TIFFANY LOCKS (cont'd)
town, a night out with you well
deverse break. I love what you had
done wit your hair this evening.

KURTIS BLUE
Oh this...I had some hair gel
laying around the house, I don't
want it to go to waste. And
besides, we don't want to worry
about rats and cockroaches right
now, let's enjoy this evening.

Suddenly a rat comes up to them. They look down to the rat.
Kurtis takes a piece of garlic bread and gives it to the
rat. The rat grabs the garlic bread and runs away from
them. Suddenly a cockroach crawls onto their table. Tiffany
flicks the cockroach off of the table.

Tiffany and Kurtis both LAUGH.
