## Education

---

**Bachelor studies in media sciences**

August 2018 — Present

Szabist

I have completed all but two courses for the completion of my university degree. The skills I've learnt while executing the student projects are extensive in range. However, the core skills that I would like to showcase and work forward revolve around Editing, Directing, Sound and Graphics.

**A-levels**

August 2016 — June 2018

Cordoba school for A-levels

**O-levels**

August 2013 — June 2016

The City School Paf Chapter

## Work experience

---

**Silent Roar Productions**

21 June 2021 — 22 September 2021

Audio Executive

Although I worked there as an Audio Executive, however, I also edited a few videos on Adobe Premier while making graphics and editing pictures on Photoshop to use on these videos.

**Royal shoes**

Jan 2021 — September 2021

Freelance social media marketing

Been associated with them for creating visual marketing content.

**Multiple individuals**

June 2018 — Present

Freelance and student work

Have worked with different individuals as a video editor, graphic designer and audio mastering for a couple of some years now. Mostly, I have found jobs like these via Facebook. In my university groups, I usually work as a Director, editor, sound designer, sound recordist and gaffer.

**Softkodes.com.au**

June 2015 — September 2020

Assistant copy-writing

Worked as a content creator with Softkodes, an Australian company. I was responsible for writing SEO content for multiple local companies.
