Novice

Gifted Composer with a 8-year background arranging and composing musical pieces for both film and live concert performance. Composed music for ensembles ranging from full orchestra to small chamber ensembles to solo instrumentalist. Experience with setting up rehearsals, working closely with musicians and dealing with struggles and set backs in regards to both leading rehearsals and gathering together an ensemble. Classically trained musician capable of playing both piano and cello. Studied music composition, theory, form/analysis, orchestration and production. Proficient in various sound and music editing and notation software such as Logic pro, Pro-tools and Finale. Familiarity with a large variety of musical genres with expertise in dramatic/emotional and psychological thriller/suspense.
