

Charlie Wilson

Actor/Singer/Voice-Over Artist

I am a professional actor and singer. I have appeared in various theatre productions as well as independent films in the Western North Carolina area. I am also versed in voice-over having provided audio content in narration and voice acting for various arts and commercial projects. My goals and ambitions are to be a working actor whether in any capacity whether it be theatre, film or voice-over. I'm a team player and hardworking artist, committed to making any project I work on a complete success.
