

PHIL SEXTON

FILMMAKER

Quick link to video reel: <https://vimeo.com/386506341>

PROFILE

Phil Sexton is a professional filmmaker who has been a part of award winning productions with over 12 years of industry experience. With strengths in editing, post production, cinematography and directing, Phil has successfully executed critical roles in broadcast productions, music videos, motion pictures, documentaries, commercials and corporate videos.

Phil is an honors graduate with a B.A. in Radio/TV/Film from Howard University, and an honors graduate from The Art Institute of Houston.

Since his studies over 15 years ago, he gained experience working amongst prestigious organizations and entities such as Sony, DreamWorks, NBC, NASA, and BET.
