OBJECTIVE: Years of initiating indie and commercial projects through efficient scheduling, and budgeting. Practiced in Cinematography, Audio Designing, Directing, and Editing in different types of media. Always looking for ways to learn and grow, I’m a creator who wants to make passionate, world-changing media.

HIGHLIGHTS OF QUALIFICATIONS

- Over three years of creating mixed media in roles spanning from Production Assistant, Audio Designer, Cinematographer, Editor, Writer, and Producer
- Proficient in a variety of audio and video editing software including Apple Logic Pro, Adobe Audition, Apple Final Cut Pro, Davinci Resolve, and Adobe Premiere
- Comfortable and interested in administrative tasks including: scheduling, taking organized notes, communicating between departments, budgeting, and researching
- Dependable and excellent at answering texts, phone calls and emails, can be on set with short notice
- Over seven years experience multi-tasking and remaining calm in high pressure situations and able to deliver excellent customer service in-person and over the phone

EDUCATION

College of the Canyons, Santa Clarita, CA
Associates of Arts Degree in Filmmaking
Relevant coursework: Cinematography

Expected: 02/2025

Full Sail University, Winter Park, FL
Audio Production Certificate (3.9 GPA)
Relevant coursework: Recording Principles, Music Composition, and Audio Editing

Received:12/2018

PROFESSIONAL EXPERIENCE

AUDIO/VIDEO PRODUCTION

- Created 20 Book Trailers by recording self-made voiceover on Adobe Audition, arranging music accompaniment on Apple Logic Pro, and pairing the audio with stock footage on Apple Final Cut Pro to encapsulate the Author’s story in a short easily shareable video
- Developed 4 Commercials for small businesses by creating simple sets, directing, and filming their messages, and editing the footage together on Adobe Premiere
- Procured \$10,000 for [Scare Actors](#), a supernatural comedy short film, through different financial avenues of crowdfunding, zero-interest loans, and awarded prize money
- Currently producing the podcast [Ace of Hearts](#) with iHeartMedia, a show about dating from often undiscussed perspectives, hosted by myself and utilizing recording and editing software Adobe Audition and Apple Logic Pro with currently 10,000 downloads a month

DETAIL-ORIENTED

- Customized each Freelance project to each client’s specifications, when audio or video wasn’t to their satisfaction, active listening was used to create the perfect media for their needs
- Conceptualized lighting set ups for dance and work-out videos for Heat Dance, catering to the sets, themes, subjects, and genres of each video
- Established Leitmotifs for the audio drama [The Immortal Woman](#), encompassing corruption, responsibility, faith, and sorrow
- Coordinated film schedules for [Scare Actors](#) including call sheets, day-to-day itineraries, and rehearsal arrangements ensuring a well-prepared and fun film shoot
