KAYMYRE KRENSER

Hey Broody.

BROODY BARON

Hey Kaymyre. How was your day?

KAYMYRE KRENSER

Mine completely sucked very badly. I had to deal with another annoying customer and also this one co worker of mine is a complete asshole who keeps on being mean to another one and also to me and also de-grading me on all most every report I get.

BROODY BARON

Oh that sucks Kaymyre. Yeah I hear you. Things are getting so bad around you.

KAYMYRE KRENSER

What about you?

BROODY BARON

Just slow and boring. Well at least intel I helped one kid with picking out a puzzle set. And then the mom gave me a card I guess.

KAYMYRE KRENSER

And are you going to take it?

BROODY BARON

I don't know maybe. But we will see
though.

Broody gets up from the couch and he turns on a speaker is a
blue tooth answering machine.

BROODY'S DAD

Hey Broody it's dad and I just
wanted to tell you I know it's been
a while since we saw each other
because I know it's been hard since
mom and I have not been together.
But I know you are living your
college life in San Fransisco. But
I just wanted to tell you that
Toolia is coming to see you
tomorrow. And I want you to pick
her up at the airport and let her
stay with you.

Broody listens to this voice mail and Is really in shock.

BROODY BARON

Oh no this is really going to be
hard. And I don't know dad is
sending Toolia here.

KAYMYRE KRENSER

But you know it's been a while
since you have seen your parents
and maybe we should go and show her
a great time here. And have some
fun.

As she kaymyre says that, All of a sudden a young Native
American guy comes into the room.

ACHAK DASAN

Did the girl with red hair say
party? My people really know how to
party.

KAYMYRE KRENSER

No we were not talking about
partying Achak. Jesus Christ, we
are not having another Native
American style party.

ACHAK DASAN

But Achak, love to drink achool of
my people.

KAYMYRE KRENSER

Well we can't do that. Because
Baron's sister is coming.

And then another nerdy looking person with black hair also
comes into the apartment as well.

BOOKER BEAL

We could maybe a Star Wars or Big
Bang theory day.

KAYMYRE KRENSER

Not doing that. Plus none of people
are going to do what you want,
because both our ideas are weird as
hell and are retarded.

KAYMYRE KRENSER (CONT'D)

What time does her flight come in
at?

BROODY BARON

I don't know, my dad didn't say.
But we should be at the airport
early.

KAYMYRE KRENSER

Yeah good idea.

ACHAK DASAN

Can nerdy white boy, and I come?

KAYMYRE KRENSER

No.

BOOKER BEAL

Ah damn...

And there is no way we can anything

BROODY BARON
I'm going to call the police.

KAYMYRE KRENSER
I don't know if that will work
Broody. I'm sure they are not going
to believe us.

BOOKER BEAL
Man we are completely stuck very
badly.

BROODY BARON
We can try to be a superhero or
something like that or call the FBI
or CIA. Maybe Achak can help us
out.

KAYMYRE KRENSER
I don't know if that will work
Broody. Plus Native American magic
is not real.

BROODY BARON
We should go to him and ask him.

CUT TO:

ACHAK DASAN (CONT'D)

Achak need man name Broody to sit down on the carpet that use to be from a grizzly bear.

BROODY BARON

Alright.

KAYMYRE KRENSER

Oh god this idea is just so stupid. Why couldn't we just call the police or the FBI or CIA.

BROODY BARON

Because then they would think we were crazy.

ACHAK DASAN

Alright. Achak of Dasan, is going to start doing some magic on you that will help both man name Broody and woman name Kaymyre.

ACHAK DASAN (CONT'D)

And with my main, I will turn white man name Broody into a mukwa and then I will turn woman with Kaymyre into a Peopeo that is the color of red.

BROODY BARON

Oh okay.

KAYMYRE KRENSER

Wait, what the hell does all the those Native American words mean?

BROODY BARON

Yeah I have no idea Kaymyre. I guess we are going to have to wait and find out.

All of a sudden, Achak's Native American magic starts to appear out of nowhere and Achak starts having gold and red and brown dust come out from a dark cloud. And Achak's eyes start to turn gold.

And all of a sudden, Achak starts repeating his phrase in Native American langue.

ACHAK DASAN

I call on my people and my tribe of all the warriors and animals of the past to turn my friends Broody the white boy and Kaymyre, the white girl with red hair and yellow into a Nita nusi and a Peopeo. And please help guide them and make them into strong warriors.

All of a sudden the Native American magic starts spinning around them a lot.

Both Broody and Kaymyre start screaming and they start transforming into animals.

All of a sudden, a hug red bird comes.

KAZOOIE
Oh my god what happened and why we

BANJO
Kaymyre. Thank god. Um I don't
believe we humans anymore. Might
want to look into the mirror.

Kazooie goes to the mirror and she looks at reflection.

KAZOOIE
Oh my god I'm a red bird and I have
red and gold feathers on us as
well.

BANJO
Oh boy this is just getting too
weird and too strange. And we
better get outside.

Banjo goes on all fours and he runs outside and Kazooie comes.

And they see Spiral mountain for the first time.

KAZOOIE
And we are defiantly not in San
Fransisco no more either.

BOTTLES

Hey guys, I'm glad I found you guys. And yeah I saw the whole thing happen, Grunty came down and just got Tooty and she is up in the lair and it's very dangerous up there.

BANJO

Booker what is going on?!..

BOTTLES

Booker, who is Booker, I'm not Booker I'm Bottles the Mole. And I live in Spiral Mountain with you and Kazooie.

KAZOOIE

You mean to freaking tell me, we are in some what of a fantasy world and we don't have our real names and we are now animals in this world?!....

BOTTLES

Well I don't know about that. But you would have to ask Mumbo about that. And he is in Gruntilda's lair right now. But you defiantly have to train first before we can get up there and save your sister.

BANJO

You mean Toolia is here in this world as well?

BOTTLES

Yes Tooty is here yes.

KAZOOIE

What the hell kind of name is that? Oh this animal world is sooo backwards. Ah geez.

BANJO

Alright Bottles what do we have to do?

BOTTLES

Well you just have to know to
attack people do a lot of bear
tricks and then Kazooie has to get
into your backpack.

BANJO

Backpack?

Banjo finds his blue backpack and he is able to stand up on
his feet and put the backpack on him and Kazooie goes into
his backpack as well.

KAZOOIE

Oh wow I guess I fit in this.

BOTTLES

Alright you just have to look
around the mountain and then once
your done, meet me at the top.

BANJO

Alright okay Bottles.

Bottles goes back into his hole.

And Banjo starts running while Kazooie is in his blue
backpack.

CUT TO:

other veggies around him.

log and Kazooie gets out and she starts flapping her wings.

Banjo lands on the ground.

Kazooie uses her beak to destroy the boulders.

KAZOOIE

Oh wow I can't believe I was able
to break that thing with my beak.

(MORE)

KAZOOIE (CONT'D)

What other things can I do this in
this strange room?

Another evil veggie tries to attack them and Banjo jumps up in the air and Kazooie starts doing poking attacks and attacks the veggies.

CUT TO:

Banjo keeps on exploring everything and finding a lot of items such as honey and honey combs as well.

CUT TO:

EXT. ON TOP OF THE MOUNTAIN - NIGHT

Banjo runs up the mountain and he finds Bottles up there.

BOTTLES

Oh good you guys are here. I was able to get some wood and build the bridge to Grunty's lair and I will meet you guys in there very soon.

BANJO

Alright okay Bottles.

Bottles goes into his hole and Banjo starts running into Grunty's lair.

CUT TO:

Banjo and Kazooie finally get into Grunty's lair and they start looking around.

KAZOOIE

Oh wow this place is really huge. I really wonder where in the hell we have to go first?

BANJO

Well we have to find Achak here. If that's even his real name in this world and he will tell us more what to do I guess.

Banjo starts heading a shinning noise and Banjo finds a jigsaw puzzle piece.

BANJO (CONT'D)

Hey look Kazooie, I found a puzzle piece. I really wonder where it goes to.

KAZOOIE

I don't know it probably goes to
like a puzzle here.

Kazooie grabs the piece and puts it in Banjo's backpack.

Banjo keeps on looking around and he finds the entrance to Mumbo's mountain and it's closed. And Banjo runs to a picture with a missing piece.

Kazooie hands banjo the piece and it starts to go into the picture and all of a sudden, the door begins to open.

And the sign appears.

BANJO

The door is open, lets get in
there.

Banjo begins to run into Mumbo's mountain. And Banjo and Kazooie begin to disappear into native American magic.

CUT TO:

INT. THE TOP OF GRUNTY'S LAIR - NIGHT

Grunty and Tooty are both in the swopping machine.

GRUNTILDA WINKYBUNION

Oh this plan is going to be really
good. And with this machine I'm
going to be young and beautiful
again and then Tooty will be old.

TOOTY

Let me go you dumb green witch. My
brother is going to come and kick
your ass really badly.

GRUNTILDA WINKYBUNION

Shut up!!!! Your big brother is
probably some dumb big bear that
has no brain cells and will never
figure out my entire lair. And if
anything, he won't even get pass my
first trip and world.

Klungo begins to go to the machine and to the keyboards.

GRUNTILDA WINKYBUNION (CONT'D)

Klungo, get the machine ready and turn on the switch and It's time that I turn young again. And I'm tired of being old and fat.

TOOTY

Banjo Help me. I know you can hear me. Please do come.

FADE TO:

EXT. MUMBO'S MOUNTAIN - MORNING

All of a sudden, Banjo and Kazooie appear around the sliver platform.

Banjo steps off the platform and he starts looking around.

KAZOOIE

So where in the world are we?

BANJO

I guess we are inside Mumbo's mountain.

KAZOOIE

Don't you think we are around or at Mumbo's mountain technically.

BANJO

Yeah for the most part I think. Come on lets explore this place.

Banjo starts walking around and he sees a lot of beautiful elements around Mumbo's mountain.

As Banjo keeps on walking around, he sees a huge trail full of music notes.

BANJO (CONT'D)

Music notes? I really wonder where these things come from?

Banjo begins to run and he starts running around and he starts looking for music notes. And the music notes start turning magic dust and go into banjo's backpack.

Banjo finally gets to the top of the mountain and Banjo sees more notes around him and he runs to them and he sees them on the hill.

Banjo gets on the hill and he begins to slip and he starts slide down the hill and gets on the humps of the hill.

Banjo jumps up in the air and Kazooie comes out and she starts flapping her wings to glide Banjo. And Banjo keeps on going. And he finds more notes.

KAZOOIE

Hopefully there is a way to go up a lot more.

BANJO

Yeah maybe we should try to find Bottles or so.

Banjo starts looking around and he finds a mole pit. As Banjo approaches it, Bottles comes out.

BOTTLES

Alright, well another trick you guys can do is Kazooie can use her bird legs to walk everywhere while holding you.

KAZOOIE

I don't know if that is such a good idea. And also Banjo is a really big bear and...

All of a sudden Kazooie comes out of the backpack a lot more and she is able to hold Banjo.

KAZOOIE (CONT'D)

Oh dang I didn't know I was that strong. Must have been the magic Achak put on us back in the human world I guess.

BOTTLES

Yeah defiantly try to look for Mumbo when you can as well.

BANJO

Will do.

Bottles goes back into his hole. And Banjo and Kazooie keep on exploring everywhere and Kazooie is carrying Banjo and going really fast on the mountain and going to all the notes that are in sight.

They keep on finding music notes everywhere and they finally get to Mumbo's skeleton.

BANJO (CONT'D)

That must be Mumbo's house I guess.

KAZOOIE

I guess in we go.

Banjo starts walking and then all of a sudden a lot of purple goblins start to show up and they start making a lot of scary noises.

KAZOOIE (CONT'D)

Oh my god!!!!

PURPLE GOBLIN 1

We are going to tear you very badly
bird and bear.

BANJO

Yeah the hell you guys will.

All of a sudden, Banjo does a bear roar and Banjo throws a lot of whacks at the Goblins and hitting them in the face.

The Goblins try to scratch Banjo and stab Banjo and they get him very badly.

Banjo lands on the ground in pain and he does another bear roar.

Banjo does another bear and he bites the purple goblins and he starts biting them really hard and blood starts coming out. And he throws 4 of them off the mountain.

Banjo jumps on to a cabin like house and tackles more purple goblins coming at him and whacks 4 more of them in the face and bites them and kills them.

Another goblin shows up and Kazooie makes bird noises and peaks at the goblin and stabs him very badly and kills that one.

KAZOOIE

Are you okay?

BANJO

Yeah just badly beaten up, but
other then that I'm okay.

Banjo finally gets into Mumbo's house.

CUT TO:

Banjo and Kazooie get into Mumbo's house.

Mumbo finally sees Banjo and Kazooie for the first time.

MUMBO JUMBO

Hello Banjo and Kazooie. I knew that you would get into my world and what I truly look like as well.

BANJO

So this is what your Native American magic does, takes us into a different world? And Achak is not your real name?

MUMBO JUMBO

Yes bear, This is what I truly look like, I was the one that created Spiral Mountain because my tribe discovered it and used their magic to preserve it. Intel Gruntilda invaded it. And took your little bear sister name Tooty as well and took her to her lair in my world as well.

BANJO

So do you help us at all or just sit there in this cave or skeleton house?

MUMBO JUMBO

I help bear and bird by using my Native American magic and turn you into many animals and things as well.

KAZOOIE

So you can turn us into other animals as well.

MUMBO JUMBO

Only bear name Banjo yes.

KAZOOIE

Damn it.

MUMBO JUMBO

But to do transform, you have find my skeleton tokens that are around this world. And then from there, I can help you.

BANJO

What happens if we want to go back to the human world?

MUMBO JUMBO

Sadly Mumbo can't take bear and bird back to being white boy and white girl in human world. Not intel you defeat Grunty and find Tooty.

BANJO

Figures.

KAZOOIE

Ah well that really sucks
ass!!!!....

MUMBO JUMBO

But Mumbo and the mole animal will help the bear and bird a lot as well.

BANJO

Oh okay good to know.

Banjo and Kazooie leave Mumbo's skeleton house.

CUT TO:

Banjo and Kazooie walk out of Mumbo's skeleton and they start going to different parts of the mountain.

KAZOOIE

Well that didn't work out so well. I guess we are stuck being animals for a long time in this strange place.

BANJO

Ah I don't think it's that bad, For me I like being a grizzly bear and being big now that I think about it. And I like my new name and being called Banjo. My human name, Brody Baron just sucks. And also my job working at the toy store also sucked as well.

KAZOOIE

What?!...You mean you would stay here and be a bear for the rest of your life? Are you freaking crazy?!...Brody That's just really stupid...

BANJO

I'm not Broody in this world. And I
can be a bear if I want to.

KAZOOIE

And also I'm sure your parents
wouldn't be very happy with you as
well.

BANJO

I don't care. I like this world, no
dumb liberal classes I need to go,
no stupid job, And come to think of
it, my house on that spiral
mountain is pretty cool.

KAZOOIE

No...Just no...I just can't believe
you...Your unbelievable.

BANJO

Kazooie, i had no freaking life in
the human world, my life as human
sucked. I like this world better.

KAZOOIE

Well you know when we find your
sister and save her, then you can
stay here then, And I will be human
again go back to being in San
Fransisco and living in the real
world Broody.

BANJO

Yeah real world, your job was
better then mine, and plus in San
Fransisco, you have so many options
for things, I don't.

KAZOOIE

At least I'm the one that actually
sees my parents and family often,
You don't even talk to your sister
very often.

BANJO

That's because we live in different
worlds.

KAZOOIE

Maybe it's not the different worlds
part. Maybe the problem is you
Brody. And you have issues Brody.
And don't try to fight them.

Banjo gets really mad and they hike up around the top of the mountain.

Banjo sleeps on the grass.

And they keep on going on.

CUT TO:

Banjo and Kazooie get to a tree and they see a big gorilla.

KAZOOIE
I wonder how we are going to get anything to eat in this world. I'm starving.

BANJO
I'm sure we will find something soon.

Banjo starts exploring and all of a sudden, the gorilla starts throwing giant oranges at them.

Banjo and Kazooie get hit really bad.

BANJO (CONT'D)
What the hell?! Oh my god that hurt like a bitch!!!!!!

CONGA

Who dares come to my big tree.
Anyone who comes will have oranges
thrown at them. And you will never
get my bag of Jigsaw puzzles.

Conga keeps on throwing oranges at Banjo and Banjo keeps on
running and Banjo does a backflip and goes on another ledge
and they both see a mole pile and Bottles comes out.

BOTTLES

Alright, I believe to stop that
guy, you defiantly are going to
have to eat a lot of blue eggs to
hit him very badly.

KAZOOIE

That sounds really impossible.

BANJO

Well I don't know anything in this
magical world is very possible.

BOTTLES

I will hand you some. Hold up.

Bottles gives Banjo a bag full of blue eggs and Kazooie
starts sucking up the eggs.

KAZOOIE

Thanks.

BOTTLES

No problem.

Bottles then goes back into his hole and Banjo runs to one of
the ledges.

Banjo ducks.

CONGA

You will not defeat me. You tiny
little brown bear with a backpack.

KAZOOIE

Who are you calling Tiny!!!!!!...

Kazooie starts getting really angry and go into a slow motion
sequence.

And the song "Send in the clowns" starts to play in the
background the slow motion part.

Banjo jumps up in the air and all of a sudden, Kazooie starts blasting around 600 tiny blue eggs.

The eggs hit Conga really bad and hit him in the face.

CONGA
(slow motion voice)
You are an awful bear and Conga
very mad.

Conga gets really angry and mad and he starts throwing more oranges at Banjo and Banjo and Kazooie get hit very badly and they make their signature hit sounds.

Ahhhhhhhhhhhh Get off you of me you
little grizzly bear and crazy red
bird. Get out of me!!!!!!...

Conga falls off the tree. And Conga and starts fighting Banjo and Kazooie and throwing a lot of punches and trying to stomp them.

Banjo jumps high up in the and Banjo does another bear roar and bites Conga really bad and there is more blood.

Conga tries to whack banjo really hard and Banjo dodges the attack and Banjo ducks and Kazooie fires more blue eggs at Conga at his face and fires 100 of them.

Conga tries to throw more oranges at Banjo but Banjo leaps high up in the air again and Banjo whacks Conga in the face with his left bear paw.

And Banjo stomps on Conga's face very badly and Banjo bites Conga again and Banjo does another bear roar and is biting Conga really hard in the leg and there is more blood everywhere and Conga is screaming.

Banjo lifts up Conga with his paws really strong and Banjo with all his bear might throws Conga's giant body against a lot of sharp thorn bushes and Conga is screaming and yelling and Conga's whole body gets stabbed up really badly and Conga is dead.

And all of a sudden, a lot of ants start eating his body.

CUT TO:

Banjo and Kazooie really tired and beaten up.

Banjo goes up Conga and grabs a bag of 80 jigsaw puzzle pieces.

BANJO

I will take all of those.

Banjo begins walking back to Bottles and comes to him.

BOTTLES

You know you didn't have to kill him. And you just can't kill things in this world otherwise then Grunty will send more people after you.

KAZOOIE

I don't care he deserved it.

BOTTLES

But then what happens when you are weak powerless and can't defeat giant things and then you end up being kidnapped just like Tooty.

BANJO

Bottles, I'm pretty sure that will not happen.

KAZOOIE

Yeah Google boy. Plus you said this was a magical world.

BOTTLES

But it's still dangerous however.
Alright fuck it, How many jigsaws
did you guys get and how many notes
have you guys gotten so far?

BANJO

I don't know I lost count.

BOTTLES

Well just collect as many as
possible and then get out of here
before you guys cause any more
trouble around here.

Bottles goes back to his hole and dives into it.

Banjo and Kazooie start walking and they look around.

BANJO

Oh look there is an oranges trees.
Maybe we can eat some oranges and
then go find more notes and things.

Banjo goes up into the tree and he gets around 8 oranges that
are giant.

And they start eating the oranges.

And all of a sudden, a little brown monkey starts coming up
to them.

CHIMPY

Hello Mr. Bear, is it okay if I
also have an orange as well. I am
very hungry as well and I haven't
eaten anything for 2 months.

BANJO

Oh dear. That is terrible. Here is
an orange for you little guy.

Banjo looks at a giant orange and Banjo hands the monkey the
orange and Chimpy gets really happy and he starts eating the
orange.

CHIMPY

Oh thank you Mr. Bear and you are
my best friend. And also here are
some more puzzles and some
skeletons tokens.

The monkey hands Banjo and Kazooie and Banjo gets the puzzle
pieces handed to him.

And Banjo sees the puzzle piece and the tokens in his hands.

BANJO

Thank you so much little monkey.
Yeah we really need all of this
very badly.

BANJO (CONT'D)

Well anyway Kazooie and I have to
get going. Thank you.

Banjo puts those items in his backpack and they turn into
magic and go into his backpack.

Banjo gets up and he starts running off.

CUT TO:

Banjo keeps on running around the mountain and he runs into a
jingo for the first time.

BANJO (CONT'D)

How are you?

BLUE JINJO

Oh Mr. Bear. I lost all my other
friends that are jinjos as well And
Gruntilla speeded all of us and I
really want to be with all of them
again.

The Jinjo looks really sad.

BANJO

Oh my god. Well anyway, you can
hope in my backpack if you want.

BLUE JINJO

Alright okay.

The Jinjo starts turning into magic dust and starts spinning
around Banjo and Kazooie in circles and finally go into
Banjo's blue backpack.

BANJO

Banjo keeps on running as an ant and he gets more notes as he goes more and more up.

CUT TO:

Banjo finally gets up to the top and he gets a jigsaw puzzle and he jumps off the mountain without anything bad happening to him.

Banjo begins to run around and he goes in the water and he gets more notes in the water And Banjo is able to climb out of the water.

Banjo keeps on running around and gets a lot of the jinjos that are different colors and they all go into his backpack.

Banjo starts transforming back to normal.

BANJO

Well I guess off to the next world.

And they keep on walking.

They get to a secret wall and Kazooie comes out of the backpack and she starts running and starts climbing up the wall and they get to a door with a note on it.

Bottles also comes out.

BOTTLES

This right here is a note door and you have to get a lot of notes in order to surpass Grunty's spells.

BANJO

How do you know if we have enough.

BOTTLES

Your backpack keeps track of how many notes you have and also how many jiggies you have as well.

KAZOOIE

Well that makes sense.

BOTTLES

Well try to give it a go.

Bottles gets back into his mole hole.

Banjo starts getting close to the door and his backpack says that he has enough and door begins to disappear.

BANJO

Oh my god we didn't. We opened our first door.

KAZOOIE

That is really incredible.

BANJO

We better in really fast. Come on Kazooie.

And they walk into the door.

FADE TO:

INT. ANOTHER PART OF THE LAIR - NIGHT

Banjo and Kazooie get into the lair and they see more puzzle pictures on the wall.

KAZOOIE

Which one do we go to?

BANJO

Well I think the one with the tropical I guess because I notice that the other one maybe hard to get to get to. Cause there is no ladder by it.

Banjo starts walking up to the treasure cove puzzle and he starts putting the pieces together. As the pieces come together, a huge treasure chest begins to open in another room.

BANJO (CONT'D)

So I guess we opened another stage.
Now we just have to find it.

Banjo begins to run. And all of a sudden, a women with green skin and dressed like a fairy shows up.

KAZOOIE

What the hell?!...

BANJO

A fair god mother?!...In this world?!...What the?!...

BRENTILDA WINKYBUNION

Well Banjo and Kazooie, I am Brentilda and I'm Grunty's sister and I will be here to help on your journey and adventure.

BANJO

Oh that's wonderful ma'am but I think we already have someone that already helps us though.

BRENTILDA WINKYBUNION

Well I don't know if I can help you with magic or anything like that. But I know all of my older's sister's secrets that could be useful in defeating her.

KAZOOIE

And how is that going to help us?

BRENTILDA WINKYBUNION

You don't understand when you get to the end, you will have to know everything about Grunty and her traps otherwise you will die in her biggest trap she will set for you that is much deadlier then just going to random worlds.

BANJO

Alright okay, well what's the first one?

BRENTILDA WINKYBUNION

Well the first one I will tell you is simple but she cheated her way in school to become a witch.

BANJO

Oh okay. Anything else?

BRENTILDA WINKYBUNION

Yes. She also was never pretty and she also cheated to get her awards as well. Well I better be off. Good luck young ones.

Brentilda disappears in her magic and she is gone.

KAZOOIE

Well that was just weird. I am not reading Cinderila ever again once we go home to San Fransisco and become humans again.

BANJO

We have to get to treasure cove and find more jigsaw and notes. Come on.

Banjo starts running and he runs up to another pathway.

CUT TO:

Banjo gets on the ship and they run into a hippo pirate.

CAPTAIN BLUBBER

A hoy Mattie, I am very glad I ran into other animals here.

BANJO

Well hi man, Well I'm Banjo and this is my bird Kazooie. What seems to be the problem?

CAPTAIN BLUBBER

Hoy lads, Unfortunately my ship sadly was going to other lands to get money and gold and treasure. But sadly Gruntilda casted a spell in the water and caused my ship crash into the sand and sadly I lost all my gold and my treasure.

KAZOOIE

Well why don't you go find it your bubble guts?

CAPTAIN BLUBBER

I would red bird but unfortunately captain blubber can't swim and long ago, Gruntilda destroyed my leg and infected it and so I have been walking on one foot for months now lads.

BANJO

Oh my god I'm sorry dude. Yeah we will help you find your treasure.

CAPTAIN BLUBBER

Thank you lads.

Banjo starts looking around and Banjo jumps up in the air and Kazooie uses her beak to break parts of the ship. And they dive into the hole.

CUT TO:

They get into the ship and see the water.

Kazooie sees the gold.

KAZOOIE

Banjo there is the gold.

Banjo turns around. And Banjo dives into the water and he starts swimming and he goes into water and gets the gold.

Banjo and Kazooie swim back up to the surface.

BANJO

There probably is another one somewhere around here.

Banjo does another backflip.

CUT TO:

Banjo gets back to the ship and he jumps into the water and sees another hole and swims into the ship.

CUT TO:

Banjo and Kazooie are inside the ship and they get another piece of gold and the gold gets put in the backpack.

BANJO (CONT'D)

That should be the last of it, lets get it back to that Capitan guy.

They swim out of the ship and they get back to the sand and they run to Blubber and they hand him his gold.

CAPTAIN BLUBBER

Oh my!!! My treasure and it's here and I can finally get out of here. Thank you kids.

BANJO

Your welcome sir.

CAPTAIN BLUBBER

Please take this puzzle, I have no use for it and I'm sure you kids need it more then I do.

The Capitan hands Banjo the jigsaw puzzle.

BANJO

Thanks man.

CAPTAIN BLUBBER

Your welcome kids.

And the Capitan leaves.

BANJO

Well that guy seemed really nice. And I'm sure if he was a human, he would be awesome or so.

BANJO (CONT'D)

Well we got no time to loose.

Banjo keeps on exploring the ship and finds Bottles at the top.

BOTTLES

Now this right here is a flying pattern and you have to use a lot to fly.

KAZOOIE

Fly, I don't even know to use my wings?

BOTTLES

Don't worry you will be okay.

BOTTLES (CONT'D)

And I think there is another skill to learn here as well in order to open the next world as well.

BANJO
 Alright okay Bottles.

Bottles goes back into his mole hole and Banjo goes on the platform and all of a sudden, Banjo jump up in the air.

And Kazooie and she starts flapping her wings.

BANJO (CONT'D)
 Wahoooooooooooooooo!!!!!!!

KAZOOIE
 So where do we go?

BANJO
 I don't know we will just explore
 and see what happens?

They keep on flying everything and going different places and they go inside different chests and getting items including notes.

They jump off one of the platforms and into the ocean. And all of a sudden a blue shark starts to chase them.

SNAKER THE SHARK
 MMMMMMM a nice tasty bear and a
 bird will be my dinner.
 Muahahahahahahahaha!!!!!!!

BANJO
 Holy shit it's a shark.

Banjo and Kazooie starts swimming as fast as they can back to shore.

They able to go faster by jumping out of the water and doing hoops to get more distance.

Banjo and Kazooie get back to shore.

SNAKER THE SHARK
 You won't see the last of me Bear
 and Bird, I will be back.

BANJO
 Damn even in magic world, there are
 still sharks.

KAZOOIE
 Well I am just glad we got out of
 the water when we did. And we
 should go up into those sand place
 platforms.

BANJO

Sounds good.

And they start walking to the platforms and climbing up the sand piles and they run around on it and grabbing a lot of notes and other items on there as well.

And they see another green button on the ground. And Bottles appears

BOTTLES

Well anyway this green platform is going allow you to bounce up and go really high up in the air. And Kazooie can do this power.

KAZOOIE

Alright okay.

Bottles goes into his hole and Banjo starts going on the green buttons And Banjo and Kazooie start jumping from platform to platform and getting a lot of items.

And then they runaway and they find a bucket of sand and Kazooie starts spiting eggs out of her mouth and putting them in the bucket.

And all of a sudden, the water starts to drain.

KAZOOIE (CONT'D)

There is a sandcastle over.

BANJO

We better go check it out.

Banjo and Kazooie jump off of the platform and they go inside the sandcastle.

CUT TO:

Banjo goes inside the castle and he starts look around. And he sees a Jigy.

BANJO (CONT'D)

It's another puzzle piece.

BLACK EVIL CRAB

And that is what I have. And you will never get my items you dumb grizzly bear.

The cage begins to open and the crab begins to attack Banjo and Crab throws a lot of crab attacks at Banjo and Banjo does another bear roar and he stomps on the crab and starts biting it's arms and he starts biting on it like a dog and shakes his head and kills him.

BANJO

Yeah that will teach you dumb crab.

All of a sudden, Banjo and Kazooie hear a girl crying.

BANJO (CONT'D)

What in the world. Looks like someone is here?

Banjo looks around and he sees a beautiful and gorgeous and stunning naked girl with black hair.

Kazooie opens the lid of the bottle and the girl falls into Banjo's paw.

And the girl is crying and tears are coming down her eyes.

BANJO (CONT'D)

Are you alright Miss?

HUMBA WUMBA

Oh thank you so much for saving me. Sadly I was trapped in this Sandcastle by Gruntilda and her henchmen for almost 20 years and she killed my people and my mother and father as well. And I have nobody. And then when I was 18 years old the black crap kidnapped me and put me in this bottle for more years as well.

Humba cries even more.

BANJO

Oh my god that's awful. I am so sorry all of this crap happen to you sweetie.

HUMBA WUMBA

And sadly I have never worn any clothes before in my life ever.

KAZOOIE

Oh dear so you have been butt naked for most of your life? That is just awful.

(MORE)

KAZOOIE (CONT'D)

Well you don't have to be looked in this lair, because when we are done saving Banjo's sister, we will take you to a place that is much safer and free where nobody will hurt honey.

BANJO

You sure you don't want to sleep on the ground.

HUMBA WUMBA

No thank you Mr. Bear. I'm more safe around you and your bird friend. And your fur feels so soft.

BANJO

Oh okay.

Humba sleeps on Banjo's fur.

HUMBA WUMBA

So where did you come from? Have you always been a talking bear most of your life? Did you also have a bear mom and dad and were a bear cub in the woods?

BANJO

Ahhhh no, no, no. I wasn't actually born as a bear.

HUMBA WUMBA

Did Gruntilda cast a spell or anything like that on you.

BANJO

No actually. I choose to be a bear. And I didn't come from the forrest and I'm actually from a different world that's more complicated and when I'm not a big talking grizzly bear that is able to stand on 2 feet, I am actually a young man and I'm 21 years old, and I go to college in a city called San Fransisco which is a state in the United States of America.

HUMBA WUMBA

Oh wow sounds like a very beautiful place.

BANJO

Well it sort of is. Parts of it are beautiful and really nice.

HUMBA WUMBA

But why are your friend and you are talking bird and talking big brown bear if you are human?

BANJO

Because my sister has just been kidnapped but Grunty and she was able to go into the human world and kidnap her at San Fransisco airport.

HUMBA WUMBA

What's an airport?

BANJO

Well an airport is a place where there are airplanes and people travel on plans all over the world to get to places for fun or for businesses or school.

BANJO (CONT'D)

You would love going on one. And so anyway I know in this magical world or so I'm Banjo the grizzly bear. But in the real world I'm a human and my real name is Broody Baron. And Kazooie is a red bird but her name is Kaymyre. I know strange name. But you will understand a lot more as time goes on.

HUMBA WUMBA

Oh okay Broody. Do people wear clothes in your world?

BANJO

Yes they do. And In my world, you don't have to be naked all the time. In less you want to.

HUMBA WUMBA

Oh okay. I would love to go there when we go there.

BANJO

Don't worry we will.

KAZOOIE

But first we have to find Banjo's sister though.

HUMBA WUMBA

Alright okay bird.

They all start going to sleep and Banjo starts looking at the stars and they all start going to sleep.

CUT TO:

Banjo and Kazooie start to slowly to get up. And Humba also wakes up.

Banjo picks up Humba with his bear claws and puts her in his backpack.

BANJO

Can you breathe inside my backpack.

HUMBA WUMBA

Yes I can feel the air and the wind coming in.

BANJO

BANJO

Wow the view from up here is breath taking and dang we like never see something like this in San Fransisco or in Berkley for that matter.

KAZOOIE

And I think so far we don't have a lot of notes and we defiantly need more notes. I wonder if that hermit crab has any.

BANJO

Yeah that's a really good question. And we should go down and find out.

Banjo starts looking around and he sees a door and he runs up to the door and breaks the door open and he goes down.

CUT TO:

though?

NIPPER THE CRAB

Oh you are wrong red bird, I own
this beach and you will never find
the items that are inside my shell.
And it's time to get your wings and
feathers clipped.

Nipper all of a sudden starts going crazy with his claws and
he tries to whack Banjo and Kazooie and Banjo and Kazooie get
hit really hard.

They are inside the shell and they start running and they
find a lot of notes.

And they also get to the center. And all of a sudden they see
a lot of green crabs.

GREEN CRAB 1

You guys will never get this jigsaw
puzzle!!!!

The crabs start running to Banjo and Kazooie and Banjo does
another bear roar and he slams the crabs against the wall and
he bites another one and kills it.

Banjo smacks another one in the face and kills it very
easily.

And they see the last jigsaw puzzle. And Banjo jumps up and
he grabs the jigsaw puzzle and puts it in his backpack.

KAZOOIE

That must be one of the last
jiggies I believe.

BANJO

Yeah defiantly for sure and I think
we were able to get the jinjos as
well. Come on lets get out of here.

CUT TO:

Banjo goes back to the sliver platform and he disappears.

KAZOOIE

So where to now?

BANJO

On to the next place. And I think
this one might even harder.

(MORE)

BANJO (CONT'D)

I think thankfully however, I think we another puzzle around another higher area and I think we have a new power of sorts that should help us get up there.

Banjo starts running to that room.

CUT TO:

Banjo and Kazooie get that room and they go on the platform and spring up and Banjo steps on the puzzle platform.

Banjo closes his eyes and he starts filling on all of the missing pieces of the puzzle.

BANJO (CONT'D)

How are you holding up Wumba?

HUMBA WUMBA

Doing very well bear. I am inside a magical tent that has everything in here for me.

KAZOOIE

CLANKER

Help me animals, Unfortunately Gunrtilda punished me for being friendly and she hooked me on a chain and this water is very bad for me. Is there a way you animals can help good old Clanker swim up to the surface again?

Banjo and Kazooie start swimming and they swim even deeper and they see the chain. And all of a sudden, they see a light blue fish.

GLOOP

Just follow my air bubbles and they help you breathe.

Banjo and Kazooie keep on swimming and they start swimming through the air bubbles and swimming through the moving key and do this 3 times.

The chain finally unlocks and Clanker starts to swim back to the surface of the water.

Banjo and Kazooie start swimming back to the surface.

CLANKER

Thank you so much for unhooking that chain. I really appreciate it a lot.

BANJO

Oh your welcome anytime.

CLANKER

 and kitchen, Oh Colin really needs
 to see this.

Oh well I still need to find clothes in this world but it seems like people here don't seem to care if I walk around the new town or new city butt naked and walk around nude. And I guess being naked is legal here. And I'm in no rush, I can be butt naked for a 5 months or so. I can really get use to this a lot.
