

JORDAN PAETSCH

I have dedicated my life to storytelling, using many mediums to express the unending depths of creativity I possess. I thrive in high-pressure environments with a collective and dedicated vision. Having earned, and excelled at, an Applied Bachelor's Degree in Motion Picture Arts at Red Deer College, I am beyond excited to continue my burgeoning career in the industry I hold most dear. I am truly confident in my abilities as a team member and leader and know I will be an asset in the industry and to any production.
