## Jorge Monteallegre

### ABOUT

Jorge's work ranges from music videos, commercials, and digital series, to award winning feature films and episodes of television. Having directed, shot, and edited over 200+ videos he is known for his distinct aesthetic, dynamic visuals, and dramatic use of sound, color, and handheld movements. Jorge is known as an innovator and leader for the creative indie filmmaking community in Colombia & USA

His hands on approach to directing, shooting, and editing, combined with his personality and passion for elevating the skills of filmmakers everywhere has made him a leader in the industry
