### TO WHOM IT MAY CONCERN

Miss C. Booysen has been known to me for many years. I taught her English from grades 9 – 12. She was a star pupil excelling in English writing. Her natural ability to understand and communicate in English was far beyond that of her contemporaries. She wrote the most excellent essays and poetry. Some of her poems were published in the "African Institute" anthologies. I motivated and inspired her to focus on her writing. This she did and published a novel.

I want to recommend her for the position for which she has applied. She is a hard worker, very diligent and focused.

I wish her well in the tough world of employment. She is one of Jansenville High School's learners whom we are extremely proud of. We are honored to be associated with her.

Yours faithfully

Ms. F.M. Grobler

**TO WHOM IT MAY CONCERN**

Dear Sir / Madam,

I, Johnny Lewis, hereby confirm that Ms C. Booysen is known to me.

To my knowledge she has been attending City University in the Johannesburg to qualify for film and TV Productions. She had battle to get a job after completing at University and had decided to write her own book.

The Mayor of the Ikwezi Municipality and myself as the then Portfolio Councillor of the Ikwezi Municipal Council for Community Service had invited Ms C.Booyesen for an inspirational speech to our young people at Ikwezi Municipal Library week 2015

She Ms Booysen had introduced her book at our Library week.

Currently she still keeps her busy writing books.

She has distinguished herself as a dedicated, committed person who gives her all to the cause of her dream. She goes the extra mile to ensure that her project is a success.

She guards the interest of the Community and the Country Citizen at large.

The upliftment of the Community is one of her priorities.

You're Faithfull

Mr Johnny Lewis.....
