The screen is black, we hear the crackling of a distress signal that is playing out for anyone to hear.

RADIO V/O
Repeat, repeat Coyote Ridge is
under attack. The Red Ribbon Army
is pushing -----defense-----send
help!

The radio contact falls dead. All that is heard is static.

EXT. COYOTE RIDGE. MORNING

The small desert like village is in Ruins. Pillars of smoke can be seen in the distance. Burning tanks and vehicles left charred. Village troops are seen on the ground dead. The invading forces wear black and red clothing, with the Red Ribbon insignia on their shoulder.

The Red Ribbon Army roam the village, dragging out the villagers to the open. A herd of military trucks drive in a straight line, heading straight to the main hub of the desert like Village.

EXT. COYOTE RIDGE VILLAGE. MORNING

A woman is dragged by her hair kicking and screaming by one of the Red Ribbon Soldiers. She's tossed out in the open, as the lead vehicle comes to a halt. One of the Red Ribbon Soldiers runs to open the door of the lead vehicle, which holds their leader General Danko.

The man exits the car, he wears a dark Gray armor. His face slightly scarred, as though he had been burnt. Danko eyes the death and chaos without much emotion.

VILLAGE LEADER'S WIFE
You will not win, not as long as
we have breath!

Danko looks down upon this screaming woman that lays inches from his feet.

DANKO
And whom may you be?

The soldier beside her speaks.

R&R SOLDIER #1
She's the village leader's wife,
sir!

DANKO
And the husband?

R&R SOLIDER #1
He was in the front line, apart of
the garrison that was trying to
hold back the first wave.

Danko looks at the woman, stares her eye to eye.

DANKO
My condolences.

The Village leader's wife erupts in rage.

VILLAGE LEADER'S WIFE
You will die, I swear this on my
life!

Danko smirks, enjoying the fight in her. He'd seen that
look in peoples eyes before, all on the losing side.

DANKO
You know what I've come to learn
in battle? People become so brave
at their last seconds of life.

The village leader's wife breaks down, hoping to be
spared.

VILLAGE LEADER'S WIFE
Please, stop this. Just spare us.

Danko retrieves his sidearm, shoots the woman point blank
in the head, never second-guessing his actions. The
Village Leader's Wife body drops to the floor, he sighs
sheepishly at it. Danko's eyes focus on the barricaded
huts. Knowing the person he's searching for is among the
hidden villagers.

DANKO
(Shouts)
How many more will you let die
till you show yourself Guardian?
Shall I drag another one?

INT. VILLAGE HUT. MORNING

Two small children recoil in horror as they hear Danko's
threat. Next to them stands the man Danko is searching for,

the Guardian. He clutches in his hand the object these men have killed and tortured for, the two-star Dragon Ball.

EXT. COYOTE RIDGE VILLAGE.MORNING

Danko paces around, waiting for a response, but not a word is said. He shakes his head in disappointment.

DANKO
I grow tired of this little game,
Guardian. At least the others
didn't hide as cowardly as you
did. No, they put up a fight.

Danko's men chuckle.

DANKO CONT'D
You leave me no choice then, their
blood will be on your hands!

INT. VILLAGE HUT. MORNING

The Guardian stands, sword in hand. He knows he can't let any more people die because of him. He looks at the frightened children and says.

GUARDIAN #1
I'm sorry to have brought this
upon you. I will make things
right. You children make a run for
the back when the fight breaks
out.

The young girl protests.

GIRL #1
They will kill you!

GUARDIAN #1
Don't worry about me, I can handle
myself.

He places the two-star Dragon Ball inside the pouch and places it onto his side.

GUARDIAN #1 CONT'D
Never look back, keep running till
you find help.

EXT. COYOTE RIDGE VILLAGE. MORNING

Danko raises his hand in the air, preparing to give the signal for his men to force their way inside the huts and lay waste to all they see, till they discover the Guardian. but before he can drop his hand, the Guardian explodes out of the hut he was hiding at full speed, cutting down the Red Ribbon troops in his way.

Danko smiles at the old Warrior that leaps in the air, dodging gunfire left and right, countering each attack with a violent swipe of his blade, like a man in his prime.

DANKO

My, my, would you look at that.

The Guardian flies in mid-air, landing in an earth shattering crash near Danko. Sending shockwaves underneath everyone around them. Danko can't help but chuckle at the hero standing a few feet from him acting so brave.

DANKO CONT'D

It's good of you to join us.

The Guardian stares down Danko with a fiery hate.

GUARDIAN #1

Leave this place now!

DANKO

With pleasure, hand over the Dragon Ball.

GUARDIAN #1

You can have the Dragon Ball over my dead----

The sound of a blade piercing through the Guardian's body is heard, the Guardian looks down in shock to see the blade protruding through him. The man responsible for the kill is none other than Danko's right hand man Jarvin. The Guardian never sensed the man creep up on him.

DANKO

I'll be taking that Dragon Ball now.

The Guardian falls to his knees, the two-star Dragon Ball falls from the pouch, rolling towards Danko. Danko kneels down to pick it up, he stares at the ball with a smirk.

GUARDIAN #1

You...

The Guardian tries to speak, but the life force within his body is running out.

GUARDIAN #1 CONT'D
Monster...

Danko takes his eyes off the Dragon Ball to address the dying Guardian.

DANKO
Those who live in glass houses
shouldn't throw stones.

The Guardian tries to make sense of those words, but the man collapses to the floor. Dead. Jarvin eyes the Dragon Ball in Danko's hand with content.

JARVIN
Three down.

DANKO
Four to go.

Danko tosses the ball to Jarvin.

DANKO CONT'D
Let's move out!

The Red Ribbon soldiers react at the first order without hesitation. One soldier approaches Danko.

R&R SOLIDER #2
Sir, what of the villagers
barricaded inside the huts?

Danko gives it no longer than a second's hesitation before he answers.

DANKO
Burn them alive.

R&R SOLIDER #2
Yes, sir!

The soldiers move quickly and set the huts ablaze. The screams grow louder as Danko walks back into his vehicle, no emotion in the cold face of his. A monster of War.

EXT. MOUNT PAOZU. AFTERNOON.

We're introduced to the beauty of Mt.Paozu, rolling hills and a luscious Forest in the distance. The sun gleaming down the giant river. Here we meet a teenage Goku, spiky-haired, wearing a blue Gi. Hanging from a giant oak

tree branch, his legs curled around it. Arms hanging loose, eyes closed, hearing and sensing everything around him. Something grabs his attention, he opens one eye, a giant grin breaks on his face.

The wind picks up, a split second later a shadowy figure appears behind Goku in midair, Goku quickly swings a full loop around, making his attacker miss.

GOKU
(Laughing)
That was pretty close, Grandpa.

Grandpa Gohan comes into view. The elder flies into the other trees, he uses the back of his feet to latch on. He rubs his chin, as his victorious grandson smiles on.

GOHAN
You're getting better at sensing power levels, but how are you at dodging?

Goku's eyes widen in panic as he knows Gohan is about to use his KI to draw an attack.

GOKU
Not if I can stop it!

Goku rushes at full force and goes on the offensive. Goku and Gohan trade-off shots. The sound of their blows echo through the forest. Gohan kicks Goku off, sending the boy hurling to the other trees, as Gohan Powers up.

GOKU (CONT'D)
No, no, no, not again!

Goku panically latches himself among one of the giant towering oak trees with the back of his foot and propels himself straight at his grandfather to cease his attack. But it's far too late, Gohan delivers the Shadow Crane. The attack streaks through the air, Goku can hear it's thundering sound as he braces himself for the attack.

The Shadow Crane crashes into him, sending Goku ricocheting among the trees and back to the ground. The earth shakes as Goku plows into the ground.

GOHAN
(Chuckles)
Goku, are you alive?

Goku lies in a small crater, chunk of dirt and grass on his head.

GOKU
(groans)
I think so?

Gohan gently falls back to the ground like a feather. He gives his grandson a hand back to his feet. Goku dusts himself off.

GOKU (CONT'D)
(Disappointed)
I couldn't see the Shadow Crane attack again. What am I doing wrong? I mean I heard it but I couldn't see it.

Gohan wags his finger at his grandson.

GOHAN
You don't see it Goku, you sense it. Use your Ki, it's your best friend.

GOKU
You say that with everything.

GOHAN
I do not.

GOKU
(imitating Gohan)
Goku use your soap, it's your best friend.

Gohan can't help but laugh at that perfect imitation. But he still must give his grandson the lecture.

GOHAN
Every movement, every attack, is governed by Ki. It's the life force that flows through us, learn to feel it and you will see it.

GOKU
Hey, that rhymes!

GOHAN
(Chuckles)
That's besides the point. Anyways, I just came to tell you that lunch is r--

Goku zooms off before his grandfather can finish his sentence. Leaving only a silhouette of dust behind.

GOHAN (CONT'D)
Where was that speed in the fight?

INT. GOHAN'S HOUSE. AFTERNOON.

Goku is devouring the meal his grandfather Gohan had prepared. Stuffing the rice and large pieces of turkey leg inside his mouth at once. Gohan smiles, taking small bites of the rice bowl in front of him.

Gohan's eyes fall on the four-star Dragon Ball sitting at the altar in the living room, Goku stops eating taking notice of his grandfather's distraction.

GOKU
(Mouth full of food)
Are you okay, Grandpa?

Gohan sighs, as his mind drifts away back to a time long forgotten. He starts to recite the legend of the Dragon Balls.

GOHAN
Ages ago, when man was still in
the dark ages of its infancy. Lord
Kami looked down from the
heavens...

EXT. THE HEAVENS. FLASHBACK

A dark shadowy figure looks down from the heavens onto Earth, his hands rise to part the skies.

GOHAN V/O
Saw the world in distress. Saw the
horrors Kings could do to the
innocent. So, he created the
Dragon Balls.

Seven glowing orbs rain down from the heavens and come crashing down onto the Earth.

GOHAN V/O (CONT'D)
This was meant to be our
salvation.

The image of the Dragon Balls are wiped clean, as war breaks out over them.

GOHAN V/O (CONT'D)
Man can never accept peace. Ego
and greed always reign supreme.

Kami is over looking the chaos.

GOHAN V/O
 Kami the guardian of Earth and
 life had lost faith in man. This
 was his greatest failure.

GOKU
 (excitement)
 Until the seven warriors rose.

The image of Kami is pushed away as the seven brave
 warriors walk into frame.

GOHAN V/O
 Yes, the seven brave souls who
 fought armies to keep the Dragon
 Balls safe and save humanity from
 terror.

Kami stands over them, handing each one a Dragon Ball.

GOHAN V/O
 Kami never thought such bravery
 could live within humanity. From
 that day forward, he entrusted the
 Dragon Balls to those seven
 Warriors and the disciples who
 would come after.

We see a young Gohan in his orange Gi, walking into the
 picture with the Kami house symbol on his back. One of the
 disciples who became a Guardian. This gives way to the next
 shot of all seven Dragon Balls united together.

GOHAN V/O CONT'D
 To unite all seven Dragon Balls to
 summon Shenron and grant them that
 one single wish.

Shenron appears on screen his eyes glowing red.

INT. GOHAN'S HOUSE. AFTERNOON

Gohan leans back in his chair, his eyes still on the Dragon
 Ball. Still stuck in the past.

GOKU
 Grandpa, why are you telling me
 this?

Gohan turns to his grandson, wanting to bare his soul with the trouble that's eating at him. But he lets it be.

GOHAN

When you reach my age, you're
allowed to reminisce about the
past once in awhile.

Goku could feel something wasn't right, there was something more to this, his grandfather held a truth he would not tell. But he wouldn't probe anymore. So, Goku decides to fire off another question.

GOKU

How was it fighting Lord Piccolo?

Gohan shakes his head and chuckles, he can't help but notice his grandson's hunger for battle, always looking for the next great challenge.

GOHAN

It was a battle with many losses.
We Guardians had never faced such
an evil before.

EXT. BATTLE FIELD. DAWN. FLASHBACK.

Gohan and six other Guardians fight off a horde of the cult of Lord Piccolo.

GOHAN V/O

This new evil spoke to the
darkness in man's heart. They
followed the demon in its Conquest
to rule the world and have
possession of the Dragon Balls.

A dark thunderous presence storms the battlefield, enters Lord Piccolo. The seven Guardians are baffled by this new foe.

GOHAN V/O CONT'D

Our lives would have perished, had
it not been for Lord Kami and the
blessed jar of Orion.

The jar is shown, the Seven Guardians circle around Lord Piccolo and force the demon into the jar of Orion with the enchanted spell taught by Lord Kami.

GOHAN V/O CONT'D (CONT'D)

With this tool we were able to
imprison the demon once and for
all.

INT. GOHAN'S HOUSE AFTERNOON

Goku listens intensely at the story, while in the back of his mind he wonders how it would be to face Lord Piccolo one on one.

GOHAN

This is why I train you, to be ready if evil should arise.

GOKU

You think I have what it takes to be a Guardian?

GOHAN

I know you do, Goku. It runs in our blood, just as it did with your mother and father.

Goku looks at the photo of his parents in their youth beside the altar, giving their lives to protect the Dragon Ball.

GOHAN CONT'D

We've wasted enough time with talk, let's continue eating.

Gohan looks down to see his bowl is missing.

GOHAN CONT'D (CONT'D)

Where did it go, it was just right here?

Gohan looks at Goku, who's eating his grandfather's dish.

GOKU

(With mouth full of food)

I don't know where it went, I swear.

EXT. RED RIBBON FLYING FORTRESS. NIGHT

The skies thunder as the Red Ribbon Flying Fortress pushes through the clouds on their way to their next destination.

INT. RED RIBBON COMMAND CENTER.

Danko stands with his second-in-command Jarvin in the center of this futuristic worship. A 3D projection of the head leader of the Red Ribbon Army Ando towers as a giant, staring down Danko and Jarvin.

ANDO

I am not pleased with the lack of speed you and your men are putting into this mission.

Danko smiles back and bites down on his rage as he is being scolded.

ANDO CONT'D

Explain to me why it's taking forever to track down the Dragon Balls?

DANKO

We have three Dragon Balls in our possession thus far, and if the Intel holds true, the fourth will be in our hands in a few hours.

ANDO

Don't avoid my question, General.

DANKO

These Guardians have begun to move and hide. Even form a resistance with anyone who's willing to believe in their cause. It's almost as though they can feel the threat coming.

Ando chuckles at Danko's suspicions.

ANDO

Your excuses do not please me, General. You have Dr. Gero, you have an army, you have every tool available to get this done.

Danko lowers his head in shame.

ANDO CONT'D

You begged to have this task thrust upon you, you gave your word that you would complete this task.

Danko raises his head to answer back.

DANKO

And I will, you have my word.

Ando looks on without much faith.

ANDO

Then do it already, Danko. Stop wasting time. If the Royal Defense knew of our intentions of resurrecting Lord Piccolo they would do anything in their power to stop us. The element of surprise is our greatest weapon.

Danko arches his eyebrow, not being completely on board with the plan of resurrecting the Demon Lord Piccolo. But he keeps his reservations to himself.

DANKO

As you wish, sir. We'll speed things up.

The image of Ando disappears, Danko and Jarvin retreat from the command center.

INT. RED RIBBON CORRIDORS.

Troops and scientists walk among this futuristic Fortress, Danko and Jarvin look from above, watching the staff carry on. A group of scientists come hauling the blood vials of the Demon Lord Piccolo.

JARVIN

How is it possible we have so much of that demon's blood?

DANKO

Thank Dr. Gero for that, he was able to replicate that monstrosity.

Jarvin takes notice of the distaste in Danko's words.

JARVIN

Do you not trust it, sir?

Danko keeps his eyes on the vials as he speaks.

DANKO

I've heard stories of what this demon was capable of. But that's all it was to me, just stories. Till I let the blood run through my veins and saw what it brought out of me. It's unnatural (chuckles) the price we have to pay to defeat our enemy.

Danko takes a deep breath, and turns to Jarvin.

DANKO CONT'D

It's time for you to take your
medicine, you're going to need it
for the next Guardian you're going
to face.

EXT. MOUNT PAOZU. AFTERNOON

Goku runs around the woods, crushing boulders with his bare
hands, his daily training regiment.

GOKU

Not bad, but I can do better.

Goku stops to look at a family of monkeys on the trees, the
younglings hanging with their tails from the branches. We
see a flashback of Goku as a young boy hanging from the
tree as well with his own ape like tail.

Flashback ends, we see Goku with a giant smile on his face.

GOKU (CONT'D)

Man, I wish I had my tail.
(Sighs)to be young again.

EXT. ABANDONED VILLAGE OF MT.PAOZU. AFTERNOON.

Goku comes running down the hill, leaving a dust filled
cloud in his wake. He passes through the abandoned village
that is boarded up tight. One of the abandoned houses has
red painted words that read. 'Beware the giant ape'

EXT. MOUNT PAOZU. AFTERNOON

Goku comes to a screeching halt. Taking a breather from his
workout.

GOKU

I did that faster than last time.

He pauses as he sees a giant Oak Tree in the distance. His
eyes dart back and forth to make sure the coast is clear,
ss he takes this free time to role play a fantasy of his.

GOKU (CONT'D)

Stop right there Lord Piccolo! My
name is Goku, Guardian of the four
star ball!

Goku stands high, chest puffed out. Envisioning this mortal
enemy.

GOKU CONT'D

What's that? I can't take you on?
(Laughs) don't worry, I won't even
break a sweat.

Goku readies himself, as he prepares to deliver one of the oldest techniques mastered and studied by the Guardians the Kamehameha.

GOKU

You remember this one?

Goku puts his arms to his sides, opens his palms as though he's grasping an orb. He takes a deep breath, starts to slowly build up his Ki.

GOKU CONT'D

Ka-meh-aaa

The wind starts to pickup as Goku starts to draw more of his Ki. A few sparks jump from his palms.

GOKU CONT'D (CONT'D)

Me-Ha!!!!

Goku unleashes the attack but it's a failed attempt. A strong force of wind crashes into the tree but nothing more happens.

GOKU

(Disappointed)

Dang it, guess I didn't do it
right. I should have tried the
Shadow Crane attack.

Goku's ears perk as he hears a bell ringing in the distance, he knows what that means.

GOKU CONT'D

Oh my Kami, it's dinner time
already. I can't believe I forgot!

He zooms out of the picture. The oak tree stands mighty, till a split-second later, as it snaps in half from Goku's attack.

INT. GUARDIAN'S HOME. NIGHT

An old man is thrown against the wall, the force alone shatters chunks of the wall. Pictures of his grandchildren that were hung come crashing down to the floor. Jarvin smirks as the old man coughs up blood.

JARVIN

Don't make this any harder. Tell
me where did you hid it, Guardian?

The old Guardian wipes the blood from his mouth, with a giant smile. Pleased with the frustration he's caused the Red Ribbon Army.

GUARDIAN #2

Who said this fight was over?

His words catch Jarvin off guard, the old Guardian bursts into attack mode. He comes with a combination of lightning hard punches straight to Jarvin's face and chest. The old Guardian sweeps Jarvin's feet under him and sending him flat on the floor.

The Guardian leaps in the air in a desperate attempt for one quick kill. He's hoping that his feet will come smashing into Jarvin's skull. But Jarvin uses the demon blood coursing through him to dodge the attack.

Jarvin springs back to its feet, the Guardian crushes the floor. Jarvin turns to him and delivers a powerful blow through the Guardians chest. The Guardian falls to his knees, his eyes fall on Jarvin in horror as he feels what's running through his veins.

GUARDIAN #2 (CONT'D)

I see it...the demon in you.

He struggles to breathe

JARVIN

Where is the Dragon Ball!?

The Guardian offers one final smile and his last taunt towards the Red Ribbon Army.

GUARDIAN #2

In good hands.

His words anger Jarvin, who creates a dark energy orb in his fist which he curshes into the skull of the Guardian. Ending his life.

INT. GOHAN'S BEDROOM. NIGHT

Gohan gasps and clutches his chest, as he feels the life force of his old friend vanish from existence. He rises from his bed, finds a snoring Goku sleeping soundly.

INT. GOHAN'S HOUSE.NIGHT

Gohan walks to the altar holding the four star Dragonball, he knows dangerous enemy is coming for it. Gohan's face is drenched with burden as he fears for his grandson's life.

INT. RED RIBBON COMMAND CENTER.

Danko and Jarvin kneel as they face the projection of an angry Ando that stares them down.

ANDO
How pathetic, an old man was able
to outsmart you.

Danko bites down on his rage, he flexes his jaw at the verbal abuse.

ANDO CONT'D
Is this what I paid for? I have my
doubts you can accomplish this
task, Danko.

Danko speaks without looking

DANKO
We will move to the next target
and continue as planned.

ANDO
Have you determine who this old
Guardian gave the Dragon Ball to?

Danko raises his head.

DANKO
I have my men searching his
whereabouts inside out, we will
find who holds this Dragon Ball,
This I swear.

ANDO
(SCOFFS)
One more screw-up Danko and it's
your head, that I swear.

The image fades, Danko and Jarvin stand.

JARVIN
He wasn't pleased.

Danko smirks.

DANKO

Set course to the next Guardian,
the one name Gohan.

INT. GOHAN'S HOUSE. MORNING.

Goku yawns as he walks into the living room, trying to shake off the grogginess. He stops in his footsteps as he sees his grandfather wearing his old Guardian Gi, holding the ancient power pole in his hand, kneeling in front of the altar.

GOKU

Grandpa, is something wrong?

Gohan turns with a weary smile to his grandson, he stands to get one final look at Goku.

GOHAN

Goku, you are my pride and joy.
And whatever happens I will always
be with you.

Goku begins to worry

GOKU

What's going on, why are you
saying this?

Gohan turns back to the altar grabs the four star dragon ball, places it inside the pouch, he turns back to his grandson and hands it to him.

GOHAN

A great evil is coming for the
Dragon Ball. I thought it to be
nothing, I pushed it aside hoping
it wouldn't be true.

GOKU

Who is it?

GOHAN

I don't know, but what I do know
is that the Guardians are being
killed. Our identities were a
secret to the world, someone
within our own must have turned.

GOKU

I'll fight beside you.

Gohan puts his hand on his grandson's shoulder

GOHAN
No, Goku. This is my mine and mine
alone to fight.

Goku gets ready to fight back at the request, but Gohan
extinguishes that flame.

GOHAN CONT'D
I need you to find help, I need
you to search for Master Kato and
Roshi.

GOKU
Who are they?

GOHAN
The only two Guardians I know who
would never break the trust among
us.

GOKU
How can you be so sure.

GOHAN
Trust me.

GOKU
How do I find them? I wouldn't
know where to look.

Gohan knows he's asking too much of his grandson. But time
is running out.

GOHAN
It will not be an easy task, I
lost contact with them years ago.
But I know you can do this.

The house begins to shake violently. Both Goku and Gohan
run outside.

EXT. MOUNT PAOSU. MORNING

Goku and Gohan race outside to see the Red Ribbon Army
Fortress flying above the forest.

GOKU
That's them?

GOHAN
Yes.

GOKU
Let me fight beside you.

Gohan turns to Goku

GOHAN
No, you need to go. The Dragon
Ball can not fall into their
hands.

He hands Goku the Power Pole.

GOHAN CONT'D
Take the Power Pole with you.
You'll need it on your journey.

Goku bites down on his emotions, he doesn't want this to be
goodbye, but he can feel that it will be.

GOKU
We can both run.

Gohan embraces his Grandson with a hug.

GOHAN
Run, Goku, please. Do this for me.

GOKU
(choking tears)
Grandpa..

Gohan pulls away

GOHAN
Go, I'll hold them back.

INT. RED RIBBON HOLDING DOCK.

The door opens the sun shines into the dock Illuminating it
with a bright white and orange light. Danko injects the
blood of the demon into himself, black veins form around
his face and straight down to his neck. He screams in a
loud growl as the demons blood works its way through his
body.

EXT. MOUNT PAOZU. MORNING

Danko and his troops exit out the aircraft. Danko eye's the
area carefully. His senses firing off in full capacity, he
can feel the presence of the life-forms around him.

DANKO
Spread out and cover the area.
Kill anything that moves.

EXT. MOUNT PAOZU. MORNING.

Goku's running through the woods, carrying the four star ball on the pouch on his side. He keeps running until he runs into four Red Ribbon soldier and Jarvin.

JARVIN
What do we have here?

Goku eyes the men and the weapons in their hands.

GOKU
I'm guessing you guys aren't here
to pick berries.

Jarvin see's the pouch on Goku's side.

JARVIN
What's in the pouch?

The Four soldiers start to Circle Goku.

GOKU
Nothing important. You wouldn't
like it.

JARVIN
Hand it over, brat.

Goku shrugs his shoulders.

GOKU
You're the boss.

Goku tosses the pouch High into the air towards Jarvin direction. Goku uses his Ki to unleash a tremendous Force push that sends the Four soldiers rocketing to the unknown from each side. Goku speed rushes Jarvin, catching him off guard as Goku delivers a hard blow to his stomach that sends Jarvin flying back a few feet. Catching the falling pouch in his hands without much trouble

JARVIN
You little (grunts)

Goku chuckles and smiles, all the while flashing him the peace sign.

JARVIN (CONT'D)
Die!

Jarvin launches dark energy blasts at Goku, the ground explodes with each missing hit.

JARVIN CONT'D
What the hell are you!?

Goku can't help contain his excitement.

GOKU
Wooooohooo!

Goku continues to dodge every attack thrown at him. He pauses and sets up to deliver the move perfected by his grandfather the shadow crane. Jarvin continues the assault, but he can't hit Goku no matter what. Goku focuses and delivers the shadow crane straight into Jarvin, sending him hurling into the air and back a few feet.

GOKU (CONT'D)
I did it, I really did it!

Jarvin groans as he tries to rise to his feet. Anger on his face as he was defeated by a teenager.

JARVIN
No, it will not end like this. You
will die, by my hands on---

Goku grabs the power pole that is strapped to his back. Annoyed with this tit-for-tat that he's having with Jarvin.

GOKU
Power pole extend!

The ancient power pole obliges the command sent by Goku and extends straight into Jarvin's groin, cutting his words dead.

JARVIN
(Gasps out in pain)
Heeeeeeeeeee.

Jarvin's eyes roll to the back of his head, he topples over to the ground, the fight within him distinguished.

GOKU
Power pole retract.

The power pole retracts without hesitation, and he places the pole back and carries his merry way.

EXT. GOHAN'S HOUSE. MORNING

Danko casually walks up to the house, his eyes slowly darting around the area. He takes his first footstep through the doorway, but it never goes as far. He feels a blade press to his neck, behind him stands Gohan.

DANKO

Now that is very impressive.

A few soldiers begin to notice the commotion out front and slowly begin to circle around them. Gohan quickly moves his head side-to-side to count the troops.

GOHAN

Who are you people?

Danko never answers. He uses his newfound power to escape the blade, and reappear a few feet behind Gohan, who is left holding the blade in midair.

Gohan turns in horror feeling the dark presence running through Danko's blood

GOHAN (CONT'D)

Do you have any idea, what's
inside you right now?

Danko Smiles, holds his hand in the air, signaling for his men to stand down.

DANKO

You recognize it?

Gohan doesn't answer, he reaches into his side and throws six sharpen blades at the speed of light. But with Danko's Newfound energy, he's able to slow down time itself and pluck the blades from their trajectory. Tossing them to the ground so effortlessly.

DANKO CONT'D

You Guardians, full of tricks,
full of surprises, what a rare
breed you are.

Gohan runs at Danko, trying to land a punch. But Danko dodges each one with breeze, every punch hits nothing but air. Gohan's last punch lands straight in to Danko's palm, one he holds tightly onto.

DANKO CONT'D (CONT'D)

So revered, so respected and for
what?

Gohan tries Landing another punch with his free hand, but Danko catches it as well. He twists Gohan's arms, you could hear the bones inside him begin to break, making Gohan scream in pain and agony

GOHAN

(groans)

You monster.

DANKO
Your creation has come back to
repay you.

Gohan's eyes widen at those words. Danko rams his foot into Gohan's chest, sending him crashing back.

Gohan tries to rise to his feet as Danko slowly approaches. Gohan fires energy blasts after energy blast in a last desperate attempt. Danko swats away each attack. A Second later Danko's on him, his hand glowing in a dark purple energy orb that he places on to Gohan's chest, the fight is over.

GOHAN
Layun village.

Gohan says to Danko, stopping his attack for a brief second.

DANKO
Yes...

Danko looks into Gohan's eyes.

DANKO CONT'D
It's when you people turn my world
into ashes. Now I've come to do
the same to yours.

The blast rips into Gohan killing him instantly.

Danko stands at the altar, his eyes falling on the portrait of Gohan and Goku. One red ribbon Soldier comes behind Danko to inform him of the bad news.

R&R SOLIDER #3
Sir, there's no Dragon Ball.

DANKO

Why doesn't that surprise me.

Danko kneels down and picks up the portrait. He thumbs his finger at Goku.

DANKO (CONT'D)

Find the boy.

Danko pauses as he sees Jarvin walking in the distance clutching his family jewels.

DANKO CONT'D

And don't hold back, the kid has
more fight in him than his
grandfather.
