MR. BIG

AFRICAN-AMERICAN THUG 1

Oh yeah I agree Mr. B. And also I think the current the mayor of New York also is on our side as well and he is with our plan to drain every major city that doesn't support or plan of African Socialism.

MR. BIG

ERNST STAVRO BLOFELD (CONT'D)
Ah Jaws...I'm sending you to New York tomorrow to meet with the new mayor of New York and to help Mr. Big.

JAWS
Good, it would be my honor boss. And also I never liked New Yorkers and how arrogant and ignorant they all are. And the ones I ran into always were awful to me and treated me like garbage even before I had all these metal teeth.

ERNST STAVRO BLOFELD
Sounds like it will be good for you then Jaws. And also have some fun while you are there my boy.

The mayor looks up at both of them with a scared on his face.

MR. BIG (CONT'D)

You have around 4 weeks to deliver
the money. Or we will be back and
the next torture will be a lot more
painful for you and your city.

The mayor is really scared and really frightful and Baron Samedi looks back at mayor Donovan with a pause and all of a sudden starts laughing at him.

The man goes on the train and he sees a couple of Muslim and African thugs on the train. And the man ends up taking pictures of the incident.

All of a sudden the Muslim and African thugs go up to him.

MUSLIM THUG 1

Hey!!!!!! You can't record, or we will kill you send you to Allyah, you dumb white man!!!! If you don't fucking delete that, I will kick you very hard!!!

The man that is covered does not say anything.

MUSLIM THUG 1 (CONT'D)

And the man gets attacked by some UK Black Lives Matter thugs. And he throws a lot of punches and kicks and the man ends up taking a PP7 gun and shooting 6 of them coming at him.

And everyone is shocked but the man gets off at the main station.

The man takes off his mask covering and it's revealed to be James Bond

JAMES BOND 007
Dumb and stupid Muslim!!!!!!

Bond keeps on walking around London and he starts heading to Universal Exports.

FADE TO:

INT. THE MAIN MI6 OFFICE - MORNING

Bond walks into the office and Moneypenny sees him.

MONEYPENNY
Morning James.

JAMES BOND 007
Good morning Moneypenny.

MONEYPENNY
I noticed you have a cut on your hand, what happened?

JAMES BOND 007
Sadly on the way over here I got attacked by a radical Muslim. It's just getting really crazy out there.

MONEYPENNY
Oh yes I know James, it really is, I am even scarred about what is happening around London as well.

JAMES BOND 007
Same here.

Both Bond and Moneypenny hear the bell ring.

M
Miss Moneypenny, I am ready.

MONEYPENNY
Alright sir.

Moneypenny looks back at Bond.

MONEYPENNY (CONT'D)
You better go in James.

James Bond walks into M's office and M turns around and looks at 007.

M
Oh sit down 007.

James Bond sits down.

M (CONT'D)
How was your commute over here 007?

JAMES BOND 007
Well sir, I was attacked by radical Islamic Muslim on the way over here on the train and yeah they are very radical and very violent people.
But I had a weapon on me sir.

M
Well I hate to say it Bond, but shit is about to worse especially with polices and rules of King Charles and he is opening everything here in the UK. And also I heard that New York City elected a socialist and communist as it's mayor as well.

JAMES BOND 007
That does not sound good sir, my father sent to Russia to infiltrate the old USSR during the cold war before my mother and father died. And I agree sir, it's like everyone has completely forgotten about the dangers of Socialism and communism as well. And even these children now are brain-washed by the Universities and hate the west which is really bad.

M
And that's where your new mission comes in Bond.
(MORE)

M (CONT'D)

Your first mission is to investigate the new mayor of New York name Chad Donovan, he's about your age, went to American University at the George Washington University in Washington DC. His parents were from Russia and his last originally were from the Soviet Union and his dad was a solider for Mikhail Gorbachev and also for Boris Yeltsin as well. But his family goes back to World War I and his grand-father fought for Vladimir Lenin as well.

JAMES BOND 007

Jesus sir that sounds like a red and yellow red army family tree with a lot of fire flames inside of it.

M

It sure is 007. And because of his voting record in the United States, he is known for being a full on communist and socialist and being brain-washed by the pro communist professors at George Washington University in Washington DC.

JAMES BOND 007

And no arrest have been made on him sir.

M

No James the FBI and CIA have refused to do so cause they are all bought and paid for. Tanner will also be here to tell more information as well.

All of a sudden Tanner comes into the room.

BILL TANNER

Good morning 007.

JAMES BOND 007

Good morning Tanner.

BILL TANNER

As M has told you, Mr. Donovan not only is the new mayor of New York but from our sources he has partnered with Black Lives Matter and Antifa and he has partnered with another group that is also part of black lives matter and led by an African-American and he goes by Mr. Big.

Bill starts going through a lot of slides and Bond and M are watching.

BILL TANNER (CONT'D)

And not is mayor Donovan helping Mr. Big, he is funding a lot of operations to find treasure and gold around the shores of Jamaica and in Central America in places like Mexico all the way down to Venezuela. And Mayor Donovan is being funded by Mr. Big and BLM and antifa and we also suspect Spectre is also helping him as well with some strings that are attached as well.

JAMES BOND 007

And in short, he is a puppet American mayor that just elected a socialist and a communist. And at the same time, he also has ties to the old USSR from his family to his grand-father as well.

BILL TANNER
Correct Bond.

Bill ends up turning off the presentation.

BILL TANNER (CONT'D)
And I think that is all.

M
Thank you Tanner.

Tanner walks out of the room.

M looks back at Bond.

M (CONT'D)
Any comments 007?

JAMES BOND 007

Well my only question is where I go
first and who I do I met up with?

M

You have a flight that is going to
Laguardia airport. The reason not
JFK 007 is because JFK is very high
profile and want you to look as
causal as possible.

JAMES BOND 007

Sounds understandable sir.

M's printer starts turning on and M starts printing a ticket
and hands Bond the plane ticket.

M

Your flight is first thing in the
morning, do stop at Q branch to
pick up some new gadgets. And you
will also met up with Felix Leiter
as well.

JAMES BOND 007

Is that all sir.

M

It is.

Bond begins to walk out of the office.

M (CONT'D)

Bond?

JAMES BOND 007

Yes sir.

M

Do come back alive.

JAMES BOND 007

Oh I will sir. I always do.

CUT TO:

Bond walks out of Universal Exports and the Bond theme is
playing like crazy. And Bond is walking to the train station
and he is off to see Q.

Bond is on the train and he is heading to another part of
London and Bond sees a lot of news TVs on mayor Donovan.

CUT TO:

The bond theme keeps playing and Bond goes into another building and he starts going down another elevator.

Bond gets off the elevator and Q is in his office reading a book.

Q turns his head and sees Bond.

JAMES BOND 007 (CONT'D)
Good morning Q.

Q
Good morning 007. This way please.

Bond and Q start walking

Q (CONT'D)
So M tells me you have another mission in New York.

JAMES BOND 007
Yes I do.

Q
Well I think I might have some new gadgets that might help you 007.

Q starts walking to the water part of the lab.

All of a sudden a submarine that looks like a bus and motor-home mixed comes out of the water.

JAMES BOND 007
A bus?

Q
Not just any bus, this bus is one that can not only go under-water, but also it's like one of those motorhomes that look like buses nowadays. But it's also hard as steel and has a lot of weapons such as missiles, machine guns, and rocket launchers and can also shoot grenades and lasers as well. And I call it the 2026 King Missile.

JAMES BOND 007
It anything it reminds me of an army tank.

Q

But you won't use it right away,
but it will be hidden especially if
you want to escape from any thugs
or enemies. Fallow me please.

Bond and Q keep on walking.

And all of a sudden Bond sees some JBL headphones.

JAMES BOND 007

New headphones?

Q

Wrong again 007, not just any headphones, these headphones will allow you to electrocute your enemies while you are listening to music or so.

JAMES BOND 007

That's amazing Q. I have a lot of music in me and it's a good way to attack as well.

Q

I'm glad that you like it Bond.

Q (CONT'D)

Anyway there is more to come.

Bond and Q keep on walking. And as they are walking, Bond sees a new watch.

Q (CONT'D)

You will have a new red watch as well. You don't need me to tell you what it does and everything, I think you already know.

JAMES BOND 007

The red on the watch is really great and really wonderful.

Q

I knew that would be something that would grab your attention.

Moneypenny also walks into the lab as well.

MONEYPENNY

It reminds me of the one that is at Nordstroms or so. How did things go with M?

JAMES BOND 007

Went great Moneypenny, just have another mission in New York and might be driving a motorhome style bus that goes under-water and has a lot of things in it as well.

MONEYPENNY

Ooooooh that sounds amazing James, wish I can be in it with you.

JAMES BOND 007

Oh I would love the sound that darling.

Q

Um I think we need move on miss moneypenny.

MONEYPENNY

I'm sorry Q, just the though just really grabbed my attention. I do need something like that as well.

Q

Well you can stick around as I show 007 more things as well. You two fallow me please.

Moneypenny joins Bond and Q and walks with them as well.

As they are walking a normal men's electric razor.

JAMES BOND 007

New razor?

Q

Nope. It looks like one, but it's a digging razor, it has lazers and water and if you are underground for any reason what so ever. It can be used to break out of cages and go through concrete and other steel. It's also used to power any object as a boat and uses to kill any alligators or sharks that come at you and has bombs inside of them.

JAMES BOND 007

Sounds like that is not going to part of my shaving routine.

Q
Nope.

MONEYPENNY
It looks very splendid Q. You
always amaze me with all of your
creations.

Q
I'm glad you also love my silly
gadgets miss Moneypenny.

Q gives Bond eye contact.

Q (CONT'D)
Now 007 do please try to return all
of these gadgets if you can.

JAMES BOND 007
I will try Q.

Q
I have bloody herd that before.
Anyways these gadgets will be
delivered to your pen-house very
soon.

JAMES BOND 007
Sounds wonderful and amazing Q.
Moneypenny you want to drop by?

MONEYPENNY
Oh I would love to James.

FADE TO:

EXT. AROUND THE PENHOUSE NEIGHBORHOOD - NIGHT

MONEYPENNY

JAMES BOND 007

I'm really glad that you do. I know you have been wanting me to invite for a while now.

MONEYPENNY

I just hope people don't find out about us.

JAMES BOND 007

I don't think so, M never asks me about anything.

MONEYPENNY

You never told me about your parents.

JAMES BOND 007

There is nothing to talk about, they died when I was little. I'm glad that you finally came over and are with me right now.

MONEYPENNY

Me too James, me too.

Moneypenny and Bond continue to have sex and sleep with each other and Moneypenny starts laughing.

FADE TO:

Moneypenny walks up and she is butt naked in bed and she is naked in Bond's room and grabs one of Bond's robe and Bond leaves her note. And Moneypenny is hanging out in the pen-house.

CUT TO:

Bond is on the airplane and the airplane begins to take off to New York City and head to Laguardia airport.

The airplane finally lands in New York and Bond changes into some normal American looking clothes.

Bond goes to the arrival and he puts on aviators. Bond ends up getting an Uber and Bond ends up going to the science hall building and just looking around and checking everything out.

Bond ends up doing a lot of sight seeing and walking around New York City and taking the subway everywhere like a normal person.

Bond starts heading to Manhattan and he gets a text from Felix.

As Bond is on the subway, he sees a lot of Black Lives Matter and Antifa thugs cause trouble on some of the subway rides.

BLACK LIVES MATTER THUG 1
Make sure to rob some of the white people before they get to one world trades center.

BLACK LIVES MATTER THUG 2
Oh yeah man, this town is ours now that Donovan de funded the police.

And all of a sudden a Muslim looking thug is also on the subway as well.

Bond keeps on minding his own business.

The thugs start beating up a normal subway go-er and robbing him blindly and end up killing 5 people on the subway.

Bond sees the killing that happened in front of him. Bond finally sees his stop and Bond gets up very carefully.

As Bond gets up, the BLM thug and the Muslim thug go up to Bond.

BLACK LIVES MATTER THUG 1
You will give us our money, or we blow your head off white boy!!!!
No police is going to help you and don't try to run.

Bond feels the thugs pointing a gun at him.

Bond turns around Bond with all his anger punches the thug in the face and Bond tackles the thugs really bad and Bond throws a lot of tackles.

Bond starts fighting the Black Lives Matter thugs in a 2 VS 1 fight.

The thugs throw a lot of punches and kicks and a lot of knife attacks. One of the thugs kicks Bond in the face and slams him against the wall, and they throw more punches and kicks at Bond, but Bond strikes back with punches and kicks of his own. And Bond head-butts the thug and knocks him to the ground.

The thug tackles James Bond on the ground and Bond is able to use his elbow and back attack him and Bond turns around punches the thug in the face.

The subway keeps on moving during the fight and Bond keeps on fighting the Muslim thug and throwing a lot of punches and kicks and the Muslim thug is yelling "death to America" 9 times in Arabic.

Bond grunts his teeth in anger and Bond with all his might tackles the Muslim thug and shoves him against a glass window, Bond grabs the knife and stabs him 9 times on the subway and finally kills him. Bond kicks the dead Muslim thug off the balcony on one of the subway stations and the thug lands and crashes on top of a random car by the station.

More people are shocked and making crazy re-marks.

Bond is able to escape from the station and hides behind a wall.

Bond keeps on walking away and he hides into one of the bars.

CUT TO:

One of the black lives matter thugs see what happened and they start taking pictures of the dead thugs.

And one of the thugs starts calling Mr. Big on the phone.

BLACK LIVES MATTER THUG 3
Boss we have a problem, 2 of our
thugs got destroyed on the subway.

MR. BIG
What the fuck happened?!....

BLACK LIVES MATTER THUG 3

I don't know boss, but some of our brothers were not able to rob the money from people like they were suppose to.

MR. BIG

Report back to me in Queens and we will see if we can hack into the footage and see who killed our boys.

BLACK LIVES MATTER THUG 3

Yes sir boss.

CUT TO:

Mr. Big is in one of his fancy offices and he is able to press a couple of buttons and finds the main footage of Bond beating up the thugs on the subway.

MR. BIG

Interesting fighter, there is no way he is from here. I will have to do a background check on him and ask the mayor to track who is coming into New York. We don't want the FBI and CIA tailing us. Tee-He!!!!

All of a sudden the man with the hook hand shows up.

TEE-HE

Yeah boss?

MR. BIG

I want you to go to my clubs and find out if that one gentlemen that beat up our homies is heading here and if you find him, bring him to me.

TEE-HE

Oh yeah sure thing boss.

Tee-Hee ends up leaving and Mr. Big keeps on looking at a lot of cameras all over New York City.

CUT TO:

EXT. AROUND A MOTEL IN NEW YORK CITY - NIGHT

Bond ends up in one of the hotels and he ends up un-packing his suit case. And Bond ends up taking a shower and all of a sudden his cell phone rings.

Bond answers the phone.

JAMES BOND 007

Hello?

FELIX LEITER

Jimmy It's Felix, where are you?

JAMES BOND 007

Oh Felix I'm in one of the motels here in Queens.

FELIX LEITER

Oh that's great James. Yeah I'll meet you in Harlem or so whenever you are ready and settled in.

JAMES BOND 007

Alright sounds good Felix. I'll be out the door very shortly.

Bond hangs up the phone. And Bond goes out the door.

CUT TO:

Bond ends up again taking the subway and he is wearing a suit and tie and as he is on the subway, he sees more black lives Matter thugs on the trains.

CUT TO:

Bond gets off the subway and they get into one of the night-clubs in New York.

Bond ends up meeting up with Felix.

FELIX LEITER

James your here.

JAMES BOND 007

It's good to see you Felix.

FELIX LEITER

It's good to see you. Anyways, this is one of the clubs that I think mayor Donovan hangs up with. And he also hangs out with some BLM people as well. Come on lets get in.

Bond and Felix gets into the night-club and it's really loud and there is a lot of African Americans dancing.

THE NIGHT CLUB DANCER

Alright everyone, I think very soon we are going to welcome Ms. Jean on to the stage and she has been dying to dance on the stage for most of the day. So give a big welcome to Ms. Jean on to the stage.

All of a sudden a lot of African-American people and men are clapping and howling like crazy. And Ms. Jean turns out to be a very beautiful and a very gorgeous and a really stunning African-American Woman in a purple bikini.

MS. JEAN

Well hello boys, I see a lot of handsome men in this night club tonight. Especially these 2, and I think it's time to dance in front of them.

And all of a sudden the African-American lady points at Bond and Felix and they are having a drink and sitting down.

And she starts dancing and making a lot of sexy moves and doing a lot of pole dancing.

FELIX LEITER

You see any of Mr. Big's thugs anywhere Bond?

JAMES BOND 007

I don't believe I do Felix. But I don't know I wouldn't be surprised if this club is owned by him though.

FELIX LEITER

Yeah I'm starting to think that there is something retro about this night club like it's not really a New York night club.

CUT TO:

Mr. Big is in his office and he sees James Bond and Felix sitting down. And Tee-Hee is beside him.

TEE-HE

Sounds like the girl is dancing
really well and I also really love
her poochie-poochie and her boobs
boss.

MR. BIG

Yeah I do to Tee-Hee, send Baron
and some thugs and attack those
those agents in the club and bring
one of them to me alive.

TEE-HE

Yes sir boss.

Bond falls to the ground. And all of a sudden Mr. Big and his gang show up.

MR. BIG

Sounds like this is one of the guys
that attacked one of my brothers on
the subway. Check his wallet Tee-
Hee.

TEE-HE

Yes sir boss.

Tee Hee looks at Bond's passport and wallet.

TEE-HE (CONT'D)

Well this guy works for MI6 all the
way in England and he is with Felix
Leiter of the CIA.

MR. BIG

Well sounds like it's a lot bigger
then I thought, both the CIA and
MI6 working together to stop our
little operation. Tee-Hee, Baron.
Grab him and put the britt in the
car and take him to Brooklyn and we
will ask him questions there.

TEE-HE

Yes sir boss.

BARON SAMEDI

And what about the guy with the
silver teeth should we tell him?

MR. BIG

No, we will message them when we
get money from the mayor and when
we get rid of James Bond and his
friend from the CIA as well.

TEE-HE

I understand boss.

All of a sudden the thugs and Tee-Hee and Baron grab Bond and
they put him in a car and the car starts heading to Brooklyn.

The car leaves and the car starts going to Brooklyn.

FADE TO:

EXT. A VOO-DOO STYLE BUILDING IN BROOKLYN - NIGHT

They get to the building and the BLM thugs grab Bond's bond and they take him inside the building.

CUT TO:

James Bond begins to wake up and he is inside of a cage and they are a lot of Voo-Doo statues and traps around and dart guns pointing at him. Bond tries to get free is strapped on the metal table.

All of a sudden the intercom begins to come on.

MR. BIG

It's no use getting out of here UK boy, I have a lot of weapons and you won't escape from the Voo-doo gods as well. We will ask you questions very soon. Better get comfortable...if you can.....

All of a sudden, Bond tries to break out, as Bond is trying to break out, Bond uses one of his gadgets is able to get out of the straps.

Bond rolls on the ground and he starts crawling on the ground without getting de-tected.

Bond sees the Voo-Doo statues and he is able to disable them with ease. Bond ends up hacking into one of the doors and more Black Lives Matter thugs appear with riffle guns.

As Bond sneaks in, Bond ends up beating the thugs with a lot of punches and kicks and delivers a big time blow and kills both of them.

Bond finally gets into the main office and sees Mr. Big in person with Baron and Tee-Hee.

The door closes and there are BLM thugs with riffles in their hands and their point the riffles at 007.

MR. BIG (CONT'D)

If I were you white boy, I would strongly suggest that you sit down before you get shot by my men.

Bond sits down.

MR. BIG (CONT'D)

I have herd a lot of interesting things about you Mr. Bond.

(MORE)

MR. BIG (CONT'D)
Especially how you really don't like that politics of your country is changing and it's the old way anymore and my brothers and sisters and other people from the Middle East are going to change the world and it's time you accept that.

JAMES BOND 007

Well it's not going to happen, we have seen this movie before and it ends badly. And also at some point your puppet mayor of New York won't give you what he promised as well.

MR. BIG

Oh I know 007. If that's your code-number back in the UK. But my plan is still money and smuggle gold and not only make myself rich and my brothers and sisters in my group but also have the Black Lives Matter Group take over everywhere so that way we can change the world because the old ways don't work anymore.

JAMES BOND 007

Like embracing Socialism and bringing communism back. Your plan won't work Big because last I checked your own country in South Africa is a hell hole.

MR. BIG

Oh it is Bond. But once I have all the gold that I want, my organization is also going to partner with Spectre and metal teeth boy and baldy will pay us handsomely as well.

JAMES BOND 007

You mean Jaws?!.....

MR. BIG

That's right, I'm surprised you know him, hot tempered fellow but he has style and money.

JAMES BOND 007

Well you will not get away with any of this bull shit!!!!....

MR. BIG

Oh I think I will Bond. Tee-Hee.

Tee Hee finally arrives and Tee Hee ends up grabbing Bond and Bond tries to attack by Tee Hee grabs Bond with his hook hand and starts cracking his fingers really bad. And Bond yells really bad and Bond falls to the ground. And Mr. Big and Tee-Hee starts laughing.

MR. BIG (CONT'D)

Yeah I really doubt that you are going to be able to stop me Bond.

Tee-Hee keeps on laughing.

TEE-HE

And not only that boss, he is a skinny and not a very muscular mother fucker as well.

Tee-Hee keeps on laughing.

MR. BIG

And also before we kick your ass out Bond, my card girl also has things to say and she will also predict your faith as well.

All of a sudden a naked woman with black hair starts walking to Bond. And Bond is struggling to focus.

SOLITAIRE

This first card that I'm showing you means death. And this next one I am showing you is water meaning if we see you again, you will also be tortured either in or outside the water. And this last card is the fool card because that is what you are.

JAMES BOND 007

(weak voice)

I don't...need cards...to tell what my fucking...future is going to be....

MR. BIG

Oh that is not very polite Mr. Bond, the beautiful lady of mine is showing you her magic and also what your faith really is going to be. You show her respect.

MR. BIG (CONT'D)

And I really think it's time that
you left Bond. Baron get him out of
here.

BARON SAMEDI

Sure thing boss.

All of a sudden, Baron grabs Bond and he starts taking him to
the back of the building.

As Baron takes Bond to the back of the building Baron throws
Bond in a garbage shoot.

BARON SAMEDI (CONT'D)

I hope you have restful death,
because you will need it where you
are about to go.

All of a sudden Baron does his signature laugh and he uses
smoke and he disappears.

The garbage ends up grabbing the can that Bond is in and it
turns out to be more black lives matter thugs driving the
truck and they start driving it to a garbage shoot.

They get to the shoot and Bond finally wakes up and he jumps
and he gets to the top and he is able to jump out of the
garbage truck.

The BLM thugs see him.

BLACK LIVES MATTER THUG 4

Hey he's escaping, get him.

All of a sudden Bond gets into another fight with more of the
thugs and Bond throws a lot more punches and kicks. And the
thugs attack Bond with a crow-bar and some other weapons as
well.

The thugs keep attacking Bond and yell more insults at him.
Bond gets really angry and head-butts one of the thugs and
Bond kicks another one in the face.

Bond tackles another Black Lives Matter thug really hard and
Bond hits him with a chair. And another one tries to attack
Bond with a pocket knife, Bond kicks him in the face
and Bond punches him in the face really hard.

Bond grabs the thugs and bangs him really hard against the
glass window and breaks the glass window.

Bond fights the other thug Bond grabs the crow-bar and whacks
the other BLM thug in the face.

And Bond picks up the pocket knife and he is able to stab the thug in the face and kills him.

Bond finally kills the BLM thugs coming at him and Bond tries to escape out of the shoot and Bond finally finds a subway station and he takes the subway back to his motel room.

As Bond is taking the subway, Bond tries to call Felix but Bond has no answer.

JAMES BOND 007
Sounds like Felix got hurt the most. I'll try to reach him tomorrow or so.

CUT TO:

Bond finally gets back to his motel room and he starts calling M on his cell phone.

JAMES BOND 007 (CONT'D)
Bond to MI6!!!! Bond to MI6.

M
Bond how is everything going?

JAMES BOND 007
Well I was able to meet up with Felix and we ended up going to one of the clubs in Harlem or so but Felix got kidnapped and I have lost track of him. However I was able to escape from Big's headquarters that was Voo-Doo theme somewhere in Brooklyn.

M
And you don't have a lead on where he is going next?

JAMES BOND 007
No not yet sir, but tomorrow I'm going to try to find Felix and hope he is in a hospital somewhere in New York.

M
Alright do that. Just keep updated Bond.

JAMES BOND 007
Will do sir.

James Bond ends up hanging up the phone and Bond takes a shower and he is butt naked and Bond right-away starts going to sleep. And he starts sleeping for the rest of the night.

FADE TO:

INT. BOND'S MOTEL ROOM IN QUEENS - MORNING

Bond finally wakes up and he takes another shower and he gets some normal clothes on. Bond ends up getting fast food breakfast moments later and he starts eating and Bond is in causal clothes. Bond keeps on checking his phone but there is nothing going on.

As Bond is waiting and looking at the time on his phone, there is still no response from Felix. But all of a sudden Bond gets a random phone call from an unknown number. Bond answers the phone.

JAMES BOND 007

Hello?

SOLITAIRE

Is this James Bond?

JAMES BOND 007

It is who is this?!....

SOLITAIRE

It doesn't matter, I need you to take me away and out of New York please.

JAMES BOND 007

It's you, your the card girl that was tormenting me last night while I was being attacked by the laughing hook man in Big's headquarters. Sorry, I'm not helping you.

SOLITAIRE

Please, I am not really working for Mr. Big, I'm just someone who he has kept for a long time and I need to escape from him. Please help me.

JAMES BOND 007

Fine I will help you escape. But in return, I need you to tell me everything Big and all his connections and you will also tell what happened to Felix Leiter as well. Got it!!!!?....

SOLITAIRE

Yes, yes I will do that. I'll help you. Thank you.

JAMES BOND 007

Alright now where the hell are you?!....

SOLITAIRE

I'm at Pen Station in New York City and I want to take the train with you and head to Florida.

JAMES BOND 007

Seems odd, if there any funny tricks or traps I will shoot you and kill you, you got it!!!!

SOLITAIRE

Yes I understand.

JAMES BOND 007

And also how do I know once I see you?

SOLITAIRE

Oh you will find me. You will find me. And if you don't see me, just call this number or so.

JAMES BOND 007

Seems simple enough or so. I'll be there soon.

Bond hangs up the phone and Bond gets outside and he checks out of his motel room and he starts taking the bus and also taking the subway to grand central station in New York.

Bond is on the bus and he sees a lot of New York Skyline and other traffic in the city.

Bond finally gets off the bus and he takes the subway to Manhattan and he is able to find grand station in New York.

As Bond goes inside, there are a couple of Muslim thugs and Black Lives Matter thugs that spot him.

CUT TO:

INT. GRAND CENTRAL STATION IN NEW YORK - AFTERNOON

Bond finally gets into the station and he sees a lot of people and also sees the board of all the trains that are heading south.

Bond keeps on waiting for Solitaire to arrive but has not showed up. But as Bond is waiting, all of a sudden a fancy looking man in a suit starts coming towards him. Bond looks away but the man is still coming towards him.

MAYOR CHAD DONOVAN
Are you James Bond?....

Bond turns back and it's mayor Donavon.

JAMES BOND 007
Can I help you?

MAYOR CHAD DONOVAN
I believe you can, I hear from Big you are trying to stop the funding of gold into my city. And even if you do track the FBI and CIA. I will not be giving up my agenda.

JAMES BOND 007
Well Mr. Mayor, but I'm afraid you are in bed with the wrong people and your socialist agenda is not going to work.

MAYOR CHAD DONOVAN
Well it's too bad Bond. Because I think I just told a number of Black Lives Matter thugs to attack you. And also I have ties to Palestine as well. And I hope you never come back to my city as well.

All of a sudden a lot of Black Lives Matter and evil Palestine Muslims show up.

MAYOR CHAD DONOVAN (CONT'D)
Good bye Bond....Kill him!!!!....

All of a sudden mayor Donavon leaves and he escapes through the crows of people.

PALESTINE THUG 1

I think it is time that we killed
you in the name of Muhammad and
Alla!!!!

All of a sudden a lot of Palestine thugs and Black Lives Matter thugs all gang up on Bond.

The thugs end up throwing a lot of punches and kicks at Bond. And Bond grunts in anger and he throws a lot of punches and kicks. And James Bond punches 4 BLM thugs in the face and more thugs come and they throw more objects at Bond and Bond dodges the attacks and Bond ends up tackling some Palestine thugs coming at him and Bond gets even more angry and throws a lot of punches.

Bond ends up throwing one of the thugs and throwing on the ground and on to the stairs. More thugs come to attack James Bond and Bond keeps on throwing more punches and kicks.

And some thugs tackle him from behind and the thugs throw more punches at Bond.

BLACK LIVES MATTER THUG 3

We will be the dominate race in the world, you people in the west need to die!!!!!! FUCK AMERICA AND FUCK THE ENGLISH!!!!!!

The thugs keep yelling and screaming. And Bond grunts his teeth and head butts the BLM thug in the face and the thug screams and takes out a tazor and tires to electrocute James Bond and also stab him.

Bond punches the thug in the face and throws around 9 different punching attacks. Another one tries to attack him from behind.

Bond ducks and knocks over a Muslim thug trying to tackle him.

PALESTINE THUG 2

You will bow down to Muhammed and the west will be ours in the name of Allayh!!!!!! Death to America!!!!!!

The Muslim thug yells at Bond and screams at him and throws a lot of attacks at Bond. Bond punches him in the face and kicks him in the stomach.

Bond starts looking around and there are BLM thugs with guns and Muslim thugs after him.

Bond turns around and Bond starts running down into the station. And Bond is looking for cover and he also takes cover.

More Muslim thugs and BLM thugs are around the station looking for James Bond.

BLACK LIVES MATTER THUG 4
Find find, don't let him get on the
trains out of here!!!!

And trains keep on making noises and Bond keeps on running and James Bond starts looking for the train that is heading to St. Petersburg, Florida.

Bond keeps on running, and more Muslim thugs and BLM thugs see him.

BLACK LIVES MATTER THUG 3
There is Bond!!! Kill him!!!!
Black lives Matter!!!!!! Fuck
America!!!!!!

Bond gets into another fight with a lot of BLM thugs by the edge of the trains. Bond throws more punches and attacks and Bond ends up throwing a couple of combat attacks and Bond kills around 6 BLM thugs coming at him.

Bond gets tackled by some Muslim thugs and they take out knives and throw knives attacks. Bond dodges their attacks and Bond throws more punches and kicks and Bond kicks one of them in the face one ends up falling into the tracks.

Bond gets into more fights and Bond fights with full on weaponry in attacks and another Muslim attacks in full anger and yells and throws more middle eastern insults.

Bond grabs the Muslim thug in rage and starts chocking him real bad. And throws him into the track.

Bond ends up finding a gun on the ground, Bond takes cover and more Black Lives Matter thugs are shooting at him.

BLACK LIVES MATTER THUG 4
Time to get into the oven you dumb
brit!!!!!!

All of a sudden a lot of BLM people start fighting James Bond around the train-tracks. Bond throws a lot of punches and kicks and knocks 3 of the thugs out and also more Muslim thugs are fighting him and Bond tackles a couple of them and Bond ends up throwing some of the them on the train-tracks and the train ends up running them over and killing them.

Bond without even checking to see if he has a ticket, Bond right away starts running on to the train that is heading towards St. Petersburg, Florida.

As Bond gets on the train, the train begins to leave and the train begins to start heading South and out of New York City.

Bond keeps on walking inside the train and he finally finds his cabin and he opens the door and he starts to sit down, Bond takes a shower inside the cabin and he finds other clothes to wear to heal from his injuries from the fights.

CUT TO:

Solitaire finally gets on the train herself and she starts looking for James Bond on the train.

CUT TO:

Bond is inside the cabin and he starts to hear a knock on the cabin door.

SOLITAIRE
James, James are you in here?....

Bond doesn't say a word and he opens the door and he sees Solitaire and just lets her in without saying a word.

SOLITAIRE (CONT'D)
I'm glad I was able to find you,
the train-station here in this city
is really busy.

JAMES BOND 007
I don't want you to talk, first I
need to ask you some questions and
you will answer them. My first
question to you is what is your
fucking real name?!....and 2nd
question how long have you worked
with Mr. Big and his Black Lives
Matter people. And 3rd question and
I do hope you give me a good
answer, What's Mr. Bigg's business
with all these Muslim people
getting into New York?!.....And
you better choice your words very
carefully!!!!!!.....

Solitaire doesn't say a word and she is really scarred of Bond.

SOLITAIRE

Alright. Okay...my real name is Shelby Stone, I'm from Vancouver, BC in Canada, I just had a normal life there, until my parents were killed by the BLM gangsters that there were people that wore these red colored suits with an octopus on them. And then in college I also loved playing cards and playing card games and I also loved going to magic shows in Vancouver with my friends almost to the point where it became another skill of mine. And then as my parents were killed, Mr. Bigg, and his henchmen and also this other man with steel teeth also knew my talents and so he put me in brain-powered machine to increase my IQ and changed my name to Solitaire so I can help him predict when people were going to kill him and approach them.

JAMES BOND 007

Alright, your doing well, 1st question is answered. Good. And also I think I know the people that you are talking about, and I'm really going to guess that the man with steel teeth is Spencer Silver....also known as Jaws and Big is also in line with Spectre and Spectre is funding them. And you are just caught in all of this. And also keep talking.

SOLITAIRE

And I don't know much about the Muslims that work for Mr. Big but I do know that he employs some of them to work for him and to cause trouble around New York City and also rob people on the subways and kill any person that is not of African decent.

JAMES BOND 007

So basically he is just pro black, pro African, and pro socialist and pro communist operative working for Spectre and Spectre wants him and his crew of Black lives matter thugs to destroy New York and also looking for treasure as well. And he also wants a lot of Muslims to come into New York and into the United States to cause trouble and wants the US to convert to the Muslim religion and trying to find treasure himself.

SOLITAIRE

Yeah that sounds about right.

JAMES BOND 007

Well good, it sounds like you are a good person, but if you do anything to break my trust, I will personally arrest you or send you to my friend Felix who is with the CIA and he will spend years in American Prison. Is that understood?!....

SOLITAIRE

Yeah, I understand.

JAMES BOND 007

Good. Now just sit back and lay down and try to relax, the train trip to Florida is going to be really long. So better get comfortable.

SOLITAIRE

Alright okay James.

All of a sudden Bond and Solitaire start laying down in different bunks on the train. And the train keeps going south to St. Petersburg Florida.

FADE TO:

INT. THE CABIN ON THE TRAIN - NIGHT

Bond wakes up from his nap and Solitaire is still sleeping. Bond begins to walk around the train and he starts exploring everything and he goes to get some snacks and drinks a simple Coke.

And Bond begins looking through his phone and some of the photos and stuff he has written down on his mission.

As Bond gets to the viewing top of the train, he starts looking at all the scenery as the train is going south.

Bond is sitting down on the chairs and just hanging out.

CUT TO:

INT. IN NEW YORK CITY IN MANHATTAN - NIGHT

The room is really dark and all of a sudden a really tall man in a red pin-strip suit with grey dress shoes walks in and he starts going on the computer.

And the lights turn on it's revealed to be Jaws. And Jaws is on the computer working on a couple of documents and typing away.

As Jaws is typing he finds Bond on the train heading South. Jaws does an evil laugh.

JAWS

Oh Bondie!!!! Only Bond!!!!...it's time to give the little Britt twig a little phone call.

Jaws begins calling James Bond.

CUT TO:

Bond's cell phone begins to ring and it's titled as an unknown number. Bond ends up answering the phone.

As James Bond answers the phone, Bond right away sees Jaws smiling.

JAWS (CONT'D)

James Bond....James Bond 007...I knew that you would pick up my calls eventually. Especially because you brits always see anything with a challenge.

JAMES BOND 007

I already bloody regret answering this fucking call...what the bloody fuck do you want Silver?!...

Jaws does an evil laugh and he keeps on smiling and showing his metal teeth.

JAWS

I know the last time we both talked I was trying to be the new king of your country. And I know I would have been better then your puny ass King Charles III. And I also herd Galla Brand passed away as well. She tasted really good as well.

JAMES BOND 007

What happen to her?!....

JAWS

Oh lets just say after she put you in the friend zone as we Americans like to say, I was able to stock her and find out where she actually was and I ended up peeling her with my metal teeth and bit her like a piece of steak or like a piece of salmon. And she died moments after she left the UK with the other guy she was seeing!!!!

JAMES BOND 007

You are nothing but a bloody monster Spencer!!!! And at some point either you will be killed or you will be thrown in jail.

JAWS

Oh I wouldn't be sure of that Jimmy Boy. Because baldy boy and baldy head in his volcano lair will just bail me out since he has around 99 zillion dollars in assets. Also Jimmy boy, I think very soon Big and his crew are going to ambush you in Florida, and there will be nothing you can do about it and very soon Baldy boy is going fund a lot of money to Black Lives Matter and the Muslims that are working for him and destroy the west and fund all the communist countries all over the world. And there will be nothing you can do about it.

JAMES BOND 007

Well I don't care if you are fucking behind a desk this time around, you and your organization will be burned to the ground and your devil schemes won't work Silver.

JAWS

Oh it's not me you should be worried about Jimmy. It's Big and his crew, I'm just a representative now making sure Big and his dumb Black Lives Matter thugs and his repugnant Muslim thugs coming to the states actually honor their agreements with Scripture and if they screw up, they will meet a painful price for failure with us. So this organization and Scripture is a lot more bigger then some dumb ass African American thugs that are anti-white and radical in their own stupid ass beliefs as well.

JAMES BOND 007

So you knew about Solitaire?

JAWS

Oh yeah Jimmy boy, I was there when we kidnapped her back in British Columbia, she beautiful and gorgeous and really stunning and hot isn't she. I'm jealous I didn't get her and Baldy wanted her to work for Bigg and his African crew. Still don't understand a fucking thing about Vodo and all that, but what the fuck do I know. And very soon, she will back in Bigg's hand and Baldy boy is going to have special plans with her as well and good luck with getting into Florida you will need it!!!!....

Jaws does an evil chuckle and an evil soft laugh and hangs up on Bond.

CUT TO:

Bond sees that Jaws hung up on him.

JAMES BOND 007
Bloody bugger!!!!!!....

CUT TO:

Jaws is behind the desk and he starts one of Big's henchmen.

TEE-HE
Hello?!.....

JAWS
Yeah hook man, get your thugs
ready, Bond is on the way to shit
on the place. Be prepared.

TEE-HE
Sounds good shark man.

Jaws hangs up the phone and Jaws does an evil smile.

CUT TO:

EXT. THE TRAIN STATION IN ST. PETERSBURG, FLORIDA - MORNING
Bond and Solitaire get off the train and Bond start heading
to the arrival section of the station.

And Bond and Solitaire get to the entrance. And all of a
sudden a 2025-2026 Dacora motors car begins to drive towards
them.

A random driver gets out of the car.

RANDOM DRIVER
Ah your father wanted you to have
this car.

JAMES BOND 007
My father?.....

Bond looks at the note and he starts reading it.

JAMES BOND 007 (CONT'D)
(reading)
Dear Bond, I sent you this extra
car as a back-up. -M-.

JAMES BOND 007 (CONT'D)
Sounds like I have another thing to
drive. Well, lets go in and lets
get to our hotel.

Bond gets handed the keys to the Dacora car and Bond begins to drive the car to hotel in St. Petersburg.

CUT TO:

Bond begins driving around St. Peterburg, Florida and just looking at the scenery and how beautiful and gorgeous and really stunning St. Petersburg is. And Bond is just smiling.

And Solitare is riding shotgun and she is also looking at the window at beautiful everything is.

SOLITAIRE

Oh this is really nice and really wonderful James. I have never been to Florida before but it's very beautiful and really nice.

JAMES BOND 007

I'm really glad that you like it darling.

Bond keeps on driving around and they finally get to the hotel and Bond drives up to the entrance.

Bond and Solitare get to the entrance and they are greeted by a door man.

THE DOOR MAN

Welcome to vinoy resort sir.

JAMES BOND 007

Thank you.

Bond hands him the keys and the door man drives the car into the garage in the hotel.

Bond and Solitare go up to the front desk and they start checking into a normal hotel room.

CUT TO:

Bond and Solitare get into their hotel room and Bond finally puts his bags on the bed.

SOLITAIRE

So James are we going to go anywhere that's really fun and really exciting?

JAMES BOND 007

Well later we might, first I need
you to stay here and just hang out
here for a while. And then after
that we will go somewhere nice.

SOLITAIRE

Alright okay James.

Bond begins to put on a very Florida like outfit with a short sleeve button up shirt and light blue dress pants.

And Bond begins to go out the door.

SOLITAIRE (CONT'D)

And Bond...Do be careful.

JAMES BOND 007

Oh I will darling. I will.

Bond walks out the door and Bond runs downstairs and gets the dacora car back from the door man and he goes into the car. And James Bond starts driving around St. Peterburg, Florida.

Bond begins calling Felix on the touch screen inside the car as he is driving.

FELIX LEITER

Hello?

JAMES BOND 007

Felix, it's Bond. Are you in St.
Peterburg?

FELIX LEITER

Yeah I am James, I'm at the Pluma

agent that might work with us as
well. How was the train-ride?

JAMES BOND 007

Well back in New York I got
attacked by Some BLM people and
then got attacked by Muslims before
getting on and then the mayor of
New York also ambushed me as well.

FELIX LEITER

Oh Jesus Christ that doesn't sound
good James. Anyway I'll get you a
drink once you get here. We have a
lot to talk about Jimmy.

JAMES BOND 007
Also sadly I got a confrontation
phone call from our friend Henry
Silver AKA Jaws.

FELIX LEITER
Oh god!!!! Anyway I'll see you in a
bit James.

JAMES BOND 007
Alright okay Felix.

Bond keeps on driving and meeting up with Felix.

CUT TO:

INT. THE PLUMA LOUNGE - AFTERNOON

Bond ends up parking his car in a parking lot by the lounge and Bond starts walking in. But as he walks in, a lot of Black lives Matter thugs are in St. Pete guarding and standing in random places around the lounge and in that same area.

Bond gets into the lounge and he sits down around one leather sofas with a coffee table.

Bond sees Felix with another African American women and she is wearing a purple dress and she looks very beautiful and very stunning and very lovely.

FELIX LEITER
Bond, thank god your here.

JAMES BOND 007
Hello felix.

FELIX LEITER
Well anyway James, we have a lot to talk about but this is another agent that is going to work with us.

ROSIE CARVER

JAMES BOND 007

Is there anything we can to make him better. Does he need to take any medicine or pills or anything like that?

RANDOM DOCTOR

Well Mr. Bond we are going to have to place Mr. Leiter on some pills and also make sure he is eating right and more liquid medicine just so his arms and legs can produce some blood and a lot of re-hab as well. And in time maybe he will gain motor function in his legs and arms but for now sadly...he is going to have to be in a wheel chair and wear a metal glove to protect his right hand as well.

Fuck...Bloody hell...Bugger!!!!

RANDOM DOCTOR

We also just got off the phone with CIA in Washington, another agent is going to help you along with more law enforcement as well. They should be on their way right now.

SHERIFF J.W. PEPPER

JAMES BOND 007
Well sadly I don't want any other American agents getting hurt or killed so I think to take on this mission and case alone or so. Cause if more agents are killed Bigg and his men will try to take over more cities around the US and then also London as well.

Well suit yourself Jimmy boy, but
here is my number if you need back-

All of a sudden Mr. Big punches Solitaire in the face and slaps her in the face and shoves her against the wall really badly.

And Solitaire feels really sad and tears are coming out of her eyes and sees Bond still knocked out on the floor. And Solitaire sees the death card.

And after a couple seconds, Baron Samedi starts to laughing and crack up and he does signature evil laugh as Solitaire is on the ground crying.

And Tee-Hee grabs Solitaire is starts dragging her out of the room. And the rest of the thugs grab James Bond and they put both of them in a bad and they start driving out of the Vinoy hotel in St. Pete and they start heading to a cruise ship that is heading to Jamaica.

Bigg, Tee-Hee, and Baron Samedi grab Bond and Bond is placed in the baggage part of the cruise ship and is still knocked out.

CUT TO:

Solitaire is taken into a suite with Bigg and Tee-Hee.

MR. BIG (CONT'D)
So nice of you to join us Solitaire
and very soon we will be in Jamaica
very soon. And I have to make a
phone call as well.

All of a sudden Big goes to his phone and he starts calling Blofeld.

ERNST STAVRO BLOFELD
What is it?!....

MR. BIG
I have great news number 1. I have
James Bond on the ship and he is
captured in the bag and he has been
knocked out for at least 48 hours
as of now. And even though one of
my warehouses blew up, I have
honored my agreement and producing
my gold for you and Spectre.

ERNST STAVRO BLOFELD
Good. All though I have herd
reports that Mayor Donavon is dead
and was killed in the aquarium
while he was talking my
representative. The agreement was
to fund the Muslim operation also
give Iraq and Iran money so that
way they can build weapons to bomb
Israel and bomb the United Kingdom
and the United States as well. But
I guess the young man was very full
of himself.

MR. BIG
Well too bad for him, I will get
most of the profits maybe run New
York and be the mayor myself. I
knew that guy wasn't going to mound
to much and not deliver us money to
BLM and my other socialist and
communist causes within New York.
And also another piece of good news
is that Agent Felix Leiter is also
knocked out and killed in the shark
tank back at St. Thomas Aquarium
and the CIA and FBI and NSA won't
even find us. And not even MI6 in
London will find us either.

ERNST STAVRO BLOFELD

That's a big mouth of yours Bigg.
And I really hope you are right. I
will look at things and look at our
agreement once you have killed
James Bond and when that happens
your shares from Spectre will be
paid into your account along with
money going to your crew and
African American community as well.
Good bye Big.

All of a sudden Blofeld turns off the call and hangs up on
Big.

MR. BIG

Very strange person and the
agreement is being honored as well.
I will give Bond such a bloody
death that it will make him and
steel teeth head happy.

TEE-HE

Yeah I agree boss.

MR. BIG

How many hours until Jamaica?

TEE-HE

Just two more boss.

MR. BIG

Sounds good, and prepare the limo
and get us close to cave that I
have as well. And Strip Solitaire
and Mr. Bond to almost nothing and
then have them on my boat as well.

TEE-HE

Sounds good boss. My hook is ready
for destroying clothes as well.

BARON SAMEDI

And what about me?

MR. BIG

I will plan something for you as
well very soon.

BARON SAMEDI

Sounds good Bigg.

FADE TO:

EXT. AROUND THE SHORES OF JAMAICA - NIGHT

The cruise ship gets to Jamaica and a lot of cars are getting out of the ship along with Bigg and his crew.

Bigg's cars start heading out the ship and start driving to a very remote area of Jamaica. And they park their cars.

And Bigg's BLM henchmen and Tee-Hee grab Bond and Solitaire's body inside the cave. And as they are knocked out, the henchmen strip both Solitaire and Bond's clothes are butt naked inside of the cave.

FADE TO:

Bond begins to opens his eye and he tied up on a tree logo inside of the cave and Bond sees Mr. Bigg and Tee-Hee.

MR. BIG

Well, well, well, I am finally glad
that you woke up from your nap
Bond, and the hotel that you were
staying in St. Pete was really nice
and really fancy, I might need to
stay there one of these days as
well.

JAMES BOND 007

Where the fuck am I?!....

MR. BIG

Oh your in Jamaica Mr. Bond but
sadly not the rich side, but the
remote parts where you have no
internet access and very soon, we
are going to throw you and Solitaire
into the ocean and a lot of sharks
are going to eat both of you as
well.

JAMES BOND 007

Just like what you did with
Felix?!....

MR. BIG

That's right Mr. Bond and very soon once we are done with the two of you, I will be off going back to New York and making a lot of money and also making sure Black Lives Matter is still successful and destroying the US and soon destroying the UK as well and very soon I will be the cause of why all the American Cities are getting destroyed and no one is going to come after me at all, Not Even President Trump himself will have the balls to do so!!!!

All of a sudden Tee-Hee starts laughing and cracking uncontrollably.

TEE-HE

(laughing)

Ah yeah that gold mother fucker man and his spray tan...he won't stop us!!! And we will make more black children and more naked black women in the cities as well....

Tee-Hee keeps on laughing and cracking up.

MR. BIG

(angry)

SHUT THE FUCK UP TEE-HEE!!!!!!!

TEE-HE

Oh yeah, your right, I'm sorry boss....

JAMES BOND 007

Well no matter what happens to me, you are wrong, even if you put a CIA agent in the hospital, you would still get everyone after you and your organization as well.

MR. BIG

Well I doubt that, Tee-Hee take this stupid white mother fucker into the boat and start to boat very soon.

TEE-HE

Sure thing boss.

All of a sudden Tee-Hee grabs Bond and James Bond starts getting dragged outside and Tee-Hee puts him in the yacht.

TEE-HE (CONT'D)

You better know how to swim because that fish really love to eat you white people both Americans and Brits like yourself as well.

JAMES BOND 007

I swear you say another word I will really kill you.

Tee-Hee keeps on laughing and he pushes Bond into the boat and also finds Solitaire and puts her naked body into the boat. And the boat starts driving off. And the boat gets to the middle of the ocean.

As Bond is tied up, Solitaire begins to wake up and she sees Bond.

SOLITAIRE

James what's going on?!!...Why we do have no clothes on?!!...

JAMES BOND 007

Sadly it's because Bigg and his henchmen captured us back in St. Pete and we have been knocked out for a long time and they are about to throw us into the ocean as well.

SOLITAIRE

Oh no that is really awful and really terrible and really horrible and I don't want to die and not like this.

JAMES BOND 007

Don't worry Solitaire we are not going to. Trust me.

All of a sudden Tee-Hee shows up again and grabs both Bond and Soliatre and he starts tying them up on a rope and they are on the ledge of the boat.

TEE-HE

This rope will be strong enough so that way you and the magic girl won't escape from us.

JAMES BOND 007

Although I have non question.

TEE-HE
(angry)
WHAT?!....

JAMES BOND 007
How much is Spectre and Silver
paying you and Bigg?

TEE-HE
I thought you would know more about
Bond. And what is to you?!....

JAMES BOND 007
I just wanted to ask before
Solitaire and started swimming with
the fishes.

TEE-HE
You won't have that smile once you
are eaten and killed Bond.

Tee-Hee starts heading to the driver's seat and he starts powering up the boat and all of a sudden the boat starts going really fast and Bond and Solitaire fall off the boat and they are tied to each other.

As Bond and Solitaire are both in the water, Bond tries to keep his eyes open for a long time. Bond also turns back and sees a lot of cuts on his legs and blood that is in the water. And Bond and Solitaire both have cuts and blood and coming out of their legs and their arms.

CUT TO:

TEE-HE (CONT'D)
What the fuck?!...

Tee-Hee looks around and does not see them.

TEE-HEE (CONT'D)
Must have died in the water as
planned.

All of a sudden Bond gets back on the boat and grabs a spear gun and Bond loads up the spear gun and Tee-Hee turns around and Bond shoots the spear gun at Tee-Hee and stabs him in the stomach and James Bond punches Tee-Hee in the face and kicks in the stomach.

Bond grunts his teeth and anger and Bond gets a machette knife and James Bond ends up stabbing Tee-Hee in the neck and Tee-Hee falls into the water and all of a sudden the sharks start eating hims and Tee-Hee starts sinking.

And from the water, Tee-Hee's metal claw starts to sink.

JAMES BOND 007
Sounds like you won't get to see
his community be successful.

Bond walks over to the steering wheel and Bond sees his spy watch and Bond presses a button his watch and there is beeping sound and Bond tries to get his metal bus to come to their coordinates.

And all of a sudden, the bus goes in the ocean and is able to locate James Bond and Solitaire.

Bond keeps going really fast on the water and starts heading towards Miami and more helicopters are chasing them. And Solitaire starts to get really scarred and Bond keeps going really fast. And the gadget powered bus keeps on going faster and faster into Miami.

Bond finally gets to the Miami coast and James Bond ends up pressing another button and launches the bus in the air and the bus begins transforming and turning into a bus. And the wheels starts coming out.

The bus finally lands around the key west high-way in Miami and the bus lands on the road and Bond starts heading north and starts going through Miami.

And Bond is driving the bus and a lot of Black Lives Matter thugs criminals on motorcycles chasing James Bond and they are blasting a lot of rocket launchers and grenade launchers at Bond and causing a lot of explosions on the highway and trying to blow up James Bond.
