## ABOUT ME

I want to build my career with sales and marketing professionals . I like challenging jobs like sales and marketing to take on challenging positions To be experienced in ICT subject , at first, I completed MS Office course and Graphic Design course . After completing the courses, I was in charge of a government post-e computer training center for about a year. I have been working as a graphic designer and digital sales and marketing officer in a private company called Soliman Enterprise for two years.

So I can say that I have a very good idea about computers. All the time I try to keep myself intact in creativity and learn something new . I have gained enough knowledge in the case of your offered job. I think I am the most qualified candidate for the job you have offered.
