**2018**

#### **Finn/Montfoort Mon Amour (promo)**

**Director:** Didier Chabi

**Production:** Valerie Banybah

**Production assistant:** Raymond Zachariasse

**Production company:** Montfoort Film Studios – [www.montfoortfilmstudios.nl](http://www.montfoortfilmstudios.nl)

#### **Synopsis:**

The film project is a drama Online mini-film series mainly based on real cultural heritage events (past and present) of the inhabitants of the once known as Mons-Fortis (1170): a small municipality and a city in the Netherlands that got a right to city in the year 1329. Love in the sense of versatility plays the leading part in this author's work by filmmaker Didier Chabi. The episodal film story describes the daily struggle of the growing-up young man Erwin (26) an aspiring writer who is in love with Kim. Besides, Erwin a fifth generation born Montforter is battling an unpleasant situation within his family-run business. Everything in the life of Erwin even eventualities are made to keep him in Montfoort while Kim seems to be born with a travel-bag. Progressively, the events of life will form a labyrinth by which Erwin will learn to live by. Ultimately Erwins' love for Kim get to the pick.

**2018**
