't even  
listen to me!

DIIJAH

Tyrone calm down!  
I'm listenin'.

Tyrone takes a deep breath. He has a seat.

TYRONE

Alright. So like I said it was Adam from my previous knowledge and they were not white, they were black. They had no clothes on so I gave Eve my long john shirt and Adam my jeans because I was layered up. The weather was perfect; like a type of paradise. All kinds of animals, fruit trees and the sky was clear blue. I tried to explain to them a talking snake would try to convince the both of them to eat from the tree GOD made off limits. Then while I was talking a snake looking man walks up. Then...

Tyrone goes into a blank expression.

He tries to remember details of the dream.

TYRONE

Ooh! This is crazy! I remember! Eve touched my hand and we traded information..like telepathically.

DIIJAH

You scaring me, Tyrone.

TYRONE

Don't you think I'm tripping too?! I feel like I'm in the Twilight Zone! Anyway, when she touched my hand it dazed me a little. When I came back to my senses she was talking to this snake looking man. I tried to stop her from biting the fruit, me and the snake brawled for a bit and hit my head on a rock. When I came to, I woke up here.

DIIJAH

Well "here" is home Tyrone. Maybe after the sermon you can talk to the priest and get a better understanding of what's going on.

TYRONE

Hopefully he will.

Diijah drops her head in confusion.

DIIJAH

You really don't remember, do you?

Tyrone shakes his head.

Diijah goes to the picture of King Tut.

She opens it. She pulls out a giant book.

She hands it to Tyrone. He opens.

He flips through the pages.

TYRONE

Whats this?

DIIJAH

That is the Book of the Dead.

TYRONE

This is never going to end.

DIIJAH

There was never a snake,  
Tyrone. GOD had wife, Asherah,  
whom the Book of Kings  
suggests was worshiped  
alongside Yahweh in his  
temple in Israel, according  
to an Oxford scholar. Asherah,  
along with Astarte and Anath,  
was one of the three great  
goddesses of the Canaanite  
pantheon. In Canaanite religion  
her primary role was that of  
mother goddess Their children  
formed the pantheon of the gods,  
who are said to number seventy.  
The goddess is called "lady of  
the serpent". Many force  
the association of Asherah with  
sacred trees that stood "on every  
high hill and under every green  
tree". Writers describe  
that the worship of Asherah as a  
apostate behavior in Israel  
and improper for followers of  
YHWH. Yet despite these and other  
references associating Asherah  
with apostasy the fact that the  
Israelites are explicitly  
forbidden to erect one of  
Asherah's sacred poles beside  
an altar of YHWH. There are  
multiple indications in religion  
tradition that many in ancient  
Israel did regard Asherah's

icon as an appropriate sacred symbol within the religion of YHWH.

Another of Asherah's sacred poles stood in that kingdom's capital city, Samaria. The sacred pole of Samaria, moreover, which was erected during the reign of King Ahab, was allowed to remain standing by the reformer King Jehu even though Jehu was generally at pains to remove all non-Yahwistic imagery from the land.

Tyrone continues flipping pages.

#### DIIJAH (CONT.)

This suggests that Jehu perceived the sacred pole as appropriate in the worship of YHWH. Also, vessels in the temple were used to make sacrifices to Asherah and in a compound within the temple's walls, women functionaries wove garments used to clothe Asherah's statue. It appears that, although generally the religion writers—especially certain prophets regarded Asherah worship as inappropriate, at least some and possibly many in ancient Israel incorporated the goddess's imagery and ritual into Yahwistic imagery from the land.

BEEP BEEP... A car horn blows.

TYRONE

I hope he will too.

Charles arrives. Tyrone brings the baby outside.

He straps her car seat in. Diijah gets in.

They pull out of the parking lot.

**INT. CHARLES CAR - DAY**

CHARLES

Have you tried to talk some  
sense into Tyrone, Diijah?

Diijah looks at Tyrone

DIIJAH

Have you told him your dream?

CHARLES

What dream?

TYRONE

Never mind.

CHARLES

What is she talking about,  
Tyrone?

TYRONE

Don't worry about it, man.  
I'm just waiting for it to  
end.

CHARLES

How's memory coming along?

TYRONE

Still shaky, man. This whole Egyptian thing is coming back so slow.

CHARLES

So you don't remember nothing about The Temple?

TYRONE

Nothing!

CHARLES

Let me help you out. The designations of the pyramids were for Khufu, Khafre and Menkaure. The northern most and oldest pyramid of the group was titled Khufu; The Second King of the 4<sup>th</sup> Dynasty; The Great Pyramid and was the largest of the three. The length of each side at the base averages 755 feet and its height was 481. The middle pyramid was titled Khafre; The Fourth King of the 4<sup>th</sup> Dynasty. The building was approximately 700 feet on each side and 471 feet high. Coming back to you?

TYRONE

Nothing! How do you know all this?

CHARLES

It's a requirement in the classes we been taking.

TYRONE

Classes?

CHARLES

You freaking me out, bru.  
Anyway, the southernmost  
and last building read  
Menkaure; The Fifth King  
of the 4<sup>th</sup> Dynasty and  
stood at about 218 feet. So,  
this is how the Temple is  
designed. There it is!  
Can you see it?

Charles points in the distance.

Each Temple had a set of double doors at the entrance.

A balcony at the very top center.

A red carpet leading to the doorway.

Statues of pharaohs at the beginning.

CHARLES

You've always been on some  
intergalactic, alien government  
conspiracy type stuff. I really  
hope you figure out this life  
thang before you wake up in  
another dimension somewhere.

Diijah and Tyrone looked at each other.

TYRONE

Is that the temple?!

Tamika

You better leave that man  
alone!

DIIJAH

Yes it is Tyrone. Everything  
is going to be alright. Just  
talk to the priest after the  
sermon.

TYRONE

Whoever preaches here will  
never have time to talk to  
me! He probably has a million  
people trying to talk to him  
every day!

DIIJAH

Just try Tyrone!

Each Statues of pharaohs stood around 36 feet tall.

If the capstone of the temple wasn't solid gold

**EXT. RA OF LIGHT- DAY**

DIIJAH

Are you coming in?

TYRONE

Yeah, I'm just looking.

He shook off his repugnance and followed his people inside.

**INT. RA OF LIGHT - DAY**

They were approached by two gentlemen in white robes.

MEN IN WHITE

Where would you all like  
to sit?

DIIJAH

In the front please.

Everyone sighs. They enter a second set of doors.

Tyrone is astonished by the rows of seats around him.

DIIJAH

You alright?

TYRONE

Yeah, I'll be right back.

CHARLES

The boy needs medical  
Attention.

Tamika nudges Charles's shoulder.

TAMIKA

Charles!

CHARLES

What? He do!

Tyrone proceeded through the second entrance again.

The gentlemen in white were still there.

TYRONE

Is there a bathroom close by?

MEN IN WHITE

Yes, sir.

One of the men pointed to the right.

MEN IN WHITE

When you go around that corner  
you will see it beside the water  
fountain.

Tyrone went into the bathroom.

**INT. THE TEMPLES BATHROOM - DAY**

He threw water on his face.

TYRONE

This is too much for me. Too  
real to be dreaming!  
I desperately need  
you GOD to tell me what's  
going on!

**FLASHBACK OF STUDY BEGINS - INT. EXAMINATION ROOM - DAY**

TYRONE

Now what's this!  
This is not happening!  
I need to sit down.

A chair hits the back of his legs. He sits.

He sees the doctors back.

Two nurses stand on the opposite side of the gurney.

DOCTOR #1

Today is Aug. 19, 2015  
Experiment 1. Teacher  
is Minister Williams.  
Student is Tyrone. I would  
like to thank you  
both for voluntarily  
participating.

TYRONE

You think I'm some kind  
of guinea pig.

Tyrone gets angry. He approaches the Doctor.

TYRONE

GOD...

He begins to curse. He pushes the doctor.

The doctor doesn't budge. He hits the gurney.

He is shocked again.

TYRONE

OK! GOD PLEASE, IN YOUR HOLY  
SON JESUS NAME, GIVE ME SOME  
UNDERSTANDING!

Tyrone sits back down.

DOCTOR #1

This how it's going to work;  
The Minister is in the other  
room under narcotics.

The nurses observe the Minister through the glass.

DOCTOR #1 (CONT.)

Tyrone is under the same dosage.  
His accident and the timing of the  
experiment, is believed by me,  
to be an act of GOD. Tyrone is  
connected to the Ministers  
brain waves through the EKG.  
He will receive direct messages  
every 30 minutes. When Tyrone's  
rejects the messages he will  
receive a slight shock. The  
point of the experiment is to  
see if Tyrone will comply, or  
accept, the religious beliefs  
of the Minister upon his  
awakening. My research has told  
me that Tyrone is a proclaimed  
Christian. The Minister is of the  
Nuwabian faith and teaches at  
a Mystery School. After the  
experiment, we will all keep  
tabs on Tyrone for 30 days and  
have an evaluation session.  
Let's begin.

**FLASHBACK OF STUDY ENDS**

**INT. THE TEMPLES BATHROOM - DAY**

TYRONE

I see.

He headed back to the synagogue.

He steps outside to look at the building again.

He exits.

**EXT. RA OF LIGHT - DAY**

He walks to the middle of the parking lot.

He stares at the massive structures.

**INT. RA OF LIGHT - DAY**

Heads back to his seat. He sits.

He notices Nurse #1 and Nurse #2 rows away.

They wave.

DIIJAH  
You feel better?

TYRONE  
Yeah, a lil bit.

The sermon had already begun.

THE PRIEST / DOCTOR #1  
I can go on and on about Isis,  
Osiris and Horus all day; the  
virgin birth of our GOD RA. A  
story many of us has heard over  
and over again. I can speak on  
all the pharaohs who claimed to  
be GODS. I know a lot of priests  
would go against what I am speaking  
on. I don't acknowledge those  
conversations farther than just  
discussion people cause here,  
because here people...HERE...  
IN THE RA IS LIGHT CONGREGATION...  
We only praise, lift up  
and acknowledge our GOD, RA.  
AmenRa?

CONGREGATION

AmenRa!

Tyrone has a moment. The moment became heavy on his head.  
He sheds a tear of confusion and secretly wipes it away.  
He raises his head.

TYRONE

AmenRa.

Tyrone began to focus on the sermon.

THE PRIEST/ DOCTOR #1

I remember around 10 years ago  
when I was studying at the Ancient  
Egyptian Book of the Dead  
Society. There was a young man  
that approached me and said,  
'I thank Ra for this school  
because in grade school I was  
only taught my history.

The priest paces the stage.

THE PRIEST/ DOCTOR #1 (CONT.)

Here I am being taught my  
history's history.' That  
immediately opened my eyes  
to some things. I began to  
search the excerpts of every  
book I read, such as the people  
that predated the books and  
everyone one of them lead to  
Africa. Everyone!!! It may be  
because of the school I was in.  
Of course, there would be no  
books from Ancient Europe in  
an African Egyptian School.  
The point is I am a priest.  
Many would call me a teacher  
but they are one in the same.  
A teacher only teaches what  
they are told to teach. It may  
be a book some organization  
gave them, a book they came  
across in their study or maybe  
a book they were told to teach  
enlightenment from with only  
the benefit of a salary. Like  
the study guide most of teachers  
in school taught from. A priest  
on the other hand preaches the  
truth. This comes with deciphering  
the truth from falsehoods before  
you release it. The truth comes  
from your heart.  
Who created your heart?

THE CONGREGATION

AmenRa!

THE PRIEST (CONT.)

So this is where your truth  
lies, AmenRa?

THE CONGREGATION

AmenRa!

THE PRIEST (CONT.)

The truth and your answers are there! Greek mythology teaches of the horoscopes and how signs in the sky can predict your destiny. They don't tell you who *their* teachers were! They don't tell you how they considered the Ethiopians to be exotic! They don't tell you about your ancient ancestors who came from the stars and showed us where these stars were in the first place! The pyramids of Giza are directly lined up with the Orion Belt for a reason.

The three stars at the bottom of, what you were told is The Big Dipper, is really the galaxy most of you come from. I don't want to throw my new followers off with the extraterrestrial thing. Just know these writings have been recorded throughout your histories history. My job is only to study and inform you. Like I said, I am a Priest, not a teacher. Follow up with me through my assistants. Thank You!"

Congregation; standing ovation

TYRONE

I missed that much! I wasn't gone that long!

DIIJAH

We have been waiting for you to come back for hours, Tyrone! Where have you been?

He doesn't answer Diijah. The sermon ends.

They all head for the temple exit.

MEN IN WHITE

Please come back and visit us.

DIIJAH

Go ahead and leave a message  
for The Priest, Tyrone! He said,  
'follow up with me through  
my assistants!

TYRONE

That man aint got time for me!  
Do see all these people here!

DIIJAH

At least try Tyrone!

Diijah nudged him to assists.

TYRONE

Excuse me. I know the Priest  
is extremely busy. I just want  
to leave a message for a possible  
moment of his time for some  
advice and little clarity.

MEN IN WHITE

What is the problem? Maybe  
we can be of some assistance.

TYRONE

OK, it's like this. Have you  
ever heard of Jesus Christ?"

MEN IN WHITE

No.

TYRONE

Have you heard of Christianity?

MEN IN WHITE

No.

TYRONE

Well that's the issue.  
Before my car accident,  
that was the most popular  
religion. Now, everyone I  
mention my situation too  
looks at me like I'm crazy,  
even my family.

MEN IN WHITE

Interesting. So, you've spent  
the last few days adjusting  
to Egyptology?

TYRONE

Yes. So you believe me; just  
like that?

MEN IN WHITE

Of course, there are many  
things beyond our  
understanding and your  
situation may give light  
to answers. We will  
relay your dilemma.  
As you know the priest  
is a very busy man.

TYRONE

I understand.

MEN IN WHITE

Although, by it not being  
monetary, he may have  
a second.

TYRONE

Thanks.

Tyrone got back to his family and friends.

DIIJAH

What did they say?

TYRONE

They said he was busy. I told  
you!

DIIJAH  
It'll come back to you bay.

Diijah embraces Tyrone's arm. They all exit the Temple.

**INT. CHARLES CAR- DAY**

CHARLES  
You feel better lil bruh?

TYRONE  
Yeah, I'm cool folk. Yall  
pray for me!

CHARLES  
Already!

**INT. TYRONES APT.- DAY**

The phone rang simultaneously with the door closing.

DIIJAH  
You think it's the Priest?

TYRONE  
I hope so! The last few days  
have felt like they would  
never end!

Diijah looks at him with a sad expression.

Tyrone doesn't notice.

TYRONE  
Hello?  
MEN IN WHITE  
Yes, is this Tyrone?

He signals to Diijah, ' It's him' and points to the phone.

TYRONE  
This is Tyrone. May I ask  
whose calling?

MEN IN WHITE

This is the Priests assistant  
from Ra of Light. He would like  
to meet with you as soon as  
possible. His next flight  
leaves at 10 o' clock tonight.  
He is staying at the Sheraton  
in Midtown. Could you  
get here in less than an hour?

TYRONE

Definitely!

MEN IN WHITE

Just ask for him at the desk  
when you arrive. See you soon!

TYRONE

That was the Priests assistant.  
He wants to meet with me before  
he leaves. I guess it's time to  
put the big guy back on the road.

He refers to the Deville.

Diijah knows he is about to leave.

DIIJAH

You're leaving now!

TYRONE

Yeah, his flight leaves at 10.  
I know it's kinda early but  
his assistant asked if I could  
be there in less than an hour.  
We do have a lot to talk about.

He grabs the keys and heads for the door.

DIIJAH

Be careful and everything  
will come back to you as you  
talk to the Priest.

TYRONE

I hope so. I'll call you  
when I get there.

He heads out the door.

**INT. SHERATON MIDTOWN (HOTEL) - DAY**

Someone concierge aware of his arrival.

Soon as he walked in he was greeted.

MEN IN WHITE

Hello, Tyrone?

TYRONE

Hello, again.

MEN IN WHITE

The Priests assistant  
will be here shortly to  
bring you to his room. Please  
have a seat in the foyer.

TYRONE

Thanks.

Egyptian literature and sculptures embraced the building.

Tyrone is amazed.

THE PRIEST ASSISTANCE

This way, sir.

They reach the top floor of the Sheraton.

Approach room 316.

THE PRIEST ASSISTANCE

You are quite divine to  
have this time with The priest.

The priests assistance headed back towards the elevator.

Tyrone reached for the door knob. The door of 316 opened.

The Priest sat a large table.

He extended his hand towards the chair in front of him.

THE PRIEST

Come in.

Tyrone looks bewildered.

THE PRIEST

Your mind is a very powerful tool, Tyrone. It displays mental, physical and spiritual elements. Your issue seems to lean toward all three. The reality you see feels physical, although it is actually mental. The spiritual sense is what brings you to me. What really struck my curiosity is you mentioned a late great prophet by the name of Jesus ...

TYRONE

Jesus, yes! Finally someone understands!

The Priest stands. He begins to pace around the room.

TYRONE (CONT.)

Finally someone can tell me what's going on! How did this happen? Didn't Jesus die for the sins of the world? How do I get back home?

Tyrone has a broke down.

His head hits the palm of his hands.

He was on the brink of tears. The Priest stopped pacing.

He waits for Tyrone to regain his composure.

Tyrone took a deep breath.

THE PRIEST

Now that you have calmed down, let's delve into this complex situation of yours. I firmly believe there will be more questions after I answer the few you have so drastically strung up.

The Preist begins to pace the room again.

THE PRIEST (CONT.)

We both know this is happening  
because of the dream.

A chill went through Tyrone.

He became upright in his chair. His attention intensified.

THE PREIST

No, Jesus did not die for  
the sins of the world and  
you are at home, Tyrone.

The Priest waves his hand towards the wall.

A hologram appears. It displayed Tyrone in his bed.

Tyrone grasps for air.

The Priest dismissed the image with his hand.

THE PRIEST

You see, Tyrone. There are  
a lot of things that need to  
be explained before you can  
go back there. How familiar  
are you with the Ancient  
Egyptian archeology?

TYRONE

I've read a few books on it.

breathing heavily. the priest points to the wall again

This picture depicts a giant

THE PREIST

This picture depicts a  
giant by the name of  
Akhenaton on the left giving  
his child a kiss as his  
chief wife, Nefertiti, plays  
with the other children...

TYRONE

I've heard of her.

Tyrone begins to interrupt. The priest stares at him.

THE PREIST

As I was saying, the small  
beings are their children.  
Their parents were sent here  
from the Orion Galaxy. These  
are the three stars at the  
bottom of what you call The  
Big Dipper.

Another image appears showing the three stars

THE PREIST

In between these stars are  
planets just as those that  
are surrounding our sun.

The display of stars zooms in.

The display shows ten planets rotating a sun.

THE PREIST

For thousands of years before  
Akhenaton people worshiped  
descendants of other supposed  
deities that arrived here  
beforehand from the Sirius  
Star System by the names of  
Osiris, Isis and Set. Osiris  
was killed by his brother,  
Set, because of his jealousy,  
hacked into tiny pieces and  
spread around the land. Osiris's  
wife, Isis, searched the land  
for the many parts, formed them  
together, but she was missing  
his chalice. Or, private part,  
as you would call it. Upon  
piecing his body together she  
became immediately attracted  
to him once again. So, she  
created a golden chalice and made  
love to him. Her immaculate  
conception produced a son by the

name of Horus.

The Priest had Tyrone's full attention.

#### THE PRIEST

Over time Set became jealous, once again, and began to battle with his nephew Horus because of his rise to power. After his parents ascended back to the Sirius Star System, Horus became associated with Ra, which is short for Rays of Light, and was highly worshiped by the early Egyptians. We here at Ra of Light worship the descendants of Horus, and are a more polytheistic religion, where each individual worshiper has a chosen deity and does not usually worship other gods in the same way as his own, the one he feels nearer to himself. For the most part, we all worship the sun. Those who worship the descendants of Akhenaton are more monotheistic. They usually worship a particular form of god rather than speak of gods, pray to a particular god, or acknowledge various divine incarnations.

The Priest points to the wall once again.

It displays a portrait of Jesus.

#### THE PREIST

Here's where the story  
takes a strange twist. This  
fellow you refer to as  
Jesus was predicted to come  
and save the world from our  
blasphemy in a long lost  
book called The Torah. The  
thing is...this book has been  
translated very few times  
and studied by very few  
people in its entirety.  
The original Greek version  
is 1000's of years old and  
kept under lock and key at  
a museum in Italy. I, myself,  
took a few years to visit this  
beautiful land, connect with  
its people and learned to read  
and write the language. The  
President, members of congress  
and constituents of the Roman  
Catholic Church gave a liken'  
to me and allowed me to read  
the pages of this' miraculous  
book with many stipulations  
such as no pictures, no notes  
and even never to share this  
information.

The priest paces the room

#### THE PRIEST

One particular section of  
The Torah referred to a  
Prophet who would speak in  
the place of God, convey God's  
word to men, and be an  
*interpreter of God to men!*

The Priests tone rises as he stands.

He presses the intercom on the phone.

The Priest  
Please, send up my assistant.

The Concierge  
Yes, sir.

The Priest prepares for his departure

The Priest  
Do you know what happen to  
this Prophet, Tyrone?

Tyrone  
Yea, he died on the cross  
and resurrected on the third  
day! That was Jesus! I have  
been trying to explain that  
to everyone for the last  
few days!

The Priest  
Not this time.

The Priest shakes his head with a slight smirk.

He puts on his cassock.

THE PRIEST  
You see, we didn't need  
Yeshua here because of  
you, Tyrone.

TYRONE  
But how could I...

Tyrone was interrupted immediately by the Priest.

The Priest  
There is a myth about a  
time traveler who stopped  
Lady Eve from partaking in  
the forbidden fruit and  
therefore interrupted Gods  
plan concerning salvation  
for everyone.

The Priest ignores the baffled look on Tyrone's face.

THE PRIEST

Although you are a stranger  
to me, I value your life and  
will not share this information  
with the secret Society of  
Theologians who still await  
the coming of our savior.

TYRONE

Why would they want me  
dead?

The question angered the Priest

His tone increased violently.

THE PRIEST

You stopped deliverance  
from entering the world,  
Tyrone! Can you forgive  
everyone for their  
transgressions? Or, prevent  
virtues with no essence  
from being indulged in a  
person's life to the point  
it satisfies their being  
and he forgets...

The Priest regains his composure. He approaches Tyrone.

Places his hand on his shoulder.

Takes a deep look into the eyes of Tyrone.

The Priest overshadowed him by at least *three* feet.

The Priest shakes his head.

THE PRIEST

There is no such thing as  
heaven here, Tyrone.

A tear rolled down Tyrone's cheek.

THE PRIEST

No teachings of life and  
love, joy or peace,  
longsuffering, kindness,  
goodness, faithfulness; only  
dominance and power. We are  
only taught how to travel  
through the darkness when  
we leave and it corrupts  
our way of life. Everyone  
is finding something  
to worship besides the  
Ra, or light as you would  
call it.

The Priest speaks under his breath.

THE PRIEST

If only the sun would come.

He touches the pendulant on his necklace.

A sun in the middle of The Great Pyramid

THE PRIEST

If it wasn't for my readings  
of this infamous book,  
I would want you dead  
myself.

Tyrone drops his head.

The Priest goes from remorseful to abhorrence.

THE PRIEST

So, now, the choice is yours  
Tyrone. Go back to your world  
or stay here and enjoy the  
alternate reality you created.  
Your ancestral heritage.

The priest demonstrates quotations as he says, "Your  
ancestral heritage".

THE PRIEST

And make no mention of  
this to anyone. The Holy  
Bible is considered  
blasphemous here.

Tyrone displays a confused look.

TYRONE

I thought you only read  
the Torah.

There was a knock at the door. It's the Priests assistant.

PRIESTS ASSISTANCE

Your things are ready,  
your holiness.

The Priest collects his self.

THE PRIEST

Do you remember your way out?  
You can follow us if  
you like.

Tyrone followed them to the elevator.

TYRONE

So how do I get home? Am I  
home? So you do read the  
bible?

The priest doesn't respond.

They reached the front entrance.

**EXT. MIDTOWN SHERATAN - DAY**

A limousine was waiting for the Priest.

The assistant expanded an umbrella for the Priest.

The rain began to fall heavier.

Tyrone puts his hood over his head.

THE PRIEST

You know, Tyrone. You coming  
here was not by chance. You  
answered a lot of questions  
I've had over the years. I  
sincerely thank you for that.  
Enjoy your trip.

The rain gets heavier. Tyrone seeks shelter.

He has two more blocks to walk.

He finds cover in front of a store.

He doesn't see the homeless man approaching.

TYRONE

Man, I aint never gone get  
back home! All wet up!  
Stuck in this mutha...

He shakes off water. He takes a deep breathe.

He pulls out a cigarette. lights it.

THE BOMB

Spare one?

TYRONE

What the...?!

Tyrone jumps.

TYRONE (CONT.)

Hey, man you shouldn't be  
walking up on people like  
that.

THE BOMB

Calm down son, I aint  
gone bite ya!

TYRONE

I just didn't see ya pop.

TYRONE

What's up?

THE BOMB

Can you spare one?

TYRONE

Yeah.

Tyrone hands the bomb a cigarette. He lights it.

THE BOMB

I here you trying to get home?

TYRONE

You wouldn't understand.

THE BOMB

The changes from early days  
have been so many in the  
matter of roads.

TYRONE

What?

THE BOMB

We must therefore clear our  
minds of what we think of as  
roads, even roman roads,  
but our surmises and begin  
again.

TYRONE

What you talking about?

THE BOMB

That's Alfred Watkins.

TYRONE

Ok. So what's he got to do with me  
getting home?

THE BOMB

Ley lines, son.

TYRONE

Ley lines?

THE BOMB

Alignments run across ancient  
landscapes connecting natural  
and prehistoric structures  
together. These invisible lines  
are known as tracks or paths for  
the movement of the spirits.

TYRONE

So we cant see them?

THE BOMB

Maybe if we could clear our mind  
of what we see as roads and  
begin again.

TYRONE

Alfred Watkins.

THE BOMB

You ever wondered why traffic  
lights always stop ya at the  
crossway?

TYRONE

Yea. So people can cross the  
street.

THE BOMB

People, huh. You'll come around.  
You'll come around.

The bomb walks away, slowly.

THE BOMB

See you at the crossroad  
crossroad crossroad.

The bomb does his own version of Bone Thugs and Harmonies;  
Da Crossroad.

THE BOMB  
You wont be lonely.  
You wont be lonely.

Tyrone laughs. A sharp pain runs through his chest.

TYRONE  
AWW GOD.

THE BOMB  
I knew you'd come around.

Tyrone doesn't hear THE BOMB.

TYRONE  
I gotta get goin.

The pain was unbearable.

He holds his chest as he limps away.

THE BOMB  
They're also called death  
roads. Drive slow, Tyrone.  
Drive slow.

The bomb yells.

**INT - TYRONES CAR - NIGHT**

TYRONE  
Please help me out GOD!  
I'm losin' my mind man!

He pulls out the parking lot. He approaches a red light.

TYRONE  
Man that bomb looked familiar!  
How did he know my name?

**FLASH BACK - PREVIOUS CONVERSATIONS**

The bomb comes out the shadow.

He is the priest.

THE BOMB/ THE PRIEST  
Can you spare one?

He sees the "stranger" from the study.

He lies back on the table. He is the priest.

The doctor from the temple flashback looks back at him.

He is the priest.

The priest says have a safe trip.

**BACK TO SCENE**

The stop light turns green. The car behind him is annoyed.

BEEP. BEEP.

TYRONE  
Alright, man! Damn!

He pulls off. A car runs the light. BAM!

Tyrone's car spins out of control to the side of the road.

Tyrone lies on a stretcher.

TYRONE

I can stay here, it's not  
that bad. Wait a minute!  
This is not home! I don't  
belong here.

He speaks to his self.

**EXT. THE GARDEN OF EDEN - MORNING**

THE BIRD (telepathically)

Want some raspberry tea?  
It's also known as a  
"women's tea" because of its  
strong support for reproductive  
health. But men and children  
also derive benefits from it.

The bird walked around Tyrone.

THE BIRD (telepathically) (CONT.)

It is a caffeine-free beverage  
that's healthier for kids  
than soda, and men, whose  
bodies have cut down on  
testosterone production, can  
drink it to help aid adrenal  
gland performance.

The bird flew away.

TYRONE

Wow. I definitely didn't  
hear that last time!

EVE

Did you enjoy your trip?

TYRONE

Yes I did. It was very...  
informative.

EVE

So, are you ready to go home?

TYRONE

Well, yes and no. I could  
get used to the black thing.

EVE

You mean your ancestral  
heritage?

TYRONE

Yeah, you right. It's just  
not my home though.

He stands.

TYRONE (CONT.)

I haven't realized how much  
religion has ruled my life!  
I mean, Jesus did die for the  
sins of the world right?

EVE

Yes, in your world, Tyrone.  
There they will come to  
believe in their selves,  
forgive their selves and  
show honor to their  
descendants who came  
from the stars.

TYRONE

That's not right.

Tyrone shakes his head.

TYRONE (CONT.)

How can they forgive your  
own sins?

EVE

There heaven is in the  
hearts, so that is the  
direction of every soul.

TYRONE

What about when we beat ourselves up for something we do wrong? Jesus takes care of a lifetime of sins on the cross, so we won't have to do that. His spirit comes and lives within us and gives us strength in those times.

EVE

Don't you think it is your responsibility to stop beating yourself up? Sounds like you are putting a lot of weight on God's shoulders.

TYRONE

I understand where you coming from.

Tyrone sits back down as she continues.

EVE

Forgiveness begins with you. If *GOD* forgives you and you don't forgive yourself, it's pointless, right!?

TYRONE

Yeah. I just feel like the sacrifice of a man was required to bridge the gap between *GOD* and man because of how horrible we were acting on earth at the time. The *GOD* man was the last lamb to cover all man kinds' devious ways so they would stop killing animals and thinking it vindicated their ways.

EVE

I see you know some of your history. It still doesn't cover the shift of responsibility. For God hath not given us the spirit of fear; but of power, and of love, and of a sound mind.

ADAM

She's right, Tyrone.

TYRONE

I know, I know. Do you agree the sacrifice was necessary?

EVE

Of course I do! More than necessary! You have to make sacrifices as well. Everyone does. Be it, for others or yourself. The GOD principles exist within us all. We are all sons and daughters of the Creator, who gives us His essence. They do not put their ancestors before the Almighty as you may think. They only hold them high with respect for bringing them enlightenment on how to travel beyond this physical life.

TYRONE

I respect that. It comes  
of a little different where  
I am from. It was like you  
all will begin to worship  
kings and queens over time.  
In my opinion, it is what  
will cause famine, disease,  
and massive curses placed on  
our people. The African  
heritage will become seen  
as blasphemy...I have to go.

EVE

Sounds like you've made  
your mind up, Tyrone?

TYRONE

Yeah, GOD has a plan either  
way it goes. There's no  
stopping the disruption of  
belief we all will face. Time  
will evolve and devolve with  
me here or there. I might as  
well be somewhere people know  
this Tyrone and not *that*  
Tyrone.

EVE

I see. Adam.

Eve looks at Adam as he bids his farewell to Tyrone.

ADAM

So I guess this is goodbye?

TYRONE

I guess so. Where's GOD?

ADAM

HE's here, HE'S always here.

EVE

Enjoy your trip. So what  
you gonna do?

**INT. THE HOSPITAL - NIGHT**

The voice of Diijah awakens Tyrone.

DIIJAH

What are you gonna do GOD?!?  
What are we gonna do?!?

Diijah holds back tears. She sniffles.

Tyrone struggles to speak.

TYRONE

I guess I will have to  
adjust.

DIIJAH

What? Tyrone!

Diijah grabs his neck. She hugs him too hard.

DIIJAH (CONT.)

I knew you'd come back!

TYRONE

Come back? Where have I  
been?

DIIJAH

I don't know where your mind  
has been, but on this planet  
you've been in a coma for three  
days.

TYRONE

A coma? I'm good.

He attempts to get up.

TYRONE (CONT.)

Awww, man!

DIIJAH

Good, huh? Let me get the...

TYRONE

DOCTOR?

DIIJAH

YEA!

TYRONE

WAIT A MINUTE!

DIIJAH

WHAT'S WRONG?

TYRONE

Is he an older man?

DIIJAH

I don't know! I'll give  
him early thirties, maybe.  
What's wrong?

TYRONE

Nothing.

Diijah leaves the room.

TYRONE

Finally!

Doctor #2 enters.

DOCTOR #2

Glad to see your back with  
us!

TYRONE

Glad to see your not the  
Priest.

Doctor #2

The who?

TYRONE

Never mind.

The doctor shakes his head in confusion.

Doctor #2

It was really a bad blow to  
the head that had you  
unconscious. Diijah tells me  
you're fine except for the  
head pains.

TYRONE

Yea.

DOCTOR #2

Well we'll run some tests  
and send you home with a few  
pain pills.

TYRONE

YES!

DOCTOR #2

BUT... I would suggest you stay  
overnight. It's completely up  
to you, of course!

TYRONE

Run the tests and get the  
pills, doc.

DOCTOR #2  
I understand. Let me get  
the nurses.

DIIJAH  
You sure you ready to  
go home?

Tyrone  
Yes, baby.

**EXT. TYRONE APT. - NIGHT**

Tyrone and Diijah enter apartment.

**INT. TYRONE'S APT.- NIGHT**

TYRONE  
Where did you say Imaani was, again?

DIIJAH  
Charles and Tamikas. Her niece  
is visiting again.

TYRONE  
Cool.

DIIJAH  
Plus I wanted the house to  
be quite, so you can get  
some rest.

TYRONE  
Awww. Your love never fails.

DIIJAH  
Ok, Tyrone. Thanks. I guess.

Diijah enters the kitchen.

Tyrone stops at the picture on the wall.

It recites Hosea 4:6.

"My people are destroyed for lack of knowledge"

Tyrone puts his hand on the picture.

He bows his head.

TYRONE

Thank you, GOD.

DIIJAH

What's wrong?

TYRONE

Nothing.

DIIJAH

Ok. Tell me about the somewhere  
else.

TYRONE

Never mind. Just glad to be  
back home.

DIIJAH

I understand. What do you want  
for dinner?

TYRONE

Fried rice and fried chicken,  
please.

DIIJAH

1 fried rice and fried chicken  
comin' up!

TYRONE

Thanks. Where's the bible?

DIIJAH

You don't remember where we  
keep it?

TYRONE

Not really.

Tyrone is slightly confused.

DIIJAH

Look behind the black Jesus  
picture.

TYRONE

Behind the picture?

DIIJAH

Yea. Just open it. The accident  
must have affected your memory.

Tyrone opens the picture.

He pulls out a giant picture that reads;

GREEK MYTHOLOGY.

DIIJAH approaches him.

TYRONE

What is this?

DIIJAH

That's our bible. We are not  
allowed to study in public so  
we study in secret. That's  
why we keep it hidden. You  
don't remember.

TYRONE

DAMN!

**THE END**
