## PROFESSIONAL SUMMARY

I have twenty years of filmmaking experience in television, commercial, music video, short and feature film, all fuelled by a passion to do my best each time I commit to a project. I am goal oriented, highly collaborative and problem solving which is why I always gets the job on time, within budget and to its best quality. Being self-taught is one of the key components to my success as it has made me a quick learner and easily adaptable to varying challenges.
