ABOUT ME

I am an administratively trained office clerk, who is also a digital media artist, photographer, video and film production creator, and former christian internet broadcaster.

SKILLS

Digital media, photography, business administration, clerical office duties, internet broadcasting, film festivals, video and film editing, web design and lite coding (css, and html), Adobe software, Google docs, Microsoft Office, and I am bilingual in Spanish and English.

EXPERIENCE

Remediation Services, Wells Fargo Bank, San Diego CA — 2021 to present.

Working remotely, part-time, with archival data transactions, credit check agencies, and bank tellers.

Media Specialist/Office Clerk, Victory Outreach San Diego, San Diego CA — 2012-2015

Broadcasted web streams (through <https://www.christianworldmedia.com>), presented live events on stage projector, and edited videos. Utilized Adobe Media Encoder, Adobe Photoshop, and Adobe After Effects to create promotional materials. In a collaboration with VOSD personnel, I helped to implement ProPresenter software to upgrade the existing stage productions (transition from an old Windows XP internet broadcasting machine). I worked with professional Sony cameras, avid sound board, and worked on stage equipment maintenance.

Theatrical Production/SDSU/Media, O'Farrell Middle School, San Diego CA — 2009-2010

In a collaboration with a SDSU theatre class (theatre 100) and O'Farrell middle school, I assisted with the lighting, lite music scoring, casting, general theatrical production aspects of a 2 hour long play, rehearsals, lighting techniques (including lighting gels, to be done after climbing a stage latter), costume selection, and worked with an avid soundboard connected to the main theatre stage speakers.

Media/Office Clerk Specialist, Kehilat Ariel Messianic Synagogue, San Diego CA — 2008-2009

Administered media production duties, from disk duplication, to media printing, to clerical tasks.

Media Assistant, San Diego Media Arts Center, San Diego CA — 2008-2008

Worked with a non profit organization, Casa Reposo House of Rest, in getting them started in a feature length film in a seminar with SDMAC's founder Ethan Van Thillo. I also attended various workshops with San Diego Media Arts Center.

Film/Media Production, Groovy Like a Movie, San Diego CA — 2004-2004

Learned about the basics of film and media production. Worked on 'practice' aspects of shooting a film, from considering the weather when shooting, to actually using a studio to record sound and video, to using post production software to enhance the look of a movie.

Film Director, High Tech High Film Festival, San Diego CA – 2004-2004

Directed a short film, which later won an award for a "Best Special effects". Showcased previews of it in TPOL presentation and on High Tech Middle stage, along with other filmmakers; attendees included film industry professionals.

Webmaster (HTH Internship), San Diego Senior Olympics, San Diego CA — 2002-2002

Served as the website administrator, attended a luncheon seminar, and represented the organization in career festival, all made possible through High Tech High internships in junior year.

Web Designer, High Tech High School, San Diego CA — 2002-2002

Won outstanding design award for a digital portfolio, in addition to a swish/flash animation made possible by Windows PC OS Swish software, in association with the Bill and Melinda Gates Foundation.
