

Isaiah Moorehead

An aspiring writer who very much enjoys seeing his words come to life on a screen. I started off writing short stories and slowly began to fall in love with screenwriting with a goal to one day write for a film production company and share my creative skills and thoughts to a much bigger audience. Creative writing has no boundaries whatsoever, and every time I write I aim to take advantage of that fact.

EDUCATION

New Jersey City University, Jersey City, NJ — *English Degree*

August 2018 - December 2022

- Participated in NJCU Book Club.
