INTRO

Hello, I'm an award winning filmmaker seeking a position in editing narrative projects. I'm familiar with many aspects of Post-Production from ingesting, editing, color grading, sound mixing and some VFX. I specialize in narrative storytelling in the genres of Drama, Comedy or Crime. Some of my strong suits are pacing, editing to music, and sound design.

EXPERIENCE

Editor,
Rest Stop (Short Film), 2022
- Edit Film
- Color Correction
