SUSAN JOLTS

Those look like pom poms.

LUNA

What are pom poms?

LIAM LOPONDA

They are special things
cheerleaders use to cheer on their
teams.

MITTY

Are you talking about our Braw
Paws? Because they are weapons we

LUNA
Now if you are going to fight the
K-Niners, you have to wear the

Luna uses her MAGIC to make a flash of light to appear. The
light fades away and Susan sees herself wearing a humanoid
cat costume.

SUSAN JOLTS
Wow, I look like a cat girl, with
pom poms.

TINA PROWLs
Wow, so cool. So what does that
costume do?

LUNA

SNOWBELL

Speaking of the copycat ability. Check this out.

Snowbell stomps onto the ground and SHOUTS a LOUD BARK. A sound wave hits the incoming K-Niner Soldiers knocking them to the ground.

NORMAN CROWNS

Did you just barked?

GORDON "GORDY" GREENBERRY

Yeah, cats don't bark, they meow.

SNOWBELL

Yes I did, I was saving that for a special occasion.

Whiskers makes TELEKINETIC WAVES to come out of his paw paws. He makes the K-Niner soldiers float into the air and he pushes them away from the scene.

WHISKERS

This isn't about showing off Snowbell, its about copying the foes abilities and uses them against them.

So how did you make lightning to
come out of your braw paws

MITTY
Just think of what attack you want
and it will appear on the braw
paws.

Susan closes her eyes and thinks of what attack she wants on her baw paws. LIGHTNING APPEARS around her baw paws and she opens her eyes.

No problem, guys.

Snowbell FIRES ICE BEAMS out of her brow paws, freezing more K-Niner soldiers in solid ice. She leaps into the air and FIRES ICICLES out of her brow paws at the other K-Niners pinning them onto the ground.

Leons brow paws SHINE WITH ORANGE LIGHT. He FIRES a POWERFUL ENERGY BLAST at the K-Niners. The K-Niners run away from the powerful energy blast.

LEON
We need to finish this, before they take over the town.

SUSAN JOLTS
I got an idea.

LUNA
What is your idea.

SUSAN JOLTS
Simple, I need, myself, Mitty and Snowbell to stand on top of Leon, Whiskers and you.

Mitty and Snowbell stand onto Leon's, Luna's and Whiskers' shoulders.

LUNA
Now what?

Susan leaps onto Mitty and Snowbell's shoulders.

SNOWBELL
Is this your idea? Having us being a pyramid or something?

SUSAN JOLTS
Yes, it's a cheer leading pyramid, and we can combine our brow paws power together for a finishing attack.

WHISKERS
Sounds like an idea for me.

K-NINER SOLDIER 1
You kitty cats and humans shall
suffer the wrath of the K-Niners!

The K-Niners surround Susan and the cat aliens.

SUSAN JOLTS
Ready? OK!

VICTORY CLASSICAL MUSIC IN THE BACKGROUND. Their braw paws
SHINE with WHITE LIGHT, energy flows around them.

SUSAN JOLTS
Victory Cheer....Wave!!!

An Energy wave comes out of Susan and the cat aliens. The
K-Niners get hit by the energy wave and they are thrown into
the air.

K-NINER SOLDIER 1
Retreat!!

The K-Niner soldiers make a run for it. The K-Niner
spaceships blast off into space. Susan leaps off of Snowbell
and Mitty, and Snowbell and Mitty leap off of Leon, Luna and
Whiskers. MELLOW HEROIC CLASSICAL MUSIC IN THE BACKGROUND

LEON
I got to say human, you certainly
did it.

LUNA
But you also let the K-Niners get
away from that energy wave.

SNOWBELL
Now they are all over the place, we
have to track them down.

MITTY
And with the help from our new
human officer.

SUSAN JOLTS
Human officer?

Liam, Gordon, Tina and Norman run up to Susan and the
others.

LIAM LOPONDA
That was awesome SJ. You totally
kicked butt, or tail?

(CONTINUED)

GORDON "GORDY" GREENBERRY
Thank goodness, those dog aliens
are gone.

SUSAN JOLTS
They are not gone, they are still
on the run. They might be all over
town, or around the world.

NORMAN CROWNS
So what does that mean?

LEON
We need your friend's help to hunt
down the K-Niners, before they can
run the Earth.

Liam, Gordon, Tina and Norman look worried.

SUSAN JOLTS
In that case, if I want to be part
your force, how about a name....How
about...the Kitty Kat Cheer Force.

LUNA
Well, our original name to our team
is Squadron 11-A90, but that will
work.

LIAM LOPONDA
(to Susan)
At least you have your own cheer
squad now.

SUSAN JOLTS
Totally, and this team is going to
kick some alien butt.

SUSAN JOLTS (V.O)
After that weird encounter with
some aliens, and saved my friends
from evil dog aliens, I got my own
cheer squad...And it's even better
than Stella's. With my new cat
alien friends by my side, there is
nothing I can handle.

INT. K-NINER MOTHER SHIP BRIDGE

EVIL SCI-FI MUSIC IN THE BACKGROUND. Meanwhile in the K-Niner Mothership, DOGMADOOM an alien dog, evil, cruel, powerful and tough is sitting on his throne.

DOG BULL obedient, worrying, tense and edgy comes running into the bridge. He runs up to Domadoom and kneels down to him.

DOG BULL
My lord, Dogadoom, I have bad news
to tell you.

DOGMADOOM
Bad news? What are they?

DOG BULL
The K-Niner Soldiers had crashed
landed on a planet known as Earth,
they were scattered through out the
planet by the cats who work for the
Universal Patrol.

DOGMADOOM
The Universal Patrol. They are on
my tail for years, but luckily my
K-Niner soldiers crashed landed on
the right planet.

Dog Bull looks confused. Dogmadoom stands up from his throne and walks up to the window.

DOGMADOOM
I am meaning to take over Earth for
years, and now it's the right time
to do it.
(to Dog Bull)
Set a course to Earth.

Dog Bull bows and runs out of the throne room. Dogmadoom pulls out his battle axe and points it to a globe of Earth.

DOGMADOOM
I am going to visit some old
friends.

Dogmadoom chops the globe in half with his axe.
