UNCLE HOWARD
Joseph, this is the 5th time we are

alchemists hiding in this town?

JOSEPH VAN LOW
I can feel it in my gut. I won't
rest until all alchemists are wiped
out, for my father's love.

UNCLE HOWARD
Your father has been missing for
years, do you believe he will care
about you?

JOSEPH VAN LOW
He will care. He will absolutely

the country, we have books and
boardgames.

ALAN RICKLY
Yeah, but the rest of the world
evolves and accepts technology like
computers, smart phones, video
games and movies, while Circleastan
doesn't.

HANS RICKLY
People around here can entertain
through anything else beside those

XANDER ZING
Good evening Alan, how are you
doing tonight?

ALAN RICKLY
Just playing chess...by myself.

Xander and Jaffa walk into Alan's house.

CUT TO

XANDER ZING

Xander throws Hans off of the table and onto the floor.

HANS RICKLY (V.O)

body of a teddy bear! I have rights
you know!

Xander sits down onto the couch. Alan walks up to Xander.

Oh yeah those Alchemist hunters are
in town hunting for Alchemists to
arrest. At least we are in the
outskirts of town...and safe from
those Alchemist Hunters.

JAFFA REDDISH
At least they will not follow us
here.

Suddenly MOTOR ENGINE NOISE comes out of nowhere. Alan looks
out of the window. 3 Alchemist Hunting Vehicles are outside
of Alan's house.

ALAN RICKLY
Great, Alchemist Hunters are
outside my house.

XANDER ZING
Hey I thought we are safe from the
Alchemist Hunters?

JAFFA REDDISH
Looks like they are expanding their
search to the outskirts of town
too.

Suddenly a knock comes at the door.

ALAN RICKLY
Oh no, they are at the door.

ALCHEMIST HUNTER 1 (O.S)
We are hunting for some alchemist
so open up.

XANDER ZING
What do we do now?

JAFFA REDDISH
Maybe we will just tell them that
there isn't any alchemists in here
so they can leave us alone.

ALAN RICKLY
We have to escape. Grab my teddy
bear.

(CONTINUED)

XANDER ZING
Serious dude?

ALAN RICKLY
What, it belong to my little
sister, I kept that to remember her
by.

JAFFA REDDISH
Whatever floats your boat.

Suddenly the KNOCKING on the door gets louder.

ALCHEMIST HUNTER 1 (O.S)

house for alchemists!

ALAN RICKLY
Let's go downstairs, there's a
secret exit. Let's get going now!!!

Alan grabs Hans, and he, Jaffa and Xander run downstairs.
The alchemist hunters BREAK down the door and enter into the
house. They have concern looks on their faces wondering if
there are any people in the house.

CUT TO

INT. SECRET TUNNEL

Alan, Jaffa and Xander walk through a secret tunnel under
the house.

XANDER ZING
That was a close one. So how did
you make this tunnel under your
house?

ALAN RICKLY
My dad and my grandpa build this
tunnel just encase of an emergency.

XANDER ZING
Like being chased by the Alchemist
Hunters?

ALAN RICKLY
Yes, like that.

JAFFA REDDISH
This is a very great tunnel, how
far does it go?

(CONTINUED)

ALAN RICKLY

It reaches out to the outside, far
away from our house.

XANDER ZING

If your dad and grandpa made this
tunnel, why haven't you made a door
to look the entrance to the tunnel?

HANS RICKLY (V.O)

Oh man, I knew me and my dad forgot
to do something for the
tunnel...ADDING A DOOR TO IT!!!

ALCHEMIST HUNTER 1 (O.S)

Hey look there is a tunnel back
here.

ALCHEMIST HUNTER 2 (O.S)

Maybe these alchemists made this
tunnel to escape from hunters like
us.

ALCHEMIST HUNTER 3 (O.S)

Come on let's see where this leads.

ALAN RICKLY

Run!!

Alan, Jaffa and Xander run down the tunnel.

Xander and Hans exit out of the hatch.

ALAN RICKLY

Alright, we are out of the tunnel
now.

JAFFA REDDISH

It was a good idea for us to escape
through the tunnel.

XANDER ZING

I know and it was so cool that
Alan's dad and grandpa made this
tunnel. Where did we lead us out
too?

(CONTINUED)

ALAN RICKLY
My dad and grandpa lead this tunnel
just 100 feet away from my house.

Alan SNAPS his fingers and slaps his hands onto the ground
closing the hatch of the tunnel.

ALCHEMIST HUNTER 4 (O.S)
This tunnel leads to a dead end,
lets walk back the way we came.

XANDER ZING
What did you just do to the hatch?

ALAN RICKLY
I used my alchemy to seal it
magically shut.

Alan slaps his hand on his forehead making the mistake of
telling Jaffa and Xander he's an alchemist.

HANS RICKLY (V.O)
Oh great, now you done it son.

XANDER ZING
You're an alchemist!!!!

JAFFA REDDISH
Why didn't you tell us this
earlier?

Alan starts to panic.

ALAN RICKLY
Calm down Xander, I can explain!!!

ALCHEMIST HUNTER 5 (O.S)
Hey some said alchemist, do you
think someone found one?

ALCHEMIST HUNTER 6 (O.S)
The shout came from this way.

ALCHEMIST HUNTER 7 (O.S)

CAROL RICKLY

Why can't you just leave us alone.

(CONTINUED)

JOSEPH VAN LOW

What?

CAROL RICKLY

You heard me, leave us alone.

Uncle Howard comes into the downtown area and join with the crowd of people.

CAROL RICKLY

Can't you see that you and your hunters are spreading fear in our lives. Look around here, there isn't any other alchemist in this town. Get out and stay out!!!

Joseph points his sword at Carol. Carol looks scared and nervous.

JOSEPH VAN LOW

We will get out when an alchemist comes out!!!

Suddenly an ELECTRIC SHOCKWAVE comes right towards Joseph. Joseph gets hit by the electric shock wave and drops his sword.

HEROIC CLASSICAL MUSIC IN THE BACKGROUND. Joseph and Carol turn their attention to Alan in the distance.

ALAN RICKLY

Stay away from my mom, and get out of our town!!!

JOSEPH VAN LOW

What are you going to do punk? I have a weapon and you don't.

XANDER ZING

He will have a weapon...He just needs to make one with his alchemy!

ALAN RICKLY

(to Xander)

Xander you idiot, you told him that I'm an alchemist!

CAROL RICKLY

(mumbling)

Why can't Alan make a smarter friend, like Miles, or Wolfgang or Jaffa.

(CONTINUED)

JAFFA REDDISH

You know, I'm right here with him
Mrs. Rickly. I just tagged along
with Xander for the company.

ALAN RICKLY

Anyway, time for you and your
Alchemist hunters to leave our
town.

ACTION CLASSICAL MUSIC IN THE BACKGROUND. Alan SNAPS his fingers and slaps his hands onto the ground. He makes a sword to appear out of the ground. He grabs the sword and charges at Joseph.

Joseph goes into his fighting stances and he swings his sword at Alan's sword. Alan throws a kick at Joseph hitting him in the chest. Alan SNAPS his finger and slaps his hand onto his sword making it longer.

JOSEPH VAN LOW

So you are an alchemist...At least
I have anti-alchemy items on my
hand...like this.

Joseph BLOWS anti-alchemy dust out of his pocket and causing Alan's sword to stop growing bigger. Joseph takes out a shock stick and SHOCKS Alan with it. Joseph kicks Alan away from him and takes out his anti-alchemy darts.

Joseph throws them at Alan. Alan dodges the darts and SNAPS in fingers and slaps his hand against the wall of a building. Alan's alchemy causes a brick from the building LAUNCH out and hit Joseph in the face.

JAFFA REDDISH

Go Alan, kick his butt!

Alan SNAPS his fingers and FIRES LIGHTNING BOLTS out of his hands with his electric alchemy. Joseph dodges the lightning bolts and sprays anti-alchemy dust at Alan.

Alan gets hit by the anti-alchemy dust.

XANDER ZING

How can your dust stop my friend?

JOSEPH VAN LOW

It negates alchemy. All of my
anti-alchemy equipment is made out
of a material not found on the
periodic table.

(CONTINUED)

JAFFA REDDISH
So whatever Alan throws at you, you
will just negate the effects.

JOSEPH VAN LOW
Exactly.

CAROL RICKLY
So what is your equipment made of?

JOSEPH VAN LOW
I have no idea, my boss never told
me.

Joseph throws a bolo rope at Alan. Alan gets wrapped in the
bolo rope and falls to the ground.

JOSEPH VAN LOW
It's about time this town has an
alchemist so I can catch it and
take him down.

HANS RICKLY (O.S)
Hey!!!

Joseph turns his attention to Hans.

HANS RICKLY
You get away from my son.

Carol slaps her hand onto her forehead.

HANS RICKLY
I mean...I'm just a teddy bear,
want to hug me?

CAROL RICKLY
Hans, the teddy bear that Alan put
your soul in didn't had a ripcord.

JOSEPH VAN LOW
(to Alan)
You use alchemy to put your
father's soul into a teddy bear?
That's just messed us.

Jaffa takes out a piece of paper with a transmutation circle
on it and it FIRES a RED ENERGY BLAST out of it hitting
Joseph.

JOSEPH VAN LOW
(to Jaffa)
Hey, you're an alchemist too?

(CONTINUED)

JAFFA REDDISH

Long story, my uncle is a military soldier who is also an alchemist, so he taught me in red alchemy, and alchemy that has the colour red in it.

Carol sneaks over to Alan and cuts the rope around him.

XANDER ZING

That's it, that's the alchemy you know? Alan knows 100s of alchemy styles. Isn't that right Alan?

ACTION CLASSICAL MUSIC IN THE BACKGROUND. Carol breaks Alan free, and Alan leaps off of the ground.

ALAN RICKLY

I'm planning to surpass the current Ace Alchemist and become the newest 1.

UNCLE HERBERT

Well, that's a big goal for you. You are certainly on the right track young man.

JOSEPH VAN LOW

Not helping Uncle.

(CONTINUED)

Alan SNAPS his fingers and SLAPS his hands onto the ground TRANSFORMING the parked cars into cannons. The cannons FIRE CANNON BALLS at Joseph at the other Alchemist Hunters. They dodge the incoming cannon balls as they CRASH into the building.

Joseph takes out his clubs out of his utility belt and swings them at Alan. Alan dodges the club swings and throws a knee strike at Joseph. Joseph gets hit by the knee strike and throws a counter kick at Alan. Alan gets hit by the kick and he judo throws Joseph to the ground.

All of the other Alchemist Hunters charge at Alan. Jaffa takes out dozens of papers out of his pocket and throws them into the air, and RED LASERS come out of them at the Alchemist Hunters hitting them and making them fall to the ground.

Jaffa takes out another piece of paper and uses his alchemy to TRANSFORM it into a red sword. He swings it at Joseph, but Joseph blocks the attack and throws a leg sweep onto Jaffa, but he leaps over the leg sweep and throws a downward kick at Joseph. Joseph blocks the kick and Alan throws a roundhouse kick at Joseph knocking him to the ground.

HANS RICKLY

You get away from my son!!!

Hans charges at Joseph and throws a punch at Joseph, but the punch was too soft for Joseph and he kicks Hans away from him.

Carol catches Hans.

CAROL RICKLY

(to Hans)

You're in a body of a teddy bear
Hans, your punches won't work on
him.

HANS RICKLY

I was only trying to protect our
son.

Suddenly Alchemist Hunters surrounds Carol and Hans. Suddenly GIANT HANDS APPEAR out of the ground and grab onto the Alchemist Hunters and throw them away from them.

ALAN RICKLY

Mom, dad get away from here. I will
take care of this.

XANDER ZING

Don't forget about me. I want to fight too.

Alan SNAPS his fingers and SLAPS them onto the ground. He uses his alchemy to TRANSFORM some of the dirt into a metal staff. He tosses it to Xander and he catches it. Joseph charges at them.

Alan throws a jump kick at Joseph and he falls to the ground. Joseph leaps off of the ground and throws smoke bombs at Alan and friends RELEASING SMOKE and covering them into a cloud of smoke.

Alan uses WIND ALCHEMY to BLOW the smoke away. Xander swings his staff at Joseph, but he blocks the attack and Jaffa swings his sword at Joseph, but Joseph blocks the attack with his clubs and Alan throws a jump kick at Joseph knocking him to the ground.

Joseph leaps off the ground and goes back into his fighting stances. Joseph throws throwing stars at Alan and friends. Alan uses his ALCHEMY to make a wall to appear out of the ground to block the throwing stars.

Alan leaps over the wall and throws a punch at Joseph. Joseph blocks the attack and throws Alan to the ground. Alan SNAPS his fingers and SLAPS his hand onto the ground. A GIANT FIST appears out of the ground and punches Joseph off of Alan.

Jaffa swings his sword at Joseph, but he kicks the sword out of his hands and throws a tornado kick at Jaffa, knocking him to the ground. Jaffa takes out a piece of paper with transmutation circle on it and FIRES a BLAST OF ENERGY out of it.

Joseph dodges the attack and rolls onto the ground. Suddenly Xander swings his staff at Joseph, but Joseph dodges the staff swing and leaps off of the ground.

Alan throws a punch at Joseph, but Joseph blocks the punch and throws a counter punch at Alan. Alan blocks the punch and judo throws him to the ground.

JOSEPH VAN LOW

(to Uncle Howard and the other hunters)

Alchemist Hunters, RETREAT!!!

All of the Alchemist Hunters go back into their vehicles.

UNCLE HOWARD

you were an alchemist?

ALAN RICKLY
I don't want to revel my secret to
you guys, you might tell someone
else about it.

JAFFA REDDISH
Hey we won't tell anyone else about
your secret, you know my secret
that I am also an alchemist.

XANDER ZING
Totally and it has red in it's
name.

down through my family for
generations.

ALAN RICKLY
This is the transmutation circle I drew on the ground 3 years ago. I was using my alchemy to bring back my little sister back to life, but dad interferes with the transmutation and it caused damage to his body. That's where I saved his soul and put it into the body of my sister's teddy bear.

JAFFA REDDISH
Wow...I feel so sorry for your lost of your sister...she was so young.

HANS RICKLY
Alan just wants his sister back so we can be a family again.

CAROL RICKLY
We should've made Alan complete the alchemy ritual so he can bring back our daughter back to life.

Carol starts to cry. Hans comforts her.

JAFFA REDDISH
So now what are you going to do about it now?

ALAN RICKLY
While I was with my grandpa, he told me about the Ace Alchemist, an alchemist who mastered all types of alchemy. People say that he can transmute human souls with no problems. And that's where I decide to become the next Ace Alchemist. So I have to find the Ace Alchemist and surpass him, to return my dad back to normal and bring back my sister back to life.

XANDER ZING

We get it with your alchemy, but
why do you have to snap your
fingers?

ALAN RICKLY

It's a side effect to the accident
that turned my dad into a teddy
bear.

INT. ALAN'S HOUSE BASEMENT 3 YEARS AGO (FLASHBACK)

Hans accidental step into the transmutation circle, causing
his body to TURN into dust and he SCREAMS in the process.

ALAN RICKLY (V.O)

When dad stepped into the
transmutation circle it turned his
body into dust.

Alan picks up a teddy bear and a piece of paper .Alan uses
his blood to draw a small transmutation circle in the small
piece of paper. He puts the small piece of paper into the
teddy bear.

ALAN RICKLY (V.O)

With my quick thinking I put a
transmutation circle onto a small
piece of paper and put it into my
sister's teddy bear.

The teddy bear SHINES and a FLASH OF LIGHT comes out of it.

ALAN RICKLY (V.O)

And that's where I get transported
to another place.

EXT. THE ENDLESS ABYSS (FLASHBACK)

Alan opens his eyes and sees that he is in the Endless
Abyss. He looks down and sees that he is floating in the
air.

That's where I found myself in a
place called the Endless Abyss.

Alan sees his father's body and FLOATS towards it.

ALAN RICKLY (V.O)

I see my father's body is in the
abyss, but when I get up to him, a
voice came out of nowhere.

THE CIRCLE (O.S)

Halt!!!

Alan looks up to THE CIRCLE a giant living transmutation
circle, wise, powerful, observant, mellow, godly and
superior appears above him.

ALAN RICKLY (V.O)

I see a godly figure named the
Circle who is the ruler and god of
the Endless Abyss.

THE CIRCLE

What brings you here?

ALAN RICKLY

My name is Alan Rickly, and my dad
ruined a alchemy ritual that would
bring my sister back to life and
I put his soul into a teddy bear
to save his life. I want to bring
my sister back to life as well and
bring my father's soul back into
his original body. Could you bring
me home please?

THE CIRCLE

I will bring you home, but you
cannot bring your sister back to
life. It's impossible to transmute
the human soul, unless you are the
Ace Alchemist...Are you?

ALAN RICKLY

NO I am not.

THE CIRCLE

In that case, you must find him and
surpass him, that is the only way
to bring your father back to his
original body.

ALAN RICKLY

What about bringing my sister back
to life?

(CONTINUED)

THE CIRCLE

You may not, it's too risky to do that, the original Ace Alchemist did it and be ruined it.

ALAN RICKLY

If I surpass the current Ace Alchemist, that means I could bring back my sister without any problems right?

THE CIRCLE

Yes, you may do that.

The Circle OPENS a doorway for Alan. Alan FLIES through the doorway.

JOSEPH VAN LOW

(angry)

NO I WON'T!!! I will not stop until I hunt down every alchemist in the world, to grant my father's love. And to get revenge on Alan Rickly the fusion Ace Alchemist.
