Damaris Isales Biography

Damaris Isales is a bilingual actress fluent in both English and Spanish, celebrated for her dynamic performances in both film and theater. She made her acting debut in 2017 with the drama *The Right to Live*, a powerful film raising awareness about domestic violence, where she quickly earned recognition for her ability to bring depth and authenticity to complex roles.

Over the years, Damaris has showcased her versatility in a wide range of genres, from queer cinema to westerns, biopics, and fiction. Her most recent performances are in *3,000 Days of Abandonment*, a theater piece where she portrayed a fierce matriarch determined to keep her family together despite overwhelming odds and the film *Hoopers* where she portrayed a social worker.

Beyond her acting career, Damaris is a passionate advocate for anti-bullying initiatives and education, and has a background in the criminal justice field.

Always seeking new challenges and opportunities, Damaris continues to push her craft and is excited about the future of her artistic journey. She currently resides in the New York area.
