The main studio logo intro begins and the song "A New Day" By Curtis Schwartz & Keith Mansfield plays and it's all golden and you start hearing a lot of monkey noises.

CUT TO:

All of a sudden the rareware studio begins and the logo intro begins with a lot of people working on a 1980's computer and doing computer work and designing all of the Donkey Kong Characters and the rareware logo shows up.

CUT TO:

The Nintendo logo presentation intro begins with people in a zoo in New York City and all of a sudden there is a couple of Gorillas creating the Nintendo logo presentation and all of a sudden the Nintendo logo begins to flash and flies over the New York City skyline.

FADE TO BLACK.

FADE TO:

EXT. KONG ISLAND - MORNING

The sun begins to rise and a lot of other kong monkeys and gorillas are doing their own thing and going to stores and swimming in the ocean. The other characters are around Kong Island.

CUT TO:

All of a sudden there is a gorilla with a red neck tie that is working out and he is doing a lot of crazy work outs.

And he is doing alright on some of them and not so good on the others.

CUT TO:

He also starts swimming in the ocean and going under water. He also begins to play bongos and he starts playing bongos really loud and causing other kongs on the island to get mad at him.

RANDOM KONG

Hey!!!!!!! That is too fucking loud. I'm trying to sleep.

DONKEY KONG III

Sorry.

Donkey Kong keeps on playing. And later that day he also starts a lot of bananas and watermelon.

And all of a sudden a green parrot shows up.

SQUAWK THE PARROT

Cutting kong school I see again
DK!!! And man 33 bananas that has
to be big time record.

DONKEY KONG III

Of course I am. I mean seriously
why do I have to go that Kong
school, it's not like we are all
going to leave the island.

SQUAWK THE PARROT

Yeah you do have a point there
Donkey. But I guess Cranky and
Wrinkley don't want you to make the
same mistakes as Cranky did when he
was younger.

DONKEY KONG III

No that's not true Squawk, if
anything Cranky wants me to get
educated all so I can get off the
island and sneak on to a human boat
so I can kidnap human woman just
like what he did. And I'm pretty
sure he brags about it to Wrinkly
all the time.

DONKEY KONG III (CONT'D)

And also I'm friendly and I'm a
nice gorilla and I don't believe in
being evil or being awful a bad
guy. And I don't think it's not the
way to go.

SQUAWK THE PARROT

Your just like your dad Donkey. He
was that way as well. But then what
the hell are you going to do with
your life?

DONKEY KONG III

I don't know maybe try to be part
of Swanky's show and maybe the
strongest ape on the island. And
try to make some banana coins as a
bongo player.

DONKEY KONG III (CONT'D)

And what good does kidnapping human girls do anyway?!...

SQUAWK THE PARROT

Well it's always been part of the Kong family since King Kong and how he would always kidnap human women and always un-dress them and then have them love you over time or something like that. And then fight the boyfriend of the human girl as well.

DONKEY KONG III

Oh my god that sounds really stupid and really awful. And I will not continue that tradition and Cranky can't make me.

All of a sudden, Diddy Kong and Dixie Kong arrive at the beach.

DIDDY KONG

Hey Donkey, We didn't see you at Kong school today.

DIXIE KONG

Yeah today we learned about banana birds and about the great ape war.

DONKEY KONG III

That sounds really boring. No offense.

DIDDY KONG

Non taken. But anyway, Cranky said that today we had to go to his hut because he has a very special story to tell all of us. And Dixie and I can't wait to hear it.

DONKEY KONG III

I hate to be a buzz kill Diddy. But I am very sure that Cranky's story is not going to be anything special. He always tells me pointless stories and they are not funny or entertaining.

(MORE)

DONKEY KONG III (CONT'D)

They are just why I need to do this, and why I need to do that, and "Donkey you must drink my potions that I make" and "Donkey you must go to school so you can be like me and kidnap a female human of your own and be her pet and smell her and massage her" what ever the hell that means.

DIXIE KONG

Oh Donkey, don't do that, Cranky is like your grandpa and he is always raised you and tries to do the best he can.

DONKEY KONG III

If he so great, why the hell is my dad not here then?!...HMMMMMM...Why because he didn't want to be around him and be on this island.

DIDDY KONG

I'm sure your dad does care about you and Cranky. There is always a story for everything.

DIXIE KONG

Oh by the way, I hear there is going to be a magic show that Swanky might do. You in?

DONKEY KONG III

Of course I'm in. Anything to get away from that old fart.

CUT TO:

INT. THE KONG SCHOOL - AFTERNOON

Wrinkly is by her desk and some of the kong monkeys are heading out of their last class.

WRINKLY KONG

Now remember everyone, your homework is to read about the great ape war and write about why fruits are good for kongs.

Chunky and Tiny Kong come up to Wrinkly.

CHUNKY KONG

Hey Miss Wrinkly Kong, I just wanted to tell you that your classes are one of my favorites especially the ones about history of Gorillas and why we have the mine carts.

WRINKLY KONG

Oh well that's really nice of you to think that Chunky.

CHUNKY KONG

And then there is also potions that Chunky gave to me and how he told me it would help me be a wrestler some day and...

WRINKLY KONG

Oh my god!!!! Oh Jesus Christ...Chunky please do not take those potions those are not good for kids like you.

CHUNKY KONG

But they tasted so good and juicy and they made me burp as well.

CUT TO:

All of a sudden, Chunky goes to his house in one of the huts in the jungle.

CHUNKY KONG (CONT'D)

Oh yeah I can't wait to drink one of these potions that Cranky gave me and I believe it's going to make me into a wrestler on this island someday.

Chunky begins to drink the potion and he starts gulping very loud and does an aw.

CHUNKY KONG (CONT'D)

Oh that tasted really good and really juicy. Oh shit I feel very funny.

Chunky all of a sudden does a really loud burp and all of a sudden Chunky gets blasted into the sky and Chunky starts flying into the sky and yelling and screaming like a goof ball.

CHUNKY KONG (CONT'D)

Oh my god this potion is making me
go into the stars and into the sky.
And I can see Candy's house from
here.

Chunky continues to scream and all of a sudden the other
kongs on the island start looking up and they are all shocked
and dumb founded.

FUNKY KONG

What in the hell is going on out
there?!....

Chunky keeps on falling down and he all of a sudden lands on
another kong's hut and destroys it very badly. And a lot of
bananas start splashing and Watermelons and pinapples are
destroyed as well.

RANDOM KONG 2

Oh my god my watermelons.

All of a sudden Cranky finally appears with his walker and he
starts laughing at the Kong.

CRANKY KONG/DONKEY KONG SR.

That is revenge for saying that my
potions and my inventions stink you
little piece of monkey shit!!!!!

RANDOM KONG

Jesus Christ Cranky. I still stand
by what I said that your potions
really suck and that they don't
cure or make any of us stronger.
And also I don't care that you are
the original "Donkey Kong"

CRANKY KONG/DONKEY KONG SR.

Really?!...you don't fucking think
I'm the original Donkey Kong, the
monkey and gorilla that built this
island and made it what it is now.
So that someone like you can sit on
your big lazy butt scratching ass
and have no job around here. Now
that I think about it...You don't
deserve my potions. And you are
nothing but a weakling!!!!!!...Come
on Chunky you did a good job
destroying this person's house so I
can get my bananas coins back from
this "gorilla"

RANDOM KONG 2

Did you just call me a
weakling!!!!....

CHUNKY KONG

I thought that potion was going to
be help me become a wrestler?

CRANKY KONG/DONKEY KONG SR.

Oh no, no, no it will just give it
time. Starting....now!!!!!!...

The kong gets really angry and begins to attack Cranky and Cranky dodges a couple of his attacks and whacks him in the face with his cane and knocks him to the ground.

And the random kong starts getting really angry and really mad.

CHUNKY KONG

Oh shit I think he is starting to
get really mad Cranky.

RANDOM KONG 2

Oh I'm going to kick both of your
asses for destroying my hut and
stealing banana coins.

CRANKY KONG/DONKEY KONG SR.

Well then...you can defiantly kiss
my old gorilla ass you over
privagled.

The angry kong does an angry kong does a gorilla roar.

CRANKY KONG (CONT'D)

Oh shit...Chunky lets get that hell
out of here!!!!!!...

All of a sudden Cranky hands Chunky a potion and Chunky drinks the potion and Chunky starts going into a giant kong.

CHUNKY KONG

Chunky ah yeah, ah yeah!!!!!!...

The random kong does another roar.

CRANKY KONG

Chunky please pick me up and make
sure I fucking hang on tight.

All of a sudden, Chunky and Cranky start screaming and yelling and random kong starts chasing them and he starts throwing a lot of fruits at them.

CUT TO:

The chase keeps on going on and Chunky starts damaging a lot of things and does a lot of jumps. And jumping from plam tree.

Cranky starts screaming and yelling.

Cranky drinks another potion out of his pocket. As he is in Chunky's pocket.

CRANKY KONG/DONKEY KONG SR. (CONT'D)
 Good job Chunky. Make sure you turn back and start putting your muscles to work.

CUT TO:

Chunky is on top of the plam tree.

CHUNKY KONG
 But I don't want to hurt him Cranky.

CRANKY KONG/DONKEY KONG SR.
 But Chunky you must man up and kick his ass very badly because he is cowardly son of a bitch and...

All of a sudden the angry kong shows up and he is also a giant as well Cranky's eyes expand in amazement.

CRANKY KONG/DONKEY KONG SR. (CONT'D)
 And he kind of looks like a big ugly shit head as well....oh my god!!!!!!!!!!...

The angry kong tackles Chunky really bad and damages a lot of other property as well.

And the angry kong throws a lot of punches and kicks and Chunky avoids all of them. And Chunky punches him in the face and kicks him in the stomach. And the angry kong grabs a branch and does another monster roar.

CRANKY KONG/DONKEY KONG SR. (CONT'D)
 Holy shit the son of a bitch has palm tree in his hand. Chunky look out!!!!!!!!!!....

Chunky avoids the palm tree attacks and Chunky grabs a plam tree and Chunky grabs a giant crystal coconut and he starts throwing 40 of them at the angry kong and the angry kong starts roaring.

CUT TO:

Other kongs see what is going on and Chunky fighting the random kong.

SWANKY KONG

Oh Jesus Christ!!!!!! Don't mess
with the volcano!!!!...

CUT TO:

Chunky keeps on fighting the angry kong and throwing punches at him and kicking him.

CRANKY KONG/DONKEY KONG SR.

Yes, keep going Chunky and show him
who is boss and give him a huge ass
kicking!!!!

Chunky dodges more attacks and Chunky punches the random kong in the face and knocks out and he lands in the water. And he is screaming there is a huge splash as well.

CUT TO:

Chunky all of a sudden gets back to normal size and Chunky and Cranky start screaming and they also land in the water. And there is also a huge splash as well.

Chunky and Cranky swim back to shore.

CHUNKY KONG

Does this mean we won Cranky?

CRANKY KONG/DONKEY KONG SR.

Oh yes Chunky we defiantly won. And
this ass kisser got we deserved as
well and today just proved that my
potions are the best.

The angry kong gets out of the water.

RANDOM KONG 2

You won't see the last of me, you
old gorilla, you will hear from me
again.

CRANKY KONG/DONKEY KONG SR.
 Oh shut the hell up. You know this
 was coming and you lost and lost
 big time little shit!!!!!!....

CRANKY KONG/DONKEY KONG SR. (CONT'D)
 Come on Chunky I will take you out
 for fish and shrimp and other food.

CHUNKY KONG
 Oh thank you Cranky. Chunky love
 fish and food. Yeah!!!!!!....

CUT TO:

Back to the present with Chunky with Tiny and Wrinkly.

WRINKLY KONG
 Oh Cranky, he is always causing
 trouble and making his potions
 again and getting into fights with
 other kongs on the island. And then
 uses kids like you as his pupils or
 so. Oh christ!!!!!!....I am very
 sorry that you got mixed in with
 that scheme and Chunky please stay
 in school.

CHUNKY KONG
 But it was fun and I got to eat a
 lot of fish and shrimp and other
 fruit drinks as well.

WRINKLY KONG
 No Chunky, it is not a good thing.
 Cranky just...oh dear. Just no. I
 am going to have a very long talk
 with Cranky. Just go home...

CHUNKY KONG
 Yes Wrinkly.

TINY KONG
 So is it true. He is going to tell
 a very important story to all of us
 Wrinkly?

WRINKLY KONG
 Yes it is very true. Just you kids
 run along.

TINY KONG
Alright okay.

CUT TO:

Chunky and Tiny walking around the island and going home.

TINY KONG (CONT'D)
Chunky I can't believe you helped
Cranky with that one kong and he
gave you food as well.

CHUNKY KONG
Yeah. I am also really excited for
the story he is going to tell us as
well. Well Donkey be there?

TINY KONG
I doubt it. He is probably off
somewhere drinking a lot of banana
milkshakes and swimming and eating
watermelons and berries and Dixie
is with them.

Chunky and Tiny keep on walking.

CUT TO:

All of a sudden the song Classic by the Knocks and Powers
starts playing in the background.

All of a sudden, Diddy and Donkey Kong are doing a lot of
crazy around Kong Island. And Dixie is joining them.

CUT TO:

Donkey and Diddy start drinking a lot of banna milk shakes
and eating a lot of watermelons and pinnapple.

CUT TO:

Donkey and Diddy start climbing a lot of trees and jumping
into the ocean and swimming in the water. And Dixie jumps in
the water.

DIXIE KONG
Wahoooooooooooooooo!!!!!!!!!!!!.....

All of a sudden they are floating in the water.

DONKEY KONG III

Oh guys this is the life, why the hell would anyone leave this island, it's so fun and wonderful and fantastic here.

DONKEY KONG III (CONT'D)

And also I believe Cranky just doesn't understand.

DIDDY KONG

Yeah I hear Donkey. So we should start swimming back?

DONKEY KONG III

Oh fuck no, I think we should be in this water for a while. And I don't think nobody knows that we are here either.

DIXIE KONG

Well almost no one.

DONKEY KONG III

What do you mean Dixie?

Donkey and Diddy turn back and all of a sudden they are turned on as they see another monkey that is female and she looks very human such as cleavage and blonde hair.

DIDDY KONG

Ah yeah yeah, now she is really hot and really beautiful.

DONKEY KONG III

Oh yeah I agree.

All of a sudden the song Sparks by Hilary Duff plays as Candy starts swimming in the water.

And the whole scene is in slow motion as Candy is flipping her hair and Donkey notices all the girly features on her and Donkey is looking at her in amazement.

DIXIE KONG

Well don't just stand there. Go up to her!!!!...

DONKEY KONG III

Alright okay you guys.

All of a sudden Donkey starts swimming towards her.

DONKEY KONG III (CONT'D)

Oh hey. What's up? Are you enjoying the water?

CANDY KONG

I am really enjoying the water Donkey. And I didn't even think I was even going to see you today? Especially because Cranky is telling a big time story to the entire Island.

DONKEY KONG III

Oh I ain't going that. Cranky always tells the most stupidest things. I believe I'm going to ditch the story time event.

CANDY KONG

Donkey, seriously you have to stop doing this, you can't be lazy and be swimming eating a bunch of ass loads of fruit all the time. Come on you have to go to the human world, every kong has to at some point. Hell I know I did, Hell I was even a human once.

DONKEY KONG III

Well don't you freaking mess being a human and being in a city somewhere and not being able to see your parents.

CANDY KONG

No because my life as a human was boring as hell. And I also had to wear clothes all the time and my parents didn't approve of all the outfits I wear, you are lucky that Cranky lets you not wear any clothes at all and only a red neck tie.

DONKEY KONG III

Hey this neck tie is a tradition baby, and I....Oh fuck your right I don't why the hell Cranky makes me wear this tie and shit, I'm technically not butt naked...God damn it!!!!!!

CANDY KONG

But if you are really interested in ditching Cranky. We can go to a magic show and meet up with Funky Kong.

DONKEY KONG III

Oh that would be awesome and really wonderful Candy. I'm so in.

CANDY KONG

Good I knew that would get your attention really well.

Candy starts swimming to shore and Donkey starts following her out of the water.

DIDDY KONG

Should we fallow them?

DIXIE KONG

No, let him have his fun, he really needs it.

DIDDY KONG

Oh shit I really don't believe this is not going to end very well. Ah dear!!!!!!....

CUT TO:

INT. CRANKY'S HUT - AFTERNOON

All of a sudden, a lot of Kongs start coming to Cranky and Wrinkley's hut.

CUT TO:

Wrinkley and Cranky start setting up a lot of drinks and food such as beef, fish, and other sorts of meat and drinks.

WRINKLY KONG

Cranky you sure really want to tell this story to all out grand kids. Besides this story might not appropriate for them.

CRANKY KONG

Of course I'm going to tell this story, kids today do not even know what the outside world is like.

(MORE)

CRANKY KONG (CONT'D)

They all focus on playing in the beach, hooking up with lady kongs and have sex, and playing bongos and eating 9 million bananas each fucking day. And not educating themselves at all.

WRINKLY KONG

But aren't you worried they will be just like Junior, where we haven't seen him in almost a decade.

CRANKY KONG

Well how he left this family was different and not honorable. And I can never understand why he loved math and tennis a lot. And soon, I will make a potion that will turn all of us into human and make it be where we can travel to both the human world and come back here.

WRINKLY KONG

Cranky are fucking crazy. That is super dangerous.

CRANKY KONG

No it's not. You have just been in the education sector for too long.

WRINKLY KONG

And you haven't read a book in 20 years as well.

CRANKY KONG

That's not true. I read all the time.

The other kongs begin to come and Tiny and Chunky are the first ones and then Lanky comes and Diddy and Dixie comes around.

CRANKY KONG (CONT'D)

Well hello my grand kids and family. I am super glad that all of you butt scratching, feet touching, hair picking, fruit eating, and smelly grand kids are all fucking here. Because I know all of you have an ass load of cob-webs in your little tiny brain as well.

CHUNKY KONG

What?!....Chunky no have tiny brain.

TINY KONG

Yeah I'm smart and I'm one of the smartest people in my class Cranky!!!!!!...

CRANKY KONG

Yeah smart my big, old, wrinkly, gorilla asshole you are!!!!!!! Yeah talk to me when you become an adult and hit puberty young lady and grow brains. Jesus Christ!!!!!!!!!!!!....

CUT TO:

Diddy face palms himself.

DIDDY KONG

Oh hell this is really not going to be very good, I believe Donkey was right not to come to this.

DIXIE KONG

It's okay don't panic Diddy, Cranky does not know....yet!!!!!!...

CUT TO:

All of a sudden, a lot of of Kongs are talking and making a lot of noises and talking really loud. All of a sudden, Cranky starts getting mad and angry out of all the noises.

CRANKY KONG

Alright everyone and be quite and stop acting like a bunch of brain dead and social idiots. And shut the fuck up!!!!!!!!!!!!....

All of a sudden all of the Kongs are silent and they all sit down.

CRANKY KONG (CONT'D)

Now all of you, now before I begin my story. We still have to wait for one member of the family to come.

All of a sudden all of the kongs all said "Awe" in big time disappointment.

DIDDY KONG

Oh no. Are you fucking serious
Cranky. How the hell long is that
going to take?!....

CHUNKY KONG

Yes and Chunky can't sit down for
very long, I get hungry and have to
go to the rest room.

And more of the kongs are talking and saying a bunch of crazy
stuff. And Cranky gets fed up and mad.

CRANKY KONG

All right everyone Shut
up!!!!!!!!!!!!.....

Cranky all of a sudden starts playing his radio really loud
and the other kongs cover their ears.

CRANKY KONG (CONT'D)

Alright listen up you lazy kongs,
all of you are going to be here and
like it and if you have to go to
the bathroom, then go to the
fucking bathroom and then eat
something, Wrinkley and I made a
lot of food. And we are all going
to wait for Lankey to come here,
even if this goes all night.

TINY KONG

Ah Jesus!!!!!!!!!!!!.....

CRANKY KONG

One more thing from you missy and I
will ground you for 9
years!!!!!!!!!!!!.....And then take away
your clothes as well.

TINY KONG

What?!...That's not fair, I want to
be wear clothes and I don't want to
be butt naked!!!!!!!!!!!!.....

CRANKY KONG

Then shut up then!!!!!!!!!!!!.....

Tiny gets really flustered and sticks her tong out at Cranky.

DIDDY KONG

Oh come on waiting for this Lankey
kong or monkey can't be that bad.

(MORE)

DIDDY KONG (CONT'D)
 If anything, he will be here very
 soon.

Tiny looks at Diddy talking.

TINY KONG
 I doubt that Diddy.

All of a sudden, the other kongs start hearing a lot of
 monkey foot steps and hear a lot of Lanky's noises.

All of a sudden the other kongs turn back.

DIDDY KONG
 What the fucking hell was
 that?!....

CHUNKY KONG
 I don't know Diddy. But chunky can
 tell something is very wrong about
 this little monkey.

DIXIE KONG
 I think wrong is a big time
 understatement with this one...

The foot steps get closer and closer to the door.

TINY KONG
 Oh god!!!!!!!!!!!!....

All of a sudden the door opens and Lanky has a really huge
 smile on his face.

DIDDY KONG
 What the hell?!...Who the fuck are
 you?!....

LANKY KONG
 Oh I am here, I am free, free,
 free, I'm free and I'm on Kong
 Island...And I am finally meeting
 my uncle Cranky and aunt Wrinkley
 Yes, Yes, Yes!!!!!!!!!!!!.... Tonight
 is going to be really fun.

DIXIE KONG
 Ah Jesus Christ!!!!!!!!!!!!....

All of a sudden, Lanky sees Cranky.

CRANKY KONG

Ah Lanky you are finally here. At last!!! Finally some positive things tonight.

LANKY KONG

Ah Uncle Cranky...

All of a sudden Lanky jumps up in the air and kicks Cranky in the face and Cranky falls down on his bed.

CRANKY KONG

Ah shit!!!!!!!!!!...

WRINKLY KONG

Cranky!!!!!!!!!!...

CUT TO:

Back to other kongs.

DIDDY KONG

Oh my god. What the hell is happening and why in the hell did he hit him?!...Holy shit!!!!!!!!!!....

All of a sudden, "Mama by lunch Money Lewis" plays in the background.

And Lanky starts doing a lot of crazy and really silly things. And running on his long hands.

TINY KONG

Oh my god he is grabbing a lot of food, we need to stop him.

All of a sudden, the other kongs start chasing Lanky around the hut.

CUT TO:

Lanky starts running around the hut and making a lot of noises and making a lot of silly noises.

Diddy tries to tackle Lanky. And Lanky dodges the tackle and throws Diddy up in the air and Diddy yells and hits the ceiling and falls flat on his face.

Lanky keeps on running and all of a sudden and he starts dancing and spinning around.

LANKY KONG

And I can tell you people don't know how to do silly things.

Chunky starts running after Lanky and tries to grab him and Chunky grabs his leg.

CHUNKY KONG

Chunky do not want you to do bad things like kick Cranky in the face. That is not very nice!!!!!!...

LANKY KONG

I think kicking him in the face and knocking him out is funny.

All of a sudden, Lanky has orange bombs in his hand.

LANKY KONG (CONT'D)

I think tonight needs a little bit of a kick.

DIDDY KONG

Oh my god those are orange bombs. Everyone lock out!!!!!!!!!!!!.....

All of a sudden, Lanky starts juggling the oranges and throwing them at everyone.

TINY KONG

Oh my god, watch out those things are not real oranges and this hut is going to blow up!!!!!!!!!!!! Oh my god!!!!!!!!!!!!

DIXIE KONG

Everyone run out of the hut!!!!!!!!!!!!.....

All of a sudden, the other kongs start running out of the hut. And the orange bombs are chasing them.

They run out of the hut and all of a sudden, Cranky and Wrinkly's hut explodes and all of a sudden there is a huge explosion.

And all of a sudden as the hut explodes, a lot of the other Kongs fly up in the air and they start screaming and yelling and they start flying into the sky and a lot of their clothes fly off of them.

TINY KONG

Oh my god this is really terrible I really do not like this cousin that we haven't meet. And we are all naked!!!!!!!!!!!!

DIDDY KONG

What the hell difference does it make!!!! Cranky grounded you and took away your clothes anyway.

TINY KONG

Just shut up Diddy!!!!!!!!!!

DIXIE KONG

Ah guys I believe we have another huge problem.

CHUNKY KONG

Like what?!.....Oh no!!!!!!!!!!.....

And they start screaming as they see a huge pot of Lanky making a huge watermelon milkshake with purple berries.

DIDDY KONG

Oh my god!!!!!!!!!!.....

They keep screaming and yelling as they start falling into a giant pot of the watermelon and purple berries milkshake.

And Lanky starts laughing and cracking up.

LANKY KONG

Yes my milkshake and being silly is complete yes!!!!!!!!!!.....

CUT TO:

All of a sudden, Cranky starts waking up from being knocked out.

CRANKY KONG

Ah Jesus Christ my head!!!!!! Oh my god!!!!!!!!!!.....What the?!.....

CUT TO:

All of a sudden, the other kongs are in the pot and they are freezing and feel the milk and liquid coconuts fall into the pot along with watermelon and berries.

TINY KONG

Hey overalls let us out of here!!!!!!!!!! And give us back our clothes as well!!!!!!!!!!.....And if you don't I will tackle you and kick you in the monkey privates and kick your orange monkey ass!!!!!!!!!!.....

LANKY KONG

No I will little monkey, I just want to use some monkey sent in my milk shake to serve the rest of the monkeys on this island.

DIDDY KONG

Oh my god that's just nasty and that's just not right. What the hell is wrong with you?!....

DIXIE KONG

And yeah, even though all of us don't like Cranky very much, he is still our grandpa and you shouldn't have kicked him in the face. And we do not kick people in the face here.

Lanky keeps on cracking up and laughing.

LANKY KONG

Oh you guys truly don't know do you?

CHUNKY KONG

Like what Orange monkey?

All of a sudden Cranky walks out of his hut and he is also laughing as well. And Cranky gets out an old camera and takes a picture of all of them.

TINY KONG

What the hell?!...Cranky your alive but we thought that...

CRANKY KONG

A real thing? Ah no, this was all planned and staged and Lanky and I were talking and we had to do some sort of staged joke in order for all of you idiots to listen.

Cranky starts laughing and cracking up.

LANKY KONG

Oh yeah it was so funny they all tried to get me, but it didn't work...

Lanky also starts cracking and laughing as well.

LANKY KONG (CONT'D)

Nice try you Kong monkeys and gorillas. I have no style, I have no grace, and I have a funny face, and stretch my arms for all of you, and handstand, and I can also turn myself into a balloon as well. I will even show all of you.

Lanky all of a sudden starts blowing up and he makes one of his signature sounds and he starts floating up into the air.

And all of a sudden, Lanky begins to pop and he starts blasting everywhere and making a lot of awful and raunchy noises.

And Lanky falls flat on his face and all of the other kongs and Cranky does an "awwwwwwwe"

DIXIE KONG

Oh my fucking god now that is just gross and disgusting and now he is butt naked. Oh my god!!!!!!...

All of a sudden Lanky begins to flap his arms and hands and does another signature sound.

And Lanky starts cracking up and laughing and he starts dancing and doing a lot of crazy dance moves.

DIDDY KONG

Oh my god, nobody wants to see that man. Ah dear!!!!!!!!!!!!....

CHUNKY KONG

Also can you let Chunky and his friends out of this pot and give us our clothes back as well Mr. Orange monkey? That also loves to be funny.

LANKY KONG

Yeah sure why not, I think we are all naked at this point, and we are even we need start putting our clothes back on.

CUT TO:

Everyone has their clothes back on.

And Cranky's hut reaperas again.

CRANKY KONG

Alright everyone lets finally go
inside and me tell my story.

CUT TO:

All the other Kongs begin to walk into Cranky's hut.

DIDDY KONG

So where the hell did you come from
anyway?

LANKY KONG

Oh well I came another monkey
island that was just like yours.
But they didn't really approve my
goofy and silly and really crazy
behavior. And so I got kicked out.

DIXIE KONG

And how are you related to us?

CHUNKY KONG

Yeah because chunky can't figure it
out.

Cranky will ground me and not allow
me to wear clothes anymore.

CANDY KONG

I don't know, not wearing clothes
is not such a bad idea, and that
doesn't sound so bad as a
punishment. I mean Donkey doesn't
wear any clothes.

LANKY KONG

We can either do this the easy
way....or we can do this the hard
way Donkey.

DONKEY KONG III

The hard way?!....Yeah fucking

Donkey gets even more scarred. And Donkey keeps on running.

Donkey keeps on running and he avoids and dodges all of the
nuts and coconuts getting thrown at him.

Lanky keeps making his signature noises and keeps on throwing

LANKY KONG

Oh I think not.

Lanky starts throwing a lot of punches and kicks at Donkey

TINY KONG

Give up Donkey. It's all over, we have your friend, girlfriend and everything. Don't try to escape or do any more stupid things. And I do not want to be grounded and get my clothes taken away.

DONKEY KONG III

Tiny!!!!!! , We live on Kong Island, there is no rule on this island saying you have to wear clothes on this island. Plus capturing me and taking back to Cranky won't change anything.

TINY KONG

Very well then Donkey...PIG PILE HIM!!!!!!!!!!!!.....

DONKEY KONG III

Ah fuck!!!!!!!!!!!!.....

All of a sudden, Donkey tries to run by Chunky and Lanky grab him from his arms and Donkey tries to get free.

DONKEY KONG III

The hell he does!!!!!!!!!!!!.....

DONKEY KONG III (CONT'D)

And also, if I get in trouble it's not going to be by some sort of piece of shit like you!!!!!!!!!!!!.....

LANKY KONG

Why you keep trying to get free,
Don't you believe Cranky is a good
grandpa?

DONKEY KONG III

Oh hell no I don't. That old fart
has never done anything good to me,
also I hate how he wants me to
continue stupid traditions such as
kidnapping people.

CHUNKY KONG

But having monkey with sun glasses
and having naked female money in my
pocket is fun.

DONKEY KONG III

No Chunky it's not man. Come blue
overalls just let me go. Come on,
maybe we can have some sort of
deal.

LANKY KONG

Let me think about that...How about
no!!!!!!....

DONKEY KONG III

Oh shit, Oh come on man, Don't do
that we can talk about this, hey,
hey, Don't fucking do this

All of a sudden, Tiny bitch slaps Donkey really hard and
knock Donkey out. And all of a sudden they place, Donkey,
Funky, and Candy in a bag.

TINY KONG

Finally we got them, lets get out
of here and get them back to
Cranky's house.

Chunky eats a crystal coconut and turns into a giant and
grabs the bag and puts the bag in his pocket.

LANKY KONG

Finally our task is done and over
with.

And all of a sudden, Tiny and Lanky go into Chunky's pocket
and they climb on top of him, and Chunky begins to walk back
to Cranky's hut.

CUT TO:

INT. CRANKY'S LAB - NIGHT

All of a sudden, Chunky lifts up Cranky's roof and places Donkey, Candy, and Funky on the floor.

TINY KONG

Oh damn!!!!!!!!!! What the hell did he make us get him then if nothing was going to happen?! God Damn it!!!!!!!!!!...

Chunky, Lanky, and Tiny begin to walk away.

And all of a sudden, Cranky goes up to Donkey and he lifts the bag off of his head.

DONKEY KONG III

Ewwwwwwwww of my god, gross, that smell in that freaking bag was very disgusting.

CRANKY KONG

Well hello Donkey, you really thought you could avoid your grandpa and grandma's lesson and by going to the magic show with a bunch of dumb apes like you.

DONKEY KONG III

Um...yes...

CRANKY KONG

Well that ain't going to happen DK!!!! And you really need to hear this story in order to become a gorilla.

DONKEY KONG III

Don't you mean become a man?

CRANKY KONG

No...Alright okay...yes man...And you will lesson and sit your fucking ass and if you don't I will make you drink one of my potions and have you shrunked down and put you in a bottle.

DONKEY KONG III

That don't make sense, wouldn't you do that to tiny?

CRANKY KONG

And I would do it to you as well.

DONKEY KONG III

Cranky this is bull shit, Why we do all have to be in your hut and lesson to this story. You tell so many stories with just me here. So why all the other monkeys?

CRANKY KONG

Because Donkey, It's not about me, it's about your dad and learning about him because I made mistakes with your dad Junior and I don't want you to be a whimp like he was. And that's I tell you to be smart, go to school, and graduate and then maybe be a big gorilla and kidnap a female human.

DONKEY KONG III

But that is awful and terrible and I really don't want to do that. Plus I don't think humans are that bad Cranky.

CRANKY KONG

Ooooooooooh humans are not that bad you say?!....I am very certain you don't know what the real world is like outside of Wrinkly's classroom that you have skipped over 90 times this Kong school year!!!!!!....

Donkey Kong smiles and he starts laughing.

Cranky gets really annoyed and he picks up a plastic glob and hits Donkey in the head really bad.

DONKEY KONG III

Owwwww!!! Jesus Christ what was that for?!.....

CRANKY KONG

That was to hit your brain and whack in the head because you are to obsessed with your own stupidity!!!!!!! My fucking god Donkey!!!!!!!...Alright this is very simple, lesson to my story or you are fucking grounded!!!!!! And that's means you can't see well.....What's her face in the other bag.

CUT TO:

Candy and Funky get the bags lifted off of them.

CANDY KONG

Finally I can see where the hell we are.

FUNKY KONG

Yeah where are we anyway?

Cranky all of a sudden, throws a coconut at Funky and whacks him in the head.

FUNKY KONG (CONT'D)

Owwwwwww!!!!!!!!!!!! Jesus!!!!!!!!!!...

CRANKY KONG

Your in my hut on Kong Island you dumb sunglasses wearing, suffer no good piece of shit!!!!!!

CANDY KONG

Why in the world did you hit him?!...

CRANKY KONG

Because he needed to be taught a lesson the hard way.

DONKEY KONG III

Cranky just let my friends go home, they don't want to hear this story.

CRANKY KONG

No DK!!!! You are in trouble, and they will be in trouble with you, now go to the living room and grab a seat.

DONKEY KONG III

Alright fine, what ever!!!! Come on guys. I'm sorry you have to meet my family like this.

Donkey and his friends start walking to the other area of the hut.

CUT TO:

All of a sudden, everyone is in the room. And Cranky and Wrinkly come to center of the room.

CUT TO:

Donkey with Candy and Diddy and Dixie and sitting with them.

DIDDY KONG

Your escape plan didn't work?

DONKEY KONG III

Unfortunately it did not because Tiny, Chunky, and well.....

Donkey does a sigh.

DONKEY KONG III (CONT'D)

The red and orange monkey was with them and they caused an ass load of trouble and kidnapped Candy, Funky, me and took them here.

DIDDY KONG

Yeah I believe I had to tell them where you were sadly.

DONKEY KONG III

WAIT WHAT?!....DIDDY WHY?!.....

DIDDY KONG

Because Donkey the old man was going to take away my kongo blasting privileges.

DONKEY KONG III

You mean to tell me that reason I got kidnapped by Chunky, Tiny, and Jesus the red and orange monkey.

DIDDY KONG
His name is Lanky.

DONKEY KONG III
What ever!!!!!! The reason they all
jumped me was because you told
him?!...Diddy this is all your
fault!!!!!!....

DIDDY KONG
I couldn't help it Donkey.

CANDY KONG
Stop it you two, before you get
grounded and be able to see me and
Funky.

FUNKY KONG
Yeah, And then you wouldn't be able
to do any suffering with me and eat
a bunch of fruits and look at other
female kongs on the island.

All of a sudden, Tiny hears what he says and bitch slaps.

FUNKY KONG (CONT'D)
Owwwwwwwww mother of god!!!!!! What
I do?!....

TINY KONG
You are not being a gentlemen and
you have a very twisted and cob
webbed mindset!!!!!! And I'm sure
your brain is the shape of a
rhino's pennis.

FUNKY KONG
Oh come on, that is totally
uncalled for, And I am a wonderful
human being.

CUT TO:

Chunky and Lanky come towards Candy.

CHUNKY KONG
Ah yeah yeah yeah. This monkey is
beautiful and very sexy and has a
powerful monkey booty as well.

LANKY KONG
Yes I agree, I would love to
massage her and go all in on her.

Lanky all of a sudden starts to touch Candy. And he starts massaging Candy.

CANDY KONG

What the?!...What the fucking hell are you doing?!...and I don't like to be touched by strangers. And by strange monkeys and gorillas like you.

LANKY KONG

Ooooooh we are not strangers, we all like to have fun and goof around and be silly and check out female monkeys like you and touching and laughing is always good as well. And I would love it if you gave me some sugar.

CHUNKY KONG

And then I can help orange monkey and female monkey find private area or private room and help them get it on.

CANDY KONG

Oh my god!!!!!! You guys are sick especially you with the overalls.

LANKY KONG

Oh come on, I know you want me touch you head to toe with my long stretchy hands and arms.

Donkey turns around.

DONKEY KONG III

Hey orange red dork, get the hell away from her and stop harassing her or I will come over there and beat the living the shit out of you, I don't care if Cranky likes you dip shit!!!!!!!!!!

LANKY KONG

Oh come you don't want to say that to your cousin Lanky.

DONKEY KONG III

Jesus I'm going to kill you!!!!!!....

CANDY KONG

Just ignore him.

DONKEY KONG III

I'm sorry you had to be bothered by
all of these people you guys.

FUNKY KONG

Hey man it's not so bad I love the
food here a lot. I believe I may
have a crush on the female monkey
with the hat, she looks hot.

All of a sudden Dixie hears Funky and she whacks Funky in the
head with a bamboo stick and throws 40 mangos at Funky.

FUNKY KONG (CONT'D)

Owwwwwwwwww what the hell?!....

DIXIE KONG

That is my sister you are talking
about and you will not be hitting
on her!!!!!!....

FUNKY KONG

Oh come on, you're just jealous
because she looks more put together
and she can be a beautiful and
gorgeous lady. I need a queen in my
gorilla, kong hut. And she needs to
be my queen.

DONKEY KONG III

Oh god....Funky!!!!!!....ah
shit!!!!!!....

All of a sudden, a big scuffle takes place and Dixie tackles
Funky and a big fruit fight takes place inside of Cranky's
head

And a lot of chaos is happening.

CUT TO:

Funky starts screaming and yelling as Dixie is chasing Funky
and throwing fruit at him.

DIXIE KONG

That's what you're going to get for
hitting on my sister you smelly

Funky keeps on screaming.

FUNKY KONG

DK Help me she is going to kill
me!!!!!!....

The fruit fight keeps on going.

CUT TO:

All of a sudden, the song "we are family by Sister sledge" starts playing in the background.

And fruit fight keeps on going on.

CUT TO:

Diddy is screaming and yelling and Donkey catches up with him.

DONKEY KONG III

You happy now, now our family has caused a fruit fight!!!!!!...This would never happen if you just kept your damn mouth shut!!!!!!...

DIDDY KONG

So it's my fault, I want to preserve my things I treasure. Why does everything always have to be about you?!.....

DONKEY KONG III

Things are not about me all the time.

DIDDY KONG

Yes they are!!!!!!...

DONKEY KONG III

Since when?!.....

DIDDY KONG

I don't know, you never like to do things I like to do.

DONKEY KONG III

That's because I'm too big to go bongo blasting and I would break your bongo blasts that cranky builds for you.

DIDDY KONG

I really am sorry, I just want to be out of this just as much as you do. I just don't have the guts to stand up to Cranky like you do.

CUT TO:

The fruit fight keeps on going and Candy tries to look for hiding.

Candy all of a sudden, sees Chunky and Lanky and they are smiling.

CHUNKY KONG
Lets big pile and take off the
female monkey's clothes off.

LANKY KONG
Yes I agree.

CANDY KONG
Uh oh!!!!!!.... Oh fuck!!!!!!...

Chunky and Lanky start chasing Candy and Candy starts screaming and yelling.

And all of a sudden Lanky does one of his signature sounds and jumps on Candy.

CANDY KONG (CONT'D)
Get off of me you crazy
monkey!!!!!!....

LANKY KONG
Ah yeah yeah yeah, it's time to
take off your clothes off. And put

sister. What was I suppose to
do?!...

DIXIE KONG

Not hit on her jack ass!!!!!!....

Tiny shows up.

TINY KONG

And I am also not interested in you
as well.

DIXIE KONG

Lets tie him up.

FUNKY KONG

No, no, no ladies, ladies, ladies,
lets not go there....No, no, no,
no.

Funky keeps on yelling and screaming.

And they all start tieing up Frunky.

FUNKY KONG (CONT'D)

Help me, Somebody help me!!!!!!

As they tie him up, they start grabbing some of Cranky's
drinks and dumping all of them Funky.

FUNKY KONG (CONT'D)

DIDDY KONG

No Dixie, bad Dixie, he does not deserve to get beaten up for hitting on a monkey. And I need to save one of Donkey's friend.

DIXIE KONG

Why are you becoming friends with someone who is not smart and just does stupid things.

DIDDY KONG

We do stupid things with Donkey all the time Dixie. And what you and Tiny were doing to Funky was just....not right and un called for....

FUNKY KONG

Thank you so much for saving me Diddy, Just please un tie me, and please get some water on me cause I smell like watermelon and lemon as well.

DIDDY KONG

Yeah sure thing Funky.

DIXIE KONG

Don't encourage him Diddy!!!!

DIDDY KONG

I'm not encouraging him I'm just telling I'm going to clean him up and get him all clean.

Dixie keeps on chasing Diddy.

And the chaos keeps on happening and all of them throwing fruit and other liquids at each other.

And the other animals get into the hut.

CRANKY KONG (CONT'D)

Alright I don't care if all of you do not like each other or give a flying rat's ass about each other. All of you are going to sit down and shut the hell up, otherwise if you don't your punishment will be to do chores by working in my lab for a year!!!!!!!!!!!!!!!!.....

The kongs finally sit down.

RAMBI THE RHINO

Is it okay if we join Cranky?

Cranky turns back and sees the animals.

DONKEY KONG III
This is Funky and this is Candy.

CANDY KONG
Pleasure to meet you.

ELLIE THE ELEPHANT
Pleasure to meet you as well. Oh
dear you don't have any clothes on.

CANDY KONG
Yeah that's because big chunky and
silly orange monkey destroyed my
clothes.

ELLIE THE ELEPHANT
Well for now, you can hide behind
my feet if that makes you feel any
better.

CANDY KONG
That would be awesome thank you.

CUT TO:

Cranky in the middle of the room.

CRANKY KONG
Alright is everyone all settled in?

Nobody says anything.

CRANKY KONG (CONT'D)

Alright good, now everyone shut up,
Alright I am going to tell all of
you about my story on how I Cranky
came here to Kong island when I was
younger and my experience with the
outside world.

FADE TO:

EXT. THE CENTRAL PARK ZOO IN NEW YORK CITY - AFTERNOON

All of a sudden, there a young man that is working in the
bathroom and he is working as a gentlemen and he is listening
to his music on his Iphone.

And all of a sudden the young man is dancing.

MARIO

Well sounds like I got another
bathroom done.

Mario keeps on working and working as a janitor and plumber.

Mario keeps on working and all of a sudden he starts texting
Lugi.

Mario keeps on walking and he goes on his lunch break. And
all of a sudden he sees a younger version of Cranky getting
into a cage and Cranky starts making a lot of monkey noises.

ZOO KEEPER

Alright monkey in you go.

CRANKY KONG (V.O.)

I was just a normal monkey and I
wasn't from Kong Island and I was
from south Africa.

CUT TO:

All of a sudden there is a story sequence where they show the
zoo keepers finding Cranky and Cranky starts running and they
finally grab him through really tough ropes and Cranky starts
making noises.

And the zoo keepers also grab another child gorilla that was
with him and he was also making noises. And they both end up
getting captured.

CRANKY KONG (V.O.) (CONT'D)
 And also dad was with me as well
 Donkey.

CUT TO:

Both gorillas are inside of the cage and Donkey Kong Sr. is really mad and really angry on his face.

And Donkey Kong Sr. starts breathing in anger.

CRANKY KONG (V.O.) (CONT'D)
 And also back then I really thought
 evil was best and being awful and
 being sell-fish was the better way
 when it really wasn't and boy was I
 wrong.

DONKEY KONG SR.
 Oh my god I really want to get
 revenge on all these humans for
 trapping me in here and destroy
 everything make them all
 pay!!!!!!! And nobody is going to
 get in my way.

YOUNG DONKEY KONG JUNIOR
 I don't know dad being in this cage
 is not so bad.

DONKEY KONG SR.
 No it is not son!!!!!! Monkeys and
 gorillas should never be in a
 freaking cage. We all have to
 dominate and be the kings of the
 jungle. And we need to kidnap
 female humans as well and use them
 as ransom against the humans.

YOUNG DONKEY KONG JUNIOR
 Dad that sounds awful and evil.

DONKEY KONG SR.
 Thats because us Kongs are suppose
 to be evil and be angry and be
 dominate kings of the jungle. Ah my
 god, you just don't get it.

YOUNG DONKEY KONG JUNIOR
 Dad, do you think mom knows that we
 got kidnapped by humans.

DONKEY KONG SR.

Junior I'm sure she does. And we are going to escape.

YOUNG DONKEY KONG JUNIOR

But I like the zoo.

DONKEY KONG SR.

No, No, No, Fuck no, we are going to escape and we will kidnap a female human and you will help me!!!!!!!!!!...

DONKEY KONG III (V.O.)

Wait so dad didn't want to help you on your first plan on kidnapping human girls.

CUT TO:

A huge scratching sound effect. And the kongs and animals in the hut.

CRANKY KONG

Yes he didn't want to help because was focused on other things.

FUNKY KONG

Yeah no offense old man, but this does not sound like a very good bed time story.

ELLIE THE ELEPHANT

Yeah and kidnapping female human girls sounds wrong.

CRANKY KONG

Well it's my store and I'm going to keep going. So all of you shut it!!!!!!!!!!...So anyway later that day....

CUT TO:

Mario gets done with his job and he clocks out and he starts going home. And he goes into truck and he starts driving home to Brooklyn.

And Mario looks at the New York City skyline.

CUT TO:

Mario gets home and he takes off his overalls and gear off and he is wearing sweats and a T shirt.

And Mario is drinking a beer and he starts playing PS4 in his apartment. And as he is playing, Luigi walks into the door.

LUGI
Hey Mario.

MARIO
Hey Luigi.

LUGI
How was your day at the zoo?

MARIO
Same as always. And I believe I saw a new gorilla at the zoo and it's son being displayed.

LUGI
Oh that sounds really wonderful and really exciting.

MARIO
Not really. It looked really angry and not really nice.

LUGI
So what are you playing?

MARIO
Marvel VS Capcoom.

LUGI
Oh thats really awesome.

CRANKY KONG (V.O.)
Little did the boys know, dad and I were planning a big time escape and I had an evil plan on my own. And it just so happened that one of the boys liked the girl I really wanted to kidnap.

CUT TO:

As the security guard locks the zoo, Cranky wakes Donkey Kong junior.

And the song "Watching me" By Michael Jackson plays.

And Donkey Kong Sr picks up a metal bar and he is able to break through the door. And unlock the cage.

DONKEY KONG SR.

Come on son, lets get the hell out
of here.

Senior and junior start escaping out of the zoo and they
start sneaking out of the zoo.

The guards keep on walking left and right and guarding the
place.

All of a sudden, Senior grabs one of the guards and knocks
one of them and throws them into the water.

All of a sudden, the other guards get beat up by senior
Senior has a very evil smile on his face and punches 9 of the
guards and body slams some of them.

All of a sudden Donkey Kong Sr. kicks 5 guards in the face.

DONKEY KONG SR. (CONT'D)

Yeah take that you stupid and
brainless humans. Ha Ha Ha!!!!!!
And soon I will rule the world!!!!!!

Senior does a gorilla sound and he throws a couple of barrels
and he starts causing a lot of explosions and things catching
on fire.

COP 1

Red team we need back up!!!!...

Senior ends up throwing more barrels and knocks out more
cops.

CUT TO:

Senior and Junior keep on running and they get ambushed by
the NYPD Swat team.

Senior does a really huge gorilla roar and he starts causing
a lot of damage and punching and kicking the cops in the face
and picking up the swat cars and destroying them and setting
more things on fire.

More cops keep on shooting at senior and senior gets really
angry and tackles more cops and throws against the sky. And
they start yelling.

Senior keeps on causing a lot of damage and he does another
gorilla roar. And Senior starts running with junior on his
back.

YOUNG DONKEY KONG JUNIOR

So where are we going dad?

CRANKY KONG

Ah shit!!!!!!, ah fuck I can't do it anymore like I could back then. God damn it!!!!!!...

DIDDY KONG

So you and Donkey's dad escaped from central park zoo and then plant a bunch of golden bananas on top of one of the buildings in new York city. Even though you tell Donkey not eat golden bananas all the time. That's god damn retard!!!!!!!!!!....

TINY KONG

Yeah it sounds like you were no different then either of us in this room Cranky.

DONKEY KONG III

And also your story proves my point on why I never want to be like you!!!!!!!!!!....

CRANKY KONG

Well I was very stupid and brain washed and evil back then. Alright anyway...

CUT TO:

Senior and Junior put the finishing touches on the tree house.

CRANKY KONG (V.O.)

Your dad and I finished the tree house with all the golden bananas and then from there we all started looking at the skyline of New York City.

DONKEY KONG SR.

Oh it's beautiful son, just look at it, and very soon, we will rule this city as father and son and we will kidnap a young female woman and none of these humans will stop us.

YOUNG DONKEY KONG JUNIOR

That sounds awesome dad.

DONKEY KONG SR.

Alright son, we must move quickly and find a girl to kidnap and see where she lives and who is guarding her. Lets go junior!!!!!!...

CUT TO:

All of a sudden Donkey Kong Sr. is jumping rooftop to rooftop and doing a lot of flips and backflips and doing extreme jumps. And also jumping high in the air.

All of a sudden, Senior and Junior get to a pen house apartment.

And they stop and they hide in the bushes.

DONKEY KONG SR. (CONT'D)

Oh that's her, that's the girl we are going to kidnap and use her. If only there was a way to track her down.

YOUNG DONKEY KONG JUNIOR

I believe I got something dad.

Junior hands senior a banana with a microchip inside.

DONKEY KONG SR.

Junior that will work and this way, we know her every move and then when the time is right, we will know everything about her and then we will kidnap her.

YOUNG DONKEY KONG JUNIOR

But what about the animal police in the city?

DONKEY KONG SR.

Oh who the fuck cares about them, they won't have a hell's chance in the world to stop us!!!! If anything they will get hurt or killed very badly.

All of a sudden, as Pauline is in the rest room, Senior uses his strength and opens the window and they place the banana in her room.

Junior places the mico chip banana in Pauline's room.

DONKEY KONG SR. (CONT'D)

Perfect good job junior.

Junior gets out of the bed room and Senior shuts the window breaking the window and they sneak off. Pauline comes back and she sees the banana in her room.

PAULINE

What the? A banana on the ground.
Well I am very hungry and I guess I
will eat it.

All of a sudden, Pauline starts eating the banana.

Senior starts to do a soft evil laugh.

DONKEY KONG SR.

Oh we have just begun.

CUT TO:

INT. SENIOR AND JUNIOR'S TREE HOUSE - NIGHT

They also have a computer in the tree house. And Junior is looking at the computer.

YOUNG DONKEY KONG JUNIOR

Well so far, she is still in her
house.

DONKEY KONG SR.

Perfect, soon tomorrow we will
track her and see what she is like
and who she runs into.

CUT TO:

Mario gets up and he gets ready for work and he goes outside his apartment and he goes into his work car and he starts heading to the zoo.

And Mario starts driving to work.

CUT TO:

Mario gets to work and all of a sudden, he sees the damage of what happened.

MARIO

What in the hell happened here last
night?...

Mario gets out of his car and he gets ready for work. And Mario clocks in.

As Mario clocks in and begins to work, he sees a person in a suit.

BROGAN SHARP

Hey you, you with the T shirt, you know what happened to the central park zoo?

MARIO

Ah no I don't I just got here. Who wants to know?

BROGAN SHARP

Well I'm with the New York Times and I need something about the damage here.

MARIO

Well I don't know anything. I know how very un-creditable you guys are. So I'm not telling you anything.

BROGAN SHARP

Well fine, keep going you dumb working class shit head!!!!!!...

Mario keeps on working and doing his job cleaning up bathrooms and Mario starts to see some clues around him.

MARIO

What in the hell?

As Mario keeps on working, Pauline also is there and she walks to Mario.

MARIO (CONT'D)

Can I help you miss?

PAULINE

Yeah I found a banana in my room last night and you work around here all the time. And look I know you don't see women all the time because of how average your job is but I'm not interested in.

MARIO

Oh okay well first of all, I did not put a banana in your room, hell, I don't even know where you live.

PAULINE

Well my dad owns this zoo, so I can get you in trouble and get you fired for trying to hit on me.

MARIO

Look lady, I understand you people don't like people like me that are average looking and everything but you have to believe me, I didn't put a banana in your room.

PAULINE

Well then who did?!...

MARIO

How the hell should I know. Alright...you can maybe watch me all day or so and maybe even force me to go on a date with you or anything like that just to prove I didn't do anything.

PAULINE

I also tasted a microchip or so in the banana as well.

MARIO

Okay seriously I am not a freaking scientist, I am a plumber and a janitor here. And women are not even on my mind. Well at least right now. And even if I was trying to look for a girl right now, I wouldn't use a banana trick.

PAULINE

Well I have my eyes on you and I will follow you everywhere you go.

MARIO

I accept, I got nothing to hide.

PAULINE

Well, I guess we will see about that.

Mario and Pauline both go their ways and Mario keeps on going back to work.

CUT TO:

Mario gets some last work done.

MARIO
Crazy girl....

Mario clocks out and all of a sudden his work car is gone.

MARIO (CONT'D)
What the?!....Holy shit!!!! Where
the hell is my car?!...

PAULINE
I took it. And we are driving in my
car. And you will hang out with me
and go on a proper date with me as
well.

MARIO
Oh my god this sounds really awful
and really stupid!!!! I just want
to go home.

Pauline gets out her cell phone.

PAULINE
I call police then...

MARIO
Oh fuck it, do your worst to
me!!!!!!....

Mario gets into Pauline's fancy car.

MARIO (CONT'D)
So what do we do first anyway?

PAULINE
I will make you look nice and you
will wear a suit and sit with all
my friends and you will have good
manners and I will keep my eyes on
you.

MARIO
You know you have way to big of
expectations on people. And you do
realize not everyone is fancy
right?

PAULINE
Enough, now to my house.

MARIO
Oh god please kill me right
now!!!!...

CUT TO:

Mario is in the car with Pauline and Pauline starts driving.

PAULINE
I am very sure you will really like
where we are going and who knows,
you may like me as well and my
friends.

MARIO
The only thing I want right now is
to go home.

PAULINE
You better watch yourself entry
level job boy. Or I ruin chances
for you to get a head.

MARIO
Ah shit!!!!!!....

CUT TO:

EXT. PAULINE'S HOME IN THE RICH PART OF NEW YORK CITY - NIGHT

Pauline finally parks her car and Mario and Pauline get out
of the car.

PAULINE
And we are not just going in. You
will have to wear a suit and my dad
has an ass load of them for you to
wear.

MARIO
What if I haven't worn a suit
before in my life?

PAULINE
Then you will learn. Come on lets
go.

MARIO
Are you like this with every guy
you date or no?

PAULINE

No, just with you because you always wear your janitor gear and god knows what you people do.

MARIO

Hey, I'm not just some loser that lives with mommy and daddy, I do live on my own with my brother in New York City and yes in one of the boroughs here. And I was not from suburbs either.

PAULINE

I really don't care.

CUT TO:

Mario trying out a suit and tie for the first time.

MARIO

Ah god I look so crazy and really this suit is really not me at all.

PAULINE

You will learn to like it.

Mario starts looking around and he sees some overalls and a red hat and brown boots.

MARIO

Man I really wonder who wears that outfit?

FADE TO:

Mario and Pauline are in fancy ball room and Mario keeps on looking around and sees all these fancy looking people and fancy food around him.

MARIO (CONT'D)

But damn I have to admit this place is really cool and really interesting.

PAULINE

But just remember you do anything stupid, I will start calling. So no stupid unsophisticated poor people things.

MARIO

Alright fine, Jesus Christ, god your super up-tight.

PAULINE

Shut up!!!!!!....

Pauline finally gets to her friends as they are very buff looking people.

WALTER WARSON

Hey Pauline, I am glad you finally made it. And my brother and I were very happy about this party.

WALLEN WARSON

Yeah and also the food is really killer. And I can't wait for when we go to Mexico and go on a cruise as well.

PAULINE

Well I am really glad you guys can make it. So who is your friend here.

PAULINE (CONT'D)

Oh well this...

Pauline turns to Mario.

PAULINE (CONT'D)

What is your name again?

MARIO

Mario.

PAULINE

Mario, and he works at the central park zoo as a janitor.

WALLEN WARSON

A janitor, that's surprising I would never expect someone like you to be here. How much do you make only 5 bucks an hour or something. And you still live with your parents somewhere.

MARIO

I live with my brother.

WALTER WARSON

Well that's very expected. I am sure you guys have never thrown any party where any women go there I would assume.

MARIO

Ah yeah I guess man.

WALTER WARSON

And I also guess you probably have no table manners as well. I think we need to teach you Mario.

WALLEN WARSON

Yeah Mario I bet you have no human skills what so ever.

PAULINE

Oh yeah I agree, otherwise he would be doing poor people things and be on tinder and clover and never getting a girl and all that bull shit!!!!!!

Pauline and Walter and Wallen start laughing at Mario.

Mario just sits down.

MARIO

Ah god this is really going to be a long night. Ah god lord!!!!!!...

CUT TO:

Donkey Kong Sr. and Donkey Kong Jr. back on their tree house and they are looking at their computer.

YOUNG DONKEY KONG JUNIOR

Dad I really think we got something. And I believe it's coming from the rich people part of the city.

DONKEY KONG SR.

Let me see son.

Donkey Kong looks at the signal.

DONKEY KONG SR. (CONT'D)

Perfect she is over there, lets go there son. And lets crash the party and destroy everything.

Donkey Kong Sr. does a really evil chuckle and both of them jump off the tree house and they start heading to the mansion.

CUT TO:

Mario is sitting down and Mario keeps on listening to Walter and Wallen and Pauline talking and he appears very uninterested.

Mario gets up. And Pauline turns to him.

MARIO

I just have to use the restroom.

Pauline does not say anything back and Mario.

Mario starts walking to the rest room.

Mario gets to the restroom and he puts water on his face.

As he does this, Brogan shows up.

BROGAN SHARP

Hey janitor boy, I didn't think you would be here in a place like this.

MARIO

Ah geez not you.

BROGAN SHARP

Lets face it man, you will never be sophisticated to be in places like this. And also if you don't have the real adult money, you will never be at the grown ups table. And I say you start going home.

MARIO

You know I really wish I could but crazy girl will call the cops because she believes I made some micro chip or something.

BROGAN SHARP

That doesn't surprise me. Because I know how much you poor lower class people are very weird as well. And I can't wait when she does get you in trouble because I will be one of those people that will ruin you very badly. And destroy your reputation and keep you being a nobody forever. What do you have to say to that janitor boy.

Mario does not say anything and all of a sudden he starts seeing a huge gorilla in the shadows.

MARIO

Ah man, I don't really believe we are the only people here.

BROGAN SHARP

Oh I know what you are trying to do. Be a big boy for the first time.

MARIO

Ah no I'm serious. There is like an animal or something that is coming here buddy.

her!!!!!!...

DONKEY KONG SR.
Your lying, she will be perfect as
my pet and my personal human
trophy. Once I trap her!!!!!! And
you little human will not stand in
my way!!!!!!!!!!!!.....

YOUNG DONKEY KONG JUNIOR
Yeah soon both dad and I will take
over the world and destroy
everything have gorillas and
monkeys rule the world!!!!!!!!!!...

DONKEY KONG SR.
That's right!!!!!!

DONKEY KONG SR. (CONT'D)
And it's time that I gave you this

CRANKY KONG

Well I hope all of you cob webbed monkeys and gorillas have learned something from story.

DONKEY KONG III

I have learned that you sending Tiny, Chunky, and well orange monkey with red nose and human wannabe to kidnap to listening to you was a complete fucking waste of my time, and I was completely better off being on the beach and going to Swanky's circus With Candy. And all of this just sums up everything.

Everyone stop fighting and stop acting like fucking shit heads at once!!!!!!!!!!!!!!...

And all of a sudden everyone stops fighting.

DONKEY KONG JUNIOR (CONT'D)

Look at all of you, acting like a bunch of children and throwing fruits and bananas all because some dipshit old gorillas tells you to.

(MORE)

DONKEY KONG JUNIOR (CONT'D)
 And for coming to my island as
 well.

Junior does a deep breath.

DONKEY KONG JUNIOR (CONT'D)
 Alright for all the monkeys that
 listened to my old man, step
 forward at once!!!!!!...

Cranky and Lanky and Tiny step forward.

DONKEY KONG JUNIOR (CONT'D)
 Look at you 3 wanting to kidnap
 someone just because he wants to
 live a much different life then all
 of you!!!! What made you want to do
 this?!.....

CHUNKY KONG
 It's because Chunky want Cranky to
 like Chunky and have food with him.

TINY KONG
 Because he would take away my
 clothes if I didn't listen to him.

LANKY KONG
 And he is my favorite uncle as
 well.

Junior does a sigh.

DONKEY KONG JUNIOR
 Look...kids...Yes even the ones
 protecting my son.

Funky, Candy, Dixie, and Diddy all turn around and look at
 junior.

DONKEY KONG JUNIOR (CONT'D)
 Look I don't know what my dad told
 all of you, and what things he told
 you do, but capturing and
 kidnapping people is not okay and
 it's wrong. Even if he promises you
 shit. And also, you guys don't have
 to be just like what my old man was
 and be crazy and destroy stuff and
 shit and kidnap people just because
 all of you think it's funny and you
 get free stuff because of it!!!!!!...

LANKY KONG

But he don't listen to Cranky, and he is lazy.

DONKEY KONG JUNIOR

Well no, no, that means DK has a better plan, he has my plan, Look I get it, I wanted to be like my dad when I was little, but then as I grew up some of the things Cranky did was not okay and was wrong. Yes even when he pulling a ransom, that was wrong and just...plain evil!!!!!!

CHUNKY KONG

But what if Chunky has no plan.

DONKEY KONG JUNIOR

Look just because you all listen to my old man, does not mean you have to listen to everything he tells you. And...well go on your own paths what ever the hell it may be. But just don't do the stuff my old man did, he didn't know any better back then.

All of a sudden, everyone comes together and hugs one another.

DONKEY KONG III

Oh thank god!!! Finally all this hell is over!!!!!! Thanks dad.

DONKEY KONG JUNIOR

Your welcome son.

DONKEY KONG JUNIOR (CONT'D)

So, shall we go back and face old man Cranky?

DONKEY KONG III

Yeah why not.

DONKEY KONG JUNIOR
 No dad!!!!!! He is going do
 something that is not what you want
 him to do.

CRANKY KONG

 attend school very often.

DONKEY KONG III
 That is very true. He does have a
 point there.

DONKEY KONG JUNIOR
 Well I mean he was able to get to
 my island alright and well...Why
 you don't just let him a defender
 of this island.

CRANKY KONG
 A defender?!....

Cranky starts laughing and cracking up.

CRANKY KONG (CONT'D)
 That is like one of the most
 stupidest and very dumb things I
 have herd, we are not heroes, we
 are kongs.

DONKEY KONG JUNIOR
 But what about if there are any
 people that want to attack my
 island or this island dad?

CRANKY KONG

That ain't going to happen. It never has while I was living here. And it never will.

DONKEY KONG JUNIOR

That's what you said about your evil plan when I was little back in New York City. And look how that turned out!!!!... And now your teaching these kids to adopt your bad idea.

CRANKY KONG

Well How else are going to make sure our kind survive?

DONKEY KONG JUNIOR

By maybe being heroes and defending this island and letting monkeys do what they want to do. Come on dad please let DK be a hero.

DONKEY KONG III

Yeah please Cranky.

Cranky starts to think about it.

Cranky yells.

CRANKY KONG
